OF

HELD IN

JUNE 5, 1963

FIRST SEDERUNT

At the City of Toronto, Ontario, and within Knox Church there, Wednesday, the fifth day of June, in the year of our Lord, one thousand nine hundred and sixty three, at eight o'clock in the evening.

Which place and time Ministers and Ruling Elders, Commissioners from the several Presbyteries of The Presbyterian Church in Canada, convened pursuant to appointment of the General Assembly held in the City of Toronto, Ontario on the sixth day of June last year.

The Reverend Ross K. Cameron, C.D., M.A., D.D., Moderator of the last General Assembly, assisted by the Reverend J. M. Laird, B.D., conducted public worship and preached a sermon from the words: "And he said, I beseech thee, shew me thy glory. And he said, I will make all my goodness pass before thee, and I will proclaim the name of the Lord before thee; and will be gracious to whom I will be gracious, and will shew mercy on whom I will shew mercy." Exodus 33:18, 19. "And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth." John 1:14.

Thereafter, with prayer, he did constitute the General Assembly in the name of the Lord Jesus Christ, the only King and Head of the Church.

The Board of Education begs to present the following report.

I. SPECIAL COURSES

Note: Attention is drawn to the following regulation adopted by the General Assembly of 1953:

"The status of a catechist must not be understood as a step toward ultimate ordination. (A. & P. 1962, p. 95).

The Committee begs to present the following report:

For the terms under which this Committee has power to authorize appointments by the General Board of Missions to overseas work of men other than those of our Church, see A. & P., 1958, p. 103.

[6261]

Mr. E. S. Mackay, Chairman of the Overseas Sub-Executive, addressed the Court. He pointed out that The Presbyterian Church in Canada is at work in strategic places throughout the world. "CALL TO MISSION" AS SEEN BY A STAFF VISITOR

Rev. R. M. Ransom, Assistant Secretary of Overseas Missions, spoke of his recent trip to the Overseas fields. He expressed himself as convinced that in spite of many discouragements, the work is moving forward and meet-

[6263]

ing the desperate needs of the world. The missionaries are willing to go to places where other interests can scarcely coax its executives to go even with the offer of large financial reward. The Church is reaching down with its lay training to the uttermost depths of the earth, making a contribution through a very vital and virile Church.

"CALL TO MISSION" AS SEEN BY THE MISSIONARIES

Rev. Glen Davis

Rev. Glen Davis spoke of his call to be a missionary and to be an overseas missionary. He mentioned the influences which had affected his decision, especially the giving of Christ to the world. He is looking to his work in Japan that others may know Christ as he has found Him. He asked earnest prayer for himself and for all missionaries engaged in the great task to bring men and women to Christ for whom He died.

Miss Shirley Dredge

Miss Dredge, a graduate of Ewart College, spoke of the influence of her home Church in Nassagaweya in the Presbytery of Guelph. The greatest influence has been the work of the Young People's Societies in Nassagaweya, in the Presbytery, in the Synod and in the Church as a whole. She is looking forward to her work in Nigeria in the "Partnership of the Gospel".

Rev. Russell Self

Rev. Russell Self is returning to India-Jhansi this summer. He said the first two letters of "Gospel" spell "Go", that the love of Christ constrains and this is the dynamic compelling love. It is not Partnership of the Gospel, it is Partnership in the Gospel — it is commitment to Christ in His gospel. In 1903, communism meant seventeen persons; it now dominates one-third of the world's population and one-third of the world's surface. This is part of the challenge to the Church to-day.

Dr. E. H. Johnson

Dr. Johnson summed up the presentations of the evening. He mentioned the spirit of dedication on the part of our missionaries and their skill in meeting situations as they arise. In visiting the fields he is impressed by the great needs of the work and the fine opportunities for the Church and the way in which these are being met. Many are coming into the Church and these new Christians require training. Everywhere he finds the great desire for more theological education. New Christian education is being developed in many lands. The basic task is to look again at God's call in Christ and full commitment to Him. We should have a messianic confidence in the task.

RECOMMENDATION 7

The recommendation previously presented on motion of Mr. I. R. McKee and seconded, was then put and carried. The Moderator intimated that the recommendation was approved unanimously.

[6264]

On motion of Mr. M. R. MacAlpine, duly seconded, it was agreed that the resolution be implemented by

1. A letter to our congregations from the Moderator, prepared in consultation with the Overseas Sub-Executive, presenting the call to renewed obedience and suggesting that it be implemented by:
 - (a) regular prayer for the mission to the ends of the earth;
 - (b) intelligent study of the Great Commission and of the facts of contemporary mission, and of the meaning of mission in relation to world events;
 - (c) vigorous self-examination in attitudes and habits of giving to missions;
 - (d) appropriate action in terms commensurate with the command of our Lord, the scope and urgency of the task, and the great resources with which God has blessed us.
2. Commending to our people the use of the brochure "*Looking Ahead in World Mission*".

FUND FOR MINISTERIAL ASSISTANCE

The Assembly called for the Report of the Fund for Ministerial Assistance which was given in by Dr. G. Deane Johnston, the Chairman, and on motion of Mr. C. M. Pitts, duly seconded, it was received and ordered to be spread on the Minutes as follows.

Regular quarterly meetings of The Appointors of The Fund for Ministerial Assistance have been held throughout the year. As reported a year ago the corpus of The Fund has been built up to \$850,000. During the year gifts have been made to married ministers of The Presbyterian Church in Canada at the rate of \$200 per year for the Minister and \$100 per year for each of his children sixteen years of age and under, and also to his children up to twenty-one years of age if they are still at school.

The matter of extending The Fund to relate it to ministers on our overseas staff and to catechists was explored, but was found to be impossible under The Trust and according to the will of the Donor.

During the first quarter of 1962 fifty-four ministers received gifts of \$4,157.00, which amount pertained to themselves and their children. During the final quarter of the year one hundred and twenty-five ministers and one hundred and ninety-three children received \$10,724.15. It should be pointed out that the number of ministers who received gifts at this time has been increased by the inauguration of the new basic stipend which means that all married ministers with salary of \$3,900 are eligible. The total of all gifts for the year was \$32,238.

There was a Capital balance of \$887,405 at the end of 1962, made up as follows:

[6269]

Investments	\$ 860,199.00
Accrued Interest	12,240.00
Cash	14,966.00
	\$ 887,405.00

Letters from ministers who have received gifts from The Fund have been passed on to the anonymous donor of the gifts, for which he has expressed himself as being most grateful.

The Presbyteries have been notified quarterly to make returns to the Secretary with regard to married ministers within the bounds of Presbyteries so that no married man on the basic stipend will be overlooked in the gifts that are being sent out. Married ministers on basic stipend or on a stipend only slightly above the basic, are urged to write to the Secretary for an application to The Fund. There have been cases in past years where men have not been informed about The Fund, and The Appointors are most anxious that any one entitled to benefits from The Fund does in fact receive gifts from it.

The Presbyterian Church in Canada continues to be grateful to the anonymous donor for this very meaningful gift to the ministry of our Church.

Respectfully submitted,

G. Deane Johnston,

Chairman

J. Alan Munro,

Secretary

ADJOURNMENT

The Assembly adjourned to meet again in this place at eight o'clock in the evening, of which public intimation was given, and this Sederunt was closed by the Moderator, with the Benediction.

SEVENTH SEDERUNT

At the same place, on the same day, at eight o'clock in the evening, the General Assembly met pursuant to adjournment and was constituted by the Moderator, Dr. A. L. MacKay leading in prayer at his request.

DR. A. L. MACKAY

Dr. MacKay spoke of the need of carrying on Church extension throughout Canada. He indicated that during the evening this work would be presented.

PRESENTATION ON CHURCH EXTENSION IN CANADA

Mr. J. C. Cooper, Assistant Secretary for Home Missions, Mr. A. W. Currie, Minister of St. Andrew's Church, Ottawa, and Mr. Robert Phillips, Elder of St. Stephen's Church, Regina, presented Church Extension.

MR. CURRIE

Mr. Currie spoke of the extension work in the Presbytery of Ottawa — four Churches. Since 1957 little extension has been effected. The Churches of Ottawa have given upwards of \$100,000 for Church Extension. There is need of more money and more men and the opportunities are great.

MR. PHILLIPS

Mr. Phillips is an economist with the Saskatchewan Wheat Pool and an elder in St. Stephen's Church Regina. St. Stephen's Congregation started in a school auditorium in 1957. In 1963 a Church was opened in a former wheat field. Mr. Phillips presented the Moderator with a circle of golden Saskatchewan wheat and a golden medal struck to commemorate Regina's 60th anniversary.

The duty of the Christian Church is to communicate the simple message of Christ to the world. As this work expanded St. Stephen's moved from the School to the Church House, a combination of Manse and Church. The Minister, the Rev. Ian Wishart gave up a good deal of comfort so that the Church might grow. Then came the new university. Presbyterians have always linked the intellectual with the spiritual. Here was a new challenge. St. Stephen's availed itself of the opportunity and moved to take advantage of the situation. A Church was built. It cost \$75,000.00 plus much initiative in the congregation. This whole enterprise is growing into a practical conception of mission.

[6276]

REPORT ON HONG KONG

Mr. Ronald Con, a graduate of Knox College, spoke of his background in Canada and his hope with a Chinese background of being a better Canadian. He spent two years in Hong Kong to prepare himself for work in Canada among Chinese and described the geographic, economic, social, educational and spiritual conditions there. He indicated the Christian opportunities for our Canadian Church. Mr. Con was also in Formosa and spoke of the 12 million there linked with the 3½ million in Hong Kong. The character of work in Canada is changing, and embraces both those who cannot speak English and the third generation of Chinese in Canada. The work must go forward.

ON THE RIM OF DOWNTOWN TORONTO

Dr. J. A. Munro introduced Mr. H. Kojima, an elder of Wychwood Church, Toronto. Mr. Kojima told the story of Wychwood. Wychwood began in 1925. The people erected the present Church building in 1938 and completed the payment of the mortgage in 1952. Before and since then the congregation has given generously to many projects. They kept on giving to others while they paid for their own Church. From 1950 to 1963 the congregation have given a total of \$22,160.00 to special projects over and above their budget givings. Their budget allocation is usually oversubscribed by 50%.

Dr. Munro remarked that this congregation could have settled down with some satisfaction after paying their mortgage. Instead they kept on going and still move forward to new service in assisting new Churches to stand on their own feet.

MISSIONS IN MONTREAL

Mr. Ronald Rowat, Superintendent of Missions in the Synod of Montreal and Ottawa, spoke of extension work in Montreal — work among Japanese, Chinese, Italians, Tyndale House activities, immigration work and French work, which is developing so significantly. There is an effective work among "new Canadians" bringing them into the fellowship of the Montreal congregations.

More literature in many languages is required in order that the Word may be communicated, everyone hearing the Gospel in his own tongue. God can do His work through such missions. God is doing it; with Him all things are possible.

DR. J. A. MUNRO

The theme for this Assembly and throughout the coming year is "Partnership in the Gospel." Dr. Munro felt that during the evening this partnership had been evident. We dare not lose our place in the forward march of the Church of Christ. The day is one of tremendous opportunity to take the Word unto all people.

[6277]

NOTICE OF MOTION

I give Notice of Motion that it is my intention to move or cause to be moved at a future sederunt that whereas the extension work of The Presbyterian Church in Canada was brought to a standstill until such time as a minimum stipend of \$3900.00 was provided for the ministry of the Church, and whereas the people of The Presbyterian Church in Canada have responded to this challenge in a magnificent manner, and whereas moneys are now becoming available for extension purposes — therefore be it resolved that the restriction placed on Church extension by an earlier Assembly be removed forthwith; and further be it resolved that this Assembly empower and instruct that this work do now proceed without let or hindrance; and be it also resolved that this 89th General Assembly of The Presbyterian Church in Canada instruct the General Board of Missions in co-operation with the Administrative Council to begin now a well planned and aggressive program of Church extension.

We pray also that the Divine Blessing may rest upon your Royal Consort Prince Philip and upon the Queen Mother, Charles, Prince of Wales, the Princess Anne, Prince Andrew and all members of the Royal House.

The Commissioners stood during the reading of the Loyal address to Her Majesty, and at the conclusion united in singing the National Anthem.

[6292]

TO HIS EXCELLENCY, THE RIGHT HONOURABLE GEORGE VANIER GOVERNOR-GENERAL OF CANADA

We, the commissioners of the Eighty-ninth General Assembly of The Presbyterian Church in Canada now meeting in Annual Session in Knox Presbyterian Church, Toronto, accord to your Excellency, as the representative of Her Gracious Majesty Queen Elizabeth II, our loyalty and devotion.

We thank God for the high service that you render to our beloved land, far and wide, among high and low. We rejoice in the recovery you have made from your recent illness and we pray that you may be Divinely sustained and enriched as you continue to fulfill your high office.

On motion of Mr. T. H. Boyd, duly seconded, the Report was received together with its recommendations and consideration deferred to a later sederunt.

PRESENTATION OF THE PRINTED REPORT

Dr. Johnston in presenting the Report of the Board emphasized the wide field which the Board is endeavouring to cover.

DR. W. H. FULLER

Dr. Fuller addressed the Court. The Curriculum outlines what the Church ought to teach through its Church Schools. There is need of a constant examination of curriculum. Sixteen denominations in Canada and the United States are preparing a volume to be placed in the hands of those who

[6293]

are planning curriculum. Each denomination may use as much as it can or desires.

Dr. Fuller presented a supplementary report as follows:

The General Assembly in 1960 authorized the Board of Christian Education "to undertake a programme of study and research for the development of a new curriculum." In carrying out this study the Board has reviewed the instructions of the General Assemblies during the past twenty years regarding curriculum. The Board has also examined the resources of our Church to determine our ability to develop and produce a new and comprehensive curriculum.

As instructed by the General Assembly in past years, the Board has been producing a uniform curriculum for the junior, intermediate, senior and adult departments. The Board believes that the uniform principle is no longer adequate for a curriculum of Christian education. The same conviction has been communicated to the Board in many ways from a large number of congregations and courts of the Church. The General Assembly has already recognized the inadequacy of the uniform principle by authorizing a graded curriculum for the nursery, kindergarten and primary departments of the Church School.

RECOMMENDATION

It is, therefore, recommended that the General Assembly permit the Board to change from a uniform to a graded principle of curriculum in the junior, intermediate, senior and adult departments.

On motion of Dr. Fuller, duly seconded, the recommendation was adopted.

MR. R. P. CARTER

Mr. Carter, Assistant Secretary of the Board, spoke upon the subject of Adult Study and the use of "Victory". There is need of more Bible study among the adult population of the Church. It contains prepared programmes for the various needs. In the Fall, there will be material for small informal groups who have no leader. The Board would like to see "Victory" used in every congregation and in every home.

PROGRAMMES

Synod Advanced Leadership Training School programmes are being developed in the various geographical areas of the Church. Youth occupies a central place in the attention of the world and the Board continually moves to meet the need which youth presents. A National Conference on Older Boys' Parliaments will be held in Ottawa in July. The North American Reformed and Presbyterian Youth Assembly is being held at Purdue University this summer and will be attended by over 105 Canadian Presbyterians. The Board has published a volume "*Christian Community Camping*", which describes the character of camping within the framework of the Church.

[6294]

HIGHER LEARNING

Dr. J. S. Clarke, General Secretary, reported on the work of the Committee on Higher Learning. The Christian faculty members have a close relationship with students. The Committee has endeavoured to help men in this work. 100,000 students are in attendance in Canadian universities. This presents both a problem and a challenge. Dr. Clarke referred especially to that part of the report dealing with the work of the Committee on pages 412 and 413 in the Stitched Minutes.

It was moved by Mr. I. P. MacSween, duly seconded, that the Recommendation as follows: "It is therefore recommended etc." be adopted (Page 414, Stitched Minutes).

It was moved in amendment by Mr. R. Self, duly seconded, that the grants be made on an equal basis and that we urge both organizations to move to a closer co-operation in the proclamation of the Gospel of Jesus Christ on the campus.

On being put to the vote the amendment prevailed over the motion and became the judgment of the Court.

On motion of Mr. R. Self, duly seconded, it was agreed that the motion be referred back to the Board of Christian Education to report to this Assembly as to year of application.

The Assembly has referred to the Board of Christian Education the following Overtures:

No. 24 — *Presbytery of Guelph* — re Church School Curriculum.

No. 46 — *Presbytery of Brandon* — re Camp Bible Study Materials.

Unprinted No. 6 — *Presbytery of Kamloops* — re Spiritual and Moral Training of Youth.

The Board recommends that the General Assembly grant permission to the Board to study these Overtures and report to the General Assembly in 1964.

On motion of Mr. A. V. Bentum, duly seconded, the recommendation was adopted.

Re: Unprinted Overture No. 6 — *Presbytery of Kamloops*.

Overture 12, 1962, Presbytery of Westminster, Re Moderator and Church of Scotland.

Recommendation 4 was adopted.

Overture 5, 1962, Presbytery of Victoria, Re Formal Discussions with the United Church of Canada.

The Committee presented the following Report:

This overture asked the 88th General Assembly "to take immediate steps towards initiating formal conversations with the United Church of Canada with a view to creating better mutual understanding".

The Committee on Inter-Church Relations, while desirous of promoting the best possible relations with the United Church of Canada, agrees with the special committee of the last General Assembly that the place to begin to work toward this end is at the congregational and presbytery level. We believe that action on the question of formal conversations at the national level must await the result of preliminary studies and conversations by presbyteries and congregations.

We would therefore recommend:

1. That each session and presbytery study our church's position on Christian unity as discussed in the working paper of this committee entitled, "Presbyterians and The Church Catholic".
2. That each presbytery:
 - (a) initiate or share in regional consultations on Faith and Order, using as a study guide the follow-up material of the Montreal Conference on Faith and Order. This committee stands ready to give help in program counsel to any presbytery willing to attempt such a consultation.

[6329]

- (b) encourage a number of its kirk sessions to explore with neighbouring sessions of the United Church their positive relationships in the witness and mission of the church of Christ.
- 3. That each session and presbytery report to this committee not later than March 1, 1964, on the action taken and the results obtained from this experience.
- 4. That on the basis of the action taken by sessions and presbyteries, and in the light of the comments received from them, this committee be instructed to prepare a further report to the 90th General Assembly (1964) on the advisability of "initiating formal conversations with the United Church of Canada" or establishing what other communication may seem appropriate.

Dr. Wm. Barclay, duly seconded, moved that the Report be received and adopted.

Dr. J. L. W. McLean moved in amendment, duly seconded, that the following be substituted for the foregoing report from the words "We would therefore recommend."

Whereas the Presbyterian Church in Canada stands within the ecumenical movement according to our traditions and according to the action of the General Assembly of 1947.

And whereas the passage of the years may have obscured for some the uniqueness of our Presbyterian position, in an age and in a country where emphasis is laid more on organic church union than on Christian unity, and whereas it would seem wise for our Church to examine, once again, its own position before entering into conversations, formal or otherwise, with any other denomination.

Therefore be it resolved:

- 1. That this General Assembly reaffirm the position taken by the General Assembly of 1947 as expressing the official position of our Church in Ecumenical matters.
- 2. That this General Assembly instruct all Presbyteries, during the coming year to make a study of the significance of the Presbyterian Church in Canada and its contribution to the life of our country today.
- 3. That the Presbyteries report to the Committee on Inter-Church Relations their answers to the following questions by March 1st, 1964.
 - (a) In view of the emphasis on unity presently advocated in ecumenical circles, should the Presbyterian Church continue as a separate denomination? . . . Why?
 - (b) How can our denomination best contribute to the ongoing life of God's church in Canada?
- 4. That the Committee on Inter-Church Relations be instructed to forward to all Presbyteries at the earliest possible date, a bibliography pertaining to both sides of the Church Union issue, and source material on the ecumenical movement.

[6330]

5. That the Committee on Inter-Church Relations report to the 1964 Assembly on the findings of the Presbyteries; with recommendations based thereon.

6. That no formal conversations be entered into with the United Church of Canada on the matter of church union except as the General Assembly shall authorize such action.

The vote being taken, the amendment was carried and became the main motion.

On motion of Mr. Russell Self, duly seconded, it was agreed that the words "and overseas missions personnel" be added to No. 2 following the words "all Presbyteries".

The motion, as amended, was put to the Court and was carried.

That in view of the fact that the time of revision of the Church Hymnary is drawing near the Committee would desire at this time to renew the recommendation approved by the 1953 General Assembly as follows:

[6344]

"That our Church seek representation on the Editorial Board of the *Church Hymnary* when that Board is ready to proceed with the revision of that book" and that this be accepted by the Assembly as our answer to Overture No. 32.

It was moved by Mr. R. A. Sinclair, duly seconded, that the Recommendation be adopted.

It was moved in amendment by Mr. D. S. Jackson, duly seconded, that the prayer of Overture 32 be granted in the following terms: that the General Assembly authorize the Committee on Church Worship to name a Sub-Committee charged with the responsibility of studying the possibility of a revision of the Book of Praise and the wisdom of seeking a seat on the Editorial Board of the Church Hymnary and that the Committee on Church Worship be given the power to co-opt for this Sub-Committee both ministers and laymen who have a substantial knowledge of and a special interest in Hymnology.

On being put to the vote, the amendment prevailed over the motion and became the judgment of the Court.

On motion of Mr. Sinclair, duly seconded, the Report as a whole as amended was adopted.

OVERTURE 28, 1963, SYNOD OF HAMILTON AND LONDON
RE: SMOKING AND HEALTH

Mr. H. L. Henderson moved, duly seconded, and the Assembly agreed that this 89th General Assembly of The Presbyterian Church in Canada go on record as favouring a national campaign of information to the public concerning the health hazards inherent in cigarette smoking and further that this Assembly support the program proposed by the Canadian Medical Association.

BOARD OF EVANGELISM AND SOCIAL ACTION

Consideration of the Report of the Board of Evangelism and Social Action was resumed, Mr. A. J. Gowland, the Secretary reporting.

Overture No. 17, 1963, Presbytery of Saskatoon Re: Capital Funds to Establish a Home for the Aged.

On motion of Mr. Gordon Agar, duly seconded, it was agreed that the recommendation of the Board of Evangelism and Social Action be approved, namely, that the matter of financing homes for the aged be studied by the Board of Evangelism and Social Action and report to the General Assembly of 1964.

On motion of Mr. John Currie, duly seconded, the Report as a whole with its recommendations as amended was adopted.

MINUTES

The Minutes of the Fifteenth, Sixteenth and Seventeenth Sederunts were presented in printed form and sustained.

On motion of Mr. H. L. Henderson, duly seconded, the Minutes of the Eighteenth Sederunt were taken as read and sustained.

DISSENT — MR. H. L. HENDERSON

I hereby record my dissent to the report of the Committee to Strike Standing Committees for the following reasons:

1. The Presbyterian Church in Canada is a National Church and therefore membership on the Boards and Committees of the Church should be representative of our Church as constituted in Presbyteries and Synods.

[6346]

2. In the report of the Committee to Strike Standing Committees there is a preponderance of membership from the Central Synods of the Church and in particular membership from the Toronto area has reached an alarming percentage of total committee and board memberships.

In a time when serious problems present themselves to the whole nation, because of apparent disrespect for the rights of minority groups, it is all the more important that the Presbyterian Church in Canada give leadership and thereby in appointments respect the Presbyteries and Synods of the Church where communicant membership is comparatively small.

The report shows a system of intricate interlocking of membership on Boards and Committees. This can lead to a serious situation in The Presbyterian Church in Canada.

The courts of the Church are constituted on the basis of the Roll of Presbyteries. They are not based on the number of communicants in any congregation or any grouping of congregations.

It is for these and other reasons that I record my dissent from the action adopting the final report of the Committee to Strike Standing Committees.

H. L. Henderson

THANKS TO THE MODERATOR

On motion of Dr. J. A. MacInnis, seconded by Mr. Ernest Herron, the hearty appreciation and sincere thanks of the Assembly were accorded the Moderator for his gracious, kindly and efficient conduct of the Chair and the wish that he find much satisfaction in the work of the Church during the ensuing year.

ADDRESS OF THE MODERATOR

The Moderator addressed the Assembly. He recalled the tense days of 1925 in which as a student he had participated. He mentioned the struggles through which the Church has passed, the great achievements of these present days and the future filled with greater service to Christ. In concluding he thanked the Commissioners for their cordial co-operation throughout the sederunts.

CLOSE OF ASSEMBLY

The business being finished the Assembly joined in the singing of the one hundred and twenty-second Psalm. The Moderator led the Assembly in prayer. He then said: "In the Name of the Lord Jesus Christ, the only King and Head of the Church, and by the authority of this Assembly, I now dissolve this Assembly and appoint another General Assembly of The Presbyterian Church in Canada to meet in the City of Toronto, Ontario, and within St. Andrew's Church there on the first Wednesday of June in the year of our Lord one thousand nine hundred and sixty-four at eight o'clock evening (local time)".

The Moderator then closed the Sessions with the Apostolic Benediction.

REPORT OF THE GENERAL BOARD OF MISSIONS

As with all new years 1962 crept in without any sudden overall change in the world scene. We, the population, were divided into two camps—the Russo-Chinese axis, and the “Western World” of no axis but with several spokes running from the U.S.A. to the several regions of the “Western World”. The building of the Berlin Wall and the ‘debunking’ of the late Field Marshall Joseph Stalin caused tensions and some wonder, but these had been ‘taken in stride’ without much change in overall policy.

A vitally significant world factor had been the tragic death of Dag Hammarskjöld in October 1961 — and the later acceptance of U Thant as Secretary of the United Nations.

Then things began to happen. A final settlement of the vexed Algerian problem was achieved by France. An uneasiness began to be felt because of a sudden recognition that France was gathering her resources to set up a third area of influence in the world. Britain was refused partnership in the European Common Market, chiefly because she held to her very close relationship with the aims of the U.S.A.

Then very suddenly the world found itself once more on the brink of war. The President of the U.S.A. took quick action to warn all concerned that unless war machines for anything other than defence would be removed at once, the U.S.A. would take action against Cuba, and the U.S.S.R. An embargo was instituted and Russia promised to take immediate action to clear Cuba of all war machines of aggression.

Meanwhile John Glenn had joined Yuri Gagarin, Alan B. Shepard, Virgil I. Grisson and Gherman S. Titov on the list of Astronauts.

The Dominion of Canada was shaken by the Cuban affair, but probably more immediately by its own uncertainty. A minority government elected in June reflected the uncertainty which had been building up during the earlier months of the year. The re-evaluation of the Canadian dollar, garbled reports about Cuba, the increasing uneasiness in the Province of Quebec, the fuss with the U.S.A. over N.A.T.O. and defense—all these and many other things made the year disturbed and, at times, alarming.

The effects of the Vatican Council and The World Council of Churches, in the previous year, were to awaken the Church in all parts of the world to an examination of definitions and practices within the denominations. It is probable that the most notable result will be a new kind of evangelism in the language of today's people and with educated and prepared people to make Christ's message the most powerful influence in the nations of the world.

I. OVERSEAS MISSIONS

The frightening events of the Cuban crisis reminded us once more that the fate of the whole of mankind is tied up with the welfare of every separate people. We live in a world community of inter-dependent nations, and their concern is our concern.

All across the world *the threat and the fear of war cry out for a message and way of peace.* The Christian Church is being asked if it has any answer to

this urgent problem of mankind. Is not the preaching of the gospel to the nations and the building up of the people of God across every boundary and among every nation and race the one great hope for mankind?

In 1962 the United Nations gained stature through further achievements in the Congo situation and major contribution in the Cuban crisis. The naming of U Thant as the General Secretary was an achievement over against those who would have weakened the office. It is significant that a devout Buddhist should occupy this top place in world leadership. As the major religions of the world begin to play their part more actively on the world stage, questions will arise in the minds of Christians regarding any exclusive claims for Christian faith. We will face a world which has at the same time *an urgent need for the Good News and greatly sharpened questions as to whether it is any longer Good News for all mankind* and not simply the religious thinking of one people.

In the last months of 1961 and through the year 1962 the Overseas Secretary was able to visit all of the overseas fields. His reports emphasize *the very high quality of the men and women who are serving our church abroad*. In the midst of difficult and perplexing times of danger, uncertainty and change the members of our staff are serving with imagination and steadiness and dedication. In spite of changing times, we have had very few losses in personnel. One is also impressed by the variety of ways in which our people are serving and the important posts which they occupy and the respect they have won in the larger areas where they serve.

During the past year, the Board expressed appreciation for the services of Dr. and Mrs. Hugh MacMillan and Dr. and Mrs. S. Moore Gordon who were retired with honour. We regretfully accepted the resignation of Rev. and Mrs. J. W. Milne when Mr. Milne felt led to pursue medical studies. We were happy to see the appointment to work abroad of Dr. and Mrs. A. K. Carter, Mr. and Mrs. Roger Horrell, Rev. and Mrs. Walter McLean and Mr. and Mrs. Robert Birse.

The year 1962 marked significant achievements in moving towards some of the goals in our overseas work. The General Assembly of the Korean Christian Church in Japan approved a new statement of relationships of the Presbyterian Church in Canada to the Korean Christian Church in Japan, a statement which will come for approval to the General Assembly of our Church.

The Presbyterian Church of Formosa continued to move towards its goal of doubling the church, i.e. the number of congregations, by 1965 when the 100th Anniversary of Protestant Missions in Formosa will be celebrated. The new mountain churches have formed a Presbytery and their work is being integrated into the General Assembly of the Formosan Church.

On November 30, 1962, in Jhansi, a special service celebrated the inauguration of a new relationship whereby our missionary staff there will do their evangelistic work in the Jhansi area under the appointment and direction of the Bundelkhand Church Council (presbytery) of the United Church of Northern India. If evangelism is to be effective, the Christian community already planted must play the leading part in it with missionary staff playing a helping role. In the Bhil area, plans were completed for setting up in early 1963 of a special study group in which competent representatives from other areas in India, both Indians, and missionaries, will gather together for a review of the program and structures of that work.

In Nigeria, our missionaries work under the Courts and Committees of the Presbyterian Church of Nigeria. The scheme which was inaugurated in 1960 is proving very workable and under it the Church is now moving forward in a vigorous development plan called 'The Forward Movement.'

In British Guiana, the Presbytery of Guiana is taking increased responsibility and has moved forward in consultations with the Presbytery of British Guiana,

formerly Scottish and largely African, looking forward to the formation of a Synod. An extended constitution has been prepared for the proposed Synod.

Major attention continued to be focused on the training of adequate leaders. Further steps were made towards the development in Kingston, Jamaica, adjacent to the University of the West Indies of a strong centre of theological research and training serving the whole of the Caribbean. The Theological College in Taipei, Formosa, had a record enrolment of 170 students with over 51 new students in the starting class.

Plans were launched in Eastern Nigeria for a thorough re-examination of the facilities for theological training looking forward to an institution of higher qualifications carried on in some relation to the new University of Nigeria at Nsukka.

In 1962 we moved forward in some new types of missionary work. Mr. Murray Ross, a graduate architect was sent to Nigeria, not as a mission builder but as a missionary, with the express task of expressing the Gospel in architectural forms. In the first months of his work there he has already made an outstanding contribution. Mr. Roger Horrell, a Mechanical Engineer, with engineering experience in the Middle East and Canada was appointed to the Bhil Field to explore schemes for economic uplift among the people there.

Institutional work in our several fields has been strengthened both in program and in buildings and equipment. The Mackay Hospital in Taipei has opened the first new wing in its program of providing a modern building. The Tam Kang School has added some fine new dormitories. The Taiwan Theological College has made a beginning on its Christian Education Building. In Tokyo the Youth Centre of the Korean Christian Church is now equipped for youth work and other church meetings. The Jobat Hospital has made substantial improvements in buildings and in organizing its medical service. The effort to equip and use our institutions is moving forward.

The overseas staff of our Board continued to play an important part in joint activities where we do our work in association with others in the same field. The Overseas Secretary served as Chairman of the Department of Overseas Missions of the Canadian Council of Churches and of the Department of Missionary Studies of the World Council of Churches. He also chaired the committee laying plans for the new School of Missions and Ecumenical Centre. Rev. R. M. Ransom has been Chairman of the Orientation Course Committee of the Canadian School of Missions which has set up an outstanding program of orientation for outgoing missionaries of the Canadian churches. Our staff abroad has also played an active part in consultative groups and joint activities.

One new development of very great significance was the setting aside of Rev. D. H. Powell to *special missionary service in work among overseas students in Canada and in the field of Christian laymen going abroad*. In meeting as Christians those who have come to our country we have one of the great world mission opportunities of the present day. In preparing laymen who are going abroad in increasing numbers to play a part as missionaries of Christ, we have a vast new missionary potential.

Our work is planned jointly with that of the W.M.S. (W.D.) through the Overseas Joint Policy Committee and appointments are recommended jointly through the Overseas Joint Candidates Committee. During the year special policy days were set up on our two India fields and on Nigeria with great benefit to all present.

At the same time as we note substantial advances we face urgent unmet needs to which our Presbyterian Church in Canada must find substantial answers. What is the role of the Christian Church in British Guiana in the midst of the present political developments as that small country seeks its nationhood? How can we provide adequate training for Guianese church leaders and sufficient missionaries for the present work? The Presbyterian Church of Nigeria has sent an

urgent request for one or more men to give leadership in city work. They also need missionary help in theological training. A strong program of recruiting and training an adequate ministry will call for substantial help in personnel and money. The Bundelkhand Church Council in Jhansi sends an urgent request for a Youth Worker for that area. The Bhil Mission needs another ordained man at once as a replacement for Mr. Milne and in view of the fact that our experienced senior men are nearing the end of their service.

The Presbyterian Church of Formosa is asking for new missionaries for work with the Presbyteries among the Formosans and particularly for work among the new tribal churches.

The request for a new missionary in Japan for 1962 was not met but one must be sent in 1963. These are days of urgent opportunity when the Christian Church can play a strategic part in the life of newly developing nations and we must not fail our fellow Christians in these areas to which God has sent us.

During 1962 our work was greatly curtailed and limited because of finance stringency. Little approach was made to the students in the Colleges about work opportunities because there was no assurance that volunteers could be sent. Prospective candidates who have talked about service overseas were put off until some later time when funds may be available.

The Board would express particular appreciation to Rev. R. M. Ransom, the Assistant Secretary, and to the office staff who have carried an overwhelming load with efficiency and cheerfulness. We are greatly indebted to the dedication of Miss Helen McTavish and those who from time to time have served with her.

II. HOME MISSIONS

The Presbyterian Church in Canada made a venture in faith in June, 1962 by increasing the basic stipend from \$3100 to \$3900. This change in stipend affected every minister serving in our National Mission Fields, and all ministers serving overseas. An estimated \$155,000 increase required to achieve this new basic stipend was earmarked to overtake it. The Presbyteries and Mission congregations responded so well to 'venture in faith' that only a small amount (\$15,000 for the July 1 to December 31) was required.

Personnel

The Rev. J. C. Cooper carried the Home Missions administration until the end of May when the Secretary returned from sabbatical leave.

The veteran superintendent of Chinese work, the Rev. David A. Smith, D.D., retired at the end of 1962 after some forty-three years of service. The Moderator of the General Assembly, the Rev. Ross K. Cameron, presented him with tokens of the Church's affection at the annual meeting of the Synod of British Columbia, and each Chinese Church also paid tribute to Dr. Smith.

Dr. J. A. Munro represented our Church at the General Synod of the Reformed Church of France, the General Assembly of the Presbyterian Church of England, and the General Assembly of the Church of Scotland.

The Rev. Alex. MacSween was appointed to the Synod of Manitoba as Superintendent of Missions, and took up residence in Winnipeg during the summer.

Hungarian — The Rev. K. C. Doka resigned from Abbotsford to accept a call from Knox Church, Calgary. He remains on the Hungarian Advisory Com-

mittee. Mr. Nyaradi left the Hungarian work at Regina to accept a call to White-wood, etc. Mr. Meszaros who had been working at and out of Oliver, B.C., was moved to Abbotsford.

French — A new departure was inaugurated by the General Board of Missions in March, 1962, when the Home Missions Committee of the Synod of Montreal and Ottawa, with the Rev. J. A. Munro, and Miss G. Kelly, was named to be the French Advisory Committee. No changes in staff have taken place during the year. Eglise St. Luc as a self-supporting charge, is considering the purchase of their church building from the General Board of Missions. Arrangements have been made to have Missionary Education materials printed in the French language.

Indian — Kenora Centre — The Rev. Langley MacLean, who had been in Scotland for a year, went to Kenora where he is in charge of the Mission in Shoal Lake, and Director of the Centre at Kenora.

Miss Ella Green, who was to have taken a year of study, became ill and was unable to take the course. She has not returned to work.

The Rev. Stephen Hayes was appointed to the Rolling River Indian Reserve and has drawn attention to the very great needs in his constituency.

Italian — The Rev. Arthur Iarrera was appointed to the work in Montreal and has been doing steady, conscientious work there.

Ukrainian — The need to have ethnic congregations linked with English-speaking congregations is pointed up by the report from the Rev. M. Fesenko. The Ukrainian Advisory Committee recommends the appointment of the Rev. W. Kutcher to Ukrainian work.

Church Extension

The "freeze" on Church Extension, resulting from concerted effort on the part of all Boards to increase the basic stipend, brought to a halt our Church Extension programme. Those new congregations which had been begun at the time of the General Assembly of 1961 have gone forward. Following the Assembly of 1962 there was much uncertainty as to how much money would be available for Church Extension. When it became evident that the large amount estimated for the increase was not required we hoped that we would be able to proceed immediately with the plans accepted in principle by the September Board meeting. We were warned that the surplus very likely would not be left with the General Board of Missions and no definite action could be taken in the field of Church Extension until our financial situation would be cleared in 1963.

Institutions

There have been no changes in staff in our institutions during 1962.

Chinese — The Rev. Ronald Con was granted permission to continue his studies in Hong Kong. Reports on his progress from the University and the Rev. Dr. Kan have been excellent. He will visit Formosa before returning to Canada in March 1963.

Frontier Work

Kitimat, Whitehorse, the Peace River, Northern Manitoba, Northern Ontario and the lower St. Lawrence areas have been manned. The Peace River area requires special attention as we begin 1963 — Fort Vermilion, Grande Prairie, Fort St. John, Brownvale and Whitehorse are in great need of supervision and strong support. Mr. Schnarrenberger at Chetwynd has been "settling in" and is doing good work.

The Maritimes

Here a major problem is still present with respect to manpower. The Synod has done a major job of joining fields — but the need persists to an acute degree.

Immigration

Miss Matthews took up her work in the Montreal Office in March. The church in Canada began at once to respond to her efficient conduct of the 'migration process'.

III. MISSIONARY EDUCATION

In this exciting era of world history, the Christian Church has an unprecedented opportunity to proclaim the gospel in its utter relevance to human needs. The spirit of inquiry is abroad and people are waiting for a word which speaks to the deep questions of human life. The Church can provide these answers only when all its members in their ordinary daily life as well as in special programs to the ends of the earth are active participants in mission.

It is the function of Missionary Education to call every congregation and every individual to an awareness of his responsibility in mission in his own neighbourhood and to the ends of the earth and to positive activity in it. Missionary Education should lead our Church members to understand the essential missionary dimension of Biblical faith and be informed about the frontiers of mission both near and far. It must call out the Christian congregations from pre-occupation with their own nurture and program to active and relevant expression of God's love for the world today. As Christ poured out His life for all men, so the Church must know that it is sent for the world and not for its own life.

As we think of these basic objectives we realize that our program of Missionary Education in 1962 was very limited. With a small budget and part-time staff, we were barely able to arrange the minimum in the way of speakers, literature and audio-visual aids. While the materials and programs which were produced were of reasonable quality, they were too few in quantity and in variety.

The officers of the committee would express their deep gratitude to those who carried the major program responsibilities — to Rev. R. M. Ransom, the Assistant Secretary for Overseas Missions who gave main leadership, to Rev. G. D. Johnston, on furlough from Africa, who was assigned half time to Missionary Education and did much of the editorial work, and to Miss Ina Hill, the efficient and hard-working office secretary.

The paragraphs below outline briefly the range of program activities of the committee.

PUBLICATIONS

1. ANNUAL ACCOUNT. The fifth in our series of semi-annual accounts, "*No Time to Falter*" was published in September 1962 and the first printing of 5,000 was sold out by the end of the year. A number of technical and aesthetic improvements were included in this booklet, and it was written to give both an account of 1962 and sufficient background to make it a useful study tool for some years ahead.

2. PAMPHLETS. In February "*Mission In Canada*" and "*Mission Overseas*" were released. These are general pamphlets intended to be the first in a series which will eventually cover all our work, at home and abroad. The first pair of specific pamphlets, "*Mission in Formosa*" and "*Indians of Canada*" were prepared during 1962 and went to the printers in January 1963. This pair will also appear in a French edition.

3. THE PRESBYTERIAN CALENDAR. The Calendar Committee continued its work during the year, and produced a calendar with a striking design. Slightly over 48,000 copies were sold, and the committee received considerable comment, both good and bad on the new design.

4. CHRISTIAN EDUCATION CURRICULUM. The Committee continued to produce materials for use in the Board of Christians Education's publications. Co-operation at the staff level was particularly promising, although time did not permit as active a part in the Editorial Committee as is desirable. We also took part in the Synod Advanced Leadership Training Program.

5. THE PRESBYTERIAN RECORD. Once again we must pay tribute to the fine co-operation on the part of the Editor, Rev. DeCourcy Rayner, and his staff. The mission of the church has been constantly before the church through the pictures, articles and notes to be found in the Record.

6. STEWARDSHIP AND BUDGET WEEKLY CALENDARS. The Committee continued to produce two designs a quarter for these calendars. Again this year, we were asked only for overseas material and not for home.

7. NEWSLETTERS. 17 newsletters were sent out this year as against 19 in 1961. Three were from Japan, two from British Guiana, 4 from Nigeria and 8 from Formosa. The Committee feels that this is an avenue of information which is not exploited as it might be by our church. The content of these letters is often shrewd and penetrating, and they give colour to a subject which is often very hard to grasp.

AUDIO VISUALS

Our relation with the Audio-Visual Committee continues to be excellent, and our thanks is due to Mr. W. J. Mounsey and his staff for excellent co-operation they have given us over the year.

1. FILMSTRIPS. A filmstrip in our overseas series "*Double By A Hundred*" on the Presbyterian Church of Formosa was produced and released at the end of the year. A children's filmstrip on Formosa "*Little Mountain Sister*" was nearly completed during the year as well. Two filmstrips, "*Three Happy Boys of British Guiana*" and "*Factors That Confront Us*", were purchased.

2. FILMS. Two films produced under the auspices of the Commission on Missionary Education of the National Council of Churches in the U.S.A. were secured, both dealing with the missionary education themes. For overseas missions the film was on East Asia, entitled "*On the Rim of Tomorrow*" and for home missions a study of a girl recently released from a mental hospital, "*Moment to Act*". The CBC produced a half hour film on the Chinese Presbyterian Church in Toronto, "*New Shoes for Joey Wing*", which we were also able to purchase at a reasonable price.

CONFERENCES, DEPUTATION AND SPECIAL VISITS

1. WORLD MISSION WEEKENDS. Eight world mission weekends were held during the year: in Belleville, at Runnymede and Victoria churches in Toronto, in Lanark and Renfrew Presbytery, at three area conferences in Paris Presbytery, and in Ottawa. The Presbytery of Montreal also organized a weekend on their own, and the committee was able to supply some personnel.

2. THE COMMITTEE ON CHRISTIAN NURTURE. The committee continued to take an active part in the deliberations of this important committee.

3. ITINERARIES. We were reasonably well supplied with people for itineraries during the year. Rev. Russell Self, Rev. C. M. Costerus and Rev. Geoffrey Johnston, Dr. E. Bruce Copland, Dr. Hugh MacMillan and Dr. S. Moore Gordon, missionaries retired or on furlough were all available. Our overseas visitors were Rev. Inya Ude from Nigeria, Rev. C. H. Chang, Mr. Y. S. Lin, and Rev. L. K.

Cheng from Formosa; Rev. Clement DeCastro from British Guiana and Rev. K. W. Bay from Japan. We were particularly happy to have, in addition to these men, a brief visit from the Rev. W. T. Hwang, General Secretary of the Presbyterian Church of Formosa.

RELATIONSHIPS WITH OTHER GROUPS

The Committee continued to enjoy very fruitful contacts with other denominations and inter-church bodies working in this field. These contacts made possible an exchange of views and information which was most valuable, and also gave an opportunity for sharing in the production of some of the basic missionary education material, such as the film *"Moment to Act"* which we could not afford to produce ourselves. Rev. R. M. Ransom of our staff is a member of the Executive Committee of the Commission for Missionary Education of the National Council of Churches and takes an active part in the preparation of the study books each year.

STRUCTURE AND RELATIONSHIPS OF MISSIONARY EDUCATION COMMITTEE

From the beginning, the Missionary Education staff have played an active part in the consultations on Christian Nurture for the Whole Church. It is the belief of the committee that missionary education must be "an integral part of all our Christian education and theological training." While the Missionary Education Committee prepares special programs and materials, the basic task of calling people to Christ's mission must be done through every pulpit and congregation and through every educational program of the Church. For this reason, the official statement about the function of the committee notes that it is a "place where representatives of various Boards and Committees of the Church can think together about their common missionary responsibility and strengthen one another in calling the whole church to a fuller missionary obedience." In structure, the Missionary Education Committee is a sub-executive of the General Board of Missions with representatives named to it from the various program Boards, information agencies and colleges of the Church. In the context of the new discussions about structure and relationships the Missionary Education Committee will continue to review its location, structure and function.

INTO THE THICK OF IT

Thirty years ago in overseas missionary circles it was fashionable to say that the day of overseas missions would soon pass into the day of the indigenous church. Events have not borne this prophecy out. Today there is more happening overseas than ever before, and the indigenous churches are strained beyond their resources. If ever there was a time when the relevancy of the gospel to contemporary events must be shown, it is now. This is as true of Canada as it is overseas. The last few years have seen serious questions raised once again about the future of Canada as a viable independent bi-cultural or multi-cultural state. Either the gospel has something to say about these things or it has not. If it has not, we should close up shop and stop pretending we have something to say to the world. If it has, then surely we should get out and say it.

RECOMMENDATIONS TO GENERAL ASSEMBLY, 1963

1. RE MISSIONS STUDY THEMES:

That the General Assembly adopt the Overseas Missions theme for 1963-64, "The Christian Mission in Southern Asia", and the Home Missions theme for

1963-64, "The Changing City Challenges the Church", for study and prayer throughout the Church, and encourage the fullest use of materials on these themes as provided by the Missionary Education Committee.

2. RE CHURCH EXTENSION

That approval of any Church Extension work undertaken by a congregation, Presbytery or any other group, must be received from the General Board of Missions through the Church Extension Committee before it is undertaken, except in cases where the entire support of the work is guaranteed not to become a charge on the General Board of Missions for grants and appointment.

3. RE CHURCH EXTENSION DIRECTOR

That the National Committee on Church Extension be authorized through the General Board of Missions to nominate a National Director of Church Extension in terms of the report of the Special Committee on Church Extension, 1962, 1963.

4. RE ORDAINED MISSIONARY YEAR

That there be no change at this time in the regulations pertaining to the Ordained Mission year.

5. RE MANSE FURNISHINGS AND EQUIPMENT

- (a) That any cost of heating a manse in excess of \$200 per year be paid by the congregation.
- (b) That the telephone in the manse be provided by the congregation.
- (c) That a permanent refrigerator and range be provided by congregations for all manses.
- (d) That congregations planning new manses or remodelling existing houses should consider installing modern laundries on the ground floor.
- (e) That suitable garage and storage facilities (for storm windows, lawn mower, garden hose, tools, etc.) be provided by the congregation.
- (f) That all Presbyteries take a special concern in all manses within their bounds and work to the end that they be brought up to modern standards. When a congregation is contemplating a settlement Presbyteries should investigate the condition of the manse before the settlement is made.

6. RE STRUCTURE OF THE BOARD

That further attention be given to the membership of the Board of Missions and its committees as follows:

- (a) That the Synod Superintendents and one missionary on furlough named by each field (and if necessary a missionary named by a field with no missionary on furlough) be authorized to sit in an advisory capacity on the General Board of Missions, and that they be eligible for appointment in a similar capacity to the Sub-Executives.
- (b) That, in order to ensure official representation from each Synod at all meetings of the Board and its Executives, Synods be asked to appoint a Vice-convenor or Secretary for their missions committee who would be permitted to represent the Synod Convenor as his alternate at meetings of the General Board of Missions and its Executives.
- (c) That the General Board of Missions membership be increased by the addition of six members.
- (d) That two members be added to Each Executive (Overseas, Home and Missionary Education).

7. RE CALLING OUR PEOPLE TO RENEWED OBEDIENCE IN WORLD MISSION:

Inasmuch as God had called us to bear witness to Jesus Christ to the uttermost parts of the earth, and

Inasmuch as the opening up of the world has made it possible as never before to preach the Gospel everywhere, and

Inasmuch as a rapidly growing proportion of mankind (two-thirds in 1963) still wait for the news of Jesus Christ, and

Inasmuch as God has placed our Church in positions of great responsibility in Africa, and India, and Formosa, and Japan, and the Caribbean, and

Inasmuch as He has blessed our Church in Canada with great resources of money and of trained Christian people,

THAT, the General Assembly call our people to renewed obedience in world mission,

through able young men and women devoting their lives to this service;
through calling Christian laymen and laywomen who travel or work abroad to play their part as Christ's witnesses in the lands to which they go;
through laying upon those who are not giving to missions the responsibility for giving;
through calling all our people to new concepts of generosity in the task for which our Lord died and rose again;
through prayer and dedication that God's purpose for all mankind might be fulfilled.

8. RE RELATIONSHIP OF THE PRESBYTERIAN CHURCH IN CANADA TO THE KOREAN CHURCH IN JAPAN:

That the General Assembly approve the following "Statement of Relationship of the Presbyterian Church in Canada to the Korean Christian Church in Japan" as a statement of working relationships of missionaries from the Presbyterian Church in Canada in their work with the Korean Christian Church in Japan:

STATEMENT OF THE RELATIONSHIP OF THE PRESBYTERIAN CHURCH IN CANADA to THE KOREAN CHRISTIAN CHURCH IN JAPAN

(To Be Approved by the General Assemblies of both Churches as the basis of their work together.)

NOTE: This statement was approved by the General Board of Missions in March, 1962. In October, 1962, it was approved by the General Assembly of the Korean Christian Church in Japan.

Historical Note (being further edited in Japan):

In 1907, the Korean YMCA began in Tokyo to preach the Gospel of Jesus Christ among the Koreans in Japan. Others in Korea saw the opportunity and the need among the growing Korean population in Japan. Presbyteries and missions in Korea and missionaries in the Japanese Church tried to recruit and support Korean pastors to work in Japan. Efforts were unified under the Federal Council of Churches and Missions in Korea.

At the request of this Council, the Presbyterian Church in Canada was invited in 1927 to work with Korean Christians of various denominational backgrounds to co-ordinate and give unity and strength to the building of one Korean Church in Japan. Rev. L. L. Young was the first missionary. The Church grew among Koreans in Japan, under the guidance of the Spirit, so that just before World War II there were 32 congregations and 22 preaching points, about 2,340 Christians, and pastors, and Bible women, and workers.

During the War, the Korean Church as a distinct organization was dissolved by government order and absorbed into a unified church brought into being at this time by government initiative and under government control. It was re-organized with a new vigour after the War and the first General Assembly was held in 1945, with 9 churches, 3 pastors, 240 members. In 1958, the Korean Christian Church in Japan celebrated the 50th anniversary of the work of the

Gospel among Koreans in this land. As of January, 1962, there are approximately 60 congregations, 40 workers including pastors and deaconesses and about 3,000 members.

Across the years, the Presbyterian Church in Canada has participated in the life of the Korean Christian Church by sending personnel, and by financial assistance both in Japan, and in the training of Koreans abroad. The Korean Church, on its part, has given a warm welcome to the Presbyterian Church missionaries, and in the providence of God our two Churches have developed a close relationship of affection and mutual help.

In former years, the Presbyterian Church in Canada thought of Japan as a mission field. Now it works in Japan with an autonomous sister Church in its mission. It, therefore, seems timely to record a formal statement of relationship between the General Assemblies of the two Churches.

The following provisions will guide the working relationships of missionaries from the Presbyterian Church in Canada in their work with the Korean Christian Church in Japan.

I PERSONNEL: (1) The Korean Christian Church in Japan shall request the personnel it needs from the Presbyterian Church in Canada, and shall call (in the Presbyterian sense of 'call') them to their particular field of work.

(2) The Korean Christian Church in Japan accepts responsibility for receiving such missionaries into its fellowship for their pastoral care, and for supervision of their work.

(3) Missionaries of the Presbyterian Church in Canada, while serving in Japan, will have membership in the appropriate court or congregation of the Korean Christian Church in Japan and shall be subject to its disciplines.

(4) In disciplinary cases of such seriousness as to suggest possible suspension from the Ministry, the Korean Christian Church in Japan shall ask that the missionary be withdrawn from Japan.

(5) The Korean Christian Church in Japan will establish a small Committee on Missionary Personnel. This shall consist of the Moderator, the Clerk, one missionary, and one other experienced presbyter. This Committee shall study needs, prepare requests, arrange for reception of new missionaries, assist in plans for their orientation in Japan, and suggest work assignment and location.

II FINANCE: (1) The Korean Christian Church in Japan will present estimates and requests with full supporting statements explaining the needs for such grants.

(2) The Korean Christian Church in Japan will report on expenditures and will use funds for the purpose for which they are asked and given, unless approval has been given for changing their destination.

(3) The Korean Christian Church in Japan will increasingly be responsible for financing its ongoing pastoral and missionary work, and the funds of the Presbyterian Church in Canada shall be available primarily for work of outreach, and development, and special projects of a creative nature.

(4) The Korean Christian Church in Japan shall establish a Finance Committee which shall include not less than one missionary named by the Presbyterian Church in Canada, to prepare estimates, formulate requests, supervise expenditures according to the approved budget, and to prepare statements of expenditure. It is understood that such statements will be audited to the satisfaction of both the Korean Christian Church in Japan and the Presbyterian Church in Canada. This Committee will provide full information to both Churches.

III CANADIAN MISSIONARY COMMITTEE:

The Canadian missionaries on the field will constitute a Committee for dealing with the home boards in matters relating to such things as housing, fur-

loughs, health, language study, and other matters affecting the missionary. This Committee will not take the initiative in matters which are the proper concern of the courts of the Korean Christian Church in Japan.

IV COMMUNICATIONS:

Official correspondence between the Korean Christian Church in Japan and the Presbyterian Church in Canada shall be carried on between the appointed representative of the Executive Committee of the Korean Christian Church in Japan, and the General Board of Missions, or the Women's Missionary Society (Western Division) of the Presbyterian Church in Canada.

V PROVISION FOR REVISION OF THIS AGREEMENT:

This statement shall remain in effect until such time as a new agreement is reached, it being understood that either party may request consideration of changes.

OVERSEAS MISSIONS REPORT

BRITISH GUIANA

The year 1962 turned out to be one of the most significant in the recent history of British Guiana. The trouble began with the presentation of Dr. Cheddi Jagan's severe but realistic budget, which was greeted by demonstrations organized by the oppositions. The demonstrations turned into the riots of February, 'Black Friday' as it is called, and the government called on the British to maintain order. It is surely ironic that this same radical, Cheddi Jagan, was turned out of office in 1953 by the same British, who nine years later intervened, probably decisively, to keep him in power.

A Commonwealth Commission was appointed to investigate the events of 'Black Friday', and its report distributed the blame impartially among Government Opposition and Trade Union Leaders. But this did not solve the deep seated political problems in the country and a Constitutional Conference was called to pave the way for independence. The Conference broke down, as the three major parties could not agree on some of the most fundamental issues. Mr. Sandys adjourned the conference and said it would resume when the three leaders had resolved their differences. Towards the end of the year, some signs of hope began to appear and there was talk of a coalition between Jagan and the leader of the opposition, Mr. Burnham. If such a coalition should come to pass, the two largest parties would form a government with a small right-wing opposition led by Mr. D'Aguiar opposite them.

Politics, as one might imagine, are the stuff of life these days. In this situation, where the basic structure of a new nation is being argued in barber shops and street corners, the Guiana Presbyterian Church is set.

1962 was the first calendar year in which the new organization of Presbytery was in operation. It has found that the standing committees, each of which meets twice per year, were able to go much more deeply into matters referred for their attention, and bring clear reports and recommendations before Presbytery. Each member of Presbytery had several weeks before the full meeting in which to study the committee reports, and so was able to prepare himself for debate in a way that was not possible under the old system of holding up to twelve committee meetings during the actual meeting of Presbytery.

"During the year continued progress was made toward the parish system and as preparation for the full working out of the parishes when ordained men are available Presbytery decided that the Catechist system, which has served the Church so well since the first beginnings of the Canadian Mission, should be retained only until December, 1964. After that time it is hoped that a strong lay-movement will make it possible for one ordained minister to serve each parish of from one to eight congregations. While many Catechists have given yeoman service to the Church, it is felt that the expense of a full-time paid ministry such as theirs is not only too expensive for the young Church but also possibly blocks the development of the much-needed involvement of the laity."

FROM THE PARISHES

The news from the parishes is mixed. In some places, such as Upper Corentyne where there is no settled minister, the church has only been able to hold the line. In others, considerable progress has been made, especially in lay work. The Rev. Mr. Ramballi writes from Port Mourant and Letter Kenny:

"The young people in both congregations displayed a great interest in the work of the Church, and they had a full year of activities. Quite a few young people took to the work of the Sunday School, and more and more of

our youths are showing evidence of a desire to tell other boys and girls about Jesus. The work of the Presbytery has been well emphasized, and our members do their best to support it."

In Georgetown Mr. David Murphy has made some progress along the lines of Presbyterian Men.

"In the promotion of neighbourhood cottage meetings conducted by laymen, the members of the Presbyterian Men's group undertook a teaching ministry throughout the year. In order to promote Bible study we organized home Bible cottage meetings twice a month. On one Wednesday evening the men came together to study the lesson we planned to teach the following Wednesday evening. We delved into the background and meaning of the passage and related it to our own lives and the lives of those we would teach. On the following Wednesday evening the men went in pairs to three homes in various Georgetown communities in which our people live. One man conducted the meeting while the other taught the lesson, at the end of which he invited discussion. This venture has been profitable to the teachers and the Church which met in each home."

This kind of development is, of course, in line with their decision to discontinue the use of catechists at the end of 1964.

Two areas of evangelization appear to lie before the church. One is in West Demerara, which has been recognized as a parish that has no settled ministry but is served by two catechists, with Mr. Murphy and Mr. MacDonald lending a hand where possible. The second is in the Essequibo River.

"In the Essequibo River, the large islands of Leguan and Wakenaam and the up-river village of Bartica, are served by the Reverend Charles Ramcharran who carried the burden of the most difficult parish geographically. Mr. Ramcharran is assisted by two catechists but is still handicapped by the difficult communications of the Essequibo estuary. At one time, the Canadian Church supplied a missionary whose place Mr. Ramcharran is now filling. If this particular parish is going to work effectively, it might be suggested that at some time a launch should be provided in order that the ministry of the Guiana Church may be extended to several other islands and riverside settlements which have not been served for a generation."

In addition to the parish ministry, there are two ministers 'at large', Mr. Muchan in various types of evangelistic work, and Mr. MacDonald in administration. Evangelistic and teaching campaigns are a special concern of Mr. Muchan.

"Seven teaching missions and three crusade meetings were conducted during the year. The teaching missions were confined to our own Churches. The purpose of these meetings was to teach, as simply as possible, the basic doctrines of the Christian faith. For some the teachings were new while for others the messages could be considered as a refresher course. The Apostle Peter expressed a similar need when he wrote, 'Wherefore, I will not be negligent to put you always in remembrance of these things, though ye know them, and be established in the present truth' (2 Peter 1:12). There is a crying need for members of the church to believe their beliefs and to practise them."

"The meetings cover a period of eight nights and extend from Sunday night to the following Sunday night. We have noted that Saturday night is one of the nights when the attendance is very good, much to the surprise of many. The blackboard is used in the teaching process, and there is no thought of trying to cover a lot of ground in explaining a truth. The audience is encouraged to ask questions relating to the subject, thus contributing to the total discussion. The law of review and application is stressed before a new lesson is taught."

"While the teaching missions are for the believer and for the nominal Christian, the Crusade meetings are geared primarily for the non-Christians. However, there is always sufficient food for thought for the believers who attend

the Crusade meetings in large numbers. The Christians from all denominations are brought together at these meetings and mingle freely with each other. If this were the only result of such gatherings, then the meetings would not be in vain."

Mr. Muchan has numerous other interests as well.

"During the year I served on the Ecumenical Committee on Missions in the Southern Caribbean, which included members from Trinidad and Surinam. We met for two days in Georgetown in the month of June. I knew most of the members of the committee, and it was a joy to sit around the table and discuss mutual problems and to seek a solution. This contact has resulted in my being appointed the Convener of the Committee on Missions and Evangelism of the Consultative Assembly of Presbyterian Churches in the Caribbean. Already correspondence has been circulated among members of the committee in preparation for the Assembly which will be held in Jamaica in April, 1963."

"The Bible Correspondence Course continues to grow and meet a need in the lives of young and old. Letters of appreciation and encouragement are received regularly from those who are taking the course, and they express their thanks for old and new insights from the Word of God. Over fifty have graduated and received their diplomas, and three hundred and fifty are in different stages of completing the course."

"The Scripture Union family is growing. We encourage individuals and families to read the Word of God every day and to take time to meditate on what they have read. We have not discovered any notes as good and as cheap as those produced by Scripture Union. The cost for the year is only 90 cents (B.G. funds) and this includes postage."

From Georgetown, the Reverend Alex MacDonald reports on his year's activities:

"As Manager of the Canadian Mission primary schools, I have tried to keep up with the correspondence to and from the schools and the Ministry of Education. In 1962 three more Canadian Mission schools were closed, leaving us on December 31st with 15. The Manager visits the schools quarterly, examines and signs the records, and discusses any current problems with the Head Teacher and staff members. By making myself less available to teachers Monday through Friday, I have tried to promote the idea that their places on these days are not to be in the Manager's office, but in their classes teaching."

"During most of the year, I was Clerk of the Presbytery of Guiana and Secretary of the Mission Council. This too involved a good deal of clerical work, but the fact that these two portfolios were in one pair of hands, temporarily, assisted greatly in the integration of the work. It was easy to slip letters addressed to Mission Council into the Presbytery file where they really belonged, and the people of our Church seem to have learned at last that Presbytery is the Court of the Church. The great lessening in the volume of 'local correspondence' in the Minutes of Mission Council will be evidence of this fact."

BERBICE HIGH SCHOOL

The principal, Mr. Basil Beharry, reports for 1962:

"The total enrolment of the school at the beginning of 1962 was 476. This consisted of 260 boys and 216 girls. This increase over the previous year was due primarily to the increased accommodation made available by the new building. The full impact, however, was not felt until September when there was a tremendous demand for places at the Berbice High School. All the available places were taken up with a total enrolment of 557 pupils. If this demand were to continue, then we shall have to face a grave difficulty from the demand for admissions. . . .

"The school is doing better and better at its results in the external examinations. During this year 61% of the candidates entered obtained full certificates of four or more subjects. This attainment has surpassed last year's, which was 57%.

"There is no acute problem with staffing. There have been changes at the end of each year but the vacancies have been filled without much effort. We are happy at the return of Mr. De Castro, Vice-Principal, after his year in Canada, and Mr. Paul Mangal from the University of the West Indies, with a Bachelor's degree in Chemistry."

THEOLOGICAL EDUCATION

"Dr. James Farris, our tutor on the staff of the Union Theological Seminary, Jamaica, carried on his work until June when he, Mrs. Farris, and Mona began their furlough period. In April one of the Guianese in first year theology returned home, leaving six men as students at Union. Two of these returned as graduates in July and were appointed by Presbytery for a one-year probationary period. Mr. Joseph Williams is assistant to Mr. Murphy in Burns Church, Georgetown, and Mr. David Deebrah works with Mr. Jagnandan in the New Amsterdam area. Both these men have been licensed by Presbytery, and in July, 1963, will be available to receive Calls from parishes.

"During the Christmas term while Dr. Farris was pursuing studies in the United Kingdom the Reverend Arthur Dayfoot of Trinidad took up a three-month appointment to Union Seminary, and he graciously agreed to act as adviser to the Guianese students there.

"One of the pre-theological students resigned to return to high school teaching, and so there is now only one young man under the care of Presbytery who may be entering Jamaica in 1963 or 1964."

EXTERNAL AFFAIRS

Considerable progress towards closer co-operation with the other churches in the Caribbean and especially in Guiana was made during the year. The United Presbyterian Church in the United States of America appointed Mr. and Mrs. St. Clair to help in the working out of a constitution for a Federated Synod of the Presbyterian Church of Guiana, comprising the old Canadian Mission and Church of Scotland Missions. Already there is a Joint Council of the two Presbyteries, and a full-time youth worker, again from the United Presbyterians, is on the job.

The Church is an active member of the growing British Guiana Council of Evangelical Churches, which deals with matters of common concern. In June, 1962, it held a United Youth Conference and plans to hold a conference on "The Church's Task" late in 1963.

The Guiana Presbyterian Church is also a member of the Christian Social Council, which includes the Roman Catholics and Anglicans as well as several Protestant denominations.

Mr. MacDonald represented the church at the meeting of the Executive Committee of the Consultative Assembly of the Presbyterian Churches in the Caribbean. The Executive, in setting up plans for the third meeting of the Consultative Assembly to be held in Jamaica in April, 1963, also called on the member churches to consider the possibility of turning the Consultative Assembly into a General Assembly by 1965 or 1966. The problems before such a proposal are indeed formidable, but the advantages are tremendous.

Already some of these advantages have been shown by the progress of the new curriculum for Sunday Schools, which is a joint project aimed at developing Sunday School materials relevant to Caribbean life. The curriculum will be tested in picked Sunday Schools in 1963, and it is hoped that it will be fully available by 1964.

CONCLUSION

"In a time of political and social tension and uncertainty, the Guiana Presbyterian Church and all the denominations in British Guiana are finding themselves seriously re-thinking their place and their work in the new 'Guyana' that is to be. Some would attribute this to negative motives. It has been said that all the development within the Guiana Presbyterian Church is solely due to the imminent withdrawal of Canadian missionaries and funds; where this idea has come from your missionaries do not know. Others would say that the new and growing conversations among the Churches have been precipitated by what they call the 'Communist threat'.

"We see all this, however, as God's leading of His Church into the hour that lies before us. Whatever may come, the new growth in the Guiana Presbyterian Church will continue; the denominations will never be able to return to their old individualism. 'All this is from God, who through Christ reconciled us to himself and gave us the ministry of reconciliation'."

FORMOSA

In an atmosphere of complete uncertainty, politically and economically, which pervades the whole island of Formosa and in many cases paralyzes all creative activity completely, the Presbyterian Church of Formosa stands remarkably confident and even aggressive seeking to relate itself redemptively to the problems of society about it and to reach out ever more widely with the Gospel for every man. The main problems of the church are those of expansion and of how to translate the great upsurge of vital new creative ideas into the realities of church program. With many organizational and procedural problems still on its hands, the church has nevertheless moved through the "organizational period" of the past few years and moved on into a period marked chiefly by a real searching through study and experiment to find the outline of its true mission to the whole island. Thus the life of the church is marked by some bold experiments in theological education, industrial evangelism, lay training, downtown ministries and the drive for numerical growth represented by the Double the Church Movement.

DOUBLING THE CHURCH

In 1954, on the suggestion of Kaoshiung Presbytery in the southern part of the island where the English Presbyterians had been working, the South Synod, as it was then called, resolved that:

"By 1965, i.e. the 100th anniversary of the founding of the Christian Church in Formosa which will occur in ten years time, we promise to double the number of churches and double the number of members. This shall be our sacrifice and thanksgiving which we shall make to God our Father."

Such was the beginning of the Double the Church campaign. Originally it was confined to the southern part of the island but in 1959 the General Assembly of the Presbyterian Church of Formosa decided to involve the whole church and an Evangelistic Secretary was appointed to carry out the task. The impact of this campaign has been remarkable. In the years between the beginning of the church in the 1860's and 1954, 238 Presbyterian Churches were founded. Between 1954 and the end of 1962, 196 new ones were added.

THE WAY IN WHICH THE DOUBLING MOVEMENT IS BEING CARRIED OUT

"The Evangelistic Committee of the General Assembly agreed in 1960 to do these things:—

(a) To urge members of the churches to fulfil three promises:

1. To give, in prayer every day.
2. To give, in money at least 10 New Taiwan dollars every month.

3. To give, in work by helping fellow Christians, by witnessing to and helping non-Christians, by bringing others to church, and by praying for others.
- (b) To urge Session Meetings to fulfil three promises:
 1. To establish morning prayer meetings, to teach church members the faith, and strengthen the life of the church in every way.
 2. To witness in the surrounding district.
 3. To establish new groups of Christians and found a daughter church.
- (c) To urge each Presbytery Evangelistic Committee to do three things:
 1. To work on behalf of the Doubling Movement and help church members to support the scheme whole-heartedly.
 2. To raise money for helping new churches.
 3. To form evangelistic teams to go out to preach and teach to bring the Gospel to those who do not know God, and to confirm the faith of those who do.
- (d) The Evangelistic Committee of Assembly had the responsibility to:
 1. Send news and information to the Mother Churches, and to missionaries, that all might share in this work.
 2. Prepare materials for use in meetings.
 3. To help the Presbyteries in establishing new churches."

These statistics give some idea of their progress.

So successful has the campaign been to date that they have set a new objective. In 1961, including the mountain churches which were not originally part of the movement, there were 811 churches and 170,332 members. The new objective was to be 1,000 churches all told and a membership equal to 2% of the population. They have a long way to go, for their present membership stands at just under 1% of the population and, in recent years, people have been born faster than they can be converted at least to Presbyterianism. But it is possible to show a percentage increase, for the Roman Catholics have multiplied ten fold in recent years.

Besides the vast increase in quantity envisaged by this church their changing society has made necessary a recognition of the need for a new type of witness, a witness designed to make sense to the people who have recently flocked into the cities to find work and to the hordes of young men and women in universities.

MOUNTAIN WORK

The mountain work continues to progress, although without the striking statistical advances of a few years ago. Adherents are continuing to become members, congregations move toward self support and better church buildings, and more men are coming into full-time service.

On the other hand, the number of Chinese or foreign workers is down from 11 to 9. In some circumstances this might be regarded as a good thing, but that time has not yet come for the mountain churches. The Tribal Work Committee feels that they need nine more missionaries in the mountain churches and are more than curious as to when they are going to get them. The development of well-trained leadership for the tribal churches is of crucial importance at the present time, as these congregations, now 398 of them, were quickly formed and have not had much educational program. Without leadership they could quickly disappear or go off into various kinds of distortions of the faith. The provision of at least one ordained man for mountain work is a priority appointment for your Board.

MOUNT MORRISON THEOLOGICAL INSTITUTE

Local staff for the mountain churches are presently trained, on a shoe string, at Mount Morrison Theological Institute, Hwalien. The teaching staff consists of nine persons, six Formosans and three missionaries, none of whom are Canadians. The average number of students was 85, and they tended to come and go according to the requirements of their military service.

In addition to their academic work, the students do a good deal of manual labour, the junior years on road making and leveling for buildings, and the senior years in tending the fruit trees, the livestock and the vegetable gardens. This agricultural emphasis is one of the interesting features of this school and reflects the church's concern to reach men where they need help the most, which is often, in the case of the mountain people, in feeding themselves. Plans are well under way to open an agricultural training centre next door to the Institute on Institute land. Capital funds for this project have come from the Joint (Sino-American) Council for Rural Reconstruction.

TAIWAN THEOLOGICAL COLLEGE

Major steps were taken in 1962 with the completion of a new Boys' Dormitory, and the laying of a cornerstone for the Christian Education Building. The college has an enrollment of 170 students, including nine mountain people, in its various courses. The staff number 11, of whom seven are Chinese.

In addition to the regular courses, the college offers a night school program for laymen in Taipei who wish to prepare themselves for more effective service. A three-year course at two nights a week is in operation, with about thirty students. They also have a Bible Study Correspondence course for the general public with about 2,400 enrolled.

HSIN CHU BIBLE SCHOOL

Hsin Chu Bible School is a college designed for the training of laymen, both as full time workers and volunteers. For full time workers, they have a double course. Everyone takes a basic two-year program now and those who show definite leadership potential are invited back for two years of specialized training. The first class to take this program graduated in 1962. Of the 36 graduates, 22 were invited back for special training in evangelism, kindergarten teaching and Christian Education.

With their new buildings they are now in a position to increase their program of lay training and hold a wide variety of special classes and conferences, covering almost every aspect of church life. The chief factor preventing the expansion of this service is the lack of trained leadership.

The college is endeavouring to keep pace with the rising educational standards on the island and this year admitted its first group of high school graduates. At present these students take an accelerated course of one year. Eventually, it is hoped to make high school the necessary entrance requirement, but this will not happen till that, apparently, distant day when the theological colleges limit themselves to university graduates.

TAM KANG MIDDLE SCHOOL

This secondary school in Taipei was founded by Dr. G. L. MacKay and originally named after Oxford County in Ontario. Its present enrolment is 1,127, of whom slightly better than half are boys. 615 students, both boys and girls, live in residence, which is a marked increase over previous years — made possible by the completion of a new boys' dormitory. 43 of the staff of 70 and 474 of the students are Christians. 26 students were baptised during the year. 124 students graduated from junior to senior middle school, forty-six graduates went on to universities and six into theological colleges.

TUNGSHAI UNIVERSITY

Tungshai University, where Mr. Tom Roberts is on the staff, passed another reasonable year. Some new buildings were completed and a chapel started. Mr. Roberts reports a marked increase in the attendance of the Students' Christian Fellowship.

MACKAY MEMORIAL HOSPITAL

Mackay came through another year of service with definite improvements in most aspects of its work. The nursing and business departments in particular were re-organized and put on a sounder footing. The major problem now appears to be financial, as much of the equipment is wearing out and will have to be replaced in a very few years.

LEPROSY WORK

The Taiwan Leprosy Relief Association, a co-operative organization formed to unify the efforts of various groups and individuals in the treatment and prevention of leprosy continues to function with great success. Under its direction are eight leprosy clinics, including Happy Mount, operating in all parts of the island. Their emphasis is on early detection and treatment, and on public education in an effort to eradicate the stigma attached to the disease.

INTER-CHURCH RELATIONS

A number of times during the debates of the last General Assembly, the Presbyterian Church was faced with the problem of its relations to other Christian groups on the island. Heretofore, the Presbyterians have tended to ignore these other groups, but this is no longer possible, and already Changhua Hospital has drawn the Methodists into its Board. The 1963 Assembly approved a plan to set up jointly sponsored student centres, and a proposal to start an inter-denominational newspaper. Most important of all, approval was given to participate in a Taiwan Council of Churches, when such a proposal comes, as is expected, from the Protestant Consultative Group.

The Presbyterian Church of Formosa presents a picture of one of the more self-conscious and mature of the younger churches of the world. It lives and breathes in a stifling atmosphere and yet has felt the cooling winds of the spirit of God blowing in its face driving it to tackle its many problems with resolution and attack its opportunities with real grace. It is remarkably well supplied with able, young leaders in both the laity and the clergy. It has already worked out a splendid working relationship with the various churches of other parts of the world with whom it is directly related in mission. It is trying to work out new forms of joint action for mission with other denominations and church groups at work in the island. God has certainly placed us at a very strategic point as a partner with this young vigorous church in the world mission today.

INDIA, THE BHIL FIELD

"I feel that I am in the midst of a small but very vital work in the Bhil country. This is reflected (a) in the respect which the community in general seems to show towards the Christian cause; and (b) in the faces of so many of the Bhil Christians. I am impressed by the genuineness of such faces as those of John Elders, Nelson Ganji, Salatiel Ezra, Mary Peddlio, Musah Abey, Deborah Tezlo, Dr. Daniel and many others. "The work has produced some real Christians who are serving honestly and faithfully today and from some unpromising 'raw material' — the Bhil tribes people."

R. M. Ransom, from Madras
March 1, 1963.

The work in this difficult field thus continued during the year and shows considerable promise despite the enormous problems that result from working among a none too enthusiastic people in a depressed mountain area.

From Barwani, Mr. Knox reports:

"It is a matter for satisfaction that the work for another year has been maintained despite many unfavourable circumstances. For the first quarter of the year, the local Pastor was on study leave. He returned for holidays in the second year, and rendered four months service. Difficulty arose in that the source of his salary previously could not be drawn upon, and it was only by the contribution of the missionary group this his salary was maintained. During the time the Pastor was absent the missionary in charge, Mr. Knox, acting as Interim-Moderator, along with the session, arranged for regular services, mid-week meetings, Sunday School and other special meetings. The Elders and Evangelists shared in the preaching services.

"The Evangelists preached the word in the villages of Khalghat, Balkar, and Toran Mal and many smaller places. Regular Sunday services were held or provision made for them. They also tried to keep in touch with the scattered Christians who live in villages miles away from where regular services are held. Some of these Christians are studying the simple Bible courses by correspondence and getting assistance from the Evangelists as they make their rounds, in the study of these courses.

"In Panchpulla and Junapani, twenty-one adults are continuing their lessons in the Adult-literacy series. Twelve have finished the first Book and are now studying the Gospel of St. Mark. There have been evidences of God's working in this area. Nine children, ranging from one to twelve in age, and three adults were baptized in the Khalghat/Balkhar area, while one member was received into full communion. A house was completed this year in Khalghat which is being used for church services. In Toran Mal one child and two adults were baptized and one person was admitted into full communion. Others have asked for baptism and are now being prepared for it, and the expectation is that this will be in the near future.

"The Women's Fellowship in Barwani has been busy. They have raised funds to buy a baptismal font and to share in the expense of the minor repairs and colour-washing of the Barwani Church buildings. They have also made a contribution to the Joint Evangelistic Fund."

From Alirajpur, Mr. McIntosh reports:

"In 1962 Presbytery and Mission Council attempted to have GBM missionaries used primarily in what is called 'special tasks'. With this in mind, Mr. McIntosh was appointed by the Joint Evangelistic Committee to work in the area of Youth and Economic Life. To help promote the youth work, Presbytery Executive appointed an assistant, for it was felt that there was a tremendous amount of work to be done. The Youth Assistant, Mr. Salathiel Ezra, who will be ordained

in 1963, seems to possess a natural ability, for leadership with young men and this is most encouraging. He is a grandson of one of the first Bhil pastors.

"Here in the Vindha-Satpura Church Council there is a vast scope and a great need for the promotion of an Economic Life program. India's Government has committed itself to a large program of economic uplift, with particular attention being given to the backward areas. It is our duty in this Bhil area to help make the program succeed. Mr. McIntosh by working in the area of economic uplift will try to lay a foundation for Mr. Horrell who has been appointed to this work in the coming year. One Christian young man in the Barwani area is doing a fine piece of work in Government Co-operatives. His father was one of our first pastors. Mr. McIntosh visited Raipur and saw there the Agricultural missionary at work, in a poultry farm, a tannery, a bone-crushing machine for making bone-meal and a protein plant. In July, he and representatives from the area attended a four-day Economic Life Conference in Rasalpura. He also visited the centre near Khalghat where the Government is sponsoring a two-year course in village up-lift.

"Under the Joint Evangelistic Committee in 1961, the 'Pauline Ministry' was commenced, where evangelists farm for part of the year and do full-time work in evangelism for the rest of the year. Whilst the crop-yield could have been greater, it can be said that one is doing satisfactorily and even well, and another is doing fairly well. They hope the program will produce spiritual results as well as wheat and flour. One more evangelist will commence this type of ministry in 1963. Since there is no GBM evangelist missionary in Amkhut, Jobat and Mendha, there is considerable driving to be done in transporting the pastors in their Church Council duties where they are called away from their congregations. This usually is a most happy experience for these Bhil men who know how to laugh and all get to know one another better in this way. The Amkhut pastor especially finds it difficult from July to November when the only bus out of Amkhut is suspended because of flooding rivers.

"There are fifteen evangelists altogether and they have found work difficult this year by the failure of the churches to promptly pay their budgeted dues for the support of the evangelists. This failure has raised tensions most detrimental to the work. The program and budget for evangelism, we must admit, is greater than the church can sustain.

"In Alirajpur, Mr. McIntosh shares in conducting the services with two resident evangelists and the elders. They have asked for the appointment of a pastor to this congregation. The Alirajpur congregation were the first to pay up their full dues as budgeted. Also it was in this church, in December, that the daughter of an elder was married and it was spoken of as one of the most Christian weddings ever witnessed in this part of India.

"Mr. McIntosh also reports on evangelism in the Mendha area where there is a faithful pastor whose life and work is an inspiration to all. Three miles away on the main road is Bhabra, with a Christian community of 18 families. An elder and two evangelists hold services there each Sunday. There is no house for an evangelist, but we have appealed for help and believe the Board will help us in this. North of Mendha is Sindanpani where there are four Christian families who have asked that an evangelist be sent there. West of Bhabra is Warjhar where the evangelist has had to be dismissed because of quarrelling. This bad situation has been a burden to the whole church in the area.

"In conclusion, Mr. McIntosh feels that taking the total view of the work, there is much for which we can praise God. Many show the fruits of the Spirit in their business and social relationships and to us who come from Canada — they are real friends and brothers in Christ. Mr. McIntosh prays that he will come to know more of what it means to be partners in obedience here with the Indian Christians and that the Church here will be a light in this rapidly changing society."

AMKHUT SCHOOL

This year, from January to April, 1962, we had about 275 students and from June to December it was decreased to 250. This was largely due to the sorting out of a number of students who were over-age for their classes and seemed to have reached the limit of their ability.

"There are 16 national teachers — all of them products of the School. Two missionaries teach part-time. This year we have back on staff a young man, who, after ten years of teaching, took two years leave of absence to complete the work for his B.A.

"In April, 10 students successfully passed the eighth class. This marks the end of middle-school, which is about the same as our Junior High School. Of these, two boys and four girls were awarded scholarships for High School and two girls were sent for Nurse-aid training.

"In the field of higher education, two young men passed the B.A. examinations. Five boys passed the Higher Secondary School examinations. Three of these were granted College scholarships. Five girls passed the matriculation examination from the Helen Macdonald Memorial Higher Secondary School in Jhansi. Of these, two are in Bible School and three are in Nurses' Training. At present, we have six boys and one girl on Mission scholarships.

"At the time of the Republic Day week-end, near the end of January, we took advantage of the holiday to have retreat for teachers and students. We invited to join us in this retreat the teachers from the Village Schools and the boys and girls attending the State School in Jobat from 4th class upward. The bible-study was led by Rev. Samuel Tezlo and Miss Margaret Kennedy. Miss Agnes Hislop and her Bible-women had classes for the younger children. This retreat was a time of blessing for all.

"During March and April, Rev. Musa Naku and Rev. J. W. Milne held weekly communicants' classes and many older students attended. At the April communion, 16 students were received here in Amkhut and about the same number were received into the various other congregations when they went home for the holidays.

"We thank God for His goodness to us in this past year. We hope that you will join us in praying for His continued blessing and that we may be used to help the boys and girls to learn, not only the things necessary to pass examinations, but to grow in grace and in the knowledge of God."

VILLAGE SCHOOLS

"There are still six village-schools with a good attendance in all. The Jobat School is the largest with three teachers. Sardi and Mendha have two teachers each and there is one teacher at Punyawat and at Chachaniya and at Mandhar. Among the teachers we have one woman — Rosie Bhimsingh at Mendha, who graduated from Teacher Training School in April. Her work is good.

"Mandhar, a new school, has been operating for almost a year and the attendance keeps good. So far, the classes are held in a local house court-yard. The lady of the house does not seem to mind, neither are the children distracted by what she is doing. However, this is far from satisfactory. Through the children, the parents who have been very indifferent to spiritual things now show much more interest. Did we ever tell you how Mandhar commenced? None of the children in the village had been sent to school. One day, a teen-age boy blamed his father for letting them all grow up in ignorance, although the father himself had attended school. The father was ashamed and started a petition for a school. The boy who started this is now a regular night-school student. Thus does God work."

JOBAT CHRISTIAN HOSPITAL
Statistics for 1962

Patients	1961	1962
Number of out patients	5,445	6,162
In patients, average bed occupancy	85.9	79
Services:		
Major operations	79	74
Minor operations	342	392
Staff:		
Doctors	3	2
Nurses	11	14
Nurses Aides	5	4
Lab. Technicians	2	2
Evangelist	1	1

These figures show only a modest growth in the hospital's services. Dr. Williams is by no means happy with this development, but rapidly rising costs gave them little alternative.

"Chief increases in spending are noted in salaries and maintenance. The cost of living in India is rising so rapidly that in spite of a raise in salaries as recent as 1959, today our hospital is paying 15% less than the average of a cross-section of mission hospitals in North India. . . .

"We can also be assured of still further rise in the cost of supplies, with the tension of war on our borders. Some drugs have gone up by 25% and kerosene fuel (of which we use a good amount) by 15%. Growing scarcity of some articles are necessitating bulk purchases to protect efficient running of the hospital in the future."

At the same time as costs are rising, the opportunities for an effective Christian service become more pressing. Dr. Williams, in his report, speaks of, among other things, a pressing need for isolation facilities and an expanded attack on tuberculosis and leprosy, both in treatment and detection, in which he expects to receive government co-operation.

He concludes: "It is rather disturbing to review both accomplishments and the still unmet challenges of our immediate area, and to realize that with the addition of relatively little financial aid, we could make our total medical responsibility more meaningful, more integrated and complete. Until we become less like the little boy with his finger in the dyke and more like the crew setting out to make definitive repair, we will not be using our resources intelligently.

"We have reached a crucial point where we either must cut back severely to stay within a stringent budget, and thence meet our challenge that much less efficiently, or we must bend our efforts to more adequately meet the problems and opportunities of growth which are being laid more heavily on us each day."

MOBILE MEDICAL CLINICS

"In the Christian Rural Health Services, the year 1962 has been extremely interesting for staff strength was increased so that the program of home-visitation, health-teaching, as well as the conducting of different clinics is able to advance in comparison with 1961. The staff changes — additions as well as subtractions — were numerous."

One of the more notable developments among the staff was the graduation of the senior nurse, Miss Suzanne Tezlo, from a post graduate course in public health. She has been a great source of strength in the past years and her further training will be most useful. Public Health is becoming increasingly important in the work of the mobile clinics.

"In March, a member of the staff attended a Public Health Conference sponsored by a Public Health Group of the C.M.A.I. and which was led by Dr. Thompson, the very capable Public-Health Secretary of the C.M.A.I. This was extremely worthwhile.

"Members of staff have prepared papers and present studies in family planning, diet in health and disease, and care of children for the Women's Fellowship Groups. We feel happy to have a share in this service to the entire Christian community. There was a wide-spread small-pox and typhoid epidemic this year and the staff was kept busy co-operating fully with the Government agencies. Immunization programs have been set up for giving triple vaccine antigen to babies and cholera injections for hundreds who came to the various centres. It is interesting to note the increase in numbers who came for immunization, showing that people are realizing its value.

The following statistics will give an over-all picture of the work accomplished in the year 1962:

Number of Patients	7,070
Prenatal Patients	743
Post-partum Patients	650
Well Babies	1,145
Mothers	924
Hospital follow-up	102
Others	271
Patients taken to Hospital	155
Home Visits (General)	744
Home Visits — prenatal	201
Home Visits — post partum	289
Friendly Home Visits	527
Consultation home visits	165
Confinements	78

However, statistics cannot show the number of miles covered, the amount of petrol used or the number of hours spent "outside of duty hours" taking people to Hospital, trying to persuade fearful patients and their relatives to put their trust in God rather than in the witch-doctor's incantations to evil spirits. A lot of time spent just visiting people and being friendly — for only in this way are mutual trust and understanding built up."

The work in the Bhil country is small and unspectacular and beset with many tensions and cross currents, but it also has many bright spots and some positive signs of hope. It is important that the missionaries find themselves as a team and that they learn to work together with the local church as colleagues and partners. Our missionaries face a real opportunity to work towards the further strengthening of the local church and presbytery and guide it into new forms of witness and outreach. The work is primarily among the aboriginal Bhil people who are essentially primitive and simple tribal people who need nurture and direction but who are certainly capable of taking over the reins of church government into their own hands. Every responsible step is being taken to insure the quickest possible transition to this end. We can thank God for the many evidences of lives transformed by the power of the Gospel in which the Bhil country abounds and continue our efforts under God to strengthen this little church as it seeks to work out the implications of this Gospel for the whole of life.

INDIA, JHANSI

Jhansi, a strategic and populous military and rail centre situated at almost the geographical centre of India, could not but be considerably affected by the mounting tension and final outbreak of hostilities between India and China which marked the latter part of 1962. The border dispute has stimulated industrial development and resulted in breaking down many of the barriers which divided the

Indian people thus fusing them into a more united people possibly than ever before in their history, but it has meant the inevitable higher taxes and increased hardships for the common man and virtually the death now of most aspects of the third five-year development plan. In the face of the great cross-currents of history the church in Jhansi and vicinity is woefully weak and regrettably irrelevant but is making a valiant attempt to witness actively and to reach out to meet the challenge of students and service personnel.

The churches with which we are associated in this area from the Bundelkhand Church Council or Presbytery of the United Church of Northern India. All but one of these are in the cities or large towns and their total membership is somewhat over 500 with a total Christian community of possibly 1,100 or 1,200. This Presbytery which was originally a part of the Allahabad Presbytery and some years ago was formed into a separate unit because of great distances from Allahabad, is now finding considerable difficulty in carrying on as an independent church court and in relating itself satisfactorily to the North Synod of the United Church of Northern India. However there is a toughness about these people and a certain vitality to their Christian faith which suggests that they will find ways of meeting their many problems in spite of inadequate leadership and their small resources.

The past year saw the dissolution of the Jhansi Mission Council of the Presbyterian Church in Canada and its integration into the Bundelkhand Church Council or Presbytery. This was consummated on November 1st in an all day ceremony at which Miss Mary Whale, Overseas Director of the Women's Missionary Society W.D. was present. She described the occasion as one of the most inspiring days she had ever spent in Jhansi. This means that in all matters relating to the church's life and work the power of decision rests with the Bundelkhand Church Council, subject always to the higher courts of the church. The missionaries' voices will be expressed within the courts of the church and their counsel will be that of colleagues in the work of the church. The Missionaries' Committee exists to deal with matters relating to the missionaries own relationships with their own Board at home. This transition has resulted in a new lease on life for the churches and stimulated them to greater efforts in outreach and witness.

Unfortunately, though the churches are few in number, they are related in various ways to quite a mixture of churches and mission groups which tends to make them less homogenous and compatible than they might otherwise be. This results in a lack of confidence in respect to the North Synod and the General Assembly of the United Church of Northern India where they feel somewhat insecure.

This suggests the main problem of the church in this area, namely the lack of adequate Christian nurture which would lead to an appreciation of the true nature of the Church as the people of God with a definite missionary calling. One is apt to become impatient with the slow progress of this church numerically, but must also bear in mind that this is one of the most difficult spots in all India for the spread of the Gospel. Jhansi and vicinity has been a veritable stronghold of Hinduism which in the past has stirred up great antagonism and opposition to the advance of the Christian Church and in the present is showing indications of renewal and a much more aggressive spirit. Lay training and the training of more adequate ministry are two important tasks which call for immediate action on the part of this church. If it is to meet this crisis it will need additional personnel from abroad. Under comity agreement this area has been officially designated as being related to the Presbyterian Church in Canada and therefore we have a peculiar responsibility to provide the sinews of strength for this struggling church. New missionary personnel is urgently needed particularly in the field of Christian education and youth work. A person skilled in lay training could profitably spend a short term in this area and do a very effective piece of work. The great cities in this area provide a real challenge for a social worker,

probably a woman, from abroad who would not only sharpen the social consciousness of the church as a whole, but meet the great needs of the impoverished and rootless peoples of the cities.

One of the great points of opportunity is for Christian work among the masses of Indian students who are crowding the high schools and colleges of the country. A small but imaginative beginning has been made by the Rev. Moti Lall in Gwalior who has constructed a small hostel adjacent to his own home so that he himself can act as house-father. Here as all over India, Christian hostels provide an opportunity to reach students in terms of their real problems and daily living and can become a real instrument of Christian nurture and Christian outreach. The problem however is not only one of buildings but much more important, one of adequately trained and motivated personnel.

Property looms large in every church discussion in India. And Jhansi is no exception. The vast property-holdings centrally located in this great city are at once an embarrassment and a challenge to our work. With the new relationship established firmly with the Bundelkhand Church Council serious thought must be given to the use of this strategic property and the very valuable buildings on it. These can be used more effectively for the extension of Christ's Kingdom and the building up of the church in this area.

HELEN MACDONALD HIGHER SECONDARY SCHOOL

The best known educational centre in the Jhansi area is the Helen MacDonald Memorial Higher Secondary School for Girls in Jhansi. It is a first class school and maintains a high standard of Christian teaching that is respected throughout the community.

The chief aim of the school is to bring up Christian girls well grounded in a knowledge of the Word of God and able to stand firm in Christ when they leave school for work, further training or marriage. The school and hostel programs include a definite provision for Christian nurture.

The school enrolment was 165. Twenty-seven girls passed the government High School examination in April 1962, and of these 11 are taking nurses' training. The staff includes 12 teachers, of whom 6 were former students of the school. Miss M. S. Lall, the hostel warden, taught the Practical Home Science, Miss Wadsworth and Miss Leask help with Science and Junior Mathematics, Miss S. K. Sing, the Acting Principal, attended the local college and studied for her M.A. in English. The girls participate in extra-curricular activities including art, weaving, puppet and literary clubs, volley ball, badminton, basket ball and track and field sports.

The work of the church in the Jhansi area is a feeble flame of Christian witness flickering in a dark and stormy environment. From a strictly business point of view it probably ought to be closed out altogether. Indeed, over the past quarter century the history of this field has been one of retrenchment until in the last few years it has levelled out to what one might call "holding our own". This "caretaker operation" has been maintained on a budget considerably smaller than that of a small town local church in Canada. The new relationship, if it is to work, will not cost us less in men and money, but more.

God has placed us as partners with this feeble band set amid perplexities and almost overwhelming difficulties. The question is, do we abandon them at this point or do we move in as if we really meant business in terms more adequate to meet the responsibilities and opportunities that God has put in our way.

THE KOREAN CHRISTIAN CHURCH IN JAPAN

THE KOREAN MINORITY

The Korean minority, numbering perhaps three-quarters of a million people of Korean birth or descent, are an underprivileged minority in Japanese society.

Yet most of them were born and raised in Japan, speak better Japanese than Korean and are often completely indistinguishable from Japanese. If some Japanese say to them "Why don't you go home if you don't like it here?", they can only reply "We are home now. Korea is far more foreign to us than Japan." The situation is parallel to that in North America, where the children of immigrants are far more at home in Canada or the United States than they are in their countries 'of origin'.

In 1962, the protracted talks between the Japanese and Korean governments were resumed again, and some progress was made. Though the status of Korean residents in Japan is not very high on the list of subjects to be discussed, there are some who believe that Koreans will, as a result of these talks, be given a special status which includes right of residence, and eligibility for national insurance and social welfare. This will improve matters, but will still not solve the basic problems of discrimination with which the Koreans must live.

The community is further divided among itself. On the one hand, the older generation, the immigrants, know and love things Korean and feel much more deeply the division between North and South Korea. Young Koreans who want closer contacts between North Koreans and South Koreans studying in Japan, or who talk of naturalization and disappearing into Japanese society are not appreciated by their elders. The normal tensions between immigrants and their children appear to be particularly acute in this community, and they profoundly affect the life of the church.

FACTS ABOUT THE KOREAN CHRISTIAN CHURCH IN JAPAN

"The Korean Christian Church in Japan is a Church uniting Methodists, Holiness, Presbyterians and others. In its organization it consists of three presbyteries or districts which meet annually. The General Assembly meets annually to which all elders and pastors are commissioners. The Staff consists of a General Secretary (part time), a Secretary for Home Affairs (full time), Secretary for Ecumenical Affairs (full time).

"In 1962, there were 37 congregations, with 1,417 members and 700 seekers. A Sunday School enrolment 1,448, Pastors 25, Deaconesses 7, Missionaries 3, Theological students 12, Young People's groups 24 with 400 members, and 25 Women's groups with 600 members."

HIGHLIGHTS IN CHURCH LIFE

"After many years of leadership in formative and trying times, Rev. Dr. Y. T. Oh stepped down as Moderator of the General Assembly. Rev. M. Y. Pak, also a veteran pastor, was elected to preside over the 18th Assembly.

"At this Assembly, the new statement of the relationship of the Korean Christian Church in Japan to the Presbyterian Church in Canada was approved.

"Missions was directed to take its place as a full department of the Church at the General Assembly held in October, 1962. During the year, two exploratory projects were carried through under this new department. The Annual Pastors' and Laymen's Conference in support of this new program chose 'Our Mission' as its theme. The day before the General Assembly, a Church-wide Mission Rally was held at the Assembly Church. Some 400 people from 35 churches took part.

"Mr. S. J. Yu, an elder of the Kyoto Church, and Secretary for Home Affairs for 17 years, resigned from that post after having served the church with ability and devotion.

"We were happy to welcome Dr. Ralph W. Lloyd, President of the World Presbyterian Alliance on his official visit to Japan and the church here. His personal word about the Presbyterian Family around the world and especially in Africa and Asia was most helpful.

"On the invitation of the Secretary, Rev. D. T. Niles, our Church applied and was welcomed to the membership of the East Asian Christian Conference. We look forward to being a part of this stimulating on-going discussion.

"Vigorous interest became apparent this year among laymen in several important and new areas. One of the most important was stewardship. Another was in the laying of the ground work for a study aid fund for high school and university students. A desire among younger men for some kind of meeting ground and program for the laity gave birth to an initial meeting late in the year to discuss these projects.

"Both the Young People's Association and the Women's Association held national conferences this summer in Hakone, a lake district near Mount Fuji, southwest of Tokyo. The Young People's Conference took as its theme 'Which is our Road?'

"The overseas pastor in Canada this year has been Rev. KiWhan Bay, who has been at Presbyterian College, Montreal. He is due to return to Japan in the summer of 1963."

CHURCH BUILDING PROGRAM

"The Building Fund is not part of the regular aid to the Korean Church in Japan. It is special as funds permit, and is granted to those congregations who have raised already more than 60% of the cost locally. It does an important job in this land where building is always expensive.

"This year the fund assisted in four projects: the Hiraoka Church in Osaka, the Haruki Church in Osaka, and the churches in Kokura and Orio in Kyushu, in southwest Japan. In the Haruki Church we teamed up with the Sakai congregation to provide the first place of worship for a new fellowship under their care — a small, concrete block structure. In Kokura, a rather small but established congregation was assisted in building a new well-designed building. Already its clean, functional design has aroused considerable interest. The Orio Church located in a coal-mining community was aided in remodelling an old building and restoring it into a place of meeting and worship. It does not have much grandeur but it is a glorious tribute to a congregation that has never had a pastor settled there. It was a privilege to be able to help this congregation in their efforts."

SPECIAL GIFTS

"In 1962, special gifts from individuals and groups in Canada were converted into four bicycles for pastors in Japan, none of whom had bicycles in good working order. Other special projects in which Canadian church people, young and old, participated included the Reading Fund which provided a choice of important recent books for all full-time church leaders, help for a pastor's spastic son, and a much needed study aid fund for Korean university students in Japan. These gifts are more than bicycles, books and boosts for students. They become symbols of friendship and caring, that extra something that captivates and revives the vision of our common bond in mission."

MISSIONARY STAFF

"Miss Tamiko Nakamura comes from Fairview Church, Vancouver, and is a short term missionary. She has been appointed to the staff of the Christian Education Department, and has been surveying and stimulating Christian Education in its fuller meaning among Sunday School teachers, pastors, church women and youth as she travels through all the presbyteries of the church. Another of her contributions has been the encouraging of our people to participate in and make use of inter-church Christian Education programs and services. Miss Nakamura has a unique background and gifts which have contributed to an unusual kind of rapport and empathy in this rather unusual situation, and is a sought-out personal counsellor.

"Rev. and Mrs. J. H. McIntosh are from St. Andrew's Church, Guelph, Ontario. They have been giving their time and gifts this year to language study. On the periphery, Jack has had a number of worthwhile activities: a well-led English Bible class, attendance at Church conferences, observation at Finance Committee meetings, and membership in the local Korean congregation. They have recently moved to Kyoto, in central Japan.

"Rev. and Mrs. C. R. Talbot are from Knox Church, Preston, Ontario. Rodger has served as Mission Administrator and Treasurer and has several assignments in the Korean Christian Church in Japan on the executive and a secretary of the Ecumenical Affairs Committee. Meetings and occasional visits to various parts of Japan keep him on the move. English Bible classes occupy part of the Talbots' time as part of their contact is with university students. Along with these activities, Japanese and Korean lessons make the Talbot household a very busy place in the heart of Tokyo."

The Canadian staff in Japan is a particularly competent one, but no more so than the leadership of the K.C.C.J. The Koreans, both ministers and laymen, are an able and devoted group who are in a position to give significant leadership, both in their own church and in the Japanese church as a whole.

NIGERIA

Eight years ago Nigeria could be described as a point of hope in Africa. Today, that hope has been partly realized and it is fair to call it a place of progress. Independence, as in most African countries, was achieved without undue stress but, unlike most African countries, Nigeria has acquired, partly by accident and partly by wisdom, a reasonable balance between freedom and authority in such a way as will permit the country to move forward in solving its numerous and urgent problems.

Politically, it faced its first major crisis in 1962, with the collapse of the government of the Western Region and the arrest of the leader of the opposition on charges of treason. Serious though this development is, it is encouraging that it is being handled in an open and frank way, and the pros and cons of the case are freely debated in the public press.

Economically, it is making good progress. New industries are being developed as fast as money permits, and communications have improved strikingly in the last few years. The American agency AID has selected Nigeria as one of the four or five countries in the world where economic assistance is most likely to have the most effect.

The Presbyterian Church of Nigeria is located in the southeastern part of the country, off the main lines of communication and rather wedded to the old concept of the church built along the Cross River. Developments in the last few years, however, show that it is breaking out of the old pattern and beginning to take up the challenges that the new Nigeria is presenting.

THE STANDING COMMITTEE OF THE SYNOD

The Standing Committee is the Executive Committee of the Synod which is the top court of the Presbyterian Church of Nigeria. It is made up of representatives of the major institutions and enterprises under the Synod and the members of the two Presbyteries. The missionaries working with the Presbyterian Church of Nigeria are under the Standing Committee and work under the direction of its various Boards or Presbyteries. The Standing Committee has an African chairman with a missionary serving presently as Clerk but soon to give over to Rev. Nwachuku Eme, who studied in Canada, who is now Moderator. Matters of particular importance under discussion at the end of 1962 included the relation of the Missionary Committee to the Synod and plans for the forthcoming Church Union. It is quite evident that the African members of the Standing Committee do not wish the Missionary Committee to assume any form which might again be a

Mission Council taking over prerogatives which now rest with the Standing Committee. Rev. Earle Roberts represents our Canadian group on the Standing Committee and plays an important part in forward-looking policy.

MEDICAL WORK

There has been excellent advance in the several medical institutions of the Church. Queen Elizabeth Hospital at Umuahia has a larger staff and Sam Harder and his wife are making a great contribution as pharmacists. Itu General Hospital now has a good School of Nursing attached to it with some new and adequate buildings. Uburu Hospital has added a ward and a new nurses' residence and generally is in better condition than it has been for many years. Dr. Roy Ward of our staff has done a fine job at Uburu Hospital and now is in charge of the Southern Ogoja Leprosy Service. Miss Anne Howson is at Itu Leper Colony and Miss Elsie Taylor is serving in Uburu General Hospital.

As of the present time, there has not been an African doctor serving in the mission hospitals apart from Sir Francis Ibiam. African doctors can get vastly more pay in Government service than they can on a mission salary. However, the time has come when the Presbyterian Hospitals should have African medical staff. It is time, too, that the Synod gave thought to the way in which these hospitals are a part of the total work of the Church and to defining their distinctive role today. Up to the present time, they represent a missionary contribution from abroad to the people of Africa rather than an integral part of the Church's contribution.

LEPROSY WORK

The Southern Ogoja Leprosy Service has some 3,000 lepers in forty segregated villages across 100 miles of territory. At Uburu there is a small hospital and compound for looking after the more serious cases. Dr. Roy Ward is temporarily in charge of the leprosy work and is doing an outstanding piece of work in that post.

Itu Leper Colony, which is one of the great institutions of the colony type, is nearing its end. Leprosy has been largely eliminated in that part of Nigeria and the colony is now down to a few hundred patients from a high of 3,000 hardly ten years ago. The Government medical service which provides major financing is insisting that the Colony is now too expensive as a form of treatment of the remaining patients and the Colony will soon be closed. The Medical Committee of the Synod was to have a special conference to make plans for closing the Colony and to discuss how its buildings and land may be used to best advantage for some other medical purpose. It was long expected that the Colony would close down in a few years but it was a surprise to all concerned that the decision should have to be taken almost at once.

MACGREGOR COLLEGE CHAPEL

Almost six years ago, the General Board of Missions agreed to underwrite the cost of a chapel at Macgregor Teachers' College at Afikpo on condition that it be built with regard to architectural design suitable for Africa. This Teachers' College is an important centre for the training of some 250 young men for the Presbyterian Schools. These are men who have already taught in the lower schools and are getting more advanced training. While Dr. Johnson was in Afikpo at the end of November, he had the privilege and great joy of laying the foundation stone for the Chapel which is now under construction by a competent Italian firm from Enugu. Across the past years, we had worked out a design incorporating features characteristic of many African buildings. The actual construction according to plans worked out in Toronto by our Architect, Mr. Norman McMurrich, is being supervised by Mr. Murray Ross, the young architect just sent out as a missionary. There is every reason to believe that this will be a successful experiment in new design. It should be completed by Easter, 1963. The craftwork is to

be done by outstanding Nigerian artists and sculptors. The actual cost which we had originally estimated as something over \$10,000 will be closer to \$35,000. This is a result partly of changes in plans, but mostly of rise in building costs and devaluation of the Canadian dollar. Fortunately, this sum can be met by the generous response of a number of congregations and individual contributors.

AGRICULTURAL AND RURAL WORK

Two interesting rural centres have been started in recent years. The first is called the Rural Improvement Centre and is the work of Mr. and Mrs. Charles Hutchison. This Scottish couple have settled in modest quarters in a remote agricultural area and are seeking to develop better types of seed, better poultry, proper marketing co-operatives, rural clinics, and better home methods. Their project is centred on the problem of drawing the people in their community into the advantages which their projects hold for them.

A very impressive experiment on a large scale is being developed by a Norwegian group sponsored by the Norwegian Churches and financed largely by the Norwegian Government. Here a group of eight or nine families have settled on 100 acres of land and have moved into experiments in many types of crops and in the culture of poultry and animals and fish, seeking to find ways of improving the economic level of the area. This Norcop project, as it is called, has attracted wide interest.

EDUCATIONAL WORK

The various Primary Schools, High Schools and Teacher Training Colleges under the Educational Authority are still a major part of the concern of this Synod. There are some who think of it as being the major work of the Church and one has the impression in visiting the Church that other matters are almost overwhelmed by this massive educational program. Certainly it has absorbed the effort of a great many staff people, both missionary and Nigerian.

One or two new Secondary Schools have been started but with difficulty, because the Government will not take over the financial responsibility until the buildings have been erected and the schools have been operated for five years at the expense of the Church group which is managing them. The Roman Catholics with greater funds have been able to forge ahead with many secondary schools while the Presbyterians and other Protestant groups have not had funds of this kind.

HOPE WADDELL TRAINING INSTITUTE

This school, for many decades one of the major educational institutions in Nigeria, has something of the reputation which Harrow or Eton have in England, and draws its students from all over Nigeria. Some question is raised now as to what its future role may be as the centre of gravity of the country has shifted west to the railway and Calabar is now off centre in location.

Mr. Ron McGraw of Regina, one of our missionaries, is playing an important role as a Christian teacher contributed from outside. Unfortunately, a good many of the overseas teachers now on the staff come from the Peace Corps in the U.S.A. and a voluntary service of teachers from Britain, and do not have a specific Christian commitment. This has already greatly weakened the Christian witness and function of the school. It is important that we help to find more Christian teachers for this school if it is to continue to play the tremendous role it has played in years past in providing Christian leadership at strategic points all through the life of Nigeria.

A NEW PRESBYTERIAN CHURCH OPENS IN ENUGU

Formerly, Presbyterians in Enugu, capital of the Eastern Region, had participated in an interdenominational Church but, about a year ago, with the rapid growth of the city, it was decided to open a congregation. Already there is

a vigorous group of able people numbering some 150. The normal Sunday congregation is over 100, meeting in a rented hall. A number of senior Government officials of high education and ability attend and a great many of the young technicians and workers in the Government offices of the Eastern Region. Within a short time, this congregation should develop into a very strong group in the capital city. Rev. Walter McLean is to work with a senior minister, particularly in developing the work of the congregation among students in Enugu and among the many educated young people working in the city.

The development of this church in Enugu is part of the plan of the Presbyterian Church of Nigeria to establish congregations in the major cities. At the present time, they need ministers for Port Harcourt, the rapidly developing port city of Eastern Nigeria, for Lagos the capital, for Kaduna and Zaria in the north. They are hoping to have ministers from abroad as the Nigerian Church does not now have men of adequate training and background to minister to congregations of people, many of whom have had several years of advanced study in universities abroad.

UNIVERSITY OF NIGERIA

At Nsukka, an area some forty miles from Enugu, the capital, there has been developed in the last two years a substantial university. In April of 1960, the university was started and in October of that year it opened with its first buildings already erected. The university now has 1,300 students and almost 160 staff members. This rapid growth has made for problems, and late in 1962 there were violent student riots because students felt they were not given sufficient freedom and rights as students. In Africa, university students feel that they should be treated with great respect. The whole student body was suspended and every student had to re-apply for entrance into the university. The ring-leaders of the revolt did not get back and student life soon returned to normal.

CANADIAN MISSIONARY STAFF

At the end of 1962, there were 17 adults on the field, six couples and five single people, including the W.M.S. appointments. Rev. and Mrs. Geoff. Johnston and Mr. and Mrs. Robert Birse, presently in Canada, were also part of the staff. All of the staff on the field are young, but they are already making a significant contribution in every aspect of the church's life including some important pioneer work.

FOUR URGENT TASKS CONFRONTING THE CHURCH URBANIZATION

There has been a remarkable growth of towns and cities. Enugu has grown from 20,000 to 100,000 in less than ten years. Port Harcourt is now becoming a major port and with industries which will arise from the oil wells and natural gas is likely to develop into an industrialized region. Umuahia and Aba, and Abakaliki to the east, are all rapidly growing towns.

In the past, the Presbyterian Church has been largely rural and small town, centred on the Cross River rather than on the rapid urban developments along the railway. Now the Church has a plan for developing congregations in the cities both in Eastern Nigeria and throughout Nigeria. At the present time, it is hoped to secure help from abroad for six major centres, i.e., Enugu and Port Harcourt in the east, Lagos, the federal capital, Kaduna, Zaria and Jos in the north. For some years these churches will probably have to be manned by ordained men from abroad as the Nigerian Church does not have men of sufficient education to serve in congregations where many of the members will have had advanced education from universities of Britain, Europe and America. There is an urgent need to train Nigerians for leadership in these city churches.

CHURCH UNION

Plans for Church Union are developing and the Church Union Committee which has been working for some thirty years has now produced a revised plan

which will be submitted to the top bodies of the Anglican, Methodist and Presbyterian Churches which have been negotiating with one another. The initiatives in this plan are African with very considerable impatience at missionaries who seem to raise difficulties and obstacles. Rev. Nwachuku Eme, moderator of the Presbyterian Church, said that all the Africans were in favour of it and impatient to see Church Union. Mr. Igwe, General Secretary of the newly-formed Methodist General Conference for Nigeria spoke in the same terms. One of the bishops of the Anglican Church suggested that the Anglicans would break from Lambeth if Lambeth put any questions in the way of their going forward in Church Union. During the next two or three years, the discussion of Church Union will be carried down to the lower courts and congregations of the three churches. There is a feeling among the mission board people related to these three churches that real problems of theological and ecclesiastical difference have not had too much serious thought up to the present except among a very small group of those who have formulated the plan. At the same time, it is also recognized that the African concern may be more at the level of discipline and Christian expression in matters such as polygamy, than at levels of faith or order.

FORWARD MOVEMENT

The Synod of the Presbyterian Church has a very ambitious Forward Movement by which it hopes to greatly raise the income from its members. At the present time, it is obligatory for every member to give one-twentieth of his income to the work of the Church. This sum is taken off at the source from the many teachers who serve in Presbyterian Schools. Other members of the Church are expected to give voluntarily. The Forward Movement is also giving attention to developments in the effectiveness of the Church's ministry. Rev. Earle Roberts has given strong leadership in this Movement.

RECRUITING AND TRAINING AN ADEQUATE ORDAINED MINISTRY

The number of trained, ordained ministers is pitifully small and the number of recruits totally inadequate. The present ministers have parishes with twenty or thirty preaching points. Actually the ordained ministers are superintendents who arrange for teachers or elders to take services, and who attempt to visit periodically for baptism and communion.

It is extremely difficult to secure recruits for the ministry, particularly among those with educational qualifications. In African life, a man secures his education through the help of his family and when he has a degree, his family expect him to get a job of large income so that he can finance the education of his sons and nephews and find jobs for his relatives. The decision to be a minister and accept a low-income job is a very difficult one for a man to take as he does not have the freedom to make a decision alone.

At the same time, there is an urgent need for ordained men and somehow or other the call to the ministry must be addressed to individuals and to families.

At the same time as attention is given to recruiting, it must be given to training. Training of ministers in Eastern Nigeria for the Anglican, Methodist and Presbyterian Churches is concentrated at Trinity Theological College which, in many ways, is hardly higher than a Bible School. Most of the students have only a high school education or less. Theological training is given to them by tutors secured from the participating churches, able ordained men but not men with advanced training in theology.

It is evident that looking ahead the Church in Eastern Nigeria needs a centre for more advanced theological training. Study should begin now as to when and how such a centre should be developed. The question should be raised as to whether such a theological centre should be located adjacent to the University of Nigeria at Nsukka, where it might be possible to take advantage of the Library

facilities of the University and also to have some interchange of lecture courses between university and theological college.

CONCLUSION

The significance of independence in Church and State is beginning to register in the minds of Nigerian Presbyterians. There is evidence of a growing sense of responsibility and a willingness to take the initiative in pushing ahead the work of the kingdom. This development is to be welcomed, for there is nothing that destroys the work of a church more effectively than a colonial mentality.

OVERSEAS STUDENTS AND LAYMEN ABROAD

THE GREAT MISSIONARY OPPORTUNITIES OF THIS DAY

At this time when it is difficult to find enough money and personnel to maintain and advance our missionary program abroad God has placed at our doors two of the greatest opportunities for world mission which the Church has ever had.

I OVERSEAS STUDENTS

In all of our colleges and universities we have a flood of students from almost every country in the world. There are now more than 7,000 students from other countries enrolled in Canadian universities. Approximately 2,000 overseas nationals are also being trained in Canadian industries.

A new frontier of mission

These students coming to Canada are the ablest students from their home countries and most of them are here being prepared for posts of important leadership in these countries in the future. These men and women will have positions of influence in every profession.

For the most part, the Christian Church has not yet done an effective job of meeting them with Christian friendship and calling them to Christian faith. One of these persons won to a positive Christian commitment could have a wide influence in his homeland in the formative years ahead.

Survey of overseas students

The past few months have been an exploratory period. Contact has been made with organizations which have a definite interest in overseas students in Canada, including the African Students Foundation, Friendly Relations with Overseas Students (FROS), the Overseas Institute of Canada, World University Service of Canada, the External Aid Office, National Federation of Canadian University Students, and the Canadian National Commission for UNESCO.

A preliminary count of foreign students registered at Canadian universities during the past three academic years gives a total of 6,433 students for 1959-60; 7,251 students for 1960-61; and 7,900 students for 1961-62. The students came from about 100 countries. Excluding those from the U.S.A., students from the West Indies form the largest number—1,349; while students from Hong Kong number 674.

The greatest concentration of non-Canadian students was found in Quebec (30.8% of the total) and Ontario (29.7%), followed by the Western provinces (21.8%) and the Atlantic provinces (17.7%).

Half of the overseas students were enrolled by four Universities: McGill, Toronto, Manitoba, British Columbia. Although students from all countries were found in universities across Canada, a few pronounced concentrations were noted. Students from India were found chiefly in the Western provinces. More than one-third of the students from the West Indies were in Western universities, while Latin American students enrolled most frequently in Quebec, and African students in Ontario.

Some 31% of overseas students were enrolled in Arts, Letters and Social Sciences, 24% in Pure Sciences; 15.5% in Engineering; 9% in Medicine; and 5.5% in Commerce and Business Administration. Students from Asia and Africa were enrolled about equally in all fields of study. About 30% of all students reported shortage of facilities in their home countries as the most important reason for attending a Canadian university. Another 16% were attracted by the academic reputation of Canadian universities and 14% came because of available scholarship aid.

Hospitality

Some study has been made of how to achieve a program for overseas students in Canada. It cannot be treated as a mechanical operation—merely taking of a list of overseas students and a list of Canadian hosts and checking them off against each other. Under-graduates and graduates have needs that are somewhat different. They wish to meet Canadians with a knowledge of the history and politics of our country and to experience some of the artistic life of the country in art, music, literature, for example. Some knowledge of the hosts as well as the students is needed by a hospitality agency. Not too much understanding is promoted only by giving such names to Canadians whose chief qualification is a newly aroused desire to express goodwill, laudable as that is. Then there are the under-graduates and newly graduated students who are frequently lonely at first, and find coping with the changed environment somewhat of a problem. The aim here would seem to be to find, as soon as possible, hosts where a warm family atmosphere is available. Development of the hospitality program to relate overseas students to activities of our local churches is the next step. Several pilot projects of this type have already been attempted with very favourable results. The opportunity to meet, talk and, if possible, become friends with Canadian church people provides a real basis for understanding.

It is in the area of hospitality in Canadian homes that the most satisfying experiences can be gained not only for overseas students in Canada but for our church people as well. In the world of today, we need to understand the people of other countries as much if not more than they need to understand us.

The development of hospitality programs within the framework of local churches in academic centres has a special claim on Canadian Christian men and women and demands intelligent support.

The next phase

It is the intention of the Overseas Sub-executive to develop a program which shall include:

- (1) special concern for Overseas Students from the areas abroad in which our Church has mission work;
- (2) advising presbyteries and congregations of the needs of overseas students and of ways in which they may most effectively express to them Christian friendship and witness;
- (3) studying the various associations concerned with the welfare of overseas students and suggesting how members of our communion may play their full part in strengthening such programs;
- (4) providing guidance and help for individual overseas students with whom we may have particular contacts.

In the beginning of the modern missionary movement we had to go to the ends of the earth to carry the good news and kindly ministries of Jesus Christ to His children there. At this time, people from the ends of the earth have come to dwell among us and we must not fail to provide a full welcome to the strangers among us and to fully express the good news to them in all its warmth and richness.

II LAYMEN ABROAD

Possibilities of the work of laymen abroad

One of the greatest missionary opportunities confronting the Presbyterian Church today is in the potential witness of a growing number of Christian laymen who are travelling throughout the world in the service of business, government, education and other programs.

These laymen need to be related to the work of the Church and its mission in the world. They must be called into active service as worthy Christians abroad.

Many countries are recruiting engineers, medical personnel, university staff and skilled technical workers. Christian men and women should be confronted with these occupational opportunities in their local churches. Guidance should be given so that Christian men and women may be directed to strategic posts now opening up throughout the world. The layman today can enter important secular work abroad from a Christian missionary motivation. Our task is to take the initiative in this guidance program to encourage able Christian laymen to use the opportunities given in their work abroad.

Relationship to the church in the homeland and to the church abroad

Our program proposes to take steps to find out about laymen from our churches in Canada who are going abroad. An appropriate relationship needs to be established which will include a recognition of their role in the Church's mission, guidance and orientation for service abroad and fellowship and support in their work so that they can be informed Christians going abroad with a purpose in view.

The indigenous church in the country to which a Canadian man or woman is going should make provision to receive the layman into its fellowship. The Canadian should have that sense of belonging to a community. He should have some relationship to the church abroad in terms of pastoral care, and he should be involved in its life and work to fulfill his Christian responsibility. Our task is to facilitate this relationship between the layman and his church in Canada and the church in the country to which he is going.

Nature of the missionary contribution of the layman

The Christian layman must think of his contribution not in terms of spare time activities. An over-emphasis of his leisure religious activities might make him an ineffective amateur missionary and an inefficient worker in his secular professional field.

He must be first and foremost competent and responsible in his own profession. In the conduct of his daily work he renders service and witness for Christ's sake. He has contacts continually with his fellow workers in India, Brazil or Japan. He has a special opportunity to contribute his talents in social reconstruction and national development.

The layman makes a second and equally important contribution by the character of his personal life. There is linked to this the witness of his wife and of his Christian home. In the life and work of the local congregation the layman and his family overseas can become active participants.

Preparation of the layman

The most important preparation is found in the life and work of his local congregation in Canada. In addition, adequate orientation is needed. Several factors which combine to cause "culture shock" to a layman going abroad are frustration through inefficiency, language problems, loneliness, inadequate pastoral care, problems of health, food, hygiene, and unfamiliar customs, to mention only a few.

We need to provide some facilities for orientation to cover such aspects as culture, customs, health problems, adjustments to living conditions.

The layman needs some introduction into the relation of the Christian faith to the national or regional religion. He will require some knowledge of the Church and its work in the country where he lives and works. He should be equipped with a good background of biblical studies.

We envisage periodic conferences for laymen on the problems and opportunities of their vocation. Wives should be included as far as possible in this program. To bring laymen into contact with the overseas congregation and to set up simple machinery to make such communication possible is part of the formidable task ahead of us. Our aim will be to prepare Christian laymen for the new situation overseas, and to help them face questions related to their witness as worthy Christian men and women abroad.

This first period has been exploratory. We have already been in contact with a number of laymen abroad and have been able to give guidance and to relate them to the churches in the countries to which they have gone. We have taken initiative in the Department of Overseas Missions of the Canadian Council of Churches in setting up two important consultations and in conferring with Dr. Paul Leffler of the World Council of Churches staff, who is the author of "The Layman Abroad in the Mission of the Church".

It is hoped in the next few months to turn our exploratory findings into program outlines, contacting laymen in our congregations who are abroad or who are going abroad, and providing literature and other guidance so that they may be able to play their full role in the mission of the Church.

HOME MISSIONS REPORTS

SYNOD OF THE MARITIMES

The Synod of the Maritimes faces the continual depletion of rural congregations and with the exodus of young people from rural areas to the urban centres of the Maritimes and Central Canada.

In Newfoundland, the Church of St. Aidan's anticipates building a church on this growing edge of St. John's. This will require a full-time ministry rather than a shared ministry as previously. The new minister of Grand Falls may be able to do survey and visitation work in a larger area than the traditional parish boundaries of this centrally-located congregation.

The Presbytery of Cape Breton has been faced with vacancies and the urgent necessity of re-aligning fields no longer able to support a ministry at the new level of basic stipend. Although these re-alignments are not always readily acceptable, new area ministries may finally strengthen the work in this Presbytery.

The Presbytery of Pictou has already passed through a period of consolidating numerous preaching points into a more limited number of charges and has attained a new measure of stability and continuity in area ministries.

Halifax, as the major city in the Atlantic Provinces, share in the general urbanization trend with expanding suburbs. The Dartmouth Congregation only recently self-supporting, is preparing to initiate a new Church School in a housing project at a distance from their own church building. Other new housing areas are being studied in the Bedford Basin area as they may require a Presbyterian witness.

Moncton, in the Presbytery of Saint John, is an expanding city with new housing areas developing across the Petitcodiac River. The Session of St. Andrew's Church and a strong nucleus of church members with families have requested the formation of a Church School and Congregation in an area where there is no Protestant Church. This Presbytery is also concerned that an older charge in Saint George should not be without a minister when there should be some economic improvement with the development of a tin mine in the area and related housing.

Bathurst is another area where mining operations are expanding and a vacancy in a small but isolated charge becomes critical to the Miramichi Presbytery with new possibilities of growth.

Charlottetown is growing and the Presbytery of Prince Edward Island is planning to obtain land for a new church in the outskirts of the city. Re-alignment of charges on the Eastern end of the Island has led to the settlement of several lengthy vacancies.

Although the growth of cities in the Atlantic Provinces is not on the scale of growth of Montreal and Toronto, these centres of population offer the opportunity of a reversal of the declining trends in the rural congregations.

SYNOD OF MONTREAL AND OTTAWA

While there were no new churches opened during 1962, a new church was dedicated in New Quebec on the North Shore of the St. Lawrence at Port Cartier. While we have only one church on the North Shore in New Quebec, we are nevertheless glad to report that we have been asked to send a student assistant to The Church of St. Andrew and St. George (Anglican) for the summer of 1963. The church ministers to most Protestants in Baie Comeau, one of the largest towns on the North Shore. Our ministers frequently visit this pulpit and this parish gives to our mission work each year.

One hundred and forty-two miles north of Baie Comeau is the great power construction project of Manicouagan 5. This great power site, which will rival

Niagara and Kitimat, will be seven or eight years in building. Most workers will be of French Canadian origin. However the small English group which with a few French Protestants has constituted the Manicouagan Protestant Church, was ministered to first by one of our ministers and one of our students this past year. They have asked our superintendent for a bilingual worker for the summer of 1963.

The present moderator of the General Assembly, the Rev. Ross K. Cameron, D.D., a member of the General Board of Missions, was the first moderator of the General Assembly to visit the North Shore where he preached in the above mentioned places. This visit was appreciated by all.

On the South Shore in the "Bas St. Laurent" (Lower St. Lawrence) the Little Metis Presbyterian Church (Independent of Presbytery) invited two of our ministers, the Rev. John Johnston, Ph.D., and the Rev. Ian Rennie to supply their pulpit. This summer church was founded by Sir William Dawson and Prof. T. Clark Murray of McGill University in the last century. While there our two Synod ministers preached in our Leggatt's Point Church.

Our French Work in Montreal saw God's crowning mercies when St. Luc's Church came of age and called the Rev. Andre Poulain. The year 1962 also saw the granting of the degree of Doctor of Divinity, *Honoris Causa*, by the Presbyterian College to our French "colleague". The same year saw him elected moderator of Presbytery. Reference should be made to the pen of Mrs. Andre Poulain which over the years has brought forth helpful articles on the Christian Faith in the pages of "La Vie Chretienne", our denominationally sponsored paper. We are pleased to learn that these articles are to be published in book form soon.

The Rev. Jacques Smith in Melbourn, Quebec, again conducted his Camp d'Action Biblique. He is also editor of "l'Aurore".

In Quebec's St. Marc we find a vacancy with the departure to Africa of the Rev. Joseph Ntyomono, who had been on loan to this country by the Presbyterian Church of the Cameroun.

The Italian Church which had been vacant has called the Rev. Arthur Iarrera, who was ordained and given a service of public recognition at the end of June. In spite of the inopportune time of the year for this event about a dozen ministers were present and were welcomed by the members of Beckwith Memorial Church, Montreal.

The Chinese Church, Montreal, is realizing its mission among the over three hundred Hong Kong students now in Montreal. All are in English-speaking Universities, about seventy being in Loyola College. The others are at McGill and Sir George Williams Universities. Most of these students speak perfect English, and while we rejoice that the Chinese Church has a Bible Class of forty, we feel that the English Churches could make this a great field for Evangelism and a matter of prayer and concern.

Tyndale House (Institutional) Montreal had a very successful year under their staff — Chaplain, the Rev. Everett Briard; Director, Mr. W. H. Wolter, and Deaconess, Miss C. Watson. We are grateful for the committee of laymen and laywomen who supervise this worthy outreach in a needy part of this city.

While most of Montreal's extension work has been in the West and in the North, yet two points are now operating, one North-East of the Island at St. Bruno where we have a Church School. We regret to mention that the Ordained Missionary of Duvernay has been obliged to resign his pulpit because of his work as Comptroller in our offices in Toronto.

We are grateful to the married students who have ministered to charges which otherwise would not have had any continuity in pulpit ministration.

Immigrants — "God so loved the world" etc. is taking on a new direction because of the great number of new Canadians in our Synod. It means that we have to pray that our Canadian members may become Evangelists to the newcomers,

many of whom have had no heritage in the things regarding Evangelical Christianity. For some churches at least, the retreat from these new-Canadians is at an end. One of our churches is seeking to minister to Japanese, Indians and Armenians who have moved into the area.

This year the Synod purchased a beautiful estate at Gracefield, Quebec, to use as a retreat centre for the work among all age groups of our church. This type of centre is very much the fashion among the southern churches, who own hotels for the convenience of people who want to come aside to worship God in the splendour of His Providence.

The Extension Charges in the Synod are in a healthier state than they have been for some time. It is a joy to hear the reports of congregations only a few years old that they have Church Schools numbering 250, and the congregational giving to the missionary budget of the church is three hundred percent larger than had been anticipated. Officers of the congregations in many instances are able and willing to meet with their minister before the service of worship to invoke the blessing of heaven upon the service about to take place.

The Extension Committee of the Presbytery of Montreal, realizing that people are moving out into the country both for the summer and the winter sports, are making surveys to decide where we might render a witness to the Gospel in these new areas.

Interest in missions in the Synod is increasing, as evidenced by the attendance of ministers and elders at missions committees in Presbyteries and the Synod. Recently, more than twenty-five persons gathered together in Montreal to review the work of the new congregations prior to presenting their reports to Presbytery. In the Ottawa Presbytery the Rev. Arthur Currie, M.A., is the new chairman of the Extension Committee, which is seeking to reach out into new areas where there is as yet no Christian witness.

The Synod Superintendent of Missions, the Rev. Ronald Rowat, continues the excellent leadership he has shown in all areas of missionary endeavour. We thank God for the advice and guidance, the full co-operation in every way that he has shown in the work.

CHURCH EXTENSION

PRESBYTERY OF MONTREAL

Since the Presbytery Extension Committee was set up seven years ago, thirty-six congregations in the Presbytery have contributed \$190,000.00, which together with other sources, have resulted in a total of \$194,321.00 being raised for the Extension Fund. There have never been any allocations set, which reflects the voluntary interest of established congregations in helping new ones get started. The Fund has enabled the Extension Committee to purchase sites and make grants in aid of the building programmes of nine congregations. Commitments to congregations building in 1963 amount to \$30,000.00.

During 1962, an older congregation merged with another congregation and in the disposal of a part of the assets from the sale of their property set up the Outremont-Mount Royal Presbyterian Trust Fund to be administered by the Extension Committee. This will make over \$35,000.00 available for loans on a revolving basis at a nominal interest to congregations with building programmes.

Five extension congregations went through various phases of building planning last year. By December, construction was underway in Pierrefonds of a two-storey church structure, and in Preville of a church house (a church now — manse later type of building) which will enable St. James Church to reach out more effectively in serving the community.

Briarwood Church in Beaconsfield and Maplewood Church in Chateaugay carried out intensive analyses of the long-term aims of the church and of the space, needs and resources necessary to realize these aims in their respective communities.

St. John's Church, Duvernay, continues to be our only base of operation on Ile Jesu. It is hoped when the vacancy, created by the resignation of the Rev. Basil Howell in October, is filled, to commence work in another part of the Island. The personnel in our other extension charges remains the same as last year, in each instance rendering devoted and effective service. Such competent leadership, with continuity, is one of the essential factors in the steady and solid growth of these new congregations.

St. Michel and Westminster, Pierrefonds, expect to become self-supporting in October, 1963, both within the time required to meet their high potential requirements. The latter church with an Assembly budget allocation of \$575.00 raised \$1,490.00 in 1962, indicating that the larger work of the church is not overlooked in the midst of the pressing demand to raise funds for their own building programme.

Other areas requiring the services of a Protestant Church will continue to develop and the personnel and resources of the Presbyterian Church will be needed if we are to take up our share of the work and witness to Christ in this strategic part of Canada with its many pressing problems and its great future potential.

SYNOD OF TORONTO AND KINGSTON

The Home Mission activities within the bounds of the Synod of Toronto and Kingston continue to progress and they present much encouragement. We are particularly concerned with the matter of resuming new church extension which was practically halted this past year in order that the minimum stipend of \$3,900.00 be attained. Despite the restrictions and economies that were imposed upon us many notable gains were made. Congregations responded in a remarkable way to the appeal of Presbyteries to reduce grants, and several moved on to become self-supporting. A general improvement and strengthening of existing extension charges is reported and building programmes have been carried forward in various parts of the Synod. Added to all this the Budget givings in most Presbyteries have been substantially increased. Now with the opportunities presenting themselves for new extension work in this the most rapidly developing section of Canada, where incidentally the major percentage of our population resides and from which the greatest support of the church comes, we would urge upon the Mission Board to consider seriously the dire need of appointments to charges that have greatest potential and which are now without pastoral attention. If our church is to go forward it is our opinion that these opportunities must be taken care of now for if we do not do so others will.

Over against the favourable aspects of our work there are other conditions that are of grave concern and which call for prayerful consideration. In some instances congregations are facing financial problems as a result of the obligation to operate on reduced grants. Difficulties have developed in other cases where Presbyteries, in an effort to conserve mission funds, have undertaken to amalgamate congregations which in some cases are not working out well. By far the most pressing need within the Synod at the present time is the need of EIGHT Ordained Missionaries.

The Missions Committee of this Synod would be remiss if it did not record its appreciation of the excellent work being done by the Rev. Malcolm A. Mark, our Superintendent of Missions.

SYNOD OF HAMILTON AND LONDON

The continuing movement of population from rural to urban areas has created two problems in this Synod. The first is the obvious need to provide adequate church facilities in the rapidly growing urban areas. The second is the

need to maintain our witness in areas where the population is declining. We shall deal with both matters as follows:

Extension Work — The large cities in the southern part of our Synod continue to grow even larger. Each Presbytery has endeavoured to meet the challenge of ministering to the needs of the ever growing suburbs. In the Presbytery of London new work has been undertaken in the Glencairn Woods area adjacent to the City of London. In Hamilton Presbytery, Strathcona Congregation in Burlington opened their new church. The other new congregations in the Hamilton area which have been established within the past few years, now have buildings of their own and are making consistent progress. In Niagara Presbytery, Scottlea Congregation in St. Catharines opened their new church building in November. It is the first unit in a long range building programme. Kirk-on-the-Hill, Font-hill, in the same Presbytery, is preparing to erect a church in 1963. A sketch of it appeared in the booklet, "No Time to Falter". Our extension congregations in Paris, Sarnia and Chatham Presbyteries now have their own church building and are making good progress. The date for the opening of the new St. Matthew's Church, Sarnia, is March 31, 1963.

The Synod Corporation continues to be a valuable instrument in our church extension programme. This is particularly true in the case of congregations who have reached the point where they must embark on an expansion project and must borrow large sums of money.

A significant factor concerning the extension work in this Synod is that it has been undertaken and carried out without the assistance of a Synodical Missionary or an Extension Director. This in itself has meant a considerable saving in finances to the church as a whole. However, it has placed a heavy burden upon those members of our Presbyteries who are responsible for this work in addition to their regular duties in their own congregations. We would express our appreciation to them for a job well done.

Town and Country Churches — A large part of this Synod is still composed of small town and country churches which serve areas where there is a static, or in some cases a declining population. The work here can be very discouraging to both minister and parishioner. It has been felt for some time that consideration should be given to finding ways and means of dealing with this situation. The Missions Committee of Synod shared in the arranging of a conference to study the problems of the town and country churches. This was held on November 14 at North Pelham Church in Niagara Presbytery. Dr. Richard Comfort of The United Presbyterian Church, U.S.A., was the theme speaker. Many helpful suggestions were presented.

Ethnic Work — We have within our Synod congregations ministering to people of Hungarian, Ukrainian and Italian background. Like everyone else these people enjoy worshipping in the language which they know and understand best. Our Hungarian Congregation in Welland hopes to proceed with its building project in 1963, and the Hungarian Congregation in Brantford is relocating on the west side of the city. It is to be renamed "Pleasant Ridge" Presbyterian Church and will serve English-speaking as well as Hungarian-speaking parishioners.

General — Several older congregations in our Synod continue to give valuable assistance to the new congregations in their area by presenting them with items of furniture, by assisting with financial help and by sharing their facilities in general. One congregation, in an endeavour to assist the mission and general work of our church, arranged to pay its entire budget allocation at the beginning of the year.

SYNOD OF MANITOBA

After a vacancy of a few years, the Superintendency of Missions in the Synod of Manitoba was filled by the appointment of the Rev. Alex MacSween from Kamloops, British Columbia. The concentration of Indian work together with a

large number of mission fields in this Synod makes the appointment of Mr. MacSween a very important event. Excellent reports have already been sent to the Courts of the Church and the Board of Missions as a result of his preliminary surveys.

SUPERIOR PRESBYTERY

The Atikokan Congregation, having paid off the cost of their basement church, are now planning to build a superstructure as a sanctuary for worship.

The Calvin-Oliver Road Charge in Port Arthur is fulfilling the hopes of last year and once again are reducing their grant.

It is hoped that some extension work will be considered in the Presbytery when Mr. MacSween becomes better acquainted with the situation.

WINNIPEG PRESBYTERY

The new congregation in Westwood is growing and will soon need a building for worship and other activities.

In an overall plan for the city of Winnipeg, it was recommended that St. David's be closed, as it did not appear to have good long-term prospects. St. David's, however, has refused to close its doors and continues to progress and plan to embark on a building project.

Other mission fields in the Presbytery are progressing hopefully.

LAKE OF THE WOODS PRESBYTERY

This new Presbytery was created by the General Assembly and brings to four the number of Presbyteries in the Synod. Most of the work in this Presbytery is on Indian mission fields and will be dealt with elsewhere in these reports.

BRANDON PRESBYTERY

The mission fields in the northland are progressing favourably. At Thompson the work is well established. Flin Flon is moving towards self-support, and Cranberry Portage continues its steady development. The Presbytery agreed that the property at The Pas should be sold, as the work has been discontinued there for some time. After many false starts, a congregation has at last been erected in Dauphin with an enthusiastic little group purchasing a lot.

The other mission fields in the Presbytery continue with steady progress with some consolidations being effected.

SYNOD OF SASKATCHEWAN

It is with gratitude to Almighty God that we report that nearly all our mission fields have been manned during the year. Over the years, the greatest detriment to our work has been short pastorates and congregations without regular supply. Of late, the situation has altered. The coming of several graduates last spring, coupled with the fact that most of the appointees of recent years have remained in their charges for several years, has meant a great deal to the stability and virility of the work.

ASSINIBOIA PRESBYTERY

For most of the year every mission field and self-supporting congregation in the Presbytery had a settled minister — this is unique. Owing to the vast territory that Presbytery covers it has been impossible for the Convenor to personally visit each and every mission charge, but with the assistance of Presbytery's Committee, the direction of the interim-moderators, and the untiring and efficient

work of the Superintendent of Missions, the Rev. H. K. Caslor, we feel that every facet of our present work has been given diligent attention. Herewith some of the highlights of our many missionary charges.

Bekevar — Mr. Thomas Gemmell, student, assisted the minister with work in English during the summer. The response of some of the congregation to English services was quite enthusiastic. Unfortunately because of a lack of understanding and sympathy, the English work has caused some disharmony. The whole situation is presently being reviewed by a Visitation Committee appointed by Presbytery. We trust that their findings and guidance may make for a truly bilingual work, and that misunderstandings that exist now may soon be removed completely. In the meantime, Presbytery is requesting the Mission Board for an appointment of a student for English language work during the summer of 1963.

Estevan-Stoughton — The old manse has been sold and the minister is now living in a rented house. The congregation is considering either building or purchasing a manse.

Calvin, Regina — This congregation has made real strides with a full church and very substantial financial gains. Mr. Ross Manthorpe, Catechist, has served with zeal and devotion. The congregation is planning to build a new church, at which time the present Christian Education building will be used for the greatly expanding church school.

Northside, Regina — The Rev. Graeme Duncan was recognized as O.M. by the Presbytery on August 12, 1962. During his ministry, there has been a real upsurge in the work in the congregation. Presbytery has granted permission to sell the old manse with a view to a new and more suitable manse in the future. For a congregation that has been through trying times, Northside is making an amazing comeback.

St. Stephen's, Regina — A real advance is being made by this congregation under the capable leadership of their minister, Rev. I. S. Wishart. The congregation has been meeting in the chapel in the basement of the manse — which is a real handicap, but in spite of the difficulty the congregation has greatly increased in attendance, and in its givings, both local and budget. They have a new church edifice. Presbytery dedicated this building to the Glory of God and for the use of this energetic and expanding congregation, on April 10, 1963.

Walter Martin Memorial, Regina — Following a short pastorate, the Rev. Thomas Nyaradi accepted a call on September 30 to Moosomin, Whitewood and Broadview. The Rev. Alex Joshua was licensed and ordained, and officially recognized at a service on November 27. At present the congregation is small, the future seems somewhat uncertain, and the church building is in need of repair. The installation of a new furnace is being considered. This congregation and its minister need encouragement.

Knox, Yorkton — Under the able ministry of the Rev. R. J. Gillanders, this congregation is steadily increasing in numbers and in financial strength. Each year shows an overall consistent improvement.

Presbytery Deaconess — Miss Evelyn Walker has served for several years in a most acceptable manner. In addition to Vacation School work, camps, leadership training, visitation and supplying the Estevan pulpit during the winter vacancy a year ago, she is preparing our own study material for our 1963 camps.

All in all, the year's work in missions has been very gratifying and fruitful, but there is so much that should be done by way of new work. One thinks especially of the great untouched fields in south-western Saskatchewan. Recommendations to that effect were made last year by a special committee of Synod, and approved in principle by the Synod. We trust that an itinerant minister may soon be appointed in order that we may reach out and serve these families that we have neglected for so long.

SASKATOON PRESBYTERY

We are glad to be able to report an increase in ministerial power.

Biggar — An Ordained Missionary, the Rev. John Congram, has been installed in this faithful congregation.

Wilkie — Two services per month are being provided in this congregation by Mr. Muth, after having been closed for a period.

North-west Saskatchewan — The Rev. Malcolm Muth continues to serve this vast area north of North Battleford. Congregations have been established and regular services are held at Buffalo Narrows, Ile a la Crosse, Sandwith and Glenbush, and the services of the church are provided for many families and individuals scattered throughout this district.

Goforth Memorial, Saskatoon — This congregation continues to make good progress in spite of heavy financial commitments. High quality work continues here under the minister, the Rev. Douglas Miles.

St. Paul's Hungarian, Saskatoon — This congregation has undergone a process of consolidation under our student missionary, Mr. Paul Mezo. At Easter time a membership roll of 20 members was set up. An election and ordination of two elders made possible the establishment of a Kirk Session. The expense of heating, lighting, taxes and local improvement are now being completely borne by the congregation. A primary Sunday School has been organized. A very fruitful series of special services was held in the fall, in connection with the Hungarian Communion Service, by the Rev. L. Fejes of Kipling.

Coleville, Fairmount — In 1962, as for several years, Presbytery requested the appointment of a student to supply these points during the summer. Mr. Robert Garvin was appointed and provided most acceptable service for 18 weeks. The Coleville Congregation is very fortunate that Dr. John Brent, who lives in the village, conducts services each Sunday during the winter months.

Calvin, Saskatoon — Under the leadership of Dr. Boudreau, this congregation is now self-supporting. This goal was achieved in a short period, and despite the increase in basic stipend.

Presbytery Deaconess — Miss Evelyn Murdock has made a real contribution to the work here, and has covered much ground in her faithful visitation, not only in Saskatoon, but in Rosetown and other points through the Presbytery.

All in all, the work within our bounds has enjoyed increased stability, furthered unquestionably by the resolute purpose of our men to remain faithfully at their post.

PRINCE ALBERT PRESBYTERY

Our northern Presbytery has shared in, and profited immensely by, the increased ministerial strength. Our long-standing hope of an itinerant missionary for North-east Saskatchewan remains a dream. Proposals for an Indian-Metis Hostel in Prince Albert have only recently received serious consideration. A new Indian Friendship House in Leask (operated jointly with the United Church) has been the only new project of 1962.

Carragana, Weekes, Blighty — The work in these congregations continues to be steady under the regular ministry of the Rev. John Whiteway. Weekes is an especially encouraging point, as the numbers of people increase in interest and support. Worship is conducted in a chapel made ready by interested people in the congregation. Recently a new pulpit and pulpit Bible were dedicated in the chapel. Though still a mission charge, the congregations exercised their right to call, and their minister was inducted on February 6, 1962.

Meath Park-Shipman — In the spring there was an element of uncertainty concerning the future in these congregations — especially in Meath Park, but all this was dispersed under the capable direction of the summer student, Mr. R. C. Taylor. The work progressed favourably and interest grew.

Mistawasis — We are pleased and encouraged by the appointment of the Rev. Stephen How to this field in late fall 1961. Our pleasure was intensified with the Service of Recognition for him on May 29, 1962. The participation of Mr. How and his people in the Fellowship Centre at Leask is a further indication of the outreach of the Gospel to all phases of the lives of these people.

Wahpeton (Round Plain) and Crutwell — Under the continuing guidance of the Rev. Dr. Moore, the church reached more of the people within the bounds of the reservation and in the surrounding territory.

Presbytery Deaconess — Miss Ada Wade (now Mrs. Bert Wyllie) continued to provide extensive service in mission work, especially in the phase of Christian Education. Her work was much appreciated as was that of the summer deaconess who assisted her.

With thanks to God for past mercies, let us count our blessings, face up to our responsibilities, accept the challenge, and make use of the ever-present opportunities. If our faith is worth preaching, it is worth spreading.

SYNOD OF ALBERTA

It was the opinion of the Synod that the Missions Committee of the Synod should consider itself principally a working committee and not a study committee as such. However, promotion of interest in these areas was considered important; and the recommendation of the Missions Committee was unanimously agreed by the Synod, that the Committee set up a sub-committee on missionary education and policy with responsibility for informing Courts and congregations on national and overseas missions.

For the time being the personnel of this committee will be the Missions Committee as a whole but with the Rev. David Crawford as convener of the sub-committee. It was also agreed that in the future the Synod instruct the committee to strike standing committee to include a representative of the W.M.S. Synodical on this sub-committee.

A lengthy report was given to the 1962 Synod by its Missions Committee on the problem of the absence of a synodical missionary; and the recommendation of the Synod committee that a real effort be made to perform, as much as it as possible, the duties of a synodical missionary in the absence of one, was approved. In essence this policy involved a request to the Board of Missions which has already been granted that there be made available to the committee up to \$1,000 for travel expense and \$500 for honoraria to be applied for by voucher and to be directed by a sub-committee of the Missions Committee, the said sub-committee being the Convener, Mr. Crocker and Mr. Crawford.

Areas to be covered were: 1. *Routine Annual Surveys*, on the recommendation of Presbyteries or Presbytery Conveners, where it was deemed desirable as an augmentation of the regular annual Presbytery visitations. 2. *Special Problems* such as property, emotional adjustment of individual ministers, overall extension planning, etc. The main idea here, however, was that through a routine type of visitation information would be available in the hands of the Synod Committee as a basis for recommendations to the Board and to the Synod. 3. *Emergency Matters*. Investigation on the spot of various emergencies that arise from time to time. 4. *Fellowship*. It was recognized by all concerned — particularly in the more remote congregations that a visit from the Convener or someone else representing the Synod to sit down in the manse with the man and his wife and visit with them was desirable.

The Presbyteries were asked by their Synod to appoint church extension committees at the Presbytery level; and it was agreed that eventually the conveners of these extension committees would be added to the Synod committee for consideration of extension matters.

The Convener also attended officially the opening of the new church at Rocky Mountain House and was favourably impressed by the beauty and utility of this excellent new church, as well as by the healthy congregation of zealous workers under most competent leadership in the person of its present minister, the Rev. Gordon Cunningham.

There was also a trip to investigate the situation at Fort Vermilion, which had seemed at the time to have accomplished something in establishing harmony.

Assistance was given to the Presbytery of Edmonton in its regular visitation to Chauvin — principally because of the proposed resignation of the minister. A strong effort was made to persuade the incumbent, Mr. Cribar, to continue at least to the completion of his year, and possibly to extend the term a little further in the belief that the experience would not only be highly beneficial to the congregation; but a necessary discipline to this young minister. However, the Convener regrets to report that the mission did not seem to be successful. However, his presence was greatly appreciated by the congregation and he was warmly received at their meeting.

A further visit was planned to Dawson Creek for the opening of their beautiful new building — the first unit in their construction programme of a Christian Education wing, and also to attend the meeting of the Peace River Presbytery at that time. Unfortunately, the rare experience of fog in Edmonton had made the flight impossible and the visit was not able to be made.

The Convener reported regretting that there did not seem to be co-operation from the more southerly Presbyteries in making use of his services except for telephone conversations with the Rev. R. L. Taylor regarding the possible sale of the residence, formerly used as the lay training school in Medicine Hat. The opinion was expressed by the Convener that possibly this did not mean a lack of co-operation in the plan but rather an evidence that such services were not as greatly required as had seemed evident before.

It would appear that some of the Presbyteries have not yet quite come to understand the possibilities of this scheme nor the benefits possible to them under it. It is hoped that between now and the next meeting of Synod more co-operation in this area will be realized.

The Committee wishes to consider this to be still in the experimental stage and no one feels definitely committed to a decision as to what the experiment will prove until it has been given a fair trial.

PEACE RIVER

Reports of the Presbytery Conveners were as follows:

Peace River reported by the Rev. C. P. McKinnon. Mr. McKinnon's report indicated an unusually close and detailed concern on the part of the Convener for every aspect of missionary work within his Presbytery and a thorough knowledge of details of the situation in each congregation, as well as a deep devotion to the great cause of the frontier congregations of the Peace River area.

He reported that the Fort St. John Congregation is showing the effects of another year of vacancy. Whereas last year we could report only losses in members, this year we note a decrease in finances in spite of the fact that the mortgage on the new hall was cleared.

The faithful corps at Burch Church witness as a stout-hearted lot and have been aided recently by a retired deaconess, Miss E. MacDonald.

It is the opinion of the Synod's Committee as well as the Presbytery Convener, and the Presbytery, that an experienced minister to serve Grande Prairie and to act as a Presbytery Missions Superintendent, responsible to Presbytery, is most urgently desirable.

Knox, Wanham and Munro Church, Blueberry Mountain, have agreed to unite and the Rev. W. Nesbitt who has agreed to remain on that charge is

undertaking the heavy task of covering an area 75 miles across in order to serve these people. Gordondale, for many years associated with Blueberry Mountain, will become part of the Dawson Creek pastoral charge.

St. James Church, Dawson Creek, continues to show progress in consolidating its work from its new chapel. The building will be valued at \$20,000.00. When volunteer work is completed, debt against it will amount to only \$12,000.00. The Presbytery is indebted, and the Synod expresses its appreciation, of the faithful support of the congregation of New St. James, London, Ontario, who in the past few years have assisted Fort St. John and Dawson Creek with gifts totalling almost \$13,000.00.

Also worthy of recognition by the Board is the generosity of Mr. Stanley Haw of Swift Current, Saskatchewan; who has given almost \$12,000.00 to make possible the clearing of the mortgage on the Burch Church Hall, Fort St. John.

Complimentary reference was made by Mr. McKinnon, and supported by the Synod Committee, to the contribution of Mr. Waite to the Yukon celebrations in 1962. The congregation there is growing.

The Chetwynd Congregation is pulling as a team with their new minister, the Rev. P. Schnarrenberger.

The resignation of the Rev. H. Grove from Brownvale and Dixonville marked a gap in a uniquely successful work — particularly among children and young people by Mr. and Mrs. Grove.

In terms of worthwhile possible ventures that would be of great value to the community concerned, is a recommendation that consideration be given for the establishment of a mission hospital in Chetwynd. This would be one of the best services that could be offered in that area. Only one doctor has ever resided in Chetwynd and he only for a few months. It is thought that if we could recruit a missionary doctor for this community, we would be doing them a great service. The nearest doctor and hospital are 66 miles away.

EDMONTON

The Killam and Galahad vancancy has been faithfully cared for by the interim-moderatorship of Mr. MacSween since July 1962, and urged that this congregation should speedily receive consideration for an appointment.

Chauvin — It was reported that Mr. Cribar desired to be relieved of his responsibilities there at the earliest possible date; and not later than August 4th. This will urgently necessitate as third priority within the Synod, the appointment of an ordained missionary to that charge.

RED DEER

No start has been made as yet on the new building in West Park, Red Deer, but four new church buildings were completed within the Presbytery last year. New church buildings and additions at Eckville, Red Deer, Sylvan Lake and Rocky Mountain House are noted, for which the Presbytery receives the commendation of the whole church.

CALGARY

The work at Chalmers is progressing under very good leadership on the part of the Rev. Dr. Hadjiantoniou. Certain administrative problems still exist and the grant for Chalmers is asked at the same rate as previously. It was agreed that Chalmers would provide the Convener with a detailed financial statement, which it was hoped would explain the circumstances of this continued request.

It is anticipated that a Presbyterian Sector Programme will be held in which all churches in the Presbytery, including Chalmers, will be involved.

Valleyview was transferred to the care of Knox Church and the Session of Knox Church was requested to accept such a transfer.

It was reported that Miss Shirley Smart is continuing to do effective work.

A student deaconess organized summer schools last year at Bassano, Gem, Orkney, Three Hills and other places, and it is hoped to repeat this in 1963.

The Presbytery also desires a properly equipped van, with two deaconesses for the Banff, Lake Louise, Jasper areas for the summer period, under the direction of the Missions Committee.

The possibilities at the entrance to Banff and out towards Canmore should be studied. The student deaconesses in this case should be persons of proven initiative and enthusiasm.

Plans for a world mission week-end are underway for 1963.

MACLEOD

The work at Riverside, Medicine Hat, and at Bethlen Hungarian Church in Lethbridge is highly satisfactory.

Consideration is being given by the Home Missions Secretary to the possibility of either using the Training School property in Medicine Hat for a Catechist School, or selling the property. The property would require a great deal of expenditure to make it usable for such a purpose. The Synod Committee recommends that if a suitable offer is available, the property be sold. It was noted that the house was being used for church school purposes by the Riverside Congregation; but it was believed that this would not be a hindrance to the sale.

The Synod's Missions Committee noted with considerable satisfaction that part of the findings of the Vancouver Assembly regarding minimum stipend and car or travel allowance had now been implemented, but felt that the attention of the Board of Missions and the forthcoming General Assembly should be drawn to the fact that there still remains for implementation the full \$900.00 travel allowance as approved by the Vancouver Assembly.

In summary, we would report that throughout the Synod the work in the main is progressing steadily, though not particularly spectacularly. The great and urgent need of this Synod is for funds to assist extension charges by way of loans, where a sufficient amount of capital assets of the congregation to satisfy the regulations of the Synod Corporation are not available; and the procurement of men willing to serve — particularly in the remoter areas of the Synod, and specifically the Peace River Presbytery, and to serve for a minimum of three to five years.

The general reaction has been that where men have served for three to five years, there has been definite indications of growth, and where charges have been left vacant, there has been a serious decline in membership, financial resources and general well-being.

SYNOD OF BRITISH COLUMBIA

The mission work of the Synod of British Columbia has been strengthened in the last year inasmuch as the manpower situation has improved. The Presbyteries of Kamloops, Kootenay and Victoria have no more than one vacancy in each Presbytery. The Presbytery of Westminster has several vacancies but experiments are being tried with ministers serving more than one congregation. The people of several congregations are now willing to try different hours of worship in order to save on some grants of money from the whole church. The willingness of ministers to experiment also overcomes the problem of vacant charges. For the most part the spirit and the morale of the ministers and the congregations is excellent throughout the whole Synod. The Synod's Missions Committee has had three Conveners, The Rev. Alex MacSween, now within the Synod of Manitoba, the Rev. Charles Jackson, now in cognate work in Vancouver, and Major the Rev. H. A. Doig.

The condition of buildings, both churches and manses, has improved with renovations and in some cases, new churches and new manses.

KOOTENAY PRESBYTERY

With the exception of Creston, which has been vacant for over a year, the Kootenay Presbytery has happy settlements. The Rev. John Allison is in Kimberley and has seen his congregation complete a new manse and reach self-support. The Rev. Tegwyn Evans has been covering a large field of Kinnaird, Slocan and New Denver. Kinnaird Congregation had a very happy annual meeting beginning at 11 a.m. on a Saturday with a luncheon. The Rev. Albert Henderson after his year's appointment was called and inducted into Cranbrook where the church has been redecorated and stuccoed. Mr. E. A. Hircock, who has been the catechist at Nelson for the last few years, was happy with his people when they saw the new Education wing completed and dedicated by the Presbytery. The Rev. E. I. McPhee of Trail is the convener of Presbytery's Missions Committee.

KAMLOOPS PRESBYTERY

Many changes have taken place in Kamloops Presbytery during the last year. The Rev. Denis Mahood was inducted into the newly combined charge of Vernon and Armstrong. The Rev. James Hutchison replaced John Balsdon at Prince George, the Rev. William Perry replaced Ronald Balsdon at Kitimat, the Rev. Sandor Meszaros moved to Abbotsford, services were discontinued at Salmon Arm. The Rev. Ivan Gamble replaced the Rev. Alex MacSween at Kamloops. Prince Rupert is now looking for a new minister. Mr. Cowan, a school teacher who conducts the church services at Kelowna, and his people were happy when their new Christian Education building was dedicated during the past year; 125 persons were present at the Kelowna annual meeting. The Presbytery and Synod have expressed appreciation to Mr. Cowan for his services and accomplishments. The Rev. A. V. Bentum, the only minister who has not moved in the past year, is Moderator of Presbytery. The Rev. William Perry is the Convener of Presbytery's Missions Committee.

VICTORIA PRESBYTERY

Forty-three years after the Rev. David Smith had been ordained he was present in the same Presbytery of Victoria to see the Rev. Walter McLean ordained to the ministry. The Presbytery then designated Mr. and Mrs. Walter McLean as missionaries to Nigeria. The Rev. William Klempa ministers now at The Gorge Church as the congregation moves to self-support. The Chinese work needs strengthening in this Presbytery. Mr. Ronald MacMillan is now the catechist at Duncan where the manse is being renovated. The work in Victoria Presbytery has been steady with few changes. The Rev. Alan Beaton is the new convener of Presbytery's Missions Committee.

WESTMINSTER PRESBYTERY

There are several vacancies within Westminster Presbytery but the manpower is by no means desperate. The Rev. Harrold Morris is the minister of both Garden Village and Buchanan. Haney, started by the Rev. Murdo Pollock when he was minister at Mission City, has reached maturity. Haney has become a one-point self-supporting charge. The Rev. Desmond Howard is now responsible not only for Mission City but also Bradner and Mount Lehman. This arrangement is a happy one for all concerned. The Rev. Frederick W. Metzger has resigned from Calvin Hungarian Church to take up full time work at Central City Mission but he is also serving very acceptably the congregation of St. Columba. The St. Matthew's Children's Centre of the Women's Missionary Society has preaching services conducted by the Rev. Edward Bragg. Central Presbyterian Congregation and Mr. Bragg the minister, are very happy with the wonderful transformation they have accomplished in the church sanctuary. The Rev. William Bell and his congregation at Chilliwack have submitted plans for a new church building to the Presbytery for approval. St. Aidan's Church, New Westminster, has a new manse. West Point Grey has a new minister, the Rev. Hugh Macdonald.

Buchanan Church plans a new Christian Education wing. Newton St. Andrew's and their minister, the Rev. John Allan plan a new church building in a new location. The Rev. Gordon Bastedo, two years after his appointment to Richmond, and his people saw their lovely new church dedicated to the glory of God late last fall. The people are to be congratulated on their canny approach to handling the financing of the new building.

The Vancouver Chinese Church minister, the Rev. Andrew Ng, has a new manse and plans are approved for an addition and renovation to the church and hall. The Chinese people, as well as the Presbytery and Synod, have expressed thanks and best wishes to the Rev. David Smith who retires after many years service as Superintendent of Chinese Missions. The Rev. Sandor Meszaros serves the Hungarian part of the congregation at Abbotsford. Mr. Justice A. M. Manson carries on in his own efficient manner in the Synod Office and the Extension Fund (B.C.) Limited. Judge Manson must have been pleased, as was the Presbytery at its last meeting, when seven students at St. Andrew's Hall were presented as students for the ministry. As mentioned above the Calvin Hungarian Congregation is vacant and is looking for a new minister. Major, the Rev. Howard A. Doig is the Convener of the Presbytery Missions Committee. He is also Synod's Convener of the Missions Committee.

CHINESE WORK IN CANADA final report of Dr. D. A. Smith

"Jesus Christ the same yesterday, and today, and forever."

This is, assuredly, a truth on which we can constantly count. No matter what difficulties have been set before us in the past, or confront us today, we can truly say: — "the Lord hath done great things for us whereof we are glad". As Mary Slessor, after forty difficult years in West Africa, once put it — "Where duty calls, my safety and success, is God's business, and He has never failed me".

That is the secret. In faith believing it is ours to "keep going"; walking in the light of God's love in Christ, for "the judgments of the Lord are true and righteous altogether". In step with Him, there is no such word as failure.

Reviewing the work of the past year, we have every reason to be grateful to God for the many wonderful things He has brought to pass. In so many ways our work continues to prosper.

The spirit of the Chinese people in Canada today is so vastly different from what it has been in years past. They are becoming, more and more, an integral part of our Canadian way of life, both in the State and in the Church. They no longer feel that they are merely "strangers within our gates". At long last they have a sense of settlement, and security, and that they now really "belong", something that was so much lacking heretofore. With the amending of the Immigration Act, they can now enjoy real home-life. Families are no longer divided. This, in turn, means that they do not need now to look to the Orient. Canada is truly their home land. All of which means that our Christian work amongst them, despite the other difficulties that still exist, is infinitely easier. As Bruce Hutchison puts it in one of his books — "Canada today is made up of men with many pasts, but only one future". Our task is, then, to make sure that this "future" continues, for them, in the keeping of our Lord and Saviour Jesus Christ.

Altogether, last year, there were eighteen workers in the field, ten of these were Chinese. Four of this total were only part-time workers.

Miss Elsie Lee, Windsor, and Miss Grace Lee, Victoria, were granted furloughs last year. Miss Elsie Lee is now studying in Nashville, U.S.A., while Miss Grace Lee is spending her furlough in Hong Kong.

Here is how Miss Grace Lee, who, herself, became a Christian while teaching in our South China Kongmoon Mission, welcomed her furlough — "So many of my relatives there have not yet accepted Christ. I want so much for them to belong to Jesus and before I return to Canada". These furloughs, therefore, so often become just happy extensions of their missionary labours.

The Rev. Ronald J. Con, Vancouver, who spent the first years of his ministry at Emmanuel-Parkside Churches in Sudbury, has now completed his Chinese language courses in Hong Kong University. He returned to Canada in March, 1963. It is of much interest to know that his wife is a graduate in Arts of Queen's University, Kingston, and a fully qualified Social Service Worker. When in Hong Kong, Mr. Con attended the meetings of the U.S.A. Chinese Ministers' Conference, and was appointed the Canadian representative of that body.

This report would not be complete without some reference to the splendid band of voluntary workers, men and women, among the Chinese in Canada, and without whose invaluable assistance we could not begin to overtake our widespread missionary opportunity. In Churches, Sunday Schools, and even in homes, across the country, they take an intimate and personal interest throughout the various communities. They not only help these Chinese "strangers" with their English studies, and to understand, more fittingly, our Canadian ways of life, but also, and more important still, by these sympathetic contacts help bring them to a knowledge of God's love and the saving power of Jesus Christ. It is still true that — "a little touch of kindness makes the whole world kin" — in Christ.

One of the outstanding pieces of work now being done is with the Chinese Mothers. In this way we come to meet all the members of the family. During the years 1951 to 1960, over 23,000 newcomers — mothers, sons and daughters, entered Canada. We are over the immigration peak now, but still they come, mostly young brides. By far the greater number of these newcomers know little, or nothing, of the Church or Christ's Gospel Message. Thus, is brought to our very doors a whole "foreign field", albeit, minus the romance.

The presence of so many, new, Chinese Mothers in Canada today accounts for the several Mothers' meetings we are now conducting. We have a record of some 212 who have attended these meetings. Moreover, there were 49 women in our English classes and 32 young men.

It is also noteworthy that "Family Meetings" have been held each month, during the past year, in the homes of Chinese Church members. Here they are brought together in a worshipful, social way. There you will find anywhere from forty to fifty, or more, neighbours, relatives and friends attending. In this way we are able to reach out into the various outlying communities.

Here is an excerpt from a letter written by Miss Carrie Gunn, our first W.M.S. Worker amongst the Chinese away back in the very early days . . . "I find my work most difficult. Most of the Chinese women I visit refuse even to open the door to see me, or speak to me. The Chinese men are opposed to them having anything to do with me, or the church. Their place, they say, is in the home. I do not lose heart. We shall yet break down that prejudice and one day win them over".

Visiting in the homes, especially in the homes of the many recent immigrant families, continues to be a most important factor in our work. This takes much patience, and sympathetic understanding. Everything is still new and strange to them. Certain social services are for them, a necessity, if we would gain an entrance and a privileged place in their homes.

Here is how one of our W.M.S. Chinese Workers sums it up — "I always help those Chinese who call on me for assistance, in writing Chinese letters, in translating them from Chinese into English, in going to see the doctor, the dentist, the lawyer, or it may be some immigration, citizenship, or family allowance matter. Not knowing where to turn and having little or no English, they come to me. In this way my hope is to bring them one day to Jesus".

There were three occasions of importance that took place during the year, of which special mention must be made:

(a) The Montreal Congregation celebrated the burning of the mortgage on the church building. For this they are certainly to be congratulated. Each year, since the building was erected, they have set aside, at least, one thousand dollars for this purpose. The final payment of \$7,669.00 has now been made.

(b) The Vancouver Congregation bought a new manse costing \$12,870.00. This sum they have paid in full. The old manse, which is part of the church property, they plan to raze, and in its place erect a much needed addition to the church building proper. The present church and hall are no longer adequate to take care of the growing work, especially for Kindergarten and Sunday School purposes. An extension to the present premises, consequently, is imperative. Meantime they continue to use the old manse for classrooms.

(c) The Vancouver Congregation, for the first time, is conducting a regular morning service in English, continuing, of course, the evening service in Chinese. This morning service is proving very profitable. The Sunday School also meets on Sunday morning, and since the parents who wish their children to enjoy the benefits of our Kindergarten are obligated to send their youngsters to ours, or some other Sunday School, more and more are attending this morning service. It is of much interest to note that despite the fact that there are now 107 public school kindergarten classes in the city, nevertheless, Chinese parents prefer our Kindergarten School, mostly because of its bilingual training. Moreover, Chinatown, is still for them, very much the centre of Chinese business, social and community life.

At this point, reference must be made to the recent Chinese Immigration "Investigation" carried on, for the past two years, by Canada's Federal Justice Department. This has proved, for all resident Chinese, a most disturbing affair, tending to incriminate, not only the guilty, but unfortunately, so many of the innocent as well. Happily, last year, this most burdensome business was ended. Much more could be said about this overall accusation, and the many indiscriminate charges made, but this must, meantime, suffice.

Last year there were, in the four Chinese Congregations, no fewer than sixty-six baptisms — 28 adults and 38 children. There were, also, thirty-one who joined the church on profession of faith, including three by letter from Hong Kong. In this connection, we have to keep in mind the fact that many more Chinese men and women, are, even now, under instruction. Such takes time, often covering several years, inasmuch as these newcomers, especially, have never enjoyed, as our own people do, the customary benefits of early Christian home training and know little, or nothing, of the Bible or the things of God.

Our work with the children continues to be a most promising, and encouraging phase of our work. This applies to the Kindergarten as well as the Sunday Schools. There were, altogether, 231 enrolled in the Kindergarten (that does not include Toronto where there is no Kindergarten) and 551 pupils in the Sunday School. It is of added interest to know that so many of the parents, who now bring their children to Sunday School, band together for Bible Study, both in English and Chinese.

This, too, is of paramount importance. We had, last year, 65 Sunday School teachers, 53 of whom were Chinese. That, indeed, constitutes a long, long step forward.

Here, also, is a summary of other groups in the work, including Windsor and Sudbury: W.M.S. 163; Y.W.A. 102; C.G.I.T. 24; Explorers 143; D.V.B.S. 158; English Classes 81 (49 women and 32 young men); Chinese Classes 185.

Financially (including, as mentioned above, the Montreal mortgage and the new Vancouver manse) the Chinese Congregations have excelled anything yet done in the past. All have increased contributions toward the stipend; \$1,807.00

was sent in to the Budget; \$2,439.00 was contributed to the W.M.S., Toronto — \$1,500.00 of this latter amount came from Vancouver Kindergarten fees and pays for a part-time Chinese worker there. In addition to the above, \$1,095.00 was sent to Hong Kong Orphan and Refugee Fund; \$109.00 to the Canadian Bible Society; and \$368.00 to Ewart College, Toronto. This makes a total, for others, of \$5,818.00. All of which surely shows that our Chinese Congregations are in no wise lacking in missionary interest and zeal.

This brings to a conclusion my last "official" report on Chinese Work in Canada, having retired at the end of last year from the active ministry. There are many things that one would like to say at such a time. This, assuredly, can be said. They have been exceedingly happy years, forty-three of them spent among my Chinese friends, both in and outside of church circles. Were I to choose again I would not want my life's work to be enlisted otherwise. My heartfelt thanks is due, over the years, to the members of the General Board of Missions for the confidence they continually placed in me, and not the least, to the Board members of yesteryear for their kindly and gracious thoughtfulness. That has also been true of all the members and friends of our Chinese Congregations.

May God, and Jesus Christ, His only begotten Son, be ever present with all our Chinese Work in the days ahead, remembering always, as He has said: — "Not by might, nor by power, but by My Spirit, saith the Lord of Hosts".

"In Christ there is no East or West,
In Him no South or North;
But one great fellowship of love
Throughout the whole wide earth".

CHINESE PRESBYTERIAN CHURCH, MONTREAL

This has indeed been an interesting year in the life and work of the Chinese Presbyterian Church in Montreal. The year was highlighted with several special occasions. In the midst of all these opportunities to serve our Lord, we pray that our efforts might be used in the extension of His Kingdom.

CHURCH SERVICES

Services of worship have been held each Sunday at 4 p.m. with an enthusiastic congregation. We were pleased to have as guest speaker one Sunday the Rev. J. P. Lew of Hong Kong, now studying in Toronto. The Rev. Ronald Rowat, Synodical Missionary, visited us on several occasions. Also, it was such a pleasure to have had Dr. David Smith here for a visit. Because of his guidance and help to his many Chinese friends here and across Canada for over forty years, the church people presented him with a special pennant to honour him. At the same time, the dedication for over fifty years of Mr. and Mrs. James Lee for the growth of God's Kingdom here in the Chinese Church was recognized when they were honoured. These humble folk are an example to us all how God uses those He has chosen.

It was a momentous day when the completion of our mortgage debt was seen, and the mortgage burned. With us on this occasion were Dr. Smith; The Rev. H. M. Kennedy, Presbytery Convener of Missions; and many friends from the other churches in the Montreal area.

The Sacrament of the Lord's Supper was celebrated as usual. There were twenty-one baptisms (seven adults), six marriages and thirteen funerals.

KINDERGARTEN

This school was held as usual four afternoons a week for two hours a day with Mrs. Louie, Miss Wu and Miss Gamble teaching. The enrollment remained the same as last year with thirty children, six graduating last June. The teaching programme is equally divided between Chinese and English, thus enabling the children to make an easy transition to grade one when that time comes. The

This has proved, for all resident Chinese, a most disturbing affair, tending to incriminate, not only the guilty, but unfortunately, so many of the innocent as well. Happily, last year, this most burdensome business was ended. Much more could be said about this overall accusation, and the many indiscriminate charges made, but this must, meantime, suffice.

Last year there were, in the four Chinese Congregations, no fewer than sixty-six baptisms — 28 adults and 38 children. There were, also, thirty-one who joined the church on profession of faith, including three by letter from Hong Kong. In this connection, we have to keep in mind the fact that many more Chinese men and women, are, even now, under instruction. Such takes time, often covering several years, inasmuch as these newcomers, especially, have never enjoyed, as our own people do, the customary benefits of early Christian home training and know little, or nothing, of the Bible or the things of God.

Our work with the children continues to be a most promising, and encouraging phase of our work. This applies to the Kindergarten as well as the Sunday Schools. There were, altogether, 231 enrolled in the Kindergarten (that does not include Toronto where there is no Kindergarten) and 551 pupils in the Sunday School. It is of added interest to know that so many of the parents, who now bring their children to Sunday School, band together for Bible Study, both in English and Chinese.

This, too, is of paramount importance. We had, last year, 65 Sunday School teachers, 53 of whom were Chinese. That, indeed, constitutes a long, long step forward.

Here, also, is a summary of other groups in the work, including Windsor and Sudbury: W.M.S. 163; Y.W.A. 102; C.G.I.T. 24; Explorers 143; D.V.B.S. 158; English Classes 81 (49 women and 32 young men); Chinese Classes 185.

Financially (including, as mentioned above, the Montreal mortgage and the new Vancouver manse) the Chinese Congregations have excelled anything yet done in the past. All have increased contributions toward the stipend; \$1,807.00

was sent in to the Budget; \$2,439.00 was contributed to the W.M.S., Toronto — \$1,500.00 of this latter amount came from Vancouver Kindergarten fees and pays for a part-time Chinese worker there. In addition to the above, \$1,095.00 was sent to Hong Kong Orphan and Refugee Fund; \$109.00 to the Canadian Bible Society; and \$368.00 to Ewart College, Toronto. This makes a total, for others, of \$5,818.00. All of which surely shows that our Chinese Congregations are in no wise lacking in missionary interest and zeal.

This brings to a conclusion my last "official" report on Chinese Work in Canada, having retired at the end of last year from the active ministry. There are many things that one would like to say at such a time. This, assuredly, can be said. They have been exceedingly happy years, forty-three of them spent among my Chinese friends, both in and outside of church circles. Were I to choose again I would not want my life's work to be enlisted otherwise. My heartfelt thanks is due, over the years, to the members of the General Board of Missions for the confidence they continually placed in me, and not the least, to the Board members of yesteryear for their kindly and gracious thoughtfulness. That has also been true of all the members and friends of our Chinese Congregations.

May God, and Jesus Christ, His only begotten Son, be ever present with all our Chinese Work in the days ahead, remembering always, as He has said: — "Not by might, nor by power, but by My Spirit, saith the Lord of Hosts".

"In Christ there is no East or West,
In Him no South or North;
But one great fellowship of love
Throughout the whole wide earth".

CHINESE PRESBYTERIAN CHURCH, MONTREAL

This has indeed been an interesting year in the life and work of the Chinese Presbyterian Church in Montreal. The year was highlighted with several special occasions. In the midst of all these opportunities to serve our Lord, we pray that our efforts might be used in the extension of His Kingdom.

CHURCH SERVICES

Services of worship have been held each Sunday at 4 p.m. with an enthusiastic congregation. We were pleased to have as guest speaker one Sunday the Rev. J. P. Lew of Hong Kong, now studying in Toronto. The Rev. Ronald Rowat, Synodical Missionary, visited us on several occasions. Also, it was such a pleasure to have had Dr. David Smith here for a visit. Because of his guidance and help to his many Chinese friends here and across Canada for over forty years, the church people presented him with a special pennant to honour him. At the same time, the dedication for over fifty years of Mr. and Mrs. James Lee for the growth of God's Kingdom here in the Chinese Church was recognized when they were honoured. These humble folk are an example to us all how God uses those He has chosen.

It was a momentous day when the completion of our mortgage debt was seen, and the mortgage burned. With us on this occasion were Dr. Smith; The Rev. H. M. Kennedy, Presbytery Convener of Missions; and many friends from the other churches in the Montreal area.

The Sacrament of the Lord's Supper was celebrated as usual. There were twenty-one baptisms (seven adults), six marriages and thirteen funerals.

KINDERGARTEN

This school was held as usual four afternoons a week for two hours a day with Mrs. Louie, Miss Wu and Miss Gamble teaching. The enrollment remained the same as last year with thirty children, six graduating last June. The teaching programme is equally divided between Chinese and English, thus enabling the children to make an easy transition to grade one when that time comes. The

children are encouraged to come to Sunday School, and many do, bringing their families with them! One very special occasion was a visit from Dr. Ross K. Cameron, our Moderator, accompanied by the Rev. H. M. Kennedy, and at this time the children presented Dr. Cameron with a gift. At the annual Christmas concert, the children participated with a play, a rhythm band, and songs in both languages to the delight of the audience.

CHINESE SCHOOL

This department has enjoyed a successful year with an enrollment of seventy pupils under the guidance of Miss Wu and Mrs. T. Chan. To give greater leadership during the second semester (September to December) Mrs. Louie has also been teaching. The school is held Saturday and Sunday afternoons for two hours each. On Sundays, time is allotted for Bible stories, songs and Christian teaching.

SUMMER SCHOOL

During July and August for three days a week, two hours each day, an interesting programme of songs, stories, language study, and fun was enjoyed by children under the guidance of Miss Wu and Mrs. T. Chan. Each day a half hour was given over to Miss Gamble for Christian education. The total enrollment was thirty children.

SOCIAL WORK

Social services and Christian counselling are offered to the Chinese community. Because the Chinese people have no legal advisor, and do not understand English, they turn to the church for advice on medical and legal care, citizenship, immigration, employment, family allowance, old age pensions, etc. We hope to serve all in the name of Jesus Christ.

W.M.S. AUXILIARY

The ladies have seen a very successful year, achieving a great variety in their programming. Speakers have included Miss Frieda Matthews and Dr. D. Y. Chen. The laborious efforts of the ladies were well rewarded with a very successful Tea and Sale with a higher income. The annual givings to the Presbyterial were very good — \$180.00. The support of the Anniversary Book was great with \$81.00 contributed.

THE MORTGAGE

With thanksgiving to God we rejoice in having completed our mortgage debt. This was made possible by special donations. The total owing was \$7,669.78. Of this sum \$6,496.22 was given separately while the remainder, \$1,173.56, was given to the Church and thus passed through the Church's books. Many people gave sacrificially for this project aside from their regular givings and we thank God for this spirit of co-operation and God-given concern for His work here.

CHURCH SCHOOL

At present the children are divided into four separate classes. Our average attendance is down to sixty-eight pupils, but we have not had the teaching staff to encourage more children to come. We are grateful, though, for the faithful instructing of Miss Christa Kershner, Mr. Clement Lee in the Primary Department; and Mrs. Louie and Miss Wu have taken alternate months in looking after the kindergarten class with assistance from Miss Doris Yep.

The recreational activities included the annual picnic to St. Helen's Island and the annual Church Christmas Concert in which all the classes participated. On Christmas Sunday the W.M.S. sponsored a party for the children in which games were enjoyed, the Christmas story was told by flannelgraph, and treats handed out.

The number of ladies attending the English classes has diminished over the last few months. We need a greater concern on the part of the teachers, and a better programme of follow up in the case of absentees.

Last January our Sunday School attended the Montreal Sunday School Association Rally and received for the second time the banner for the highest average of all schools present.

YOUNG PEOPLE AND THE CHOIR

The young people have been organized in a Y.P.S. group which meets once a month. They need much encouragement to become more interested in Bible Study. They are very regular in church attendance and are willing to help at any task. They acted as waiters at the Tea and Sale, assisted with games at the picnic, and helped decorate for the Christmas activities. They also so generously gave to the Ewart College Campaign, and the Chinese Refugee Fund.

The choir has shown improvement this year, providing special music every Sunday, and at Christmas presenting a programme of Christmas anthems in a candlelight service. Guests were delighted with the evening programme — a good reward for many long hours of practice.

OF SPECIAL MENTION

The concern of our people for their fellow-Chinese was evident in the face of the recent flood of refugees from the mainland to Hong Kong. For assistance to these people, the Chinese community raised about \$6,000.00, with about \$1,300.00 of this amount coming from the church members. Not just for overseas, but here in Canada the members accepted the challenge to help, and gave about \$1,000.00 for the Vancouver Church Building Fund during a recent visit from Mrs. Con.

The fall term saw new endeavours in the form of a young women's group under the guidance of Miss Wu, and an Explorer group with Miss Gamble as leader.

Most of the young women are non-Christian and know very little English. Many of these ladies have little children and find it difficult to attend very regularly, but a good start has been made.

The Explorer group is very active, but undisciplined in group life, but the children are enthusiastic about the mission study (which is about Hong Kong) and are anxious to learn.

The workers themselves have realized the importance of meeting together for encouragement, seeking God's direction in every step. To this end we have met at certain intervals to discuss the different phases of the church's activities, and to pray that God's blessing may be on every action.

Now, another year's work has come to a close, and the dawn of another year is upon us. May God pardon all that has not pleased Him; and, in spite of us, may He use and bless to His glory all that has been acceptable to Him, for the sake of His Son and our Saviour.

CHINESE PRESBYTERIAN CHURCH, TORONTO

Two things are to be noted from this report — an evidence of progress and a hive of activity.

The number of communicants is presently 243. During the past year, nineteen persons were received into the fellowship by profession of faith and baptism and three by certificate. Twenty infants were baptized. The Session members included eight persons, and the Board of Managers, fifteen.

The following is an interesting breakdown, according to households:

Number of households wherein are communicant members —	95
Number of households wherein are adherents —	20
Number of households connected with the Church School —	15

130

The church school superintendent is Miss Margaret Near, and the number of teachers and officers total twelve, while ninety-nine pupils are enrolled.

The mid-week activities are: Junior and Senior Choirs, Women's Association, Young Women's Guild, Young People's Society, Teenagers' Club, Boys' Club, Girls' Club, Bible Classes and a Prayer Meeting.

Total Board of Managers' Revenue	\$7,022.95
Total Board Expenditures	6,958.85
Balance	\$ 64.10
Debt on Church: Bank loan	\$5,000.00

Two special events were held this year — a dinner in June for the General Assembly Commissioners, and we were hosts to the Fall Rally of the East Toronto Presbyterial of the W.M.S.

FRENCH WORK

L'EGLISE DES CANTONS DE L'EST — MELBOURNE, QUEBEC

The progress of the Gospel gives us reason for rejoicing and praise as we look back over the past year. There is a very great need in Quebec just now for more workers. We bring it before our church members as a special need for prayer, that the Lord will challenge the young FRENCH CANADIAN to give themselves to the Lord's work.

There are at the most seventy pastors or evangelists working among 5,000,000 French Canadians. This is about fourteen per million of population, or one for 70,000 people.

The work at Eglise des Cantons de l'Est is progressing steadily; the worship services every Sunday are well attended; on the spiritual side the mid-week Bible Study group maintains its weekly meetings throughout the year. The Sunday Bible Class for adults, the Sunday School, the W.M.S., W.A.S., P.Y.P.S. and Sigma-C are all followed with interest.

Our statistics reveal — five baptisms, eight burials, six special services, twelve communion services, forty-two Bible studies, 162 visits — 27 to the sick, 52 Bible Studies (mid-week) and a yearly Catechists' Class. The direction of the congregation rests on four elders and ten managers. We received four new members by confession of faith; our communion roll is sixty-four, and forty-six adherents.

VACATION ACTIVITIES

On July first the French Protestant Rally was held with more than 350 people responding to the gathering for fellowship with acquaintances new and old. This day always ends with a service of thanksgiving and praise and a sermon of witness to the truth of the Gospel.

RICHMOND CAMP

Our church camp is truly a centre, it is also the consolidation of our work and fraternity. Each year the camp puts two weeks at the disposal of the Bible Camp (Camp d'Action Biblique) for all our churches and missions. This year we had 58 children, seven leaders, two cooks and one assistant. It is a work of faith which this congregation is undertaking and wants to support.

THE YOUNG PEOPLE

Our young people are active; we have 24 members. They hold two meetings a month. The programmes include study, discussion and projects. Our young people also held four services for an isolated family.

THREE RIVERS MISSION

Worship here is held every month, as well as prayer meetings and a catechists' class. They need a full time man. The United Church Missionary is busy fishing our members.

INTER-CHURCH WORK

The Rev. Jacques Smith was active as president and editor of the paper *L'Aurore*, president of the French Inter-Church Committee, president of the Montreal Bible Institute, president of *l'Alliance Evangelique* branche francaise, president of la Societe de Publication des Chants Evangeliques and this year 2,000 hymn books were printed without music.

All this is seed which God causes to grow. Our duty is to do all in our power to bring them out into the full light of the Gospel.

PRESBYTERY OF MONTREAL FRENCH-SPEAKING CATECHIST

We are glad to give you through these lines a short report of what has been done through the last year. We hope it will give you an idea of our increasing work and responsibility among the French-speaking people of Montreal.

COMMUNICANTS' CLASSES

In June, 20 young communicants attended their second year of catechism in a class conducted by Dr. Poulain. The catechist kept four of the communicants to repeat the first year's programme. We had a retreat with the communicants outside of Montreal for three days. The theme was "to live against, without, for God!" It was the first time we have had such a retreat, which was a great success. We are planning one for the spring for about 45 to 50 young people, on the theme — "Faith". This school year we had 26 communicants in four different groups and places in Montreal, and besides this there is one young man, 20 years old, who comes regularly every week to follow this religious instruction to become a member of the church.

Since I have been working with Dr. Poulain (one year and a half) it is exactly the tenth class of communicants we have instructed (usually one class a year is given).

These different groups meet once a week for one hour and a half; they learn to pray by praying themselves. From time to time we have private discussions with each communicant on what they feel and believe.

SUNDAY SCHOOL

About a hundred boys and girls are enrolled for the Sunday morning sessions. About half or more actually attend every Sunday. We have two Sunday Schools and a kindergarten. In the "little Sunday School" we introduced practical activities which makes these three groups much more lively. We have two teams of seven Sunday School teachers; each team attending every other Sunday.

For September, 1963, we are preparing, with the agreement of the elders of St. Luc, a new programme of catechism — half Sunday School, half communicants' programme, which will give a biblical basis to the one used for 12 and 14 year olds before starting their normal communicant classes which last two years. The reason why, is that we realized our pupils in the communicant classes were not mature enough to get the best out of them.

SUMMER CAMPS

For the first time in our French-speaking church we had two camps for adolescents last summer.

Boys Camp — (between 13 and 17 years of age) had a running camp on the Long Trail (Vermont), from July 14 to July 28. The theme of this camp was: "On the roads of life", and it was conducted by the Rev. Willard Pottinger from Val d'Or, Quebec. He was exactly the man we needed, and I am very thankful to him for all that was done among these young boys.

The mid-week activities are: Junior and Senior Choirs, Women's Association, Young Women's Guild, Young People's Society, Teenagers' Club, Boys' Club, Girls' Club, Bible Classes and a Prayer Meeting.

He was exactly the man we needed, and I am very thankful to him for all that was done among these young boys.

THE YOUNG PEOPLE'S GROUP

After a week-end study in October, outside of Montreal, where we spoke to them on the problem: "The Church and the younger generation". We made up our minds to suspend our normal activities and be trained every Saturday evening to be able to lead the younger ones of the church. Nearly every Saturday night we taught the young people (18 to 22 years of age) psychology, practical advice, how to lead a sing song, tell stories, organize games inside or outside, with or without material, and how to lead handicrafts. Out of that we have now started two new groups, led mostly by these young people: One of these groups is Les Cavernicoles, comprised of boys and girls, 13 to 16 years of age. They meet every Saturday afternoon and their activities include films, discussions, visits to manufacturers, tours of Montreal, week-end outings, games, handicrafts, sports and local planning.

The other group, Le Club des Enfants, for boys and girls 8 to 13 years of age, who meet every Sunday right after the Sunday School. They have lunch and then different activities all together or by groups until four o'clock. This club was started in November, 1962 and we actually have less children in the winter, but in these two groups we expect about 35 at every meeting.

Thanks to this club we have had a very good Christmas Play and hymns well prepared. These two sections are very lively. We have special training after the club on Sunday for the leaders.

I also attended some committees among English and French people, as well as some special Sunday services. In the fall, I went to Toronto as a participant in a World Mission Week-end. I organized or attended several ecumenical meetings at Montreal University and other places. I am sorry but I paid less visits to families than before, having much more to prepare and arrange for organizing and leading these different activities.

GIRLS CAMP

We came back from the boys camp on July 28, led the service on Sunday morning the 29th, and started again for a two-week camp with the girls (13 to 17). We had eight days travelling by bus from Montreal to Quebec, Saguenay River, St. John Lake, back again through the Laurentian Park, Shawinigan and up to La Minerve, where we spent the last week of the camp. The theme of this camp was "Who am I in front of . . .?" We had worship every morning and evening and discussions on the topics — Who am I in front of . . . my people, my boy friends, my future; astrology as a game, a science, or a danger; problem of money; my Christian liberty; God. We had swimming, games, walks, cultural evenings, filmstrips, records, reading evenings, visits to manufacturers during the journey and handicrafts.

These two camps were very successful. Altogether we had 36 young people and the staff. During these two camps we made slides and a little 8 mm film.

We are planning two camps of the same type for next summer on the topic — "The art of living". There will be ten subjects for fifteen days: Joy to do something, The meaning of effort, Jesus Christ is He living for me? What is life? Can we live alone? How to live with others. What is happiness? Should we consider our body as an object of worship? To be someone, The only issue: Jesus Christ.

We are preparing these two camps which will take place during the last two weeks of July, 1963. The Rev. Willard Pottinger and a young man from St. Luc will lead the boys camp (possibly in Algonquin Park, Ontario), and I will conduct the girls camp in Vermont and New Hampshire with two other female leaders.

Back to Montreal, we hope to be able to attend and met some sessions and people of Faith and Order. Later, we may go to Perdue University for the North American Ecumenical Conference. Then, we will be in charge of the biblical camp of St. Luc for boys and girls for the second two weeks of August, as Dr. Poulain will be in France.

HUNGARIAN WORK

The Hungarian Work for the past year has been characterized by consolidation. Better use has been made of the manpower and financial resources of the Church by combining some fields. There was little movement of ministers from one charge to another, resulting in uninterrupted growth generally throughout all Hungarian Churches.

There were twenty Hungarian Presbyterian Congregations, ministered to by fourteen Hungarian ministers and one student. The Rev. K. C. Doka, Chairman of the Hungarian Advisory Committee, accepted a call to Knox Church, Calgary, thus reducing the ministers in Hungarian work by one.

OTTAWA - PRESCOTT - KINGSTON

The two and a half years since the erection of Calvin Hungarian Congregation in Ottawa represent an increasing consolidation of the work. Membership increased from 34 to 62. The number of actual communicants increased from 10 to 36 per occasion. The annual turnover of the church treasury was nearly \$3,000.00. In the building fund there is an amount close to \$2,000.00. All these are rather hopeful signs.

Nineteen sixty-two was a year of hopeful but broken aspiration. After sixteen months, the application and repeated appeal of the congregation for a church site on Smyth Road was rejected by Presbytery in September. A substantial breakdown was visible in the spirit, interest and ambition of the people. A modest but adequate and modern church building would have been the symbol not of continued isolation, but of an open door for extended service on a higher level, to the surrounding community in bilingual work and in the spirit of self-giving Christian love. Plans have begun for the purchase of a house for the use of the Congregation.

Prescott

Beginning in January, 1961, monthly services were held in a private home. The family-like atmosphere of these "cottage meetings" attracted our people. At the invitation of St. Andrew's Church, in the spring of 1962, the services were transferred to the church again but attendance dropped. Since September, quarterly services have been held at the church.

Kingston

At the invitation of the Presbytery, Dr. K. D. Toth took up the work holding monthly services at St. Andrew's Church, Kingston. The attendance began with twenty and increased to twenty-six. The number of participating communicants is seventeen. There is a spirit of freedom and joy in this enthusiastic little congregation. There is not provision yet for Belleville in the Kingston Presbytery, 170 miles from Ottawa and 100 miles from Toronto. In Belleville there are sixteen Protestant Hungarians.

Silver Lake

Silver Lake is not a new congregation but a beautiful spot of nature on No. 7 Highway, at the geographical centre of the Eastern Ontario "Golden Triangle". In the summer of 1962 it became the symbol of the fraternal unity of the Protestant Hungarians in the Ottawa - Prescott - Brockville - Kingston - Belleville area.

On two occasions about 100 people gathered on the shore of Silver Lake from an area of about 180 miles in diameter for their "Hungarian Conventicles". These occasions grew out of a necessity: Kingston and Belleville having been abandoned as far as services were concerned. People arrived from as far as Toronto, Buffalo and even Cleveland for these beautiful days. The preacher at one occasion was from Alberta. Even the sacrament of baptism was administered on the cliff above the lake. At the services and in the communal meals the spirit of "one soul and one heart" in Christ-like love prevailed.

MOUNT BRYDGES AND LONDON

The outstanding event of last year was the tenth anniversary of the establishment of the Mount Brydges Church, which was celebrated on May 6. The service was conducted by the Rev. Dr. L. Vatai from Windsor, and Dr. L. Pandy Szekeres from Delhi. After worship, the Rev. John Fleck, moderator, brought greetings to the congregation. There was a festive supper at which the chairman of the congregation, Mr. S. Szilagyi, reviewed the ten-year history of the congregation.

With the help of the Mission Board, in March 1952, Miss Eliz Cseke started the organization of the church and on the same day the statutory meeting took place when the temporary leaders of the church were elected under the supervision of the Rev. L. Borsay from Delhi. The further work, organization and services were also done by Miss E. Cseke with real Christian faith and devotion and with occasional help of ministers from various churches, until December when the congregation received their catechist, Mr. Charles Komlos. He remained for two months, and then was sent to Calgary by the Board of Missions. In April, the same year, the Rev. Dr. A. Havadtoy arrived from Switzerland and became the minister of this congregation. The new minister started the work with great diligence and devotion, and the congregation embarked on a campaign for the sake of a minister's residence. On October 25, the purchase of a house was authorized at a price of \$7,000.00, the balance of \$550.00 being paid by the members of the congregation.

On April 4, 1954, the Rev. Dr. A. Havadtoy announced his resignation as he was going to minister to the First Hungarian Presbyterian Congregation in Windsor. He moved to Windsor in August, but served the church in Mount Brydges until January, 1955. On March 1, 1955, Dr. K. D. Toth arrived as our new minister and a year and a half later moved to First Hungarian Church in Toronto. After this, the Rev. B. Karolyfalvi ministered to this congregation for a short while, and then on April 1, 1957, the Mission Board appointed the Rev. Attila Csizsar, who has since been ministering with faithfulness and devotion. Looking back from the perspective of ten years we see the gaps in the progress which has been caused by frequent changes of ministers, but in spite of all these we see the results of God's grace in our midst.

Fifty-four services were held with a total attendance of 1,650, and an average attendance of 31. Prayer meetings were held on seven occasions. The observance of the Sacrament of the Lord's Supper was held on six occasions, and six children were baptized. Four couples asked God's blessing upon their marriage, and we lost three members by death. The Sunday Church School had an average attendance of four.

The Ladies' Auxiliary organized suppers and picnics, which realized an income of \$600.00. The group, in united efforts with the leaders of the congregation and with the Hungarian people of this vicinity, organized the celebration of Remembrance Day of the Hungarian Liberty.

Let us give thanks to the Lord that through The Presbyterian Church in Canada He made it possible for us to hear the Gospel, to sing and to praise the Lord in the Hungarian language. Let us not look back but ahead. A great amount of work is to be done. Let us testify with the Apostle Paul: "Brethren, I count not myself to have apprehended; but this one thing I do, forgetting those things which are behind and reaching forth unto those things which are before, I press toward the mark for the high calling of God in Christ Jesus".

LONDON

The annual meeting of this congregation was held in Chalmers Presbyterian Church, London.

Services were held on sixteen Sundays, and the average attendance was seventeen. During the year the Sacrament of the Lord's Supper was observed twice.

His disciples received great comfort because Jesus Christ was with them, and it is by His grace that we are able to present this second annual report.

EDMONTON

All the members of the Calvin Hungarian Presbyterian Church are very happy about 1962. The responsibility of the members toward the church has increased in the Sunday offerings, and in the attendance. We can gladly say that we had a successful year again regarding our income which totalled \$3,189.69. An unforgettable job was done by the Ladies' Aid in making \$963.87 from bazaars and teas. The Ladies' Aid is proud, of course, that they could buy a fine electronic organ for the church for Christmas. It is entirely paid for.

The Kirk Session had nine active members in 1962; holding ten regular meetings with satisfactory attendance. Nine infants were baptized, and three youngsters joined the congregation, professing their faith by confirmation.

The congregation is in a fine state and expects steady progress in 1963 through the grace of our Lord Jesus Christ.

LETHBRIDGE

In 1962 the Bethlen Hungarian Congregation took a great step forward in its development. Since the building of the church in 1955 it had not been renovated, and at that time a simple construction was satisfactory as it was done without incurring a large debt. In connection with the renovation it became apparent that an alteration of the front was necessary.

In September, 1961, the Session and Congregation agreed to accept blueprints prepared by a Hungarian architect. The work began on May 8, 1962, and the dedication service was held on July 15. On this occasion a new Hammond electric organ was also dedicated, being purchased for the congregation by the Ladies' Aid.

The congregation is constantly progressing on the road toward mutual understanding and co-operation among the members. The present status of the congregation is as an augmented charge, and the budget is around \$7,000.00. Hope remains high that within a five year period this congregation will become self-supporting.

ABBOTSFORD, B.C.

The aim of a written report is to show what our congregation has done and how it has lived for the glory of God in the past year. It is like a mirror in which everyone can see what we together have reached or missed. So, behind the facts of this report — even the financial part of it — is the faithfulness and faith of the congregation.

The year 1962 was a time of alteration and uncertainty. The first minister, the Rev. K. C. Doka, moved to Calgary early in the year, leaving the problem of how a congregation made up of Hungarians and English-speaking non-Hungarians could be ministered to. The Rev. Sandor Meszaros rendered Hungarian services.

The attendance at the church services has been good, and is growing steadily. The responsibility of the congregational work has been expressed by the offerings, as well. Indeed, it was a very good expression. We are learning to give — beside the regular offerings and the fees — to the "Glory of God".

The year 1962 was not an easy one, but the congregation came through because they did believe in God. There is peace and good understanding in the congregation. We are very happy together — let us keep it so. The aim is: the Service of the Lord, and this aim we have tried to achieve in 1962.

There are three men on the Session, and eleven members on the Board of Managers. A word of thanks goes to Mr. E. Toro, who preached during the vacancy.

The Sacrament of Holy Communion was observed three times, and for the Christmas service the English-speaking congregation were invited to share with us. The service was conducted by Dr. W. O. Nugent and the Rev. S. Meszaros. The average number of participants at communion was 35. From the present communion roll it is not possible to determine how many members we have and who they are.

It was decided at a congregational meeting in November that the old manse should be sold and a new one built. The Presbytery has given the necessary permission.

The revenue for 1962 was as follows:

from 1961	\$ 120.75
congregational offerings	1,380.01
fees (membership)	175.00
special offering	202.02
from the Ladies' Aid	848.00
from the Board of Missions	480.00
Revenue	\$3,205.78
Expenditures	3,035.82
Balance in bank (Dec. 31, 1962)	\$ 169.96

INDIAN WORK

BIRDTAIL AND PIPESTONE INDIAN RESERVES

The year has come and gone and many incidents too numerous to mention have been experienced. In this brief report we can only consider a skeleton picture. There is, of course, much work and preparation for each event around the "skeleton picture".

VIRDEN

The church is a growing experience both numerically and we trust spiritually. This is the first year the church has seen the children become young people and thus adult members of the Church of Jesus Christ. Much nurturing on the part of teachers and leaders has borne fruit and there were seven young people from the Church School who came into church membership this past year. Perhaps one of the greatest highlights was the bearing down of all of us to rescind the debt of \$5,000.00 which was owing to the Board of Missions. Last year (1961) \$2,500.00 was raised and this past year another \$2,500.00 was raised to pay back our debt to the Board of Missions. We believe this to be a healthy sign of a growing church trying to meet its responsibilities in the extension of the Church of Jesus Christ.

WEEK-DAY ACTIVITIES

The week-day activities are numerous and varied: Group Committee, Ladies' Aid, Young People's Group, C.G.I.T., Bible Study and Prayer Group, Explorers, Choir Practice and Church School. The Church Service is held in Virden at 11 a.m., on the Pipestone Reserve at 2:30 p.m., and at the Birtle Indian School at 7:15 p.m. The Couples' Club meets once a month, and the Session and Board of Managers at intervals.

PIPESTONE INDIAN RESERVE

Thanks to the young people of Ontario we have a splendid place in which to worship. Many people have been out to visit the church — all are impressed — not because of its beauty — but because of its practical nature. There are usually about forty Indians in church on each Sunday, and it can vary from thirty to

sixty. For funerals we have to move in chairs — since the Roman Catholics now come to the funeral services too. In the past it was a tragedy — no place from which to bury the dead nor to meet for a central place of worship. So, the Indians and myself thank all those who were responsible for getting us this place of worship. I reiterate, we get the Indians to come out to church. One came into full membership this year — a young seventeen year old girl. It was quite a stand for her to take, as previous to this there were no church members on the reserve. A communicants class has been scheduled for the spring of this year. Only those who are legally married and who make a definite decision for Christ will be encouraged to attend the lectures. We have had enough sadness in the past by encouraging others to join the church. This has been the case at Birdtail where the elders try to get people to join the church. They mean well, but it is not a good policy, since the falling away is too great in number. We would also say that infant baptism has in the past been abused. United Church ministers have been baptizing anyone that presented a baby to them from the reserve. I visited the secretary of the Conference and lodged not only my complaint, but my reasons for not baptizing babies where parents or a parent has no intention of leading a Christian life nor of teaching the child to lead a Christian life. My complaint was received with respect and the local ministers have complied with my request to leave this work to me. In fact, I have 100 per cent co-operation from the United Church ministers, including any financial help that they give at the Christmas season towards the purchase of toys, etc. for each Indian child. It is all channelled through me so that we know what each one receives. Too often, in the past, there has either been a feast or a famine.

On this reserve we have organized a hockey team. We have had some real good hockey this year. Presently we stand third in the Border League and shortly enter the play-offs. In the past we only played hockey where we could locate a game. This year I telephoned the secretary of the Border League and he agreed to let us in. This has given us more hockey and more scheduled games. (Has also given me many late nights and many headaches to get sticks and equipment!) It has also kept me broke buying gas to travel between hockey points as well as do the regular activities of the church.

In the day school on the reserve the missionary continues to teach a Christian Education class on Fridays from 3:00 to 3:30 p.m. The day school is operated by the Roman Catholic Church and at first we had a struggle to get into the school. Everything is going along smoothly now. The R.C. teacher often stands there to take in the teaching as well. In fact I will share one statement he made: "Mr. Krepps, it's a funny thing, I try to teach the kids something during the week about their behaviour, and then on Friday you come out and give them a Bible teaching that applies to what I taught". He also said, "it hits the nail on the head". Well so much for that — I hope it gets into the hearts of these beautiful children, for that is where it is important.

We have a Ladies' Aid on the reserve. They sometimes meet once a week. They recently made up dresses and babies undershirts and put them on sale. Anybody want to buy? We had one left over. Really they are a credit to good craftsmanship.

The Birtle School also comes under our teaching. I enjoy the work there very much — both from the students and staff point of view. We have a communicants class there once a year. Many take the classes and usually about 20 join the church. We trust that those in Winnipeg took in our graduates from the school and care for their spiritual needs. These people are shy and reserved, and they will not put themselves forward, so our ministers have to seek them out.

We also have two outlying Sunday Schools, 15 miles distant from Virden — one northwest, the other northeast. There is an enrollment of 22 in one and 12 in the other. We are training the people in the district to take over the work, although three of the teachers from Virden still go out to teach there. When the young people from this section come to town they come to our church in Virden.

During the summer we plan six complete weeks of Vacation Schools and Tent Missions. We enjoy the work immensely, but we also appreciate the help the Board has sent us during the summer.

WAYWAYSEECAPPO RESERVE

There is not a great deal to report this year. The size of the weekly congregation has not increased noticeably, and there continues to be ample evidence that the world, the flesh and the devil are strong influences in this community.

The programme of integrated education in the village of Rossburn has been favourable. This year two pupils who completed the elementary grades at Birtle entered Grade 9 at Rossburn and these will lead the way for others. About sixty pupils from here attend classes in Rossburn. A Grade 9 boy has been staying at the missionaries' home during the more difficult part of the winter, rather than walk more than three miles one way daily.

We are hoping to introduce beekeeping here on a small scale, by purchasing two colonies and letting them out on shares to a Band member. One of the elders in the Argyle Congregation has agreed to lend assistance in an advisory capacity. We plan to assist another young man to become established in raising pure-bred Hereford cattle. I feel that in order to be of help to Indian folk one must work with those who will co-operate. One cannot move the whole population, and it is foolish to try to change all at once. Two years ago we attempted to help with the organization of a hockey team, and last spring we attempted to organize a softball team, but several who expected to play did not contribute the membership fee. Last September we offered to hold night school classes for those interested, and asked that those who wished to pursue such study appear at a meeting advertised well in advance, bringing \$5.00 to defray the cost of books. It was a time of fairly full employment, but only one person appeared, and that without money. (We felt that we could not ask the Department to heat a building unless there was financial evidence of interest.) We tutored the interested lad until he lost interest.

The 1963 Women's World Day of Prayer Service was held in the Waywayseecappo Church, with ladies from Argyle and Eckford also present. The largest number of visitors were from the Pentecostal and United congregations as well as the United ladies from Vista. One lady stated that it was the best-attended prayer service she had attended. Following the service, all partook of lunch at the missionaries' home.

The missionary has visited members of this Band on several occasions in the Brandon Jail, and twice at Stony Mountain during the past year. Unfortunately, the crime rate is high — largely the result of unemployment, it seems to this observer.

For twenty-two school days in January and February, the missionary substituted in the classroom at Rossburn for the science teacher who was stricken with jaundice. In view of having received a double stipend for one month, I suggested that I be removed from the Board of Missions payroll during February and March, having accepted the Social Credit nomination for the Federal Constituency of Marquette. Weekly services will continue here, and the Argyle and Eckford churches do not hold services between Christmas and Easter. I do not have political aspirations, and if elected I shall be available between sessions of Parliament for work here. In such an event I shall consider that I shall continue to be a missionary full time, but with a change from time to time in the locale of my mission field.

ROLLING RIVER INDIAN RESERVE

The statistics are as follows:

- one new member
- fourteen baptisms
- total givings for all purposes — \$29.56.

CHRISTIAN EDUCATION

The Church School is held every Saturday morning in the manse. The missionary acts as taxi driver as no one drives their children to the Church School. Total enrollment is 29, but the average attendance is much less. We have two teachers — an Indian girl and the missionary, and two departments — Kindergarten and Primary. The materials used are those provided by the Board of Christian Education.

The Young People's Society is held every Thursday in the manse. Actually only three teenagers are in the group and two of these are about four years behind in school. The group actually takes the form of a Church School with a primary and a junior class. The Indian girl who teaches on Saturday teaches here as well. The materials used are Scripture Press, the reason being that some of the primary children are the same as come to the class on Saturday and thus we avoid duplication. For juniors, we have found the material provided by the Board of Christian Education far in advance of their abilities.

The Church Service is held every Sunday at 2:30 p.m. Attendance is very low. We do not have an organist, so the missionary plays (with only one hand). The singing is virtually nil. Preaching here is quite a desolating experience.

The Daily Vacation Church School was held with much success and a large attendance of about 35 pupils every day. The length of the school was one week.

The Reserve is small in population (somewhat over 200) but nevertheless is in the midst of a population explosion as a large percentage of the population are children. Because the adults have not supported the work of the church and because of the number of children, most of this work has been geared to the Church School and the young people.

If one goes by the book, we have 29 church members, but that statistic is deceiving for the simple truth is that the church scarcely exists here and the primitive Indian religion exercises far more influence on the mind of the people than does the Gospel. There is an undoubted spiritual battle being waged here — a battle which we have thus far been losing.

ITALIAN WORK

HAMILTON

Although the membership of this congregation is almost stationary, we find that they are now more interested in the affairs and the services of the church. To the number of members must be added a certain group of sympathizers, who attend our services regularly. Beside the normal activities of a church, we have started a series of meetings and services in the homes of those who invite us to do so. We have, then, a good opportunity to announce the Gospel to some persons, who previously invited, are willing to come. This is hard work, because it is often difficult to convince some Italians to participate in a service, even if it takes place in a house, but it is our hope to continue with the grace of God and so to bring souls to the Lord.

The average attendance at the Sunday services is about 50. The Sunday School is attended by about 30 children, and the Bible Club by about 15 to 20 people. A PYPS group is about to be organized. The number of women who attend the W.M.S. meetings is 15. The annual meeting was held on the last Sunday in January. After speaking of the responsibilities of every member of the church in the work in this part of the vineyard of the Lord and about a more punctual attendance at our services, we proceeded to the election of two more elders, to be added to the number of seven.

During the year we celebrated three baptisms. The membership is now 46. The total amount raised by the congregation in 1962 was \$2,217.39, and the total expenditures were \$2,082.64. As it can be seen, there is a slight decrease of the number of members, and of the amount raised in 1961 to 1962. The reason for this is that some families of our church have moved to the United States.

UKRAINIAN WORK

TORONTO

A very significant effort is being made by the Roman Catholic Church in Toronto to increase its control of the education of children of Ukrainian extraction. The same pattern of method is revealed throughout Canada, and it presents a challenge to the educational efforts of Protestant Churches.

As I reported before, the Roman Catholic Church, through the Basilian Fathers, has, in the past, built a separate Ukrainian High School for girls. Last year, they completed the building of a separate Ukrainian High School for boys, and a Public Separate School for Ukrainian children on Franklin Avenue, Toronto. Also, last year they began building another Ukrainian Separate Public School on Bellwoods Avenue, which will be completed this year.

It should be remembered that Ukrainians are not exactly Roman Catholics. Those Ukrainians who lived in the Province of Galicia, originally belonged to the Greek-Orthodox Church, but in the past, were forced by political and religious persecutions to recognize the Pope of Rome as their head. At the same time, they retained the Greek-Orthodox ritual, and considered themselves a church apart. The Roman Catholic hierarchy is trying to absorb them, but is finding it a hard task. A great number of them prefer to send their children to public schools.

All these new educational efforts of the Roman Catholic Church among Ukrainians and other newcomers, requires hundreds of thousands of dollars, and this need probably explains their demand for a greater portion of public money for their schools.

Another active force at work among Ukrainians is the Communist Party. Their work is well supplied with both means and money. However, their tactics have radically changed. Gone are their vociferous calls to overthrow the government by revolution, and other similar appeals, parades, etc. Now they try to act in a civilized and friendly manner. They pose as great humanitarians, and emphasize cultural activities. However, underneath, they are just as full of hate and subversion as before. It seems that at present the communists are concentrating on the printed word, as the most effective means of reaching the people with their propaganda and literature. Some people become impressed.

Every Ukrainian family in Canada can get, free of charge, a newspaper specially printed in the USSR. This is in addition to plentiful communist literature in the Ukrainian language printed in Canada. Actually, thousands of Ukrainians receive these Soviet papers, unasked for, and wonder how the communists managed to get their addresses. Once the communists start sending their paper to a Canadian-Ukrainian address, nothing can stop it. As an experiment I tried to stop it, including an appeal to the R.C.M.P., but without success. I am still getting it regularly. The paper is well edited, and is filled with their propaganda. This direct literature frightens some recent refugees from the USSR, but nothing can be done about it.

It seems to me that the Canadian Government in accepting these USSR papers so freely, should demand in exchange, the right to send our literature to Soviet Russia in the same way. Now, the flow is one-sided.

We consider that our first task is to present and share the Word of God with those in our community who have either drifted away from the church, or have never had any connection with it at all. Of such, there are very large numbers. Usually, they are antagonistic towards traditional churches, that is, the Roman Catholic and Greek-Orthodox.

The life and the work of the Presbyterian Church is large and varied, and by the nature of its work, it has to accept all kinds of attitudes towards different movements in the Protestant world at large. The main thing is not to hinder the people in their effort to come to God through Christ, by our own notions of what the church should do in this or that question.

An important phase of our work is the printing of Christian literature, and especially of the "Evangelical Truth". It is sent to many countries, and a number of copies are sent to Yugoslavia, where a hopeful Christian movement is developing. We are trying to help it. Christian literature in our times, is of the utmost importance. The Canadian Bible Society reports that in 1961 the USSR distributed 100 million volumes of communist literature in non-communist countries. Our day is the day of the printed word.

Radio broadcasting on certain annual occasions helps us to advertise our mission, and we hope, reach many who otherwise would not know us. We had an hour-long broadcast to Ontario on the Ukrainian Christmas (Christmas according to the old Julian Calendar), together with a half-hour Christmas broadcast and a half-hour Easter broadcast, both the latter being directed to Europe, and in the main to the Ukraine. The CBC International Section was kind enough to put us on their permanent list for broadcasts twice a year. This is very important work. In addition, the CBC International Section, asked me for an interview about Ukrainian Protestants in Canada, and broadcast it to the Ukraine.

During the year, two of our families moved to the suburbs, and I advised them to go to the nearest Presbyterian Church. One family bought a farm and moved out of the city. They promised me they would be going to the church in their new community, and I understand they have already been visited by the Presbyterian minister.

We received two new members on confession of faith. These changes in membership are continual.

A Greek-Catholic priest asked me to visit him and made a donation to our work. I had a friendly but frank talk with him about our differences. I think he will continue to be a friend of our work.

Our members realize the need of self-support, and some of them remember our work in their bequests. We received a bequest from the estate of one of our members, the late Mrs. Catherine Laibida, amounting to \$1,263.00. This bequest helped us to pay some of our debts, and increase our contribution towards the budget of the church by \$332.00.

Our Credit Union is making progress and will be able to pay dividends to the shareholders for the first time. It is a real help in emergencies.

The printing of the 'Evangelical Truth' and the 'Kubansky Krai' (another paper which we print in Ukrainian, Russian and English) would be quite impossible without the generous help and interest of the Women's Missionary Society, and the Women's Inter-Church Council of Canada.

Some of our younger members think it would be better for the Mission to move up north. They believe that we will be able to appeal to the Ukrainian middle-class and professionals, and so become self-supporting. They argue that it is financially possible as our present property is valued between \$65,000.00 and \$70,000.00. Their idea is, if the new church would be built somewhere at the intersection of Highway 401 and one of the streets running north, it would provide easy access for all Ukrainians over the city, and the church would become a centre for Canadians of Ukrainian extraction.

The above arguments are opposed by the other group. They say that we should stay downtown, where there is a real need for our service and our witness, among the poorer people. They say that the middle-class Ukrainians can easily find a place for themselves in the already existing churches. They consider that it would be selfish to quit the district where we are needed, and go to another place where we can get more money and recognition, but where we are not needed. They say that the work downtown should continue, even if we have to ask for help, as we have done in the past. Thus, the dialogue continues. No doubt a new Ukrainian immigrant needs us more than a well-to-do Canadian-Ukrainian.

God has been very good to us during the past year, and we are looking forward to another busy year.

OSHAWA

We entered this year with great expectations, hoping to see good results from the work done in the past year. Much time has been given to the visiting of former members who broke away from our church some years ago — with extra effort in continuous contact with them throughout the year. This contact has been in the Sunday services and congregational dinners. Five families have returned to us and the remaining few will soon be with us too. During the social events members, adherents and our sympathizers have a most opportune time for conversations and discussions. With this additional strength in membership we hope to be a self-supporting charge in 1965. We have reached the highest level in budget givings — \$510.00. We also raised \$135.00 for the Ewart College Building Fund, exceeding our allocation by \$35.00. Now that we are clear of debts we have undertaken a big renovation job on our manse, on which no work has been done since we purchased it in 1948, for the sum of \$4,750.00. Last December we installed a new oil furnace and began to renovate the whole building, using as much free labour as possible. When finished, the manse will be valued at about \$12,000.00.

The Ladies' Aid had a very fruitful year — holding bazaars, picnics, suppers, bake sales and tea socials and many other activities. They have taken upon themselves the maintenance of the church building. They have also helped to supply the fuel, and would also be willing in part to finance the renovation of the manse.

A very important activity in the life of our church is the mid-week meeting for prayer and Bible study. The average attendance is about 16. The Church School attendance is not very large, but it promises to increase as we have young couples whose children will soon attend church school. We intend to change the form of our Sunday evening services to include more singing, reading and study of the Bible and a period of time for discussion. By this we hope to rouse a greater interest in the work of the church and with such preparation equip every member to become a missionary among the 4,000 Ukrainians in Oshawa.

TYNDALE HOUSE

We have just concluded a most successful annual meeting at Tyndale House and statistics show a registration of 79 children in the Church School, 31 communicants and 79 families represented. Four hundred and thirteen persons registered in our mid-week activities which are open to anyone in the area regardless of race, creed or colour. There were 79 adults, 140 girls, 177 boys, as well as 17 nursery school children.

Our total programme embraced 44 groups, one of which met daily, four monthly, and thirty-nine on a weekly basis. Grouped under nine headings we find that thirteen of these groups are religious or semi-religious, five crafts, five interest groups, five recreation, four uniformed groups, four gym clubs, four sports, three service and one nursery school.

Along with the above, we carry on an active summer programme, consisting of Vacation Church School, Summer Fun Club, family bus rides, adult bus rides, and a week family camp at Peace Memorial Camp, Lancaster, Ontario.

During 1962, all groups met 1,526 times with an aggregate attendance of 26,469. Excluding holidays and on a year round, 6-day week basis, we get an average attendance of 87.

Needless to say this programme could not be carried out without the help of a dedicated and conscientious corps of volunteers. During the year forty-four persons assisted on a weekly basis. This does not include several who assisted at special functions on a part-time basis.

Christmas is a busy time at Tyndale House. Along with our special religious services, parties are held for all age groups. It is always a source of encouragement when we see how many kind friends remember us. Parcels of food, clothing

and gifts, as well as money were received from twelve churches and church schools outside the city, also from ten churches and church schools in Montreal, and three service organizations. These gifts are a wonderful help in our effort to make the Christmas season meaningful and a little happier for many of our families.

Special features such as a New Year's Rally, World Day of Prayer, Good Friday Service, C.G.I.T. Vesper Service, Uniformed Groups Church Parade, Thanksgiving Day Service, Father and Son Banquet, Mother and Daughter Banquet were held during the year.

Some authorities feel that loneliness is a contributing factor in delinquency. We feel happy that in all our groups Christian fellowship is stressed. To illustrate by one specific incident, just recently, in one of the adult groups, a number of previously lonely mothers have found friendship. Those in charge feel just as delighted as do the individuals concerned.

In closing, we would like to say how important a part the church plays in all the activities here. Sometimes a little incident will describe a great deal more than a lot of generalization. Not long ago, two little children had a disagreement, as children will from time to time. A third child went over to them and said, "God doesn't want you to fight" — God's will was most important.

ARMAGH

Armagh, our beautiful home for unmarried mothers, opened its door in 1962 to 107 girls. This is the first time that we have had over 100 admissions in one year. The age range was a wide one — 15 to 39 years old; wider than last year but not as wide as in 1959, when it ranged from 14 to 42. The ages 16 to 19 take up more than half of all the admissions. Again in 1962, as in 1961, most of our girls were Presbyterians; 37 was the figure. This seems to indicate that the help we want to give is better known and made more use of in the Presbyterian ministry. We certainly receive a great number of referrals from ministers; however quite often this help is called upon rather late and we are in no position to provide space at Armagh. We still have long waiting lists for each month. If we could only reach the girls in need earlier, how much fear we could banish; this desire to diminish their anxieties and worries leads us to stress a pre-admission visit, if at all possible. When this can be arranged, the girl to be accompanied by her minister, then two things are accomplished. First, it sets the girl's mind at ease, and secondly, allows the minister to become acquainted with his church's work at Armagh. It is so much more convincing if one has seen what one is called upon to describe.

I feel it very strongly that each Presbyterian should know what is being done for people in specific needs. With great joy we can report that several Women's Missionary Societies have accepted our invitation and visited us, holding their meetings here at Armagh and learning more about us. We hope that many more groups will do this in the years to come. Also, individuals are cordially invited to visit us any time they are nearby.

It was in May 1962 when we started to fold dressings for the Cancer Society of Peel County. Every morning, after completing the daily work, the girls go to the bright, airy craft room until 11:30 to do something for 'a neighbour' who very much needs our help. The Cancer Society is most grateful for the girls' contribution to help these less fortunate people and the girls do enjoy doing it.

Before Christmas the girls again made tray favours for the patients at the Toronto Western Hospital; 760 little stockings were produced.

Besides our two chaplains, the Rev. B. A. Nevin and the Rev. D. T. Evans, we have the Rev. R. G. MacMillan of Oakville, giving us chapel services every Thursday evening, as well as once a month a Sunday Service. Girls as well as

staff are most grateful for this ministry. The Rev. D. C. McLelland, too, tries to give us one Monday evening a month. By this service we feel more a real belonging to the Presbyterian Church as a whole and we hope that more ministers in this vicinity will find themselves in a position where they can spare us once or twice a month, twenty minutes.

Life at Armagh is kept as much like an ordinary home-life as possible; that means that we do have parties once in a while. Halloween always lends itself for just that; this year we made it a fancy-dress party. We only wish you all could have seen the outstanding costumes that the girls came up with; sheer artists they were to produce such a variety with so little to work with. The entertainment for all was that they more or less acted their part. We had a beatnick; a farmer; Wee Willie Winkie; a big game hunter with a lion, and many more. One little girl, dressed up as 'Armagh Laundrybag', who was obviously pregnant, enjoyed this party very much. She looked at all the costumes and said, "You wouldn't think we are all pregnant would you"? Just then she tried to squeeze by us on the stairs; all we could say was "No, not much". During 1962 we had again quite a variety of denominations and amongst them we found several girls who were willing, eager and able to serve us in chapel. This is always very much appreciated by the listening girls.

Let this report come to a close with quoting a few sentences written by one of our girls; "Through the last months of my pregnancy when I lived at Armagh, I have come far closer to my parents than I ever was before; I found faith in God and the Church; I have come to realize how kind and understanding some people can be and I have also learned patience, self-discipline and tolerance. The change of attitude that the girls undergo from the time they arrive until the time they leave is truly miraculous. Each of us had made a mistake, we took a wrong turning. Here we learned to accept our mistake and the consequence, but most important of all we learned to profit by our errors. Here we are able to look closely and think seriously about our standards and values; I know that mine have undergone a drastic change and all for the better, I might add. Yes, by getting pregnant I learned a lesson, I am glad I did; it is a sure fire cure for many ailments. Mind you I would never recommend it to anyone for it is a hard and drastic way to learn. However for all those who follow me remember, there is no such thing as an irretrievable mistake. It is not the end of the world because you are about to have a child, on the contrary, it can be the beginning, if you let it".

DEACONESSES AND WOMEN MISSIONARIES

Miss Catherine MacFarlane, working in the Presbytery of Pictou, concentrated her efforts from January to May in the Westville Road area. A Church School was held every Sunday, except for a few days when the weather prevented the pupils from attending, and Mission Band meetings were held once a week. Attendance was small in both of these groups, and was probably due to the fact that the number of families directly connected with the Mission have been reduced to four.

A survey was conducted in the fall in the Westville Road and Mount William areas, to determine what the prospects would be to try to re-establish Church School work. Most of the Presbyterian families in these areas are connected with, and attend the churches in Westville, Stellarton, or New Glasgow. They are so close to all the towns and with cars it is no effort to get there, so they go.

Young people's work was carried on at Linacy, and Senior High Fellowship groups were organized in Hopewell and Springville.

Vacation Church Schools were conducted during August for two-week periods in Hopewell, MacLennan's Mountain and Abercrombie.

Extensive visitations were carried out in MacLellan's Brook, Brookville, Mountville and MacLennan's Mountain. The period of visitation was extended

because of the scattered nature of the homes and the fact that the people were glad to have someone from the church in their homes that one was prevented from moving on to other homes. Visitations were also made to hospitals and rest homes.

Time was also spent speaking at a World Day of Prayer Service, Easter Sunrise Service, C.G.I.T. Graduation, Explorer Graduation, W.M.S. Thank-offering Services and pulpit supply.

Miss Ruby Patterson, working in the Presbytery of Cape Breton, reports that this has been a year of many changes in the Presbytery, one of which was the loss of five ministers from congregations. During the period from January to June, half of each week was spent in Sydney, and the other half in North Sydney at the Chalmers Jack Mission, Tobin Road. In Sydney, the two hospitals were visited in the name of the church, as well as the Home for the Aged and the T.B. patients at Point Edward Hospital.

The work at the Mission included a regular service of worship each Sunday morning, and a Church School for the children in the area. Visitation in the homes was carried out, and a young people's group re-organized and held each week. During this time, leadership and assistance was given each week to the Church School and mid-week groups at the Pier Hall.

Miss Patterson was relieved of her duties at the Mission in June, in order to plan and prepare for Vacation Church Schools and Camps. Six schools were held throughout the Presbytery, and assistance given at one junior camp and two week-end camps.

In September, the Presbytery Deaconess spent all her time at the Chalmers Jack Mission. Services and mid-week groups were held as before, however, spasmodic attendance and a lack of leadership made the effectiveness of the programme more difficult as time went on. The problem seems to have its centre in the home, with little encouragement and support given by the parents to the children or the groups themselves.

Miss Ruth Starrett reports from Evangel Hall that there is a need for more work amongst the men, the women and the children. The appointment of the Rev. Howard McIlveen (May, 1962) as Youth Director has enabled the staff to fulfill, to an even greater measure, an all-round ministry. Miss Starrett's association with Mr. McIlveen in the Church School and one mid-week group has made a link between the women's work and the families of the area.

The average attendance at the weekly meeting for women was 30 for the year, and 34 during the fall months. Approximately 250 families were given material help of food and clothing during the year. At Christmas, dinners were served to about 100 men and 45 women and children, and hampers were provided for 40 families and some 16 gifts given to individuals.

The aim of the mission is upon the fellowship of a group of believing people, and this aim is to be accomplished through individual and personal contact by visitation and counselling.

As a downtown mission, Evangel Hall has a unique set up which enables it to serve the people of the area both materially and spiritually. It has also proven to be at once a training ground and mission field for our Presbyterian Church at large.

Miss Ethel R. Mellafont, working in the Presbytery of Peace River, served the congregation at Chetwynd for the first seven months in 1962.

A communicants class was held in early spring, meeting in weekly sessions. The class began with an attendance of nine, and the actual number joining the church in May was five — one boy and four girls.

The Church School services continued throughout the summer, with several young ladies giving very capable assistance.

Following a break during the month of August, Miss Mellafont began work in Fort Vermilion. The Fort is located approximately 660 miles north of Edmonton, and the population would seem to vary from 800 to 900 in the immediate area. The work carried on at the Fort included Sunday services, pastoral visits in the home and hospitals, and a concentration of effort with two groups of young people.

Working in the Presbytery of Calgary, Miss Shirley Smart spent much time and effort with young peoples groups. Planning, recruiting and the training of leaders for five Vacation Church Schools occupied much time in the late spring and early summer months.

Miss Smart reports that her work involves her in the activities of the congregations in the Presbytery. She has been working mainly with the leaders of groups through training sessions with Church School superintendents and teachers, introducing the Westminster Faith and Life Curriculum. Leadership training sessions have been held for teachers, as well as Demonstration classes for the various departments of the Church School.

HOSPITAL VISITORS — 1962

REV. PETER C. MCCRAE

In the Toronto General Hospital, many of the patients are far removed from their own home churches. Calls per week — 60 plus; Allotted time — two days.

Weston Sanatorium: Visits — 23; Time allotted — one day a month.

The number of patients at the Weston Sanatorium are going steadily downward. The slack has, however, been somewhat taken up by the addition of chronically ill cases.

In addition to the regular monthly service, your chaplain contributes articles to the Hospital Magazine, "The Link", as requested by the editor, Mr. Pearce.

Ontario Hospital, 999 Queen Street West, Toronto: Patients — 175; Calls — twenty-five per week; Time allotted — one day a week.

Admissions to the Ontario Hospital keep a steady pace. Most months report about the same percentage of Presbyterians. Below is a sampling of the statistics as recorded for the Chaplain's Office at the Queen Street Hospital, as of October, 1962.

Anglicans — 28; Baptists — 3; Jewish — 6; Lutherans — 7; Presbyterians — 6; Roman Catholics — 34; United Church — 17; Salvation Army — 2; Greek Catholics — 8; Seventh Day Adventist — 1; Protestants — 10; Religion not known — 50; Total admissions — 172.

As matters stand, we are responsible for the general Protestant worship in the Auditorium on the fourth Sunday of each month at 9 a.m.

St. Michael's Hospital: Patients — 38; Time allotted — one day per week.

St. Michael's Hospital, like all downtown hospitals, has a large percentage of outside patients. Specialization is the order of the day at such institutions.

Because of the nature of the hospital administration, we appear to have more calls for Sacraments of the Church than at most other hospitals in the city. However, it is always a help to know that there are places where an Ordained Visitor can be of much service. Presbyterians seem much at home at St. Michael's.

Doctor's Hospital: Patients — 23; Time allotted — part of a day per week.

This cosmopolitan institution with its League of Nations flavour has always a few hidden or forgotten Presbyterians who need the comfort of the "Word".

Let me say to all my Brethren, what a privilege it is to serve in this work assigned to me as a Hospital Chaplain. Let us strive to make all men and women feel that no one is outside the concern of the Church of Christ, and that the great invitation still stands — "Come unto me, all ye that labour and are heavy laden and I will give you rest".

MISS MYRTLE MACKINNON

Once again I am privileged to submit my report on hospital visitation for another year. During 1962, I have visited patients in the following hospitals:

The Toronto General Hospital	1,660
Mount Sinai Hospital	418
Grace Hospital	470
Sick Children's Hospital	364
Women's College Hospital	936
Princess Margaret Hospital	396
	4,244

It is interesting to note that the patients visited this past year show an increase over 1961 of 642, a forceful reminder of the pain and suffering ever with us, and of the work to be done by the Church. I am grateful for the opportunity of being one of the Church's messengers to the sick and needy.

I wish to express my thanks to the Women's Missionary Society for the service rendered by way of gifts and leaflets for distribution among the patients in the hospitals.

All of us I am sure, at times have a feeling of inadequacy and we remember the things we have left undone. This is especially true in hospital visiting. When faced with the desperately ill and dying, we wonder if the message of hope and the friendly handshake has any real spiritual meaning to the afflicted one. I would like to tell you about a patient I visited who has a very short time to live. When I looked in on her she appeared to be sleeping and as I turned away she opened her eyes, and smiled at me. I said I did not wish to disturb her as sleep was important. She said "You are important to me, you lift me up above the pain and suffering". It is circumstances like this that makes the work so richly rewarding, and makes me very proud to serve the Church in this work so dear to the heart of Our Lord, who in His great compassion healed the sick and blessed them.

REV. ALLAN REOCH

During 1962, I made 7,577 visits to patients in hospitals. Of these, 6,880 were to patients from the Metropolitan Toronto area, while 697 were to patients from outside Toronto.

The out-of-town patients came from all parts of Ontario, and from as far away as Alberta; from New York, Philadelphia, Detroit and from Aberdeen, Scotland.

I visit once a week, all those who are registered as Presbyterians at the East General Hospital, the Wellesley Hospital, the Western Hospital, St. Joseph's Hospital, and half of those in Our Lady of Mercy Hospital. In addition, once a month, I visit those who are at the Riverdale Hospital, Lyndhurst Lodge, the Princess Margaret Hospital, Wellesley Convalescent Hospital, Hillcrest Hospital, and since December at St. John's Convalescent Hospital.

My plan is to add on monthly visits to the Branson Hospital, and the Isobel and Arthur Meighen Lodge.

An average of 40 cards have been sent out monthly to the Toronto Ministers, giving the names of those who are registered as Presbyterians but who were not

An average of 40 cards have been sent out monthly to the Toronto Ministers, giving the names of those who are registered as Presbyterians but who were not

linked closely with any church. Many of these people have become connected with churches in the city.

We received Christmas leaflets from the W.M.S. and went as a group to Lambert Lodge, and the three Belmont Homes and gave a Christmas message to each person. Mr. McCrae gave one to each patient at the Runnymede Hospital while I visited Hillcrest and St. John's Convalescent Hospital, and also left leaflets for the Presbyterians at the Isobel and Arthur Meighen Lodge.

Services have been conducted monthly in the chapels at the East General Hospital and the Princess Margaret Hospital. Two ladies from Rosedale Presbyterian Church come to the Princess Margaret Hospital to assist any to the service. This is greatly appreciated.

A new chapel has been provided in the Western Hospital. Some services have been held and the chapel is always open for prayer.

Literature is given to every patient visited and we are grateful to all who have assisted in this work.

Communion Services have been held on request. The hospital visitation work is largely a ministry of prayer. Many have received spiritual help while in hospital.

IMMIGRATION

The year of 1962 in the Immigration Department was one of many changes. The Rev. Ross Mackay very capably acted as Director until the new director, Miss Frieda Matthews, began her duties on March 15.

Miss Mary MacEachern, port receptionist in Halifax, serving under the Woman's Missionary Society (E.D.) resigned in August, to begin her training as a nurse. No other appointment was made and this meant that the Rev. A. O. MacLean had to carry on alone in the port work in Halifax. He has been most diligent in sending on names not only of ships' passengers but also of plane passengers coming through Halifax. Mrs. I. M. Creaser met the larger ships coming into Saint John and in addition sent us information of passenger lists of nine smaller ships.

Miss Dorothy Lukes has continued in her good services as port receptionist in Montreal and also willingly gave valuable assistance in the office. Miss Lukes met 104 of the 109 ships into Montreal and 2 of the 5 into Quebec. In so far as it was possible and when deemed necessary, there were 2 and often 3 receptionists at each ship in Montreal during the height of the season. Miss Charlotte Horning, an appointee of the Women's Missionary Society (W.D.), was an efficient helper in our work in Montreal from May until September.

Overseas we had only one chaplain, the Rev. John Service of Glasgow, who secured the names of immigrants leaving Scotland by ship and forwarded this information to us by airmail, so that we received it in advance of ships' arrivals.

Through the courtesy of the Federal Immigration Department the names of immigrants arriving by plane were received from the offices of local service agencies in a number of cities across Canada. In the church offices in Toronto, Mrs. Marilyn Carr of the Home Missions staff, gave a part of her time securing names and forwarding them to ministers and Welcome and Welfare secretaries. It is interesting to note that approximately 500 immigrants; Presbyterian, Calvinist or Reformed, arrived in Toronto by plane in 1962. In several other large centres across Canada, local ministers were appointed to receive the names

of plane arrivals. We regret that so far as statistics are concerned we have nothing to report from these ministers but several of them requested that blank notification forms be sent to them for their use in forwarding names.

It is interesting to note in figures released by the Statistics Section of the Department of Citizenship and Immigration that there was a slight increase in number of immigrants in 1962 over the previous year. In 1962 — 74,586, and in 1961 — 71,689. There was an increase in the number from Britain, in 1962 — 15,603, and in 1961 — 11,870, and a noticeable increase in the number from Egypt, in 1962 — 1,322 and in 1961 — 31. Our office records show that at the four ports at which our receptionists work we dealt with 1,350 Presbyterians, 192 Reformed and Calvinist, and 123 just shown as Protestants. The figures we have of air arrivals (Toronto, Halifax and Montreal) showed 747 Presbyterian, 106 Calvinist and Reformed, and 22 Protestants. Of the total of 869 plane arrivals, 495 went to the Toronto area.

Some 1,718 notices were sent out (majority in duplicate) to the ministers and welcome and welfare secretaries, about 3,000 in all. There were 327 notices returned from ministers and 323 from the welcome and welfare secretaries, for a total of 650 replies, referring to 853 immigrants. The information received showed that at the time of reporting, 21 had already united with the Church, 155 were attending and 184 had indicated their interest and intention of attending. The number of returns (650) was a great improvement over 1961 (157). Nevertheless these returns were only about one-fifth of what had been sent. We received information about 853 immigrants in the 650 returns, whereas we had forwarded a total of 2,540 different names in the 3,000 notices (some notices were duplicates for ministers and Welcome and Welfare Secretaries). We have been encouraged by the number of reports received but we are concerned that there are some areas from which we have never had any report. Some of the reports have been disheartening but there are always those which were very encouraging and made the work worthwhile.

On November 28, a Port Chaplains' Conference sponsored by the Canadian Council of Churches was held in Montreal. It was agreed that through the Executive Committee of the C.C.C. permission be sought from the churches to produce co-operatively, literature for distribution at the ports of entry. The recommendation is that port workers continue to be paid by, and gather immigration information for, their respective Churches, but that they wear a C.C.C. armband and dispense one pamphlet with information about all the Protestant Churches. It was pointed out that this would release some workers so that C.C.C. booths at airports and railway stations might be established and manned.

Two new leaflets are now at the printers and will be ready in February. These are being paid for by the W.M.S. (W.D.).

The office is being moved to 333, from 908 Dominion Square Building in Montreal, at a saving of \$46.00 per month. The new office, though smaller is laid out to better advantage.

High tribute has been paid to Miss Matthews for her efficient handling of the department. Most important was the new realization by ministers and welcome and welfare Secretaries that the information received about immigrants was fresh and helpful, as reflected in the great increase in the number of returns sent to the department. It is hoped this increase will develop into a long-term trend as there is still much room for improvement.

Mr. Henry Johnson, the Chairman of the Immigration Committee, is to be highly commended for the keen interest he has taken in all the affairs of the department, visiting the docks, studying the problems and conferring on future plans, all of which was reflected in his able chairmanship of the annual meeting.

Halifax Port

It was a cold morning along the Halifax waterfront. The mercury went down below zero during the night, and by eight o'clock it was trying desperately to crawl above that mark. The longshoremen were swinging their arms to keep warm, as they waited for the "Carinthia" from Liverpool to dock. The tug boats like busy mother hens darted from stem to stern to ease the great ship to a secure spot at Pier 23. Heavy vapour arose from the water as a further indication of how frosty was that December morn. In a few minutes she would be in and the bags and baggage would be unloaded. To the men on the waterfront this meant a few extra dollars to the Christmas payroll. After all, this was only a routine job.

In the shed, the Immigration and Custom Officers waited. A lot of forms had to be filled in and sent to Ottawa. No immigrant could be overlooked. The thoroughness with which they carried out their duties here might prevent a future delay if a new Canadian desired a vacation home in a few years. The medical and other routine matters would be carried out without a hitch as the result of years of experience. The Immigration Officer at the last exit door had to make sure all their landing papers were in order.

This was going to be a busy morning because the "Ocean Limited" was timed to leave at 11:30 a.m. It was hoped that all the ships' passengers would be ready to board that train. The train would be delayed for an extra half-hour if necessary, but every effort would be made to complete things on time. As the long blast from the "Carinthia" told all that she was secure, the waiting officials went into action.

The Presbyterian Church in Canada was also there. On this morning like many other mornings throughout the year, the Church was there in the Port Chaplain. He was not so much interested in the filling in of forms, but in extending a warm welcome in the name of his Church as well as assisting all that he could through the routine that faces a newcomer to strange shores. According to the Index given to the Chaplain by the Chief Admissions Officer, there were many new Presbyterians coming ashore from the "Carinthia". They were coming to Canada as some said, "to try our luck". For some it was a new experience. This was their first trip away from "home"; Halifax such a long way from Liverpool and "home". In their heart there was a questioning whether they would be happy in this great new land of Canada. Some in this group were seasoned travellers. They left Liverpool years ago and went to South Africa to try their luck, but things did not meet with their approval. Somehow they believed that God made of one blood all people who dwell on the earth. They could not cope with apartheid. Today, they were beginning a new home in Canada. They were sure that Canada would be a good land to them. They heard that Canadians were a very friendly people. They heard them sing, "from Bonavista to the Great Pacific, make our land your land". Today they were going to make "your land, my land".

It was not too long before the Port Chaplain contacted all who had stated in the ship's index that they were Presbyterian, Church of Scotland, or Calvinist.

This was one morning when he wished that he had some help, but working with groups of two's and three's he was able to give assistance to all. There were many questions to answer that morning. "What do I do next? Where do I go from here? Where is my heavy baggage? O dear, look at this broken trunk. It has been crushed in transit. Is there a ship's agent here? Do you always meet the ships? What is it like to turn out of a warm home and come down here and help perfect strangers? What is the difference between the Church of Scotland and The Presbyterian Church in Canada? Will I have any trouble finding a Presbyterian Church in Hamilton?"

As the last piece of baggage is inspected and all the baggage checks are tucked away in safe keeping, the Port Chaplain gives them the latest copy of the "Presbyterian Record" to read on the train. This is the second introduction to the church which they will be making as their new church home.

The Port Chaplain feels a tap on his shoulder as he talks to a man from Glasgow, and on turning around he is addressed in a Highland tongue, "I am not a Presbyterian but I would like to have a copy of your church paper. My roots are Highland, but somewhere in the past I got over to the other side of the fence. As I watched you shepherding my friends this morning, I was wishing that I were a member of your flock".

Good wishes and journeying mercies were extended to all. The Port Chaplain then asked a favour of his Presbyterian friend. "Would you please mail this letter on the train or when you arrive in Montreal. It contains all the names and final destinations of all the Presbyterians that arrived this morning. It is going to our Immigration Department in Montreal and they will notify the minister in the area where you are going to live, and he will be around to extend a further welcome to you in the name of the Church". "Amazing, amazing said the old Scot. I guess there is more to this gospel than what we see and hear on Sunday . . . many thanks for all your kindness . . . and may God bless all that you are doing in His Name".

The Port Chaplain returned to the Immigration Offices to get the names of those who arrived by air yesterday. These names and addresses had to be sent on so that our ministers might also welcome them. As the Chaplain walked up the long ramp leading from the baggage room to the offices, he likened this immigration routine to the thinking of those who send out "chain letters" . . . "PLEASE DO NOT BREAK THE CHAIN". "I hope", thought the Chaplain, that no one breaks the chain that began this morning, and can only end when John, Margaret, Ian, William and Alexander are welcomed into The Presbyterian Church in Canada as members with all the rights and privileges pertaining thereto.

REPORT OF THE WOMAN'S MISSIONARY SOCIETY (Eastern Division)

To the Venerable the 89th General Assembly:

The Board of Management of the Woman's Missionary Society (Eastern Division), respectfully submits the following report for the year ending September 1962:—

Reports from the eight Presbyteries of our Society show a slight decrease in the adult membership, while increases are noted in both Children's and Girl's Departments, although many congregations report no groups.

The study packet for Girl's work was well received. Affiliation and re-affiliation services with the W.M.S. have been held. One group corresponds with Rev. and Mrs. Shields of British Guiana, the latter being a graduate of their group.

A C.G.I.T. week end camp was held at Camp Mira and proved successful. During the past year, a Presbyterian Leader's Fellowship Group has been organized in Sydney Presbytery. This year Miss Helen Tetley was welcomed as our National Secretary and both leaders and girls are hoping to meet her in the Maritimes soon.

Children's work has been carried on in all eight Presbyteries. Different studies were used. Very few groups used the listed study. We earnestly hope for a better report in 1962-63, especially that leaders for this important work may be secured. We know our Church in the Maritime Provinces is filled with capable young women and we trust some may enlist in this important work of training children. Our Society realizes fully that in these children lies the future leaders of each and every Church in our Synod.

OVERSEAS WORK

BRITISH GUIANA

During our Missionary year, the resignation of Miss Anna MacDonald, Missionary in British Guiana was received. She returned to Canada in April 1962, having completed twelve years of service. Tribute to Miss MacDonald's work was received from minutes of British Guiana Mission Council, which met March 15, 1962. "The members of the Mission Council place on record their appreciation of the faithful services which have been rendered by Miss Anna MacDonald during the past twelve years. She has been untiring in her work among the women and children in Berbice County, and her efforts will continue to bear fruit in the life of the Church! We pray that God may bless her future work in Canada."

When Miss H. Baijnauth married in March, 1962 we were left with only three senior native deaconesses and two students. In an effort to encourage this work, our Board approved an increase in travel grant for the senior native deaconesses.

During the year, our Overseas Secretary, Mrs. Charles A. MacDonald, visited British Guiana and felt it a rich, rewarding experience. The time was spent in visiting all the fields of our Church and to quote from Mrs. MacDonald's report "I was able to see some of the Primary schools still under the direction of our Church and meet with Christian teachers and some of the thousands of scholars making up these schools. It was worthwhile to meet with the groups of women in the Counties of Berbice, Demarara and Essequibo, and to try to understand their problems in that particular culture and country. It was a pleasure to visit

new C.G.I.T. groups and to see the results of training in Canada given Miss Budhoo and Miss Chhanjur." Mrs. MacDonald had the pleasure of visiting our W.M.S. members in Bermuda, where a happier and closer fellowship was established within our W.M.S. family.

INDIA

An important event in our year was a visit from our Missionary, Miss Mary E. Nichol, R.N., who was on furlough from Jobat, India. She visited many groups and Presbyterials telling a fascinating story of the growth of the Christian work in the Bhil Field, India, and of the beginning of the Isabel McConnell School of Nursing at Jobat, of which Miss Nichol is Director of Nursing Services. When this school opened in 1956, our Society undertook responsibility of its expense. We are grateful to Miss Lily Simpson, R.N. of the W.M.S. (W.D.) staff, who so kindly and efficiently assumed Miss Nichols duties during her furlough. In her recent report Miss Simpson states: "At the year's end there were 25 students enrolled in the School of Nursing; seven in first year, nine in second, six in third and three in fourth year". These students come from all parts of India.

Miss Nichols, after taking winter and further summer courses at Western University, London, Ontario, obtained her degree of Bachelor of Science Nursing and returned to India in September. The microscope now in use in Jobat Hospital was made possible by a gift of an anonymous friend in Halifax-Lunenburg Presbyterial, and has proved of great value. Our Society also provided another microscope for use at Queen Elizabeth Hospital, at Umuahia, Eastern Nigeria. During the year, we provided scholarships for Hukka Students in Formosa, training Bible women in Japan, also assisted a Korean student's family in Japan. We also contributed towards flood relief in Formosa.

HOME MISSIONS

We supported three full time workers during the past year, viz. — Miss Mary MacKenzie, Presbytery Deaconess in Prince Edward Island; Miss Margaret MacDougall, Regional Secretary for the Maritime Synod and Miss Mary MacEachern, Port Receptionist and Hospital Visitor in City of Halifax. It was with deep regret that the Board of W.M.S. (E.D.) received the resignation of Miss MacEachern as of August 31, 1962 due to fact that she has entered Victoria General Hospital in September to train for a nurse.

Mrs. I. M. Creaser, Port Worker at Saint John, brought her usual joy and comfort to the new settlers arriving at this port.

W.M.S. (E.D.)

The following student deaconesses were under summer appointment in 1962: viz. Miss Barbara Campbell who worked in the Newfoundland Presbytery; Miss Emily Drysdale in the Halifax Lunenburg Presbytery; Miss Florence Hood as Congregational Deaconess in Caledonia, Pictou Presbytery. She also directed two girl's camps at Camp Kier, Prince Edward Island Presbytery.

Miss Georgina Caldwell acted as Director of Girls Camps and Young Peoples Camps at Camp Mira, Cape Breton, also directed a D.V.B.S. in Sydney Mines where over 200 students were in attendance.

Bursaries were granted to three students in Theology and one Deaconess student.

Grants were made to Ewart College, Maritime Home for Girls, Truro, N.S.; Interprovincial Home for Young Women, Coverdale, N.B. and also to our synodical camp, Camp Geddie at Merigomish, N.S. and Presbytery Camps — Kier in Prince Edward Island and Camp Mira in Cape Breton.

The use of "In Memoriam Card" is increasing. The money received from this project has been used for Christian Literature.

Home Helpers. The work in this department is increasing. We now have 898 members, an increase of 21. Nine members became active members of our Society during the year.

THE PRESBYTERIAN MESSAGE

Eleven issues of our magazine were published during the year, each issue being the enlarged edition of 20 pages. This completes volume 72 of our Missionary Magazine. In looking over the issues of the 72nd volume, it is very evident that the main emphasis this year has been a Missionary one. The second important emphasis was on Prayer, and worthy of mention were the monthly programs on the theme, "Called by a New Name". We would acknowledge our indebtedness to "Glad Tidings" for their continued courtesy in allowing reprint of many valuable articles to our Readers.

In our Presbyterian Message, we find as the months go by, not only the history of our work and how our women are working and planning to carry on, but real hope and inspiration for the future.

OVERSEAS MISSIONS REPORT — 1962

Mary E. Whale, B.A., Executive Director of Overseas Missions

Reading the reports from overseas which are at hand at the time of writing, one must be impressed with the opportunities God is giving Christian Missionaries, and you and I who support them in these days. In each of the fields, and each aspect of the work, we are feeling that God is allowing us to be used for His support in both old and new ways of working. There are opportunities for the Christian message to become the basis for decision and action in every walk of life. As the countries of Asia, Africa, and South America develop; as their people gradually take their places in leadership in their countries; there is an increasing need for the Christian message. The Message of salvation through Jesus Christ; the promises of the power of the Holy Spirit for those who believe; the beauty of the peace, which comes only from our Lord; all are needed in the weary modern world, and in many places in this world are being sought. As we realize the opportunity we are being offered, to be the only effectual peacemakers of the world, we also realize how much there is to do; we realize that each one of our Missionary staff is working hard — too hard, yet working with the surety of the worthwhileness of the task.

The opportunity for Christian witness in these days was made most evident to your Director of the Overseas Missions, in a visit paid to India in the autumn of 1962. Every part of the work — educational, medical and evangelistic — was fitting into the fabric of everyday life in India, in a way this observer had not noted before. The only restriction in some areas of Christian work in India today is the lack of trained leadership. This means that there is need for Missionary leadership to help to train those who will be in the forefront of India's life.

The Christian Mission has, from the beginning of its witness in India, helped to provide high standards in education and in medicine. As India seeks to develop its economic and social life, it needs even more than heretofore, to be supported by the Christian cause. So in education and in medicine, our people are seeking to meet the needs of the country, as well as the spiritual needs of the people.

REPORT OF THE NATIONAL DEPARTMENT

During the year 1962, the ministry of the members of our National Staff extended from the very young to the not-so-young, from the first Canadians to the New Canadians, from the sick and shut-in to those strong in mind and body,

and from our over-crowded downtown urban centres to the isolated maintenance camps which nestle along the Alaska Highway, as they sought to witness to the Gospel of Jesus Christ in the place where they have been called of God to serve.

Three members of the graduating class of Ewart College were appointed to the staff in March. Miss Mary Duffin was assigned to work with the Chinese people in Sudbury and also to give assistance in two of the newer congregations in that city. Miss Louise Gamble took up work in the Chinese Mission in Montreal, and Miss Sheila Stephens became Presbytery Deaconess in the Presbytery of Hamilton.

We were sorry to lose Miss Gee Bun Lee from our Chinese work in Toronto. Miss Lee served our Society faithfully and well for eight years and found it necessary to resign for health reasons.

Miss Flora Whiteford returned from her study furlough in Scotland on July 1st. Miss Grace Lee and Miss Elsie Lee began their study furloughs in September, spending them in Hong Kong and at Scarritt College, Nashville, Tenn., respectively. Miss Margaret Near took up her work again on July 1st following a six month's leave of absence for study purposes, and Miss Catherine Denholm began a year's leave of absence in the British Isles on November 1st.

Many hundreds of people in hospitals and nursing homes across our nation have been encouraged and comforted by our five Hospital Visitors. Miss Lila Schneider again took up the work of visitation in London, Ontario, in September, and Mrs. H. B. Wallace joined our staff on December 1st, as Hospital Visitor in the City of Edmonton.

Eighteen deaconesses served on our staff as Presbytery deaconesses, in Indian work, in institutions, in immigration work and in downtown missions. Six student deaconesses were appointed for the summer months to give assistance in Vacation Bible Schools and camps. Two of these young women served on the Alaska Highway.

The work with the Chinese women and children continued to occupy thirteen members of our staff, in Victoria, Vancouver, Toronto, Windsor, Montreal, and the newest area, Sudbury.

A total of fifty-five persons were accommodated at Presbyterian Fellowship House in Winnipeg during the year. Six of these were students and the balance were transients. The guest book was signed by 144 persons from many parts of Canada, as well as from Scotland, Formosa and New Zealand.

Our Indian Residential Schools at Birtle and Kenora both experienced cut-backs in the student enrolments beginning in September. This was brought about by re-arrangements made by the Department of Indian Affairs and resulted in more satisfactory conditions in the schools, where facilities have been severely taxed in recent years by record enrolments. All but three classes in each school have been integrated and the students have shown noted improvement, both in their academic work and in their social adjustment, as a result of the integration programme.

PUBLICATIONS REPORT — 1962

In all the many angles of W.M.S. work which are carried on by, and through, the Publications Department, 1962 has been a good year of progress, increasing production, activity and interest. During this past year, the Publications Department has been faced, not only with rising costs of printing, and the higher price of books, in general, but also by the loss caused by the depreciation of the Canadian dollar, and the difficult situation for Canadian funds throughout the months. In spite of these drawbacks, however, the Literature Section of the Publications Department, is able to report, for 1962, a net profit of \$1,545.00, through the sales of Study Packets, Resource and other books, and many types of literature handled by this Department.

Through the Publications Department is carried out the production, sale, and distribution of the Annual Study Packets for Adult Groups; Teen-Age Groups; Children's Groups; and Primary Groups. The manuscripts for these are proof-read and brought into production, either through a Printing Firm, from whom Estimates are procured, or, quite often, they are mimeographed by our own Office Staff. Booklets, leaflets, and free literature, as required and used by the Overseas, National and Organization Departments, in their work, are put into production, edited, and distributed through this Department, and orders are filled for C.G.I.T. and Explorer needs. The Mailing Section serves the other Departments, as well as receiving orders for, and sending out throughout all seven Synodicals, the well-chosen Book Displays, and Travelling Libraries, which are extensively used by Auxiliaries, Affiliated Groups, Presbyterials and Synodicals, at Annual and Sectional Meetings, as well as by many other Women's Organizations, within the Presbyterian Church in Canada. Here also is stocked a large number of helpful, informative, devotional and inspirational Resource and Supplementary Reading Books, for which orders are constantly filled, as well as for many other good books of worthwhile reading, for which W.M.S. members are increasingly asking. This service of making easily available to our membership the books and literature which they need, and desire, is much appreciated and widely used.

In addition to the Study Packets, each year the material for "The Blue Book" — the Annual Report of the Women's Missionary Society (W.D.) of our Church — comes to this Department in typewritten manuscript form, from each Department and Secretary, and these Reports are then edited, proof-read, and compiled to go to the Printer and become the finished Annual Report of the Society. To the Publications Department, also come the yearly Reports of the Literature Secretaries; Press Secretaries; and Glad Tidings Secretaries, who work closely with the Director and the Staff throughout their own Auxiliaries, Groups, Presbyterials and Synodicals, from Quebec to British Columbia. The Public Relations Committee, also functions as a Committee within the Publications Department.

"The Glad Tidings", the official magazine of the Women's Missionary Society (W.D.) is the special responsibility of the Publications Department, and the Publications Committee. Here it is planned, produced and edited, each month, to go out to subscribers with the dual aim of providing for the women of the W.M.S., and of the Church generally, a thorough and up-to-date knowledge of the Missionary outreach of our Church, and our Society, in all our Mission Fields across the world, both in Canada and Overseas; and also of providing a medium through which the various Departments of W.M.S. work and planning may have regular contact, through the written word, with the members of all Auxiliaries, Groups, Presbyterials, and Synodicals, thus keeping them informed of the most recent news and needs of each Field — as these are known to the Executive Directors and their Committees. This is the communication link between our workers and our members, and it is widely read, and used as Programme material in practically all Groups.

Comprising 48 pages, "The Glad Tidings" is published monthly, except for July and August, which is a combined issue, and the subscription price is \$1.00 per year. Subscriptions, in 1962, numbered 20,311, a goodly increase over 1961, but not yet reaching the coveted total of 25,000 subscribers, which is our goal for 1964, the W.M.S. Anniversaries' Year. The yearly Short Term Subscription Offer, of three months for twenty-five cents, resulted in 514 new subscriptions, many of which became full time subscriptions later.

In 1962, for the first time in seven years, "The Glad Tidings" had to meet a substantial increase in the cost of printing, but, with the help of the yearly Grant from the W.M.S. General Fund, the growth in new subscriptions, and thrifty planning, it was possible to carry on without increasing the yearly subscription rate, as so many Church and Secular publications were compelled to do. A great many free subscriptions to "The Glad Tidings" are included yearly — to all W.M.S. workers on our Mission Fields; to Hospital Visitors — one Visitor uses 50 copies per month; in exchange with other Church periodicals throughout the world.

The total Estimate for the Publications Department, covering salaries and all expenses of its work, for 1962, was \$22,600.00, and the Disbursements for this Department, as shown in the 1962 Financial Statement, amounted to \$20,910.28. This means that \$1,689.72, which might have gone for Publications expenses and needs, did not do so, but was retained in the W.M.S. General Fund — an achievement for which we are both proud and thankful!

(Mrs. Arthur J.) LEETA MCCULLY CHERRY,
Executive Director of Publications
and
Editor of "The Glad Tidings"

CHRISTIAN LITERATURE REPORT

"Opportunity Unlimited". This is the challenge that is facing us in the field of Christian Literature today. It is becoming increasingly evident that one of the most challenging pieces of missionary work to be done at the present time is that of making Christian Literature available for the ever-increasing millions being taught to read each year.

We, in Canada, are so privileged that it is difficult for us to realize that there are still vast numbers in the world who have been denied the joy of reading, especially of Christian Books, containing the gospel message intended for all men. The Governments of what we term "Non-Christian Countries" have now established educational programmes to make it possible for the people to receive an education, not only in the elementary grades, but many have entered the professional field of learning and are taking their place, with credit, with the scholars of every nation. In some schools, Christian teachers are preferred by Government Officials, as staff personnel.

The word "literate" is now applicable in some areas formerly termed "illiterate" — but what will the outcome be — if, after being taught to read, there is no Christian Literature available. The new "literate", in their anxiety to read, will turn to whatever there is, and the Communists have been quick to take advantage of this situation. Moscow has set up a "Foreign Language Translation Department" for the translation of Communistic books into more than 100 languages, with an annual budget of \$1,500,000,000.00. Each book is attractively bound and heavily subsidized.

In Bielefeld, Germany, last October, there was a Regional Christian Conference held, for the purpose of studying the various aspects of Christian Literature and the possibility of setting up a "World Christian Literature Fund". Provisional plans were laid and this will be of great interest and significance to all the Christian Churches in the world, as a sincere effort to marshal all the existing resources which are now available in the field of Christian Literature.

The total amount spent by our Society in 1962 for Christian Literature was \$14,213.25, made up of \$7,900.00 from the general budget, \$5,000.00 from the Legacy Fund, and \$1,313.25 in special gifts. These grants were used in various ways depending upon the urgency of the situation, for Christian Literature, for books and magazines, for assisting native writers in writing centres, for setting up work shops, for producing Sunday School Curriculum material, et cetera. Formosa received \$600, British Guiana \$250, Carribean \$400, India \$1,400, Hong Kong \$600, Africa \$1,000, Korean work in Japan \$550, Latin America \$500 and the Committee of World Literacy and Christian Literature, New York \$1,300. In Canada, \$1,500 was given to the Canadian Bible Society, \$400 to the Department of Overseas Missions of the Canadian Council of Churches for overseas projects, \$1,500 for printing of the Ukrainian magazine Evangelical Truth, \$500 for Hungarian "New Life", and \$1,100 for French work. The balance of \$2,613.25 was used to augment the work of some of those receiving the usual grants, and for special work projects of our missionaries. It is of interest to note that the Ukrainian language is now considered the fourth language in Canada.

The distribution of Christian Literature is not only a need in our day, but a must if we are to meet the challenge of providing Christian Literature for the new readers on our Mission Fields. This is a co-operative piece of work of the most thrilling nature, assisting as it does, not only the work of our own Presbyterian Church, but with sharing in the responsibility with other Churches, Christian Councils and Committees, the task of providing Christian Literature for those Christians in other countries who have so little and need so much.

(Mrs. J. M.) LAURA D. BURNETT,
Christian Literature Secretary.

SUPPLY REPORT — 1962

Another year has passed and once again the members of the Women's Missionary Society (W.D.) have shown Christian concern for the needs of others.

The Supply reports tell of clothing, quilts, baby layettes, sewing materials and Christmas gifts sent to Indian Reserves, and Indian Residential Schools. Our hospital visitors have received gifts to be distributed as they visit the sick in hospitals and nursing homes. Help has been given to Downtown Missions, and to newcomers in various communities.

Through money given to the Supply Fund, our missionaries are able to purchase hospital and medical supplies for the overseas fields, and educational supplies for both home and overseas fields, as well as a multitude of other materials needed by our overseas missionaries.

God has blessed us abundantly. Should we not in thankfulness share with others?

(Mrs. J. C.) HELEN COOPER,
Supply Secretary.

WELCOME AND WELFARE REPORT — 1962

"Be ye kind one to another."

The report of the Welcome and Welfare Department indicates that many devoted women, in various ways, have brought comfort, encouragement and happiness to the sorrowing, the suffering and the stranger in our midst. There has been an increase in most areas of the work. Particularly noteworthy is the increase in the service to the newcomer. More visits have been made and more letters written, with the result that more persons have become connected with the life of the church.

Assistance has been given to many worthy causes within the community and the church, namely, Fellowship House, Armagh, Indian Schools, Sanatoria, Evangel Hall, Scott Mission, Salvation Army, et cetera. All Welcome and Welfare secretaries and their associates have continued to visit regularly persons living in hospitals, nursing homes, senior citizens' residences and in their own homes, providing reading material, treats and gifts, and above all, the message of the love of God. One group acted as visiting homemakers to several housebound invalids, helping with shopping, cooking and cleaning.

Literature, in great quantities, has been distributed to individuals and institutions. The names of students, away from home at schools and colleges, have been referred to their nearest church and minister. In some areas, secretaries at the congregational level have assisted ministers in their parish visiting.

(Mrs. I. G.) HELEN P. SINCLAIR,
Welcome and Welfare Secretary.

COMMITTEE ON CHAPLAINCY SERVICES

To the Venerable the 89th General Assembly:

This committee acts for the whole church in providing chaplains for the forces and in supporting them in their work. It shares with our chaplains the responsibility for ministering to Presbyterians in uniform, their wives and their children.

The convener confers with the conveners of similar denominational committees in the regular meetings of the Canadian Council of Churches Committee on Chaplain Service in the Forces. He also attends the annual retreat of Protestant Chaplains in order to meet with our men in informal discussion.

It must be remembered that the set-up in the forces provides one Protestant chaplain per unit as a rule. This means that Presbyterians must often be under the care of Protestant chaplains of other faiths. The latter look to us for help, particularly in preparing communicants for our church.

It is therefore, a major part of the work of this committee to provide Presbyterian materials for all Protestant chaplains, so that they may minister adequately to our people. For example, in 1964 all Sunday School offerings in the forces will be given to a Presbyterian project, and promotional material must be prepared and provided in quantity to encourage interest.

During the year 1962 Squadron Leader Kenneth W. House retired after a period of distinguished service in the Royal Canadian Air Force. An additional army chaplain was added this year in the person of Capt. Stanley Self and an RCAF chaplain, Flight Lieut. L. T. Barclay.

In the uniform of the Royal Canadian Navy we have the Rev. Dr. E. G. B. Foote, Protestant chaplain-general, the Rev. Dr. Charles H. MacLean and the Rev. A. Gordon Faraday.

There are now six Presbyterian army chaplains, Major J. M. Anderson, Major Howard A. Doig, Major J. D. L. Howson, Capt. W. J. O. Isaac, Capt. P. L. Sams and Capt. Stanley Self.

In the Royal Canadian Air Force our church is represented by Wing Commander the Rev. Dr. James Dunn, Flight Lieut. R. J. C. Ritchie, Flight Lieut. William J. Graham and Flight Lieut. Leslie T. Barclay.

Many Presbyterian ministers serve part-time or on summer employment as chaplains with the active reserve of the navy, army or air force.

The portion of chapel offerings allocated to the budget of the Presbyterian Church in Canada in 1962 totalled \$6,118 as compared to \$5,420 the previous year. Our two theological colleges will each receive a bursary of \$2,500 from the R.C.A.F. Central Chapel Fund Committee in 1963, to aid in training men for the ministry.

Until action is taken on the recommendation that this specialized committee be a small one limited to the central area of Canada we are compelled to pay the travelling expenses of those from a distance who have been appointed to the committee by the General Assembly. This means that to do its work and pay expenses for one annual meeting the Chaplaincy Services Committee requires much more than the \$500.00 allotted to it annually.

It has been drawn to the attention of this committee that there is urgent need for some department of our church to recognize the increasing impact of other chaplaincy work in present-day society. We have men serving in penal institutions, with provincial correctional staffs, and as jail chaplains. Others are employed as chaplains by the Department of Veterans Affairs. To date this committee has been concerned only with chaplains in the forces, but we feel that standards need to be set and some national form of liaison set up for those Presbyterian chaplains across the country who are ministering in institutions of various kinds.

Once again we commend to all our congregations the chaplains and service personnel in their areas with the hope that the ties of Christian fellowship may be strengthened.

RECOMMENDATIONS

1. That this General Assembly assure the Protestant chaplain-general and all our ministers in the forces of our prayers and support in their particular ministry.
2. That this General Assembly urge the Administrative Council to provide the sum of \$1,000 in 1964 for the work of the Committee on Chaplaincy Services.

DAVID P. ROWLAND,
Convener.

DECOURCY H. RAYNER,
Secretary.

REPORT OF THE COMMITTEE ON ARTICLES OF FAITH — 1963

To the Venerable the 89th General Assembly:

The Committee on Articles of Faith has continued its work within the various fields assigned. Its membership consists of: Mr. Scarth Macdonnell, convener;

Mr. R. A. Sinclair, secretary; Principal Robert Lennox; Professors Keith Markell, D. N. MacMillan, J. C. McLelland, W. Stanford Reid, John Wevers, David W. Hay, A. L. Farris; Drs. Louis J. Shein, David Gowdy, J. B. Skene, J. A. MacInnis, C. L. Cowan, D. K. Perrie, L. H. Fowler, H. F. Davidson, J. C. Hay; Messrs. G. L. Douglas, J. C. Robson, C. G. Boyd, John Fleck, Stuart Coles, C. C. Cochrane, J. C. P. Stirling, G. I. Hopton, Robert Culley, Ferguson J. Barr, Wayne A. Smith. In accordance with the instructions of the 88th General Assembly, Messrs. Ferguson J. Barr and Wayne A. Smith have been added to the Committee.

The detailed report of the Committee's work is as follows:

I. THE CHURCH'S RELATION TO HER STANDARDS

In accordance with the instruction of the 88th General Assembly to prepare a shorter alternative preamble for use in public service of ordination (A. & P. 1962, page 62), the Committee submits the following:

SHORTER ALTERNATIVE PREAMBLE

All ministries of the church proceed from and are sustained by the ministry of the Lord Jesus Christ. He is our Prophet, Priest and King, the Minister of the covenant of grace. By the operation of God's Word and Spirit the church is gathered, equipped, and sent out to participate in this ministry. It is the calling of all her members to share the gospel with the whole world, and through Christ the only Mediator to represent the world before the Father in worship and service, until Christ comes again. That the church may be continually renewed and nurtured for her ministry, Christ furnishes her with pastors and teachers. He requires and enables her to discern and to confirm by ordination those whom He calls to this pastoral and teaching office. The standards of His church He entrusts in a special degree of responsibility to their care.

The Presbyterian Church in Canada is bound only to Jesus Christ. The Scriptures of the Old and New Testaments, as testimony to Him are the canon of all doctrine, by which He rules our faith and life. We acknowledge our historic continuity with the Holy Catholic Church Reformed, and with her doctrinal heritage. Our subordinate standards are the Westminster Confession of Faith, as adopted in 1875 and 1889, the Declaration of Faith concerning Church and Nation of 1954, and such further doctrine as the church may from time to time confess in obedience to Jesus Christ.

II. CONCERNING MATTERS "NOT PROPERLY SPIRITUAL"

In this field, the substance of the Committee's report is embodied in Recommendation No. 2.

III. THE SACRAMENTS

In this field, which includes the consideration of Overture No. 11, 1961, the Committee is continuing its work, but is not yet prepared to submit further statements.

IV. REFORMED CONCEPT OF A CALL

Overture No. 24, 1960, and the Reference from the 88th General Assembly, A. & P. 1962, pp. 103-104, relate respectively to two administrative matters, (a) the present general practice of interim moderators in seeking prospective candidates, and (b) the problem of two calls received and forwarded more or less simultaneously. On these two points, the Committee submits:

(a) This is a new situation due to the shortage of ministers. In some cases initiative action must be taken by interim moderators if no prospective candidates be forthcoming either from advertisement in the Church paper, or any other source. The vacancy must be filled. However, it may be pointed out that it is a

disciplinary responsibility of every Presbytery to prevent abuse of the system, by taking seriously the decision whether or not to place a call in a minister's hands.

(b) Under the present system a call is not usually sent to a Presbytery without the tacit consent of the minister concerned. No experienced man would sanction two calls on his behalf to be sent at the same time—which would normally prevent any such situation arising. Substance is given to this view by the reference to the person concerned as "young and eager".

The remedy would seem to be to instruct Presbyteries that should two calls in future be received at the same time all concerned should be informed that only one call can be entertained at a time and act accordingly, the Presbytery dealing with the one first to reach its hands. Were it the role of the Presbytery to state which, if any, call a man should accept, then a different situation would arise; but as things are all a Presbytery is required to do is to proceed in the spirit of 220 ff, which is what the Presbytery of Edmonton did.

V. THE DOCTRINE OF ORDINATION

Overture No. 6, 1961, requests a full study of the biblical doctrine of woman and of ordination; Overture No. 28, 1961, requests a study of the biblical doctrine of ordination with reference to validity of orders; and Overture No. 14, 1962, requests scriptural basis for unordained men preaching from the pulpit. It is evident that the question of ordination is common to the three overtures, and that both the decision of the Church about ordination of women to the ruling or teaching eldership, as well as the practice of the Church in using "lay preachers", should be informed by our doctrine of ordination. In this field the Committee begs to submit the following as an interim report and craves leave to report further at a future Assembly:

1. *Re Overture No. 6, 1961*

As a result of two years' work with the Committee on the Place of Women in the Church, a study booklet has been prepared on the doctrine of woman. The contents will include summaries and extracts of studies in this subject, and a series of five Bible studies. This booklet will be circulated through the Church for use in congregations. We believe that serious study needs to be done on this matter by the membership generally.

2. *Re Overture No. 14, 1962*

The authority concerning who enters a pulpit to preach rests primarily upon the Presbytery. In the long-standing law of the Church ministers and licentiates of the Church alone are permitted to enter a pulpit within bounds. In the wont and usage of the Church, however, students certified by a Presbytery as ministerial candidates are recognized as being permitted to conduct services, and catechists and deaconesses have also been recognized by Presbyteries, all appointments being made by the appropriate authority and/or Presbytery. (None of these three may administer sacraments.)

In special circumstances "laymen" (as distinct from deaconesses, students and catechists), in wont and usage, have implicitly or explicitly been given recognition by Presbyteries.

The duty of Presbyteries, in the matter of preaching supply, is covered in Section 198, Book of Forms ("It pertains to the Presbytery to take heed that the Word of God is purely preached within its bounds"), and in Section 200, Book of Forms ("To the Presbytery belongs the care and good order of the churches within the bounds").

However, we think that this overture is raising a deeper question—namely the relation of the special ministry of teaching, preaching and sacramental administration, to the total mission of the Church. "When we are admitted or

confirmed as members of the Church we receive lay ordination; that is, we are confirmed in our calling (Eph. 4:1) to participate with Christ's people (Laos) in Christ's ministry." ("Presbyterians and the Church Catholic", p. 29.) "Preaching from the pulpit" is only part of the mission of the Church, but it is a necessary part if we are to be ordered, informed, and directed out to the World. When and if the mission which ought to be outgoing turns back into the Church, by the "unordained" mounting the pulpit and repeating what they have learned to those who have been fellow learners, we have a breakdown in the outflow of the Gospel.

3. In view of the need for greater clarity in the understanding of the doctrine of ordination, the Committee submits also the following statement as a preliminary study of the matter:

ORDINATION

Order is a major characteristic and central element in the being of the church. Ordination is the process in the church by which this mystery of Order is given expression and effect.

Order — albeit such an order as comprehends an electrifying freedom — is an integral element in the character and the work of God. The beginning and fundament of all things — including time and space — is God's will to good order. God's ordering word goes forth: "Let there be light!" And light was. Light is the primordial ordering of energy and motion and being. Whatever God's ordering intention and ordering action was "in the beginning" is not different from but fulfilled in the work of Jesus Christ: "My Father works hitherto; and I work." Apostle Paul also makes explicit this identification between the God of creation and the God of redemption: "It is the God who said 'Let there be light!' who has shined in our hearts to give the light of His glory in the face of Jesus Christ."

The clue and the access to all order in heaven and earth is centred in God's election and ordination of His Son. In Him all things consist. Christ's redemptive work is therefore concerned not simply with some religious, cultic, sacerdotal establishment as a ghetto or even as an empire in the midst of rampant and incorrigible jungles of disorder. God's purpose in Christ is that all things shall be gathered together in dynamic unity, harmony, holiness, order. "If any man be in Christ, a new order has begun." The church is not the end of the redemptive deed, the ordering work, of Christ. Rather, it is the *arrabon*, the first instalment, the sign and the seal of the Owner's claim on the whole creation. Order in the church is a means and a promise toward order in the universe. Faith in Jesus Christ as Saviour and Lord includes and enables faith in God the Father Almighty, Orderer of heaven and earth.

Good order in the church — being consonant with the character and mission of Jesus Christ her Head — is missionary order. It is redemptionary order. And this order is co-extensive with the body. There are no non-descript members, no members not in order, no ministers without portfolio, in Christ's body. Ministry, or healthful and optimum function, is the signification and calling, not of some members of the body, but of each and every member. This is the significance, the ordination and missionary significance, of baptism into Christ. His baptism constituted His ordination to His work. To be baptized is to become a participator, a sharer in the *koinonia* (partnership) of the Holy Spirit. Once a person is baptized, it is no longer open to debate whether he or she shall "enter the ministry" of Jesus Christ. There is no other reality to membership in the church. The only questions that remain after admission into Christ's body are, first, will he or she be a good minister, a faithful minister? And second, in what specific phase of the ministry will his or her gifts best be deployed?

Instrumental to this comprehensive and organic wholeness (holiness) of ministry in the church, under Christ's provision and equipment of His manifoldly gifted body in all the rich variety of ministries of its members, is the strategic and vertebrate ministry of *order*, or episcopate, or pastorate.

Christ supplies not only our life but also the means, agencies and instruments by which life is begotten, sustained, energized, and co-ordinated to accomplish its especial function and signification. The unity of Christ's body is not basically a question of organizational consolidation, but of *organic co-ordination*. The unity is served by an ordered stewardship or ad-ministration of the Holy Spirit's ministries and gifts. So the ministry of order (episcopate, or pastorate) is a notable means of grace — a means toward the mobilizing, equipping, and distributing of the church for her redemptive service in the world.

When we speak of "the ministries of the church" therefore, we need to keep in mind that every ecclesiastical ministry is a sub-ministry by which the Lord, through His Holy Spirit of gospel truth and order, exercises His own ministry in the church and through the church into the world. "For it is from the Head that the whole body, as a harmonious structure knit together by the joints with which it is provided, grows by the proper functioning of its individual parts to its full maturity in love."

Order in the church must always be a bi-focal order. It must on the one hand relate us historically and authoritatively to our biblical gospel foundation, the once-for-all deed of redemption and revelation eye-witnessed by the Twelve and their associate apostles, and on the other hand it must face us forward, immensely adventuresome and obedient and free of ceremonies, to be effectual communicators in our time of that apostolic faith. Such order is Christ's dynamic gifting to His church — the proceeds of His death, resurrection, and ascension. An authoritative, responsible and exuberant ad-ministration of that order is of the essence of the church.

Our fathers taught us well in their saying: "The church is Jesus Christ and His people — with the government."

See further: *Presbyterians and the Church Catholic*, paragraphs 118-174.

VI. THE DOCTRINE OF THE LORD'S DAY

The Board of Evangelism, in Recommendation 8 of its report to the 87th General Assembly, asked that study be undertaken of the doctrine of the Lord's Day. The Committee has prepared a symposium of study papers on the subject, which, for the sake of brevity, are not included in this report, but which it believes would be valuable for the information and study of the Church generally; and it is recommending that permission be granted to print this symposium of papers for distribution to the Church.

VII. REFERENCES FROM THE GENERAL ASSEMBLY

The 87th General Assembly instructed the Committee to study the Use of the Appendix to the Roll in Presbyteries. (A. & P. 1961, p. 65). The preliminary work that has been done on this matter still requires further study and revision; and it is not yet possible to submit a report.

RECOMMENDATIONS

1. That the Shorter Alternative Preamble submitted in Part I of this report be approved as fulfillment of the instruction of the 88th General Assembly, A. & P. 1962, p. 62.
2. That the prayer of Overture No. 31, 1955, be granted in the following terms:
 - (a) That the attention of the Church be directed to the statement on the Relationship of Kirk Sessions and Boards of Management, A. & P. 1953, pp. 387-388, and to the statement on the Nature of Authority and Government in the Church, A. & P. 1961, pp. 278-281.
 - (b) That the General Assembly enact as a footnote to Section 154, Book of

Forms: "This does not imply that the administration of temporal matters by the Board of Managers is an unspiritual work in contrast to that of the Session, but only that the particular responsibilities of the Session and of the Board of Managers relate to two distinct areas of responsibility within the whole work of the Church. (cf. A. & P. 1953, pp. 387-388, and A. & P. 1961, pp. 278-281.)"

- (c) That the Committee on Articles of Faith be instructed to continue study in this field.
3. That Overture No. 24, 1960, and the reference from the 88th General Assembly, A. & P. 1962, pp. 103-104, be answered in terms of Part IV of this report.
 4. That Part V of this report be received as an interim report on Overture No. 6, 1961, Overture No. 28, 1961, and Overture No. 14, 1962.
 5. That the Committee be authorized to print a symposium of study papers on the doctrine of the Lord's Day, for distribution to the Church.
 6. That the Committee on Articles of Faith be continued.
All of which is respectfully submitted.

Convener.

Secretary.

REPORT OF THE COMMITTEE ON CHURCH ARCHITECTURE

To the Venerable the 89th General Assembly:

The Committee on Church Architecture has had an increasingly busy year. It has reviewed twenty-five (25) designs submitted including churches, Christian Education buildings and Manses and has forwarded information to eight (8) building committees by correspondence, and by personal visitation by the convener.

Your committee participated in the Ontario Conference on Church Architecture held in Toronto.

A study of the theological and architectural functions of a church building is continuing and a set of slides together with valuable information will soon be available through the Committee. The slides will include exterior and interior scenes of churches all across Canada and should prove valuable to congregations in the planning stage of a new building.

In accordance with a previous decision of the General Assembly, the committee continues to commend the employment of a qualified architect in all building undertakings for our church.

RECOMMENDATIONS

1. That all congregations contemplating building a church or educational building be reminded of the rulings of the 1962 Assembly, namely "to submit the preliminary drawings of their proposed project to this committee before the working drawings are undertaken; and that the Presbytery receive the report of this committee before it grants final approval to the congregation."
2. That congregations undertaking a building project obtain the approval of this committee before any such drawings are used within their congregation for publicity or for financial campaigns.
3. That the sum of Four Hundred Dollars (\$400.00) be allocated to this committee for 1963.

All of which is respectfully submitted.

R. G. MACMILLAN,
Convener.

"THE COMMITTEE ON THE PLACE OF WOMEN IN THE CHURCH"

To the Venerable the 89th General Assembly:

Your Committee has now reached the point at which it desires to call our Church to take a major step forward in regard to the whole question of the place of women in the Church. By this we mean a call to the Church to expose herself humbly and seriously to what God would say to us through the Scriptures on this important matter. During the past years such exposure has been fruitful in guiding the Committee in its thinking and in the light of our experience we believe it important for the Church to undergo the same discipline. To this end we have prepared a study booklet which places in a biblical focus the basic

issues we have faced in our work. We are asking that this study guide be given wide use throughout the Church. Our procedure at this point arises out of the conviction that the responsibility of the Committee is not to tell the Church what she ought to do but to help the Church find, and act in accordance with, the truth of the gospel in regard to the place of women in her life and work.

The basic and determining truth which has impressed itself upon us is that in the biblical understanding of man, male and female form a partnership each completing the other to form together the full expression of human being. There is a distinctiveness about each but from the biblical point of view this can never be represented in terms of superiority and inferiority, dominant and subservient but only in terms of characteristic qualities and functions mutually dependent and forming together the unity and wholeness of human life. This we believe to be the basic biblical truth which must govern all man-woman relationships if these are to be in harmony with the revealed purpose of God.

In the light of this the first and obvious fact is that women have a full place in the Church which is humanity restored to God's intention for it. Men and women alike are the objects and servants of the purpose of God which the Church has been created to express and fulfill. Any belief or practice which denies this truth is a distortion of the Church's true nature.

The real question before the Church is what this should mean in actual practice. It seems to mean that all aspects of the Church's life and work should be open to women and yet, as we all know, scripture can be quoted against scripture on this point. We believe that in facing this biblical problem the Church must strive and come to know by the Holy Spirit what the *gospel* has to say on this issue and, in thought and action, be governed by its truth.

RECOMMENDATIONS

1. That the General Assembly request the Presbyteries and congregations of the Church to make use of the Committee's Study Booklet.
2. That significant findings and reactions of study groups be forwarded to the Committee.
3. That this year be considered a period of study and response on the part of the Church preparatory to a final report from the Committee to the next General Assembly.

Respectfully submitted,

EOIN MACKAY,
Convener.

REPORT OF THE COMMITTEE ON CHURCH WORSHIP

To the Venerable the 89th General Assembly:

Your Committee on Church Worship has continued to have as its major concern its part in the Revision of the Book of Common Order, as instructed by previous General Assemblies. The special committee of the General Assembly charged with this work has kept your Committee on Church Worship informed. The members of your committee in "the central area" are members of the special committee (A. & P. 1957, p. 90). It seems that this task is nearing its completion and some other aspects of church worship will be able to receive more attention.

No further communication has been received from the Hymnary Trust of the Church of Scotland regarding any possible changes in the publication of the Church Hymnary.

Some further consideration has been given to research in the field of music in the Church and public worship, but no report is available as yet.

All of which is respectfully submitted.

T. A. A. DUKE,
Convener.

REPORT OF THE BOARD OF EVANGELISM AND SOCIAL ACTION

To the Venerable the 89th General Assembly:

In presenting the report of the Board of Evangelism and Social Action we give thanks to God, our Heavenly Father, for the privilege of serving in the Church of Jesus Christ, His Son, and for the opportunity of giving leadership in the exciting and challenging areas of the Church's life and work for which our Board is named.

While the primary task of the Church must ever be the worship of God, the true index of the vitality and quality of the Church's worship is its zeal for the proclamation of the Gospel, and the calling of all people everywhere to faith in and obedience to Jesus Christ, the Saviour and Lord of all. It is our conviction that never in the history of Canada has the Presbyterian Church had greater opportunities for witness and expansion than today. To reach Canada for Christ requires that our Church take Evangelism and Social Action more seriously. It will not suffice to wait for people to come to our churches; it will be necessary for us to go out in search of them, and to convince them that the Church is really concerned about them, and that Christ is the answer to their needs and the needs of the world.

In the discharge of our stewardship we have been involved in many areas of responsibility and concern.

AREAS OF RESPONSIBILITY AND CONCERN

The wide scope of the activities of the Board of Evangelism and Social Action is to be seen in the fact that it is responsible for the training programmes of Eldership Training, Evangelism, Presbyterian Men and the ever expanding field of Christian Social Action.

During the past year Committees of the Board have been studying the following questions: the Church and nuclear weapons, a national health service, unemployment, rightist propaganda, the importance and use of leisure, euthanasia, obscene literature, legalized abortion, education for aging and the contribution of the older person to society, the treatment and rehabilitation of prisoners, marriage and divorce, the observance of the Lord's Day, the changing situation in the town and country church, the ministry of healing, the rehabilitation of former Roman Catholic priests, Christian burial, alcoholism and the treatment of alcoholics, narcotic addiction, juvenile delinquency, the Christian approach to the Jew, etc.

During the past year the Secretary of the Board conducted workshops on Evangelism and Eldership Training in every Synod of the Church, and presented

the work of the Board at the Synod Advanced Leadership Conference of the Synod of Toronto and Kingston, which was held at Knox College, Toronto, Ontario, from June 17-22, 1962. The thanks of the Board is extended to Mr. Gowland for his dedicated and devoted service, also to Mrs. V. McClean, the office secretary, for her excellent work.

A successful Conference on Evangelism for ministers of the three central Synods was held at the Canadiana Motor Hotel, Highway 401 and Kennedy Road, Agincourt, Ontario, on May 8 and 9, 1963. The guest speakers were: Rev. Mariano DiGangi, Minister, Tenth Presbyterian Church, Philadelphia, Pa.; Rev. Dr. A. E. Dimmock, Secretary, Division of Evangelism, Presbyterian Church in the U.S.; and Rev. Jesse E. Christman, Associate Director of the Detroit Industrial Mission. A similar Conference on Evangelism for ministers is planned by the Board for May, 1964 in Western Canada.

A Conference on the Church and World Peace was held in conjunction with the Annual Meeting of the Board on March 13th, 1963. The speakers at this Conference were: Mr. Willson Woodside, National Director, United Nations Association of Canada, who spoke on the subject, "Is Coexistence Possible?"; Judge B. J. S. MacDonald, Chairman, Ontario Police Commission, who spoke on the subject, "Enemies of Peace"; Rev. Bruce Molloy, Minister of St. John's Presbyterian Church, Toronto, Ontario, who spoke on the subject, "Pathways to Peace."

At the request of the Administrative Council, the Board of Evangelism and Social Action made an Analysis of the Rate of Growth of the Membership of the Presbyterian Church in Canada. The primary reason for making this analysis was the recommendation of the 86th General Assembly namely, "to accept the challenge, to the glory of God, of doubling the membership of the Presbyterian Church in Canada by the 100th General Assembly."

The brief suggests how best we can use our resources and manpower for the glory of God, and the reaching of the people of Canada for Christ and the Church. Copies of the brief are available from the office of the Board of Evangelism and Social Action.

The Board of Evangelism and Social Action has been participating in the Consultation of Christian Nurture for the Whole Church. During the past year there have been six meetings of the Consultation at which all the Boards of the General Assembly, the Women's Missionary Society, W.D., Knox College and Ewart College have been represented.

Study papers have been prepared by the members of the Consultation in order to develop understanding and agreement upon the nature and calling of the Church, ministry and ministries within the Church, and the character of the contemporary world in which the Church is called to serve. The Consultation is now entering upon an exploration of the implications of the study papers for the organizational structure of the Boards and the patterns of congregational life.

The Board of Evangelism and Social Action is represented on or represents the Presbyterian Church in Canada on the Departments of Evangelism and Social Relations of the Canadian Council of Churches, the Canadian Federation on Alcohol Problems (formerly the Canadian Temperance Federation), the Lord's Day Alliance of Canada, the Inter-Church Committee on Protestant-Roman Catholic Relations, the Religion-Labour Council of Canada, the Committee on Shut-Ins and the Ontario Society on Aging.

ELDERSHIP TRAINING

One of the most hopeful and encouraging signs of renewal in the Presbyterian Church in Canada is the desire on the part of so many of our elders to learn more about the Faith and the nature of the Church in which they hold office, so that

they will be able to rule wisely and give imaginative and able leadership in the congregations in which they have been called to serve.

Eldership Training is being undertaken in the following ways:

1. Elders' Rallies —

These rallies have proved valuable by way of stimulating enthusiasm and making it possible for the elders of the various sessions to meet together to discuss their mutual interests and concerns.

2. Elders' Schools —

The Elders' School provides the opportunity for more intensive training and discussion. A number of Presbyteries have made an Elders' School a yearly event, and the interest has increased with each succeeding year. Most of these schools start on a Friday evening and conclude late Saturday afternoon.

3. Eldership Training in the local session —

While Elders' Rallies and Elders' Schools are invaluable and are recommended at the Presbytery level, ongoing training at the session level is indispensable. Training meetings in connection with the regular session meetings, have many advantages. They make it possible for the teaching elder and the ruling elders to get to know each other better, and to more fully understand the nature and magnitude of the task committed to them by Jesus Christ, the Great King and Head of the Church. It has the added value of making the study of the Church and its message "a regular part of the work session and building it into the ongoing programme."

The heart of the training in the local session is a "series of discussions led by the minister." "Just to tell a group has little meaning for them in terms of actually changing their opinions or, more important, their lives. What is desired is that each person's own opinion and experience shall be brought out, and he shall be encouraged to examine its adequacy in the light of the Scriptures, and to understand its meaning in every area of the Church's life. This is learning!"

The course recommended by the Board of Evangelism and Social Action and approved by the General Assembly for sessions at the local level is a three-year course, and the text books for the course are as follows:

- Year I — The Nature of the Church
Church Officer Training Program materials of the United Presbyterian Church in the U.S.A.
- Year II — The Order of the Church
A Manual for Ruling Elders by Rev. Dr. L. H. Fowler.
Questions for Discussion based on Dr. Fowler's book.
- Year III — The Nurture of the Church
Church Officer Training Program materials of the United Presbyterian Church in the U.S.A.

Dr. Fowler's book is available from Presbyterian Publications, and the Church Officer Training materials are available from the office of the Board of Evangelism and Social Action.

THE NATIONAL COMMITTEE OF PRESBYTERIAN MEN

1962 has been a year of growth and development in the PM movement.

We have been very conscious of God's presence guiding and leading us in the planning and development of the conferences held across the country, and in the revising of the leader's training program.

Men are being led to a fuller understanding of their service to Jesus Christ, not only in their activities in the Church courts but in their main calling as

Christians in the world, relating their faith to their everyday life and work. They are the Church and as Christians they must be the Church in the world wherever they are, in their homes, their recreation, their work, their whole life. When this happens, others coming in contact with them will know by their words and actions that they are Christians and through their witness will be led to see Christ.

In presenting our report we would like to express our deep appreciation of the time, effort and energy put into the Presbyterian Men's movement by Mr. Roy Hamilton.

Wherever we travel in Canada we hear words of praise and commendation of this Presbyterian man. We are grateful that God has given him to us and pray that he may be spared for many more years of service.

We would like to say "thank you" to the Rev. Arthur Gowland for his advice, guidance and faithful attendance at the National Committee meetings.

1962 National Conference

Last year for the first time, the National Conference was extended to cover four regions. The region of Manitoba (including North Western Ontario) was added. This Conference, held at St. John's College in Winnipeg, June 15 to 17, has resulted in a response to the PM movement which was not evident in this area up until the past year.

Record attendance marked the Conference in the other three regions, namely, at Truro, N.S., at Muskoka, Ontario, and at Banff, Alberta. The total attendance for the four regions was 625, an increase of about 200 men over the previous year.

Following the pattern established in 1961, the same conference team was used all across Canada, with the exception of Winnipeg where the 1961 team was used. Our theme speaker, the Reverend Walter Kennedy, dealt with the subject "The Church Without Walls." He brought home to us the responsibility we have to carry the message of Christ outside the church walls by living the Gospel wherever God has called us to serve Him in the world. Our lay speaker, Mr.

George Fernie, a member of the National Committee, delivered a most forceful address entitled "Speak Out, Men of the Church", which caused laymen all across Canada to take a long, hard look at the quality of their personal witness.

The concern of Presbyterian Men is world wide. We were thankful to be able to include on the conference team, the Reverend Russell Self, home on furlough from India, and the Reverend Inya Ude, a minister from Nigeria on post-graduate study. These deeply dedicated men of God helped us to realize that the people of India and Nigeria are truly our neighbours in a sense that is even more evident in this jet age. We are most thankful to all our speakers and to the Reverend Donald Powell, who prepared the Group Discussion Leader's Guide on Luke 10:1-3, 25-37.

Those who provided the music made a very significant contribution, as did all who led in group discussions and devotions.

Revised Training Plan brings Good Results

The revised plan of training as presented to the Board in March 1962, has resulted in a marked increase in the number of men being trained. Details of this plan are covered in the booklet "The PM Council's Job", for the guidance of ministers and training group leaders.

Student Leaders Registered in 1962

A total of 355 new student leaders were registered for Training Manual No. 1 during the past year. This is the largest enrolment in any single year. In addition, 138 men moved on to the studies covered in Manual No. 2, and 41 to the still more advanced studies in Manual No. 3.

The breakdown of enrolments by Synods is as follows:—

	1958 to 1961	1962	Total
Maritimes	76	30	106
Montreal - Ottawa	100	55	155
Toronto - Kingston	234	97	331
Hamilton - London	235	134	369
Manitoba	25	22	47
Saskatchewan	30	35	65
Alberta	62	8	70
British Columbia	44	6	50
	806	387	1,193

It is encouraging to note that the year 1962 represents an increase of 48% over the total enrolment for the previous four years.

Appraisal

Five years having passed since the first PM Conference, the Committee has undertaken a study to help in making an appraisal of its work. Three questionnaires have been circulated throughout the Church; one to all ministers, one to all registered manual holders and another to those responsible for Presbytery Training Councils. The Committee wishes to thank those who have responded to the questionnaires from every part of Canada. Replies are still being received but we are able to report from a very wide cross-section of the Church that:—

1. Out of 192 ministers who replied, 130 reported that they have adult study and discussion groups in their congregations. Over half of these groups have trained PM discussion leaders and the ministers report that this training has proven very helpful.
2. Out of 490 registered Manual Holders who replied, 329 have completed their initial training, 220 now have men's study and discussion groups in their congregations and 97 plan to start groups in 1963.
3. The Presbytery Training Councils reported that over 400 student leaders

enrolled last year, representing 145 congregations, and that 101 Teaching Elders participated in the training of these men.

It is noted from the questionnaires returned that only 17 of the 49 presbyteries have included on their Committee of Evangelism and Social Action the representatives they have appointed to the PM Council. This action was recommended by the 86th General Assembly (see recommendations 22 and 23, page 310, of the Acts and Proceedings for the year 1960). To promote the closest liaison with Presbyterian Men we respectfully request these 32 presbytery courts to consider taking action on this recommendation.

Laymen's Sunday

While we do not have an exact count of the congregations which observed Laymen's Sunday in 1962, we know that the number was significant. Sixty-five took the trouble to write, indicating that they were well served by the material provided from the Presbyterian Men's office. Many of the congregations which observe Laymen's Sunday are not yet participating in the PM training program, therefore, this is their chief contact with the PM movement.

A Laymen's Sunday Radio Broadcast Tape was made available to 75 stations across Canada. Local men of the Church were assigned to follow up with their radio station. The program was especially well received in the smaller centres.

Victory Magazine

We are continuing to work with the Editorial Committee of the Board of Christian Education on the use of Victory Magazine as a study guide for congregational men's groups. Further improvements are planned by the committee to make it a still more useful guide for Presbyterian Men's study and discussion groups.

Overseas Groups

Two more men were registered as leaders in British Guiana during 1962, bringing their total to 15.

A further contact was made with Jamaica during 1962 — men's rallies being held in Kingston and in a large country charge. Twenty men are now registered as student leaders there.

An inquiry has been received from the Church in South Africa regarding the PM movement and correspondence is being carried on with ministers in Scotland, England, Formosa and Nigeria. One of our registered leaders has moved to Antigua, W.I., and reports that he will try to establish a group there.

PM Conference Account

Due to the greater participation in the 1962 PM Conferences and the resulting increase in financial support, a balance of \$2,289.22 remained in the Conference Account at the year end, after making up the amount which this committee's work cost in excess of its budget allocation.

1963 Conferences

After consultation with the Synod Councils, it has been decided to alter the dates of the Eastern and Western Conferences this year with a view to increasing the attendance. Farmers in these areas find September a difficult time to be away. The following are the dates and places for the 1963 Conferences:—

Eastern — May 3 to 5	— Nova Scotia Agricultural College, Truro, N.S.
Manitoba — June 14 to 16	— St. John's College, Winnipeg, Man.
Central — September 20 to 22	— Canadian Keswick Conference, Muskoka, Ont.
Western — October 18 to 20	— Banff School of Fine Arts, Banff, Alta.

The same team and program will be used in all regions. The theme is "Every Man in His Place", based on Judges 7:21. We are happy to report that our theme speaker is to be the Reverend Dr. Robert Taylor, Moderator of the 87th General Assembly, who has shown a keen interest in the PM movement. Mr. Melvin Moffatt, an outstanding layman from Galt, Ontario, has been chosen as our lay speaker.

EVANGELISM

Today Evangelism is slowly but surely coming to be recognized for what it really is — an integral and essential part of the mission of the Church of Jesus Christ. This attitude is reflected in growing interest in evangelism in the Presbyterian Church in Canada, and the new emphasis on evangelism in all the Churches of Christendom.

Of course, this should not be surprising for evangelism is but another way of describing the witness of the Church in the world. It is the Church recognizing that while it is a "people for God's own possession" and exists for His glory, it is also for the sake of the world. "... God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life." It is the Church's task to proclaim this message and whenever it seeks to bring this Gospel of God's redeeming love in Christ to bear on the unbelief of men and women and to call them to faith in and obedience to Jesus Christ: this is evangelism. It is "the decisive confrontation of men with the Gospel of Jesus Christ to the end that they may believe in Him, and believing find salvation in His service."

Since evangelism describes the Church whenever and wherever it seeks to confront those in unbelief with the claims of Christ, no narrow view of evangelism as the task of professional people only and no one method of evangelism, will suffice. Evangelism is the task of the whole Church, and it is the witness of the Church in its totality to the Good News of God in Christ. It is for these reasons that your Board of Evangelism and Social Action is recommending the following methods of evangelism:

Preaching Evangelism

By preaching evangelism, we mean the ongoing preaching of the Word of God as well as the preaching mission. This harmonizes with the view that evangelism is not a special something done once in a while, but the witness of the Church in its totality to the Good News of God in Christ. The preaching mission has its place, but should be seen in the context of the total witness of the Church, and in relation to the total training programme for evangelism of the Church. Your Board would, therefore, commend to the Church such internationally known missionaries as Tom Allan, Billy Graham and Leighton Ford, but would emphasize the importance of fitting the service they have to offer into the ongoing evangelistic effort of the Presbyterian Church in Canada.

Lay Visitation Evangelism

Lay visitation evangelism includes Friendship Evangelism Visiting, Visiting for Commitment, Friendly Visiting to Older Persons, etc. We have recommended that congregations begin with Friendship Evangelism Visiting since it is urgently needed and provides a good preparation for all other kinds of visiting.

In lay visitation evangelism, the Church seeks to reach those people in the community around our church buildings who have not identified themselves with the Church of Jesus Christ or have not professed their faith in Him.

Occupational Evangelism

While considerable time and thought have been devoted to the approach to the home, we are just beginning to take seriously that great and challenging field

for evangelism, the world of industry and labour. The Evanston Report of the World Council of Churches reminds us that it is "in factories, shops, offices, and farms, in political parties and government agencies, in countless homes, in the press, radio and television, in the relationships of nations" that the real battles of faith are being fought today. It points out that the Church is already in "these spheres" in the persons of its laity. Therefore, it is imperative that Christians understand that in all walks of life there is an inseparable relationship between their faith in Christ and their work, and that they seek to be effective witnesses to Christ and His Church wherever it is their privilege to live and serve.

Evangelism Through Christian Groups

While it is imperative that lines of communication be established between the Church and the home, and the Church and those in the world of work by means of lay visitation evangelism and occupational evangelism, the value of vital Christian groups for evangelism must not be overlooked. It has been pointed out that one of the greatest evangelizing agents is the Christian community itself.

Your Board would, therefore, commend to the Church not one of these methods of evangelism, but all of them, and would pray that our Church might abound more and more in this the most wonderful work in the world — the proclamation of the Good News of God in Christ.

The importance of adequate training for all lay people participating in evangelism cannot be over emphasized. The following training manuals are available from the office of the Board: —

1. The Revised Leader's Manual — This Manual explains how to organize a congregation for evangelism, how to organize a Friendship Evangelism Visitation, how to take a religious census, contains agendas for the training meetings for Friendship Evangelism Visiting, and gives information re literature and audio-visual helps, etc.
2. The Minister's Training Guide for Visitors contains information on the training for Friendship Evangelism Visiting, Visiting for Commitment, the Assimilation and Care of New Members, Occupational and Industrial Evangelism, etc.
3. The Visitor's Training Guide contains information on Friendship Evangelism Visiting and Visiting for Commitment.
4. The Young People's Training Guide contains information on Friendship Evangelism Visiting.

Since one of the aims of the training programme for evangelism is to teach the people of the Church that evangelism is an integral, ongoing part of the life and work of the Church, it is urged that an Evangelism Council be organized in every congregation.

CHRISTIAN SOCIAL ACTION

Down through the centuries the Presbyterian Church and Presbyterian people have been among the foremost leaders in Christian Social Action. It is said that it was "Calvin and Calvinism that notably recognized the Church's essential and direct responsibility and privilege in relation to social questions."

The reasons for this are not hard to find. Christian Social Action is an integral and essential part of our theology because we believe it is an integral part of the Gospel of Jesus Christ. "It was in Christ that the full nature of God chose to live, and through Him God planned to reconcile in His own Person, as it were, everything on earth and everything in heaven by virtue of the sacrifice of the Cross." Colossians 1:19, 20 (J. B. Phillips translation).

The world and all that is therein belongs to God by virtue of His creation and redemption. He has neither abandoned the world, nor absented Himself from

it. Since He is present in the world, "wherever we may stand, whatever we may do, to whatever we may apply our hands, we stand before the face of God." Christ is concerned with the whole man and the whole human race, and, therefore, all the relationships of a community, and all the forces that impinge on the lives of individuals and the community become the concern of the Church of Jesus Christ.

Jesus summarized our Christian duty as follows: "The first of all the commandments is, Hear, O Israel; the Lord our God is one Lord: and thou shalt love the Lord thy God with all thy heart, and with all thy mind, and with all thy strength: this is the first commandment. And the second is like, namely, this, Thou shalt love thy neighbour as thyself." Christian Social Action is simply "an extension of Christian love to those aspects of public life which affect for good or ill the welfare of one's neighbour."

In considering how the Church participates in Christian Social Action, it is important to distinguish between the responsibility of the Church acting corporately and the Church acting through its members. The task of the corporate Church in Christian Social Action is not that of formulating policy but of enunciating principles which will aid the people of the Church in carrying out their moral responsibilities and in exercising their civic duties in a Christian spirit.

It is particularly important that our Church give imaginative and courageous leadership and guidance to its people in these days of "rapid social and economic change" for though the essence of the Gospel remains the same from generation to generation, the principles of the Gospel must be interpreted and applied to life as it is today. In consideration of the following questions, we have sought to apply the unchanged and unchanging Gospel to the changing situation in Canada and the world today. In bringing some of these questions to the attention of this Assembly our object is simply to stimulate and prime the thinking of the Church. With regard to other questions, we believe that the time has come for the Church to declare itself by means of specific recommendations.

A National Health Service

The question of a National Health Service has become a topic of conversation in practically every home in Canada and a plank in the platform of almost every political party — federal and provincial. It is the opinion of your Board of Evangelism and Social Action that the time has come for the Presbyterian Church in Canada to declare itself on this question of such vital concern to so many Canadians. While we would not suggest that the Church commit itself to any specific health service, we believe that in principle a national health service is in harmony with the spirit of the Gospel of Jesus Christ for the following reasons:

It helps to insure the dignity and worth of all individuals. All people have been created in the "image and likeness" of God and are of infinite value in His sight. Every person, therefore, deserves to be treated with dignity and respect, and is entitled to a decent standard of living and adequate medical care. When a national health service is provided for all people indiscriminately, the dignity of each is enhanced, and the possibility of some being branded as second class citizens is eliminated.

While the Gospel emphasizes the worth of the individual, and stresses the fact that the individual must not be sacrificed to the group, it also reminds us that we are all dependent upon each other and are members one of another. "God could Himself indeed have covered the earth with a multitude of men; but it was His will that we should proceed from one fountain in order that our desire of mutual concord might be the greater, and that each might the more freely embrace the other as his own flesh." (John Calvin). In other words, mutuality should characterize our relations with each other, and a national health service might be considered as one expression of our concern for the health and welfare of all people in the nation.

A national health service makes it possible for the richer people of the community to join with the poorer people in the interest of the health of the community as a whole.

A national health service is one of the ways in which the people of the community can show their love for each other.

Rightist Propaganda

A phenomenon apparent for some time in the U.S.A. seems to have encouraged growth of a similar kind in Canada. The U.S. Public Affairs Press has analysed its "rightist" movement in a booklet *The American Right Wing* (Washington, D.C., 1962) in which the variety of support from groups including Churches, and the particular dangers of this type of propaganda, are carefully set out. It is a doctrinaire "anti-communism" which assumes that anyone working for peace, for an end to the cold war, for world government and international law, or for social and economic justice beyond the status quo, must be a "fellow traveller" with communism.

In Canada the movement is neither so vocal nor so vehement. But there are sufficient signs of its presence to alarm Christians. During election campaigns, for example, the opponent's policies may be branded as sympathetic to Communism, or the demand for increased measures of economic justice may be labelled as approaches to communist philosophy. In this way the question of truth is evaded in favor of party slogans and emotional tags. There are at least two centres in Canada from which regular publications are sent with detailed analysis of organizations and publications linked with communist front groups. Thus the familiar process of condemnation by implication grows, and creates a climate of suspicion and intolerance. Since this is done in the name of democracy and often of "Christian values" it proves attractive to many sincere Christians, especially those of conservative theological viewpoint.

Your Board therefore would encourage vigilance on the part of our membership, that we may study the threat of communism rather than the technique of anti-communism, and that we may refuse support to the rightist propaganda unless there is clear evidence of subversive activity or undemocratic procedure.

The Christian Approach to the Jew

The Board of Evangelism and Social Action through its Committee on Literature is preparing and/or distributing literature which will help Christians to appreciate the Hebrew roots of their Faith and come to look upon the Jew as an equal and a brother for whom Christ died. The National Director of Presbyterian Men and the Secretary for Lay Studies have been asked to prepare at least one study for use by Presbyterian Men and other groups in the Church (perhaps to be included in "Victory") on the relationship between Christians and Jews. Conveners and Presbyteries' Committees on Evangelism and Social Action have been asked to encourage the idea of conversation between the Church and the Synagogue.

RECOMMENDATIONS

1. That the General Assembly commend those Presbyteries that have held Presbyterian Rallies and Schools and have helped to encourage ministers in the training of elders, and urge the others to undertake this programme.
2. That October 20th be designated as Laymen's Sunday in harmony with the major Protestant Communions in Canada and the United States, the theme for 1963 being, "Your Neighbour as Yourself." (Luke 10:27)
3. That the General Assembly commend to the Church the opportunity presented by the crusades of such internationally known missionaries as Tom Allan, Billy Graham and Leighton Ford to link together the methods of Preaching Evangelism and the Training Programme for Evangelism of the Presbyterian Church in Canada.

4. Whereas the teaching of the Westminster Confession of Faith re Marriage and Divorce (Chapter XXIV, Section VI) is that "Although the corruption of man be such as is to study arguments, unduly to put asunder those whom God hath joined together in marriage; yet nothing but adultery, or such wilful desertion as can no way be remedied by the Church or the civil magistrate, is cause sufficient of dissolving the bond of marriage: wherein a public and orderly course of proceeding is to be observed, and the persons concerned in it not left to their own wills and discretion in their own case"; we, therefore, recommend that the General Assembly urge the Federal Government to appoint a Royal Commission on divorce to consider such grounds for divorce in addition to adultery as "wilful desertion as can no way be remedied by the Church or civil magistrate."
5. That the General Assembly recognize the value for the health of the people of Canada and the need for all Canadians — especially those in the lower income brackets — of a complete plan of medical care, and that the Church approve in principle a national health service, providing due recognition is given to the rights and best interests of the medical profession, and the plan is worked out in consultation with the recognized Medical Association.

REPLIES TO OVERTURES

OVERTURE No. 10, Presbytery of Victoria, Re Modern Nuclear Weapons, Acts and Proceedings, 1961, page 417.

The 87th General Assembly ruled as follows: "That the matter of recommendation No. 6 (Report of the Board of Evangelism and Social Action) and Overture No. 10 be referred back to the Board of Evangelism and Social Action for study and report to the General Assembly of 1962."

The reply of the Board of Evangelism and Social Action to the 88th General Assembly re this Overture is to be found in the Acts and Proceedings, 1962 pages 410 and 411. The 88th General Assembly referred the reply to this Overture back to the Board for re-wording (Acts and Proceedings, 1962, page 91).

The Board of Evangelism has given further study to this question, and recommends that the prayer of the Overture be granted in the following terms:

Two points of view became apparent in the Board of Evangelism and Social Action which seemed irreconcilable, at least in the time at our disposal. Rather than present to the Assembly a statement reduced to minimal agreement, we wish to share this tension with the Church, and thus to stimulate discussion on a wider scale.

One point of view argues as follows: Since the "right and duty of using force under law against internal disorder and external aggression" requires the possession of weapons of defence commensurate with the obligation, and since nuclear weapons are possessed by those whose avowed aim is world domination, the possession of nuclear weapons by at least some of the nations of the free world is justified.

However, since the mission of the Church of Jesus Christ is a mission of peace, and since the role of the state is to save men's lives and not to destroy them, and since the destructive power of nuclear weapons is far in excess of that of conventional weapons of war, and since the possession of nuclear weapons poses a threat to mankind, they would ask the General Assembly to call the people of the Church to pray that nuclear weapons might never be used again by any nation of the world, and to urge the Government of Canada to continue to use its influence to press toward the prohibition of nuclear warfare by international agreement.

The other point of view considers the nature of nuclear weapons to be such that they offer an uncertain "balance of terror" liable to misuse, and indeed their

very possession poses grave ethical questions for the Christian. The technical problems involved in the complex debate about "retaliation" against a "first strike" indicate a serious uncertainty whether the only practical deterrent is not an aggressive action once the "intention" of the adversary is considered to be sufficiently hostile to warrant the release of nuclear missiles. The two major nuclear powers today are arrayed against each other in such a way that there is definite probability that nuclear war may be initiated through such misinterpretation of the other's intentions. Even the idea of a limited nuclear war is questionable because of the tendency towards "escalation" into total nuclear destruction. Moreover, the possession of nuclear arms implies the willingness of one nation to work "unacceptable losses" upon another — that is, obliteration of centres of civilian population; many Christian moralists consider this a corrupting influence upon the possessors so grave as to deny the validity of their possession. A further point is that Canada need not necessarily speak for other nations in rejecting nuclear arms, but may consider its own role in international politics today, and interpret God's will as a summons to act as peacemaker and thus to initiate a realistic foreign policy, especially towards the neutral nations, to which its defence policy will be subservient.

The whole Board would urge our Church to think through these issues, but especially to consider the positive aspect of the question, on which we are all in complete agreement. This may be stated as follows: We believe that Christians are called to exercise a positive vocation of peacemaking, a "will to peace", as responsible children of God, brothers of the Christ who made peace through his own perfect sacrifice. To this end we should be in the vanguard of those who strive for social justice, for the abolition of postures of hatred between nations, and for the declaration that all men are brothers for whom Christ died. Our Christian love towards mankind must take contemporary forms — such as the development of atomic power for peaceful purposes under proper safeguards, the increase of cultural and educational exchange opportunities between the parts of our divided world, and the prohibition of nuclear warfare by international agreement. We should rejoice that God has equipped men to act as stewards of his creation, so that untold vistas of exploration and new uses of the created order are opening up before our eyes. But unless we communicate the enjoyment of God through the Gospel of his Son, man will continue to abuse his power and deny his proper destiny.

COMMISSIONER'S OVERTURE, Re Christian's Obedience to the Civil Magistrate, Acts and Proceedings, 1962, pages 102 - 103.

The substance of Dr. W. Stanford Reid's Overture is a request for a more concrete and specific definition of the responsibility of the Christian to civil authorities than is given in either the Westminster Confession of Faith or the Declaration of Faith Concerning Church and Nation.

We recommend that the prayer of the Overture be not granted on the ground that the Board of Evangelism and Social Action finds the teaching of the Church in this matter quite concrete and specific and that ministers who act contrary to this teaching are guilty of following a divisive course, which matter is a proper concern of the Presbytery to which they belong and not of the General Assembly.

UNPRINTED OVERTURE, 1961 by Rev. Dr. E. F. Molnar, Re Worldly Activities in the Church. The reply of the Board of Evangelism and Social Action to this Overture is to be found in the Acts and Proceedings, 1962, pages 412 - 413.

The 88th General Assembly adopted the reply of the Board of Evangelism and Social Action but asked the Board to clarify what it meant by "worldly activities" to the Assembly of 1963 (Acts and Proceedings, 1962, page 105).

The Board's clarification of "worldly activities" is as follows: The activities of men that are motivated by the desire to serve one's self rather than be obedient to the Will of God, made known in Jesus Christ; those human activities

that are egocentric, in which expediency is the means, and power, and riches and self-satisfaction are the supreme ends.

OVERTURE No. 2, Presbytery of Montreal, Re Marriage, Divorce and Re-marriage, Acts and Proceedings, 1961, page 413.

The Board of Evangelism and Social Action begs to report progress with regard to Overture No. 2 as follows:

A Committee was appointed by the Board of Evangelism and Social Action composed of four members from the Board of Evangelism and Social Action, and three members from the Board of Christian Education. This arrangement has proved very satisfactory since both Boards are vitally interested in these questions.

Some of the questions to be considered in this study are:

1. What is our Church's present doctrine of marriage, divorce and re-marriage?
2. Are these doctrines in accord with the Scriptures?
3. Are these doctrines adequate for present day needs?
 - What are today's needs with regard to marriage, divorce and re-marriage?
 - What are the challenges to the Christian doctrine of marriage?
 - What are some of the problems which spring from the transiency of our society?
4. What is the Church's answer to these problems?
5. How does the Church communicate the answer?

Since last September the Committee has been meeting monthly, and has been studying Chapter XXIV, of Marriage and Divorce, of the Westminster Confession of Faith. Papers are assigned to the members of the Committee which are presented and discussed at the meetings of the Committee. In this way most of Chapter XXIV of the Westminster Confession of Faith has been discussed. This study has deepened appreciation of the Westminster Confession of Faith, but has also pointed out the need for a supplementary statement of explanation in the light of modern conditions. It is the hope of the Committee that the final draft of the working papers will help to meet this need.

The question of divorce has been studied at the last two meetings of the Committee, and in particular the meaning of "wilful desertion" as understood by the Reformed Church. As a result of this study, the Board of Evangelism and Social Action decided to present recommendation No. 4 to the General Assembly, re the appointment of a Royal Commission on divorce to consider such grounds for divorce in addition to adultery as "wilful desertion as can no way be remedied by the Church or civil magistrate."

Having completed a preliminary study of these questions, the Committee now plans to meet with resource people to get their views on these subjects, e.g., lawyers, judges, doctors, psychiatrists, social workers, etc.

Another matter which has come to light as a result of this study is that of the need for additional marriage counselling services. We see the need for these services beyond what are presently known to be available, and would recommend the training of students and ministers in marriage counselling.

OVERTURE No. 6, Presbytery of Algoma and North Bay, Re Danger of Fallout, Acts and Proceedings, 1962, page 418.

The substance of this Overture is that the Government of Canada at all levels should accept responsibility for the erection of shelters for the greatest possible protection of the general public from the danger of fallout in case of a nuclear attack.

The Board of Evangelism and Social Action recommends that the prayer of the Overture be not granted.

Respectfully submitted,

WM. LAWSON,
Chairman

REPORT OF ST. ANDREW'S HALL, VANCOUVER, B.C.

To the Venerable the 89th General Assembly:

Audited Statement of Accounts for our fiscal year ended 31 August, 1962, and Statement of Operating Budget is attached. It discloses that we operated at a profit of \$253.72 before taking into account depreciation on furniture and furnishings. The latter amounted to \$2,014.06. The net deficits on Operations for the year was \$1,760.34. It has been the policy of our Board of Management from the outset to avoid operating at more than a nominal profit. We must compete with the other dormitories and Dining Rooms on the Campus, but it is not desirable to charge students more than is absolutely necessary. Until last year, General Assembly made an appropriation to cover annual depreciation. General Assembly (p. 77 A. & P. 1962) conceded that the policy laid down by the Board and by our Auditor of providing year by year for depreciation was sound. In this connection I would refer to my Report of a year ago, which will be found at p. 303 of the A. & P. of last year. The argument set forth in last year's Report still stands, and we now ask for an appropriation of \$3,960.00 to take care of accumulated depreciation and balance our Budget. Some depreciation on our buildings must from now on be taken into account.

The Hall has a Fund — "The John Addison Ross — Field of Anathoth Fund". This Fund was inaugurated in '59 by a highly esteemed member of our church, Miss Annie G. Hill, B.A., of New Westminster. She has been the principal donor. She adds to the Fund from time to time by donating Income bearing Securities. The market value of the Securities is approximately \$3,560.00. The Income is to be administered by the Dean, or his successor in office, for such purposes as will best further the Presbyterian work centering at St. Andrew's Hall. It is a very useful Fund. Miss Hill was also the donor of a tower and bell at the Chapel. In September 1962 the Hall received a bequest under the Will of one of our esteemed ladies of something over \$15,000.00. The Fund known as "The Rev. D. A. Fowlie Fund", is to be administered by the Dean to assist students belonging to The Presbyterian Church in Canada taking courses leading to a University Degree in medicine, or to Ordination in the Presbyterian ministry. The assistance is to be given by way of loan, on terms set by the Administrator. Still another bequest is on its way — a residuary bequest for the General Fund of the Hall. The amount of the bequest will not be known exactly for some little time. Our information is that it will be in excess of \$9,000.00. This will probably be put in a Building Fund.

The Board has in contemplation the building of another Dormitory unit. The need for such a unit exists. The unit will include Vault Accommodation for important documents of the whole Synod, a badly needed depository. Provision for other accommodation, which we have not now will also be included apart from the Dormitory. It well may be that the campaign for the financing of the project will be undertaken this year.

A. M. MANSON,
Chairman of the Board.

We have examined the Balance Sheet of St. Andrew's Hall as at 31st August, 1962 and the Statement of Operations for the year ended on that date. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

No provision has been made in the accounts for depreciation on the Dean's residence or on the Chapel and Dormitory.

In our opinion the accompanying Balance Sheet and Statement of Operations present fairly the financial position of the Hall as at 31st August, 1962 and the results of its operations for the year ended on that date, in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

**REPORT OF THE COMMITTEE ON REVISION OF
THE BOOK OF COMMON ORDER**

To the Venerable the 89th General Assembly:

The Committee on Revision of the Book of Common Order humbly presents its tenth consecutive report.

In 1953 in answer to an overture from the Presbytery of East Toronto, General Assembly accepted the following Committee named by the Moderator — Dr. F. Scott MacKenzie (Convener), Prof. D. W. Hay, Prof. H. K. Markell, Prof. A. L. Farris, Prof. C. Ritchie Bell, W. Scott Duncan, Colin F. Miller, Robert MacMillan, E. H. Bean, W. F. Butcher, J. D. Marnoch, E. J. White and to be co-opted Dr. J. L. W. McLean, Mr. Wallace MacKinnon, Mr. T. H. B. Somers and Dr. A. D. MacKinnon.

The prayer of the overture was "that the Committee study carefully the whole matter and to be charged with the responsibility of revising and enlarging the present Book of Common Order, and that they have instructions to have due regard to —

- (a) The several Reformed traditions of worship included within the membership of our Church.
- (b) The differing needs of urban, rural and mission charges.
- (c) New services and orders required by the changed and changing conditions such as Recognition Services, Radio Services and Services for Church Courts.
- (d) The need of a Book of Common Order which shall shape and express the spirit and aspirations of a Church serving in Canada."

After the first meeting, Dr. Scott MacKenzie was unable to act as convener and Dr. David W. Hay of Knox College was named in his place. Dr. MacKenzie continued to act on the Committee for a number of years and made splendid contributions to the work of the Committee particularly in the Order for Installation of a Moderator, and the Order for Celebration of Holy Communion. After serving the Committee in the trying and exhausting years of its beginning, Colin F. Miller was forced to resign from the Committee because of a call to a teaching position with the Church in the United States and Wilfred F. Butcher resigned because of pressure of duties. With these exceptions the personnel of the Committee has remained constant. By action of succeeding assemblies, the following members were added to the Committee — Mr. C. A. MacVey and Mr. Carman H. Milligan. By action of the Assembly of 1955 members of the Church Worship Committee belonging to the Synods of Toronto and Kingston, and Hamilton and London were added to the Committee. At a later date, Mr. Bryant Robinson and Mr. P. G. MacInnes of Smiths Falls, Mr. Stuart B. Coles of Toronto and Prof. J. C. McLelland of Montreal became permanent members of the Committee.

During the ten years of its existence the Committee on Revision of the Book of Common Order has reported regularly and faithfully to General Assembly. No work has been undertaken, no Order printed and circulated to the Church without the approval of Assembly. The result has been that the Church has been given full knowledge of the work and plans of the Committee. All Presbyteries and all ministers have been asked for assistance in critical study of the Committee's findings. In many instances the co-operative spirit shown by the Church has been most rewarding.

As revealed in the report submitted to the Assembly of last year, the work of the Committee has been virtually completed. We have placed before the Church, in printed form, 37 new Orders; the majority of these appeared in the draft copy of the proposed new Book of Common Order which we submitted to the Assembly of 1960. We have followed the suggestions offered by the Church for certain changes. At the present moment we are working on a one year lectionary based upon the principal seasons of the Christian Year and the special Sundays now observed by the Church. We have compiled a Treasury of more than 200 prayers from which selections will be chosen by an editorial committee; we also plan to incorporate into the new Book, CALLS TO WORSHIP; PROPER PREFACES; ASCRIPTIONS OF GLORY; DEDICATIONS OF THE OFFERINGS; BENEDICTIONS.

During this year, no general meeting of the Committee was held owing to the absence of the Convener, Dr. Hay, on Sabbatical leave in Scotland. Nevertheless work has been carried on, mainly on the Lectionary and Treasury of Prayers.

The Committee will meet during the coming winter to complete the remaining items of its task before seeking the authority of the next General Assembly to print and publish the book for voluntary use without expense to the Church. It is to be expected that the mechanics of editing and printing will take another year or two.

RECOMMENDATION

That the Committee be continued and encouraged to complete the preparation of the new Book of Common Order by next Assembly.

DAVID W. HAY,
Convener.

W. SCOTT DUNCAN,
Secretary.

COMMITTEE ON THE ORDER OF DEACONESSSES

To the Venerable the 89th General Assembly:

The Committee on the Order of Deaconesses, set up by the General Assembly of 1960, is composed of Rev. Ross K. Cameron (Convener), Rev. George Hopton, Mr. T. P. Geggie, Mrs. A. R. Riddell, and Miss Margaret Webster (Secretary). The present report of the Committee is a report of progress.

The officers of the Committee have continued to serve as liaison between congregations wishing to employ a deaconess and deaconesses seeking employment or change of employment. Several deaconesses and congregations have used the services of this committee in this regard during the year.

The Committee urges all congregations wishing to secure the services of deaconesses graduating from Ewart College to be in touch with the officers of this committee prior to December 31 of the preceding year. In the past year some graduates preferring to work in a congregation accepted other employment, since congregational requests were received late in the spring.

There is still concern regarding the matter of salaries for deaconesses. Though the General Assembly of 1962 adopted the recommendation of the committee, "That the General Assembly approve a basic minimum salary for deaconesses of \$3,200.00 and that all Boards, Societies and congregations employing deaconesses be urged to reach this minimum as quickly as possible," too little progress has been made in this matter. The committee would draw the attention of the Boards, Societies and Congregations affected to the urgency of this matter. The committee is still hopeful also that portable pension arrangements for deaconesses can be worked out in the near future.

The committee recommends to the General Assembly that the committee be continued.

This report is respectfully submitted.

ROSS K. CAMERON,
Convener.

EWART COLLEGE

To the Venerable the 89th General Assembly:

The Board of Ewart College begs to submit the following report for the year 1962-63.

It is with a deep sense of thankfulness that the Board of Ewart College reports to the General Assembly at the end of the first full academic year in the new building. We are grateful for the splendid facilities which are now available for the preparation and training of the missionaries and deaconesses of our church. The doors of opportunity are now open before us, and we are conscious of our responsibility in making this fine new building of the utmost service to the church.

Although our present faculty is limited to a Principal and a Dean, we hope to venture upon some new undertakings which have not been possible in the past. Plans are being completed for a 3-day Home-Coming Study Conference for graduates of the College, to be held in August 1963. Arrangements are also

underway for a 2-week Refresher Course for Graduate Deaconesses, Missionaries and others, to be held in June 1964. This course will be in co-operation with Covenant College, the Anglican Women's Training College and the Baptist Leadership Training School.

During this past year our students have received an unprecedented opportunity to gain practical experience in the various aspects of camping, through a Co-operative Camping project before the fall term began, and a 3-day weekend camping expedition between examinations and graduation. We feel that these are but a beginning in the many ways in which we may enrich our courses, and better prepare our graduates for the task of leadership which the Church expects of them.

Much of the success of these new undertakings, as well as the efficient management of our College, is due to the outstanding capabilities of our two staff members, Miss Margaret Webster, B.A., B.Ed., Principal, and Miss Ada Adams, B.Sc., Dean of Students. In the first year in any new building there are many new decisions which must be made, and endless small emergencies to be met. Both Miss Webster and Miss Adams have exhibited a quality of stability which can come only from the right mixture of dedication, wisdom — and humour. For what these people are as educators, and for what they are as dedicated servants of the Church, we express sincere appreciation.

For many years the Principal and Faculty of Knox College have been an integral part of the education programme of our missionaries and deaconesses. We have again received the greatest co-operation from these people. We express our gratitude to them and to all sessional lecturers and field work supervisors for their part in our academic programme.

During the past year 22 students have enrolled in the regular Ewart College courses. In addition, the residence has been filled to its capacity of 58, by University students studying in the various faculties. Preference is given to girls who are Presbyterian, but it should be noted that the demand for accommodation in Ewart College is so great that applications should be made six months in advance.

Our College is located in a strategic position by its proximity to the University of Toronto campus, and during the next months, several important conferences will avail themselves of these facilities. As a Board, we are pleased to find other areas of the Church's work benefiting from the building, and will welcome the delegates to the Council of the Women's Missionary Society (W.D.), and also some of the Commissioners to the 89th General Assembly. Other summer conferences include an International Consultation on the Preparation of Missionaries under the sponsorship of the World Council of Churches, a National Y.W.C.A. Institute on Human Relations, a conference of young people of the Reformed Church, and a Conference of Bible House Managers of the Canadian Bible Society. We feel that through these various contacts our church is being given a new kind of visibility.

For many years there has been little or no money available for the important item of bursary and scholarship assistance for our students. During recent years a number of people have made contributions which have been designated for this purpose. This is encouraging to the Board, and we hope that gradually these funds may accumulate until we will be in a position to offer significant financial help to those who could benefit from it. We acknowledge with sincere appreciation the following gifts which have been received during the past year:

A grant from the Leonard Charities	\$ 500.00
Catherine A. Gray Scholarship Fund	2,500.00
A legacy from the Estate of Muriel Jennings Gray	500.00
Y.P.S. Toronto - Kingston Synod	80.19

Perhaps the most heartening thing which the Board wishes to report to The General Assembly is the remarkable success of the campaign for the Ewart

College Building Fund. Some leaders in the church have called this the most outstanding financial appeal ever conducted by our church.

In September, 1958, the Board of the Missionary and Deaconess Training School set up the National Campaign Committee with the specific responsibility of conducting the campaign for funds for a new college building, following the authorization for such a campaign by the June, 1958, General Assembly.

A composite committee was set up, representative of all areas of our church's work, and of all geographical areas of the church. People of specific talent were challenged to assume the heavy responsibilities in the specialized fields of finance, publicity and building. A nation-wide visitation to acquaint the Church of the need, was undertaken by the Campaign Chairman and the Principal, Miss Margaret Webster, and prior to the official launching of the Campaign in March, 1959. The campaign has been promoted and supported throughout by a vigorous and creative publicity programme.

The Campaign Committee has been diligent in its many contacts and appeals. Its original objective was \$400,000.00 but due to a lengthy delay in the beginning of construction and to other unforeseen items, the final amount needed for the building and furnishing of the new Ewart College is \$629,000.00. We report with pleasure that the fund is now less than \$60,000.00 short of this total cost.

Many individuals have given unselfishly in the campaign organization, and the response of the people of The Presbyterian Church in Canada has been magnificent. God has blessed this undertaking abundantly.

Graduation exercises for Ewart College were held on April 25th in Knox College Chapel. Rev. James A. Munro, M.C., D.D., Secretary for Home Missions, The General Board of Missions, The Presbyterian Church in Canada, delivered the address to the graduating class.

RECOMMENDATION

1. Whereas the present salaries paid the Principal and the Dean of Ewart College are completely out of line with salaries paid elsewhere for comparable positions, and unfair in view of the qualifications required for these positions, and the duties involved —

Therefore the Board of Ewart College respectfully requests the General Assembly to set the salary of the Principal of Ewart College at \$6,600.00 annually as initial salary, with increments of \$500.00, \$500.00 and \$400.00 in successive years until a maximum salary of \$8,000.00 annually is reached, and the salary of the Dean of Ewart College at \$5,100.00 annually as initial salary, with increments of \$500.00, \$500.00 and \$400.00 in successive years until a maximum of \$6,500.00 is reached and that this scale be put into effect on July 1, 1963.

Chairman of the Board.

THE COMMITTEE ON HOME RELIGION

To the Venerable the 89th General Assembly:

Your Committee have continued to publish EVERY DAY as an aid to family worship and private devotions. Over fifty ministers of our Church each year contribute material gratuitously. As a Committee we would acknowledge this service and thank each contributor personally. For nineteen years Thorn Press and Presbyterian Publications have printed, published and distributed EVERY DAY without financial gain to themselves.

During 1962 the quarterly circulation was as follows: January - March, 13,853; April - June, 13,719; July - September, 13,314; October - December, 13,830; an average of 13,679 per quarter compared with an average of 13,572 per quarter in 1961.

During 1962 the quarterly cover designs were as follows: January - March, White Church in Winter; April - June, School and young girl on teeter; July - September, teacher and junior class at work; October - December, Minister greeting a young couple at the church door.

The Committee express their thanks to the Chairman, Rev. John Forbes, who wrote the article in a Church calendar kindly provided by Dr. H. F. Davidson, Secretary, Board of Stewardship and Budget; to Dr. J. S. Clarke and Dr. W. H. Fuller of the Board of Christian Education; to Rev. D. H. Rayner, Editor of "The Presbyterian Record"; and to Mrs. A. J. Cherry, Editor of "Glad Tidings"; for their courteous co-operation through the magazines they publish.

The Committee would thank the Board of Evangelism and Social Action who have so kindly agreed to request their Presbytery Convenors to promote the use of EVERY DAY and the work of the Committee. This courteous co-operation obviates the necessity of appointing Committees on Home Religion throughout the Church.

In common with all who publish in these days, the Committee regretfully concluded that an increase in the price of EVERY DAY is necessary. Our publishers and distributors have actually been losing money and the committee could not let that condition continue. Accordingly the Committee have been forced to raise their prices of EVERY DAY. Commencing with the October - December 1963 issue, the prices will be: 5 or more to one address 20 cents each per quarter or 70 cents per year; single subscriptions \$1.00 per copy per year or \$1.50 per copy for two years.

October 1, 1963 EVERY DAY will celebrate its 20th anniversary. It has accomplished much. The Committee wish it had accomplished more. A frail little boat, it is launched upon a rough sea yet carrying men and women nearer to Christ. So may it continue in sunshine and in shadow to do its humble but important work in His Church.

RECOMMENDATIONS

The Committee crave leave to renew the four recommendations as passed by the General Assembly of 1962:

1. That in view of the concern for the welfare of the Home, the Church and the Nation in these times and the need for deepening the spiritual life of our people, each Kirk-Session of the Church which has not already done so be urged to appoint one of its members or other interested person to promote the use of EVERY DAY within the congregation.
2. That the congregations of the Church be asked to consider placing copies of EVERY DAY in hospitals, homes and other institutions within the community they serve for the use of patients and others.
3. That Kirk-Sessions be requested to present a copy of EVERY DAY to each person uniting with the Church on profession of faith or by certificate; and on such other occasions as baptism (to the parents) and marriage (to the young couple about to establish a home) and to make it available by way of a rack or otherwise in the vestibule of the Church for the members and adherents of the congregation.
4. That Assembly invite the Presbyteries of the Church to set aside a period of time at one of their meetings during the year for the purpose of discussing and instituting methods of promoting the use of EVERY DAY as a devotional guide among the congregations within their bounds.

All of which is respectfully submitted.

THE JOSEPH B. ROBERT AND DAME SARAH ROBERT FUND (Benevolent)

To the Venerable the 89th General Assembly:

Mr. Joseph B. Robert was a French Canadian and his wife a Scottish Presbyterian. They lived in Beauharnois where Mrs. Robert and their family were members of St. Edward's Church. The son and the daughter, Mr. W. H. Robert and Miss Sarah Robert, desiring to "perpetuate the memory" of their father and mother established in church and charitable circles several funds to this end.

It is upon one of these funds that we now report.

The son, Mr. William Henry Robert, bequeathed the income from one-half the residue of his estate to The Presbyterian Church in Canada; one-third of this one-half being "for assistance for needy ministers who have retired."

The daughter, Miss Sarah Mary Robert, set up a Donation in terms similar to those of her brother's last will and testament; one-half of the residue to the Church; one-third of this one-half being "for assistance for needy ministers who have retired."

Under the terms of Mr. Robert's last will and testament and Miss Robert's donation, the Montreal Trust Company of Montreal, Quebec, was appointed trustee of both. Each quarter, the Trust Company remits to The Trustee Board of The Presbyterian Church in Canada the share of income falling to the Church. It is with this especial one-third of this share of income "for assistance to needy ministers who have retired" that this particular report deals.

It is to be noted that this especial one-third is "for assistance to needy ministers who have retired". The terms are therefore quite restrictive. No money from this Fund may be granted to ministers' dependents; it is solely "for assistance for needy ministers who have retired".

This Benevolent Fund has brought encouragement and a measure of comfort to a number of our ministers who have been compelled to retire by reason of the infirmities of years or because misfortune has early fallen upon them.

These ministers in particular and The Presbyterian Church in Canada in general express gratitude to God that it was put into the hearts of this son and this daughter to remember His faithful servants who are in need or will find themselves in need.

Every year a small Committee is appointed to administer this benevolent Fund.

All of which is respectfully submitted.

REPORT OF THE TRUSTEES OF THE CHURCH EXTENSION FUND AND THE CHURCH AND MANSE FUND

THE CHURCH EXTENSION FUND

To the Venerable the 89th General Assembly:

The Church Extension Fund was established to assist congregations and mission fields to acquire suitable lands, premises, buildings and equipment required for churches or places of worship and for such other purposes as will tend to foster and encourage their activities. Help is extended by way of loans secured by mortgages usually interest free for a few years and thereafter at a low rate of interest. The maximum obtainable for any one project is \$5,000.00. It is kept as a revolving Fund; as the money is repaid by borrowing congregations, it goes out to help others. NO grants may be made from this Fund as the capital is to be maintained intact. All applications must be approved by the Presbytery of the bounds and forwarded to the General Board of Missions for scrutiny and recommendation. The Board may make independent investigation and action.

A statement of loans outstanding is appended to this report.

COMMITTEE ON THE RETIREMENT FUND FOR CHURCH EMPLOYEES

To the Venerable the 89th General Assembly:

By action of the 78th General Assembly (1952) the Retirement Fund for Church Employees was established. The Committee charged with its oversight are: the members of the Executive of the Pension Board; the Chairman and Secretary of the Administrative Council; the Secretary for Home Missions of the General Board of Missions; and the Treasurer of the Church. The Chairman and the Secretary of the Administrative Council are respectively the Chairman and Secretary of the Committee. In consultation with the General Counsel of the Church, Mr. Hamilton Cassels, Sr., Q.C., regulations were drawn up. These regulations have been twice amended by Assemblies since 1952.

The Fund has been approved by the Department of National Revenue — Taxation Division as an employees' or pension fund or plan for the purposes of the Income Tax Act effective as of January 15, 1953. Because of this, contributors to the Fund may deduct the sum of their annual contributions to the Fund from their salaries before estimating their income tax for the year.

Contributors to the Fund as of December 31, 1962 were classified as follows: Church Offices — 35; under General Board of Missions, deaconesses and others — 6; Armagh Committee — 3; Catechists — 8; Ewart College — 2; Knox College — 4; W.M.S. (E.D.) — 4; congregational deaconesses — 1; total 63, as compared with 56 at the end of 1961.

The Committee cannot refrain from expressing regret that more congregations are not taking advantage of the provisions of the Fund to enrol their deaconesses as contributors. Only one congregational deaconess in all the Church is on the Fund.

All of which is respectfully submitted.

J. W. WEVERS,
Chairman.

E. A. THOMSON,
Secretary.

KNOX COLLEGE REPORT OF THE BOARD OF MANAGEMENT

To the Venerable the 89th General Assembly:

The Board of Knox College begs leave to submit its 119th Annual Report. We are again pleased to report that the residence of the College was fully occupied throughout the session and that the income from the residence has been sufficient to meet the related operating costs. The rates charged for accommodation in the residence were unchanged during the year. We are also pleased to report that new lighting fixtures have now been installed in the Library. The cost of this work has been charged against reserve for renovations which has been built up over the past few years to provide for such major renovations. Other projects such as the renovation of the lighting in the Chapel, replacement of the wiring throughout the College and improvements in the furnishings, etc. of the rooms in the residence are still receiving consideration and will be undertaken as funds are available. In addition, essential maintenance and repairs have been attended to throughout the year.

The College incurred a deficit of \$10,518.82 on its operations for the year ended December 31, 1962, as compared with a deficit of \$10,359.95 in the previous year. The current year's deficit has been charged against the unspecified general capital funds of the College bringing the total amount of deficits so charged in the last nineteen years to \$163,638.34. The depletion of our capital funds with the resulting decrease in the income therefrom, has been referred to in prior years and we would again express the concern of The Board that this serious situation is allowed to continue. The Board has continued to adhere to its policy of presenting its budget requirements for only the amount absolutely necessary to cover the net operating expenses of the College and failure to grant our requests in the Budget Allocations will necessarily result in continued deficits in the operations of the College.

Attention is drawn to the report of the Board of Knox College for 1961 (Assembly Minutes, 1962, page 318) and to the recommendations 1 and 2.

- (1) — "That Knox College be provided with sufficient funds to avoid drawing on its capital for the operations of the College."
- (2) — "That a study be made to find ways and means to replace capital Funds already used by the Board of Knox College for operational expenses of the College."

Both recommendations were approved by the General Assembly of 1962, and were referred to the Administrative Council. Action taken so far by the Administrative Council indicates that an additional sum of \$5,000.00 is to be granted to the College for the year 1963, with a recommended allocation of \$74,000.00 for the year 1964. While both allocations are still short of the amount requested, your Board is most appreciative of this action.

Reference has been made in our reports of previous years to the desire of the Board to obtain a more balanced investment portfolio consisting of high-grade bonds and preferred and common stocks. It is our hope that action will be taken to achieve this end as market conditions permit.

In 1962, the College participated in the Library Program of the American Theological Association. This program is supported by grants from the Sealantic Fund and is designed to assist theological libraries to enlarge their holdings under a scheme by which the Sealantic Trust contributes an equal amount to that of the College beyond a specified limit. It covers a three year program and may be extended to five years. To December 31st, 1962 we received \$2,325.00 from the Sealantic Trust. Participation in this program will greatly strengthen the College Library. It is interesting to note the increase in the use of the Library facilities, circulations for the Academic year ending April 1963, 17,868, an average of 638 books per week compared with 10,853, an average of 388 per week during the previous Academic year. A total of 2,200 books were added to the Library during the past year.

Your Board notes with interest the progress being made by the Administrative Council in securing a site for the new Office Building. We would again assure the General Assembly that the premises at 63 St. George Street will be of much value to Knox College in the ever broadening work of the College in the training of ministers for our Church, and in the expanding work of theological education in co-operation with the other Colleges on the University Campus.

The Joint Committee of Board and Senate, which was charged with the responsibility of exploring the field and presenting the name of a qualified candidate for the Chair of Homiletics, Evangelism and Church Administration, held a number of meetings during the year. After most careful consideration the Committee recommended to the Board, that the Reverend J. Charles Hay, M.A., B.D., Ph.D., should be the nominee of the Board of Knox College to the General Assembly for the Chair of Homiletics, Evangelism and Church Administration. The recommendation was accepted and approved by your Board.

Your Board reviewed the question of faculty salaries and noted that the last increase had been made in 1958, and after giving the matter most thoughtful consideration the Board agreed to recommend to the General Assembly that the stipend of Professors at Knox College be increased by \$1,000.00 per annum, and that the stipend of the Principal be increased by \$1,250.00 per annum. The Board was unanimous in its support of this recommendation.

The College notes with appreciation gifts which have been received during the past year for use in assisting students, establishing scholarships and bursaries, and purchasing books for the Library. The Senate, Board and Faculty of the College gratefully acknowledge the generosity of the following donors:

- Mr. A. E. Stacey, Toronto, Ontario, \$200.00 for the Mossop Bursary.
- Harcourt Lodge, A.F. and A.M., Toronto, \$100.00 for the Bursary Fund.
- St. Andrew's Presbyterian Church, Ottawa, \$150.00 for the Bursary Fund.
- Mr. and Mrs. A. K. M. Patterson, Kelowna, British Columbia, \$100.00 for the Prof. J. D. Cunningham Bursary.
- Wing Commander James Dunn, of Winnipeg, Manitoba, \$25.00 for the Charles Edward Robinson Prize, \$25.00 for the Rev. A. Dunn Prize, and \$10.00 for the Library.
- Dr. Wallace Troup, of Ottawa, Ontario, \$25.00 for the Library.
- Mr. Harry Lee, of Riverside, Ontario, \$12.00 for the general uses of the College.

Mr. W. B. Patrick, of Riverside, Ontario, \$150.00 for the general uses of the College.

The Ford Motor Company of Canada Limited, \$175.00 for the general uses of the College.

Miss Marion Wilson, West Hill, Ontario, \$100.00 to assist a needy student.

St. Andrew's Presbyterian Church, Whitby, \$340.00 for the assistance of a student in Arts.

Rev. D. B. Cram, of Norwich, Ontario, \$25.00 for the Peter Douglas Cram and James Douglas Hamilton Memorial Prize.

Dr. D. M. McLean, of Toronto, \$150.00 to provide bursary assistance for needy students.

Rosedale Presbyterian Church, Toronto, \$1,600.00 to provide bursaries for needy students.

St. Andrew's Presbyterian, Edmonton, Alberta, \$400.00 to provide four annual bursaries of \$100.00 each.

Mr. E. D. Harton, formerly of Goderich, Ontario, \$2,000.00 to establish a bursary for the assistance of worthy students.

The Estate of Amy Alberta Best, \$2,000.00 to establish a bursary for needy students.

The Estate of Muriel Jennings Gray, \$1,000.00 to establish the Rev. John Gray Bursary.

The Board of Knox College commends to the General Assembly the excellent work of the faculty under the leadership of Principal J. Stanley Glen.

The Dean of Students, Reverend D. R. McKillican has been most active in the supervision of students preparing for theological studies, and in the areas of recruitment, public relations and publicity.

We are grateful to the Reverend Emlyn Davies, B.A., B.D., B.Litt., D.D. for his work during the past year as Guest Lecturer in Systematic Theology, during the absence of Professor David Hay on Sabbatical Leave.

RECOMMENDATIONS

1. The Board of Knox College respectfully recommends that the Reverend J. Charles Hay, M.A., B.D., be appointed to the Chair of Homiletics, Evangelism and Church Administration at Knox College.
2. That the stipends paid to the Professors of Knox College be increased by \$1,000.00 per annum, and that the stipend of the Principal be increased by \$1,250.00 per annum and that such increases should be effective as of 1st September, 1963.

Chairman.

Secretary.

REPORT OF THE SENATE OF KNOX COLLEGE

To the Venerable the 89th General Assembly:

The Senate of Knox College begs to submit its 119th Annual Report.

During the academic session of 1962-1963 fifty-four students were enrolled in the undergraduate course in theology, forty-five of whom were in the regular course, five in special courses and four as occasionals. In the graduate department forty-six were enrolled, twenty for B.D. elective courses and twenty-six in courses leading to the Th.M. degree. A large proportion of those taking the B.D. electives were undergraduates who had qualified for the privilege.

Since September Professor David Hay has been on Sabbatical leave at the University of Edinburgh where he is engaged in research on a project in his field of specialization. The Rev. Emlyn Davies, B.A., B.D., B.Litt. (Oxon), D.D., formerly Professor of Church History, University College of South Wales and minister of Yorkminster Park Baptist Church, Toronto, has lectured most acceptably in Systematic Theology during Professor Hay's absence. During the session of 1963-1964 Professor Keith Andrews will be on Sabbatical leave at Heidelberg University, Germany, where he will be engaged in a research study of the Book of Jeremiah.

Our gratitude is expressed to the following sessional lecturers for their excellent contribution to the academic program: Rev. G. L. Douglas, B.A., S.T.M. (Homiletics), Rev. R. P. Carter, B.A., Th.M. (Christian Education), Rev. R. C. Culley, M.A., B.D. (Hebrew), Rev. James Jack, B.A. (New Testament Greek), Dr. E. H. Johnson (Missions), Mr. H. Rosevear, F.C.C.O., F.T.C.L. (Church Music, Hymnology, Direction of the Choir).

As announced in last year's report we are participating in the library development program of the American Theological Library Association which is financed by the Sealantic Foundation. This is a three year program in which the foundation contributes dollar for dollar above our normal budget for books up to three thousand dollars annually. During the first year of our participation in the program we were able to purchase \$4,650.00 beyond the normal expenditure for books, half of which was paid by the foundation. This has meant the addition of about 1,200 books beyond the number we would normally purchase. This, together with the installation of the new fluorescent lighting system in the library reading room has contributed to the large increase in circulation which is almost double what it previously was. Moreover, it has also enabled us to fill in gaps in the holdings which were unavoidable because of the limited purchases of books during the depression and the war.

In March, the Rev. Dr. David Perrie of Streetsville provided us with a stimulating lecture on The Personalism of the Christian Faith as the MacDonald Memorial lecturer for 1963. Early in the autumn the Laidlaw Lectures will be delivered by Dr. Paul Ricoeur, Professor of Philosophy in the Sorbonne, Paris, on a subject yet to be announced.

The names of those who were graduated and given the diploma of the College were: G. A. Beaton, B.A.; P. J. S. Darch, B.A.; L. R. Files, B.A.; R. C. Garvin, B.A.; D. J. Hill; Mrs. C. Shaver, B.A. (formerly Patricia Kendall); D. G. Morton, B.A.; R. D. Mulchey, B.A.; T. A. Plomp, B.A.; J. Schriel (Dip. Faculty of Law, Amsterdam); C. A. Scott, B.A.; M. E. Tubbs; B. W. Walker, B.A.

The degree of Bachelor of Divinity was conferred on the following: G. A. Beaton, B.A.; P. J. S. Darch, B.A.; L. R. Files, B.A.; R. C. Garvin, B.A.; S. G. Gray, B.A.; Mrs. C. Shaver, B.A.; Rev. F. J. Parsons, B.A.; T. A. Plomp, B.A.; C. A. Scott, B.A.; B. W. Walker, B.A.; Rev. D. Wotherspoon, B.A.

The degree of Doctor of Divinity (honoris causa) was conferred on the following: Rev. Professor Arthur C. Cochrane, B.A., Ph.D., of the Faculty of Theology (Presbyterian) of the University of Dubuque, Iowa, who addressed Convocation (April 30); Rev. KNOX COLLEGE
FINANCIAL STATEMENT
YEAR ENDED DECEMBER 31, 1962

AUDITORS' REPORT

To the Board of Management of
Knox College:

We have examined the balance sheet of Knox College as at December 31, 1962 and the statements of revenue and expenditure, deferred revenue and general and specific funds for the year ended on that date. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion the accompanying balance sheet and related statements of revenue and expenditure, deferred revenue and general and specific funds present fairly the financial position of the College as at December 31, 1962 and the results of its transactions for the year ended on that date, in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

REPORT OF THE COMMITTEE ON SYNOD CORPORATIONS OF THE PRESBYTERIAN CHURCH IN CANADA

To the Venerable the 89th General Assembly:

Six years ago the 83rd General Assembly endorsed the establishment of Synod Corporations for the purpose of financing church building and church extension. Seven of the eight Synods and the Presbytery of Ottawa have now incorporated such companies. Of these eight companies, two operate on the system of guaranteeing loans at chartered banks and the other six market collateral trust debentures. The sale of these debentures provides the money for twenty year loans to congregations, who are building churches.

To December 31, 1962, the eight Corporations have arranged capital loans for 45 Presbyterian congregations in the total amount of \$3,086,350.00. The outstanding loans at the same date totalled \$2,941,193.00. Therefore, since 1957 \$129,157.00 has been repaid on principal, of which \$106,750.00 represents principal paid to redeem the debentures and \$21,407.00 on the principal of the guaranteed loans at the bank.

According to our survey, the capital loans needed from the Synod Corporations for church building in 1963 will amount to about \$695,500.00. This, of course, does not take into account the loans that will be obtained from other sources.

On December 31, 1962, the total amount of capital reserve funds stood at \$556,816.00, which is an increase of \$73,548.00 on the year. We would urge all Corporations to put forth every effort to increase their capital reserve funds in order to be in a position to meet the demands for loans during the next twenty years.

The following table sets out the capital reserve funds and outstanding loans for 1961 and 1962 and the prospective loans for 1963.

Loans made directly from reserve funds — Saskatchewan \$19,000.00

Since the reserve funds of the Synod Corporations are only for the purpose of guaranteeing collateral trust debentures negotiations are now going on to have this direct loan of \$19,000.00 returned to the Capital Reserve Fund of the Corporation of the Synod of Saskatchewan in the near future.

On August 1, 1962, the Rev. David McCullough assumed his duties as Business Administrator of Synod Corporations and has since visited each of the companies and met with each Board of Directors. Upon his return, he presented a written report to the Committee, copies of which were transmitted to each company. He has also written a Manual on Synod Corporation Financing of Church Buildings, which has been accepted by the Committee and has now been distributed to the Directors of the Corporations and others. It is a guide book giving step by step the operation of the Synod Corporations.

MARKETING DEBENTURES

The present practice of the Synod Corporations is to offer their debentures for sale at any and all times without regard to the state of the market or when the repayment dates fall. It is our considered opinion that this is not good practice. There have been a number of small offerings, which on five occasions involved only one or two congregations. Too frequent marketing of small amounts could defeat the purpose of the Corporations because there is a limited amount of money available for the purchase of church bonds. We believe that there should be a planned and controlled presentation of our offerings because there are times when the market is more favourable. Therefore, the Committee desires that the Assembly should grant it authority to arrange the timing of all issues of debentures.

GATHERING INFORMATION RE LOANS

Your Committee is asking the General Assembly for permission to draw an agreement with each Synod Corporation to permit the Business Administrator to deal directly with each applying congregation in order to gather full information about a loan and analyze it for the Board of Directors concerned. In this way, the Committee would be aware of the proposed loan and could advise. The Board of Directors would have the benefit of an independent opinion and would lose none of its authority. If and when the Board of Directors concerned approved the loan, the Business Administrator would be better able to represent the Synod Corporation with the Investment Agent.

ALTERNATES

Your Committee has found it extremely difficult to call our Annual Meeting at a time that will suit all members of the Committee, therefore, we are asking that the members of the Committee be permitted to appoint alternates so that there be representation from all areas of the Church.

PRESBYTERY APPROVAL OF LOANS

We are concerned at the rather lax way some Presbyteries approve loans. Since it is only on a Presbytery's authority that a Congregation can mortgage its property, the Presbytery should give the utmost consideration to any application for a loan.

RECOMMENDATIONS

1. That the Corporations (Synod and Presbytery) be encouraged to increase their Capital Reserve Funds so that they may be in a position to meet the demands for loans during the next fifteen to twenty years.
2. That the General Assembly grant authority to the Committee to co-ordinate the timing of all issues of Collateral Trust Debentures so that the marketing of Debentures takes place not more than twice each year and at the most favourable time for both the marketing of debentures and the standpoint of the congregations' repayment dates.

3. That an agreement with each Synod Corporation be sought to permit the Business Administrator to deal directly with the applying Congregation in order to
 - (a) Gather all the necessary information from the Congregation in one package, that is, in the Application Form for Loans.
 - (b) Give the Committee on Synod Corporations or its Executive an opportunity to examine the loan in relation to the information supplied.
 - (c) Analyze the Application and give guidance to the Board of Directors concerned.
 - (d) Consult with the Investment Agent regarding the loan.
4. That all applications for Synod Corporation loans be processed through the Business Administrator so that he may assist in the sale of the Debentures.
5. That the Committee be authorized to develop a uniform Application Form for Loans to be used in all Synod Corporations.
6. That each Board of Directors be requested to examine the Annual Reports of the borrowing congregations as to the increase or decrease of their membership, financial contributions and the state of their indebtedness.
7. That the General Assembly permit the members of this Committee who cannot attend the Annual Meeting to appoint alternates so that representation from every area of the Church can be assured.
8. That the General Assembly request the Presbyteries to give painstaking examination to an application for a Synod Corporation loan before making any decisions.

H. W. HUNTER,
Chairman.

D. McCULLOUGH,
Secretary.

REPORT OF THE PENSION BOARD FOR 1963

To the Venerable the 89th General Assembly:

It is with profound gratitude to the great King and Head of the Church for His continued blessing and guidance that this report of progress in the past year is presented. Last year it was intimated that the Pension Board was pressing forward to the speedy attainment of a pension of \$1,800.00 for our ministers at 70 years and 40 years of service to our Church and \$900.00 to their widows. We have reached \$1,300.00 and \$650.00 and after reviewing the Actuary's Quinquennial Valuation Report to December 31st, 1962, and with his approval, the Board recommends a further increase commencing July 1st, 1963, of 2/21st of the Church's present contribution (i.e. \$28.75 per year of service) commencing July 1st, 1963, as shown on the following table:—

The Actuary's report indicates the present actuarial assets of the Fund amount to \$6,592,340 against liabilities of \$5,939,000 or a surplus on December 31st, 1962, of \$653,340, while the actuarial assets needed to cover the recommended increase of 2/21 of the Church's contribution amount to \$430,000.00, and this amount is available. In any proposed Campaign in the Church for Capital Funds, a substantial amount should be included for the Pension Fund if our minimum objective is to be reached in the next five years. The amounts received from gifts and bequests have not as yet reached the total for which we have hoped, but we record our sincere appreciation to all responsible for what has been accomplished up to date.

Two meetings of the Board have been held since last Assembly, on September 18th, 1962, and April 23rd, 1963, and one meeting of the Executive on January 29th, 1963. We record our thanks to the Administrative Council and its executive, and to the other Boards and Committees of the Church for their part in furthering the interests of the Pension Fund and its support. The Synod and Presbytery Conveners have been of great assistance in passing on information so that our work is better understood throughout the Church. The new Pension Booklet has been re-edited, printed and distributed in the different areas, together with a booklet describing the Group Insurance Plan IV as approved by last Assembly. These have also been placed in the hands of the graduating class of Knox College, Toronto, and Presbyterian College, Montreal, together with application forms to

facilitate their participation in these matters. The regulation requiring ministers of our Church to be connected with the Pension Fund on induction or immediately thereafter, seems to have been overlooked in some instances by the Presbyteries concerned.

The arrangements approved by last Assembly for the transfer of assets of the Pension Fund by the Trustee Board of our Church to the Canada Life Assurance Company which was to take effect on July 1st, 1962, were delayed pending the approval of the Parliament in Ottawa and the Legislature of Ontario, of amendments to the Acts of Incorporation of our Trustee Board to permit these transfers, and it was late in 1962 before this necessary legislation was obtained. On January 1st, 1963, on the payment of \$1,327,817.55, the Canada Life assumed responsibility for the payment of annuities to all our present beneficiaries and will continue payment on the first of each month in future. The transfer of the equities from the Trustee Board took place technically on January 1st, 1963, and the physical transfer of the stocks and bonds and cash was not fully completed in all details until February 28th, 1963, amounting to \$2,283,924.68. These equities are now in a "Segregated Fund" administered by Canada Life on behalf of the Pension Fund, whose facilities for investment, including mortgages, will permit a higher net return after providing for the payment of administration expenses to the Company. While the Pension Board office is still responsible for the administration of the Fund with regard to operation within the Church according to the regulations as they apply to ministers and dependents, congregational rates, the collection of rates and clerical work involved, the new arrangement should reduce the work required by the Treasurer's office. The new arrangements as between the Trustee Board, the Treasurer's office, the Pension office and the Canada Life have necessitated close co-operation in the interchange of information, and there has been most satisfactory progress made toward efficient adjustment. We wish to record our great appreciation of the ready assistance in putting these changes into effect by all parties concerned.

In connection with the Group Insurance Plan for active ministers on the Pension Fund, we find there are 47 ministers eligible (26 under age 38) who have not joined the Plan. During the year six claims were made — one for \$3,000.00, one for \$3,055.22 (including interest), one for \$5,000.00 and three for \$7,000.00 each, a total of \$32,055.22. This very high mortality experience has given a great deal of concern and will increase substantially the necessary expense to the Church for this coverage if the trend continues. Last year the amount of benefits was \$11,000.00 for five claims.

Through the Pension Assistance Fund Committee, it is again possible to report that no active minister of the Church lost his equity in 1962 by falling over four years in arrears of rates. It was necessary however to assist 10 ministers to a total of \$461.24. The balance in the fund as of December 31st, 1962, was \$1,518.47. It should be again emphasized that contributions specially designated for this Assistance Fund will always be gratefully received as with more funds available help could be given to clear some outstanding arrears which would expedite the earlier payment of full pension to needy cases of pensioners who are slowly overcoming the backlog of accumulated arrears, as well as helping maintain the connection and equity of some who would otherwise lose what had been already paid in.

Our analysis of our financial statement for the 12 months of 1962 shows an increase of \$321,869 in total assets from \$3,241,722 to \$3,563,591. The net increase last year was \$222,910. The total received from gifts and legacies amounted to \$8,324, an increase of \$1,247. We again observe that the support of the Pension Fund from these sources is most disappointing and we trust that our people will immediately take steps to insure that the Pension Fund is generously remembered in their wills. Financial help from bequests dedicated to the endowment of the Pension Fund could hasten the day when our Church could support these retired servants of the Church and their dependents more in keeping with their requirements and the present cost of living. The amount received from Ministers' Rates was \$38,207, an increase of \$3,366. The refunds to ministers withdrawing permanently from the services of the Church amounted to \$462, a decrease of \$1,607, which is a gratifying reversal of the recent trend.

The total interest on investments, bank interest, interest on arrears of Ministers' Rates, and income from Estates was \$172,657, an increase of \$18,110. This indicates the continued increase in our investment income due in no small measure to the efficient handling of our funds by Mr. B. M. Hannigan, Chairman of the Trustee Board and his Board and the Advisory Investment Council, to all of whom we extend our grateful thanks. We would record our special indebtedness to Mr. Hannigan for the tremendous amount of work, in correspondence, personal interviews, planning and attention he has contributed to the development and consummation of the arrangements with Canada Life and the appraisal and transfer of the equities involved during the past year. Few can fully appreciate the intricate details and time consuming attention which these negotiations demanded.

The total revenue for 1962 was \$485,952 compared with \$458,436 in 1961 and total expenditures were \$164,583 compared with \$151,281 in 1961.

The amount received from Budget Funds was \$125,000 the same as last year. Boards and Congregational Rates, including Cognate work totalled \$141,764, an increase of \$4,793.

Total amount of annuities paid was \$158,556, an increase of \$13,945 reflecting the six months increase in pensions after July 1st, 1962. The expenses of operating the Fund was \$5,765, an increase of \$1,140. This reflects the constantly increasing cost of operating the Church office. It now requires the full time services of our Clerk-Stenographer, which formerly were shared with the Treasurer's office. In addition there has been added to other routine office expenses such as printing, postage and stationery, the expenses involved in the safekeeping of our securities in the Bank of Nova Scotia, which until recent years was not assessed as a charge against the Pension Fund. This expense which has amounted to about \$1,200 annually will be discontinued as of February 1st, 1963, when the securities were lodged with Canada Life and will be included in their administration fee. However the amount due from July 1st, 1962 to January 31st, 1963 will have to be included in our 1963 expenses. The co-operation received within the Church offices by all the staff has been excellent at all times and our Board is exceedingly grateful for all the courtesies extended.

Analyzing the Congregational Rates for 1962, there were the following cancellations: due to exemptions of assessment being made on mortgage payments, \$8,166.23 against \$6,363 in 1961; errors in reporting congregational receipts \$1,774.43 against \$62 in 1961; on Capital expenditures by congregations, new Church and Manse facilities, \$1,530.07 against \$5,737 for 1961; for cancelling arrears of rates for special reasons approved by the Presbyteries concerned, \$3,781.13 against \$3,402 in 1961; for preaching points closed nil; a total of \$15,252 against \$15,566, a decrease of \$314 from last year. Congregational rates in arrears, \$38,396 an increase of \$1,790 over last year. The amount of Ministers' Rates in arrears was \$32,292, a decrease of \$2,304. Preaching points closed two (Bala and St. Andrew's North Easthope, Stratford Presbytery).

The Chairman was privileged to attend the Church Pensions Conference in New York on November 29th and 30th, 1962. The two previous days were devoted to a conference on Gift Annuities but unfortunately we were not advised of this gathering which convenes every two years. The Conference was well attended by 21 participating Churches totalling 158,671 active and retired ministers. It was noted that the average retirement age of ministers was 67.9 in 1962 and 68.2 in 1961, while our average retirement age was 74.3 in 1962 and 72.5 in 1961. Total funds and resources in 1962 were \$1,038,774,155 against \$952,094,566 in 1961. Receipts during fiscal year 1962 — \$138,465,651 and 1961 — \$128,204,134. Total number of beneficiaries of 21 Churches in 1962 was 39,189 made up of 18,984 ministers and 20,205 widows and orphans. These figures are quoted to give an indication of the scope of Church Pensions on this Continent. Interesting reports were presented from the member Churches on developments in procedures and

administration and trends in investment policies. Specialists reported on the influence of "Social Security" and economic trends which would influence investment policy in the next few years in the U.S.A.

There has been further discussion in our Board regarding Gift Annuities. There are many approaches to adopting a policy in this regard for there are complications arising from the attitude and requirements of the taxing authorities. The Board is not favourable at this time to our Church adopting a plan of Gift Annuities, but from the information available would suggest that if money is received from a person desiring an annuity from the money deposited, the portion which purchased the annuity (from an established Insurance Company) should be clearly indicated from the additional portion which would constitute the gift, with the acknowledging receipt from the Church setting out these amounts to avoid any possibility of misunderstanding.

Further study of the suggestion that our Church should participate in a general Group Health and Accident Insurance programme based on our report on Overture No. 34 of last year indicated that the cost for the coverages outlined without hospitalization to cover our ministers and dependents, catechists, missionaries and deaconesses and Church employees would be about \$48,000 annually, to be divided so that the Church would assume \$10,000 and the single participants \$1.00 per month and married participants \$4.50 per month. As there has been no allocation available for the Church's share, the question of division of expenses of membership has not been pursued.

A problem has arisen in the administration of the Pension Fund and the Group Insurance Plan as it affects ministers of our Church on the Appendix to the Roll who have gone into the teaching profession, perhaps only temporarily, or other secular employment. Should such a minister be allowed to join the Pension Fund, and continue to be covered by the Group Insurance if he elects to pay the extra \$40.00 in addition to his Ministers' and Widows' and Orphans' Rates to continue his status on the Pension Fund? Your Board doubts if a minister appointed to regular school teaching duty and salary can claim up to three years of service to the Church while seeking a charge.

The Board wishes to record its deep appreciation of the services rendered by Mr. George McIlwraith, Q.C., M.P. and Mr. Kenneth R. MacGregor, Superintendent of Insurance for Canada, in Ottawa, and Mr. Hamilton Cassels, Sr., Q.C., together with Mr. Bamber Hannigan, Chairman of the Trustee Board in Toronto, for their great assistance in appearing before the Private Bills Committees of the Federal Parliament in Ottawa and the Provincial Legislature of Ontario in Toronto, in support of the bills presented to amend the Acts of Incorporation of the Trustee Board of the Presbyterian Church in Canada in accordance with the resolution of the last General Assembly, which permitted the execution of the Agreement with the Canada Life Assurance Company, and the continuing co-operation of all parties in the successful performance of the details of the agreement.

In previous annual reports of this Board, a tribute has been paid to the outstanding services rendered to it and the Church generally by Rev. E. A. Thomson, B.A., D.D., who besides discharging a great number of essential and exacting duties for the Church including those of Joint Clerk of Assembly, Secretary of the Trustee Board, Secretary of the Administrative Council and its Executive and many of its Committees and sub-Committees, has continued to act as Secretary for the Pension Board, preparing and circulating its minutes and being available at all times for advice and assistance. His services, experience and intimate knowledge of the Church and its servants and dependents have made his contribution to the Board and its work almost indispensable. We trust that nothing will interfere in the future with the continuance of this association. We here record our deep sense of indebtedness to Dr. Thomson for his inspiration and helpfulness. This same sense of obligation and appreciation extends to the

other officials in the Church Offices, to Mr. W. S. Walton, Q.C., Treasurer, to the Acting Comptroller, Rev. Basil Howell, Mr. H. S. Reid, and to all the staff, all of whom have been most kind and eager and effective in their co-operation.

This has been a most strenuous and hectic year in the Pension Office. Miss Margaret M. Alexander, our Clerk-Stenographer, has had to work full-time and overtime to cope with the burden of the preparation of statistics, correspondence, notices of rates and the daily necessity of meeting dead-lines necessitated by the new arrangements in regard to Canada Life, the Quinquennial Valuation, and particularly the almost daily contact with the Chairman's office in Ottawa. The cheerful, efficient and dedicated manner in which Miss Alexander has met and discharged these duties, regardless of long hours, merits the warmest praise.

Throughout the year we have had frequent correspondence and personal interviews with our Actuary, Professor Norris E. Sheppard, M.A., F.I.A., of the Department of Mathematics, University of Toronto. For nearly twenty years he has been the guide, counsellor and friend of the Pension Fund, during which time he has seen the benefits of the Fund doubled and its assets increased seven or eight times. His experience has been invaluable to our Fund and all he will accept as remuneration is our thanks, which our Board tenders to him in fullest measure. The present year has been one of special activity including repeated consultations with regard to the Agreement with Canada Life and the operation of the "Segregated Fund", and latterly the detailed and arduous task of the revaluation of the Fund as of December 31st, 1962. His report is appended to this report of the Board as it, with its recommendations and comments, throws a revealing light on the progress of the last five years. To him and those associated with him in the preparation of this informative report, we express our sincerest thanks and continued sense of lasting obligation.

RECOMMENDATIONS

1. That, in addition to the annuities purchased by the ministers' and widows' and orphans' rates, the Pension payments be increased by two twenty-firsts (2/21) of the Church's present contribution in accordance with the unanimous recommendation of the Board and accompanying table. This will increase the total maximum Pension to ministers with 40 years of service and age 70 by \$100 and \$50 for widows or a single orphan who has lost both parents. This increase will become effective as of July 1st, 1963, and is dependent upon the present annual assistance from the Church Budget being continued.
2. That, subject to the sole discretion of the Pension Board, the age for an orphan's annuity be extended from 18 to 21 provided the orphan is unmarried, dependent, and continues to attend school, college or university, to become effective January 1st, 1963.
3. That, on and after July 1st, 1963, a minister retiring before age 70 on the grounds of total disability shall receive the \$250 in full as purchased by his minister's rates (or portion thereof if an optional ratepayer \$50.00) instead of its actuarial value at his lesser attained age than 70.
4. That our participation in the Church Pension Conference be continued.
5. That the Pension Board be empowered to continue to solicit gifts and bequests to increase the assets of the Fund, and for additional funds for the Pension Assistance Fund.
6. That an amount up to \$15,500.00 be apportioned to cover this year's expenses of the Pension Board, including postage, safekeeping charges, printing and salary of a Clerk-Stenographer in the Church Offices and the administration fees of the Segregated Fund in the hands of Canada Life Assurance Company, from January 1st, 1963 to December 31st, 1963.
7. That the continuing members of the Executive of the Board after the appointments of Assembly, constitute the Executive until the Fall Meeting of the Board.

8. That this General Assembly express its grateful appreciation and sincere thanks to Professor Norris E. Sheppard, M.A., F.I.A., who for many years has acted as our Actuary without remuneration, and has just completed another quinquennial revaluation of our Pension Fund, and presented it in time for the information of this Assembly.

All of which is respectfully submitted.

C. M. PITTS,
Chairman.

C. M. Pitts, Esq.,
Chairman, The Pension Board,
The Presbyterian Church in Canada,
Toronto 5, Ontario.

Dear Sir:

We have completed our computations for the quinquennial valuation of the Pension Fund as at December 31, 1962, this being our eighth report thereon. The seventh report was made up at December 31, 1957.

The detailed valuation information was supplied to us on record cards; a card was typed for each pensioned Minister, for each widow who received an allowance, and for each active Minister who was connected with the Pension Fund during the five years ended December 31, 1962.

We examined the mortality experienced during the five-year inter-valuation period of both the pensioned Ministers and the widows who were on pension according to the records which we had before us; the following are the summarized results:

<i>Pensioned Ministers</i>	<i>Number</i>	<i>Pensioned Widows</i>
82	on pension list December 31, 1957	142
+ 33	pensioned during the five years	+ 50
— 46	pensions terminated by death (or remarriage)	— 38
= 69	on pension list December 31, 1962	= 154

A summary, in quinquennial age groups, of the distribution of the retired Ministers and the widows drawing allowances during the past five years is given in Schedules A and B respectively.

The following is a comparison of the actual deaths with the expected number of deaths on the $\alpha(55)$ Ultimate Mortality Tables for Annuitants, written down one year of age, for each of the past three five-year inter-valuation periods.

<i>Attained age group</i>	QUINQUENNIAL VALUATION PERIOD					
	<i>1948 - 1952</i>		<i>1953 - 1957</i>		<i>1958 - 1962</i>	
	<i>Actual</i>	<i>Expected</i>	<i>Actual</i>	<i>Expected</i>	<i>Actual</i>	<i>Expected</i>
RETIRED MINISTERS						
up to 60	0	0.0	0	0.0	1	0.0
60 to 70	1	0.3	3	0.5	1	0.3
70 to 80	25	18.4	12	14.0	15	11.9
over 80	34	26.1	29	25.8	29	21.9
Totals	60	44.8	44	40.3	46	34.1
PENSIONED WIDOWS						
up to 60	0	0.5	1	0.3	1	0.4
60 to 70	2	2.8	4	2.6	1	2.1
70 to 80	14	8.6	13	9.7	7	11.0
over 80	12	14.1	26	20.6	27	22.0
Totals	28	26.0	44	33.2	36	35.5

The numbers of deaths are not large, but they provide some evidence that the mortality of the widows below age 80 is decreasing. There is no such recent decrease apparent in the male mortality.

We have again used the same mortality basis as we did in our 1957 valuation, viz., the $\alpha(55)$ Ultimate Table for Annuitants with the actual age of the pensioner or widow written down one full year. A man or woman of 70 is thus credited with the longevity shown for a 69-year-old in these tables.

SERVICE EXPERIENCE OF CONTRIBUTORS

We took out the service experience of the 718 Ministers who were connected with the Fund at any time during the inter-valuation period.

We examined this service experience for the past five years covering the four main modes of termination of service to the Church in Canada — withdrawal (with or without a lump sum benefit), transfer under a Comity Agreement, dying while in service, and going on pension.

The over-all movement was as follows:

573 active Ministers with the Fund December 31, 1957:

during the five-year period

- + 145 Ministers joined the plan
- 15 Ministers withdrew or were suspended
- 7 Ministers transferred under comity agreements
- 24 Ministers died in service
- 33 Ministers were superannuated

leaving 639 active Ministers on the Fund December 31, 1962

A summary, in quinquennial age groups, of the distributions of those members who were contributors at any time during the inter-valuation period is given in Schedule C.

This most recent termination experience among the contributing Ministers was compared with the numbers expected according to the rates of termination for each mode of exit that were used in both our 1952 and 1957 valuations. In setting up our service table for this valuation we have made no changes in the rates of termination below attained age 45. From ages 46 to 69 we have, however, increased slightly the rates of dying in service and decreased somewhat the rates of retiring on the ground of disability.

CURRENT PENSION BENEFITS

It will probably be best to set out at this point a word or two covering the increases in pensions and allowances which have been made in the inter-valuation period.

As of the end of the year 1957 when our last valuation was made, the maximum normal yearly pension being paid the then existing pensioners (including those pensioned immediately thereafter) was

\$ 250 from the Minister's rates, and
750 (40 x \$18.75) from the Church's contributions

or \$1,000 a year.

The widow's allowance for a Minister who died in service or while on pension was generally \$500 per annum, the widow's pension being independent of the length of service of the husband.

During the five-year inter-valuation period the maximum Minister's pension of \$750 per annum payable from the Church's contributions has been raised in three successive amounts of \$100 each, so that a Minister on retirement after attaining age 70 now normally receives

\$ 250 a year from the Minister's personal rates
1,050 a year (40 x \$26.25 for each service year)

or \$1,300 a year to a Minister retiring at age 70 with at least forty years' service.

The corresponding allowance payable to a widow of an active or retired Minister is now \$650 a year.

REVENUE SOURCES

It will be recalled that the four sources of the contributions are

- (i) the Ministers who have connected with the Fund,
- (ii) the Boards and Congregations,
- (iii) the Church Budget
- (iv) all Gifts and Legacies

The following schedule gives a year by year summary of the revenue from each of these sources.

Revenue received during each year from

Year ending	Ministers	Boards and Congregations	Church Budget	Gifts and Legacies
31 Jan., 1954	\$22,989	\$ 55,680	\$ 38,857	\$ 4,587
31 Jan., 1955	21,921	58,065	52,534	7,179
31 Jan., 1956	32,324	63,214	59,335	9,480
31 Jan., 1957	30,613	70,774	68,320	4,175
31 Jan., 1958	31,318	99,634	125,000	3,715
31 Jan., 1959	30,266	113,589	125,000	5,293
31 Dec., 1959	30,514	128,321	114,583	15,578
31 Dec., 1960	33,301	132,112	125,000	20,262
31 Dec., 1961	34,841	136,971	125,000	7,077
31 Dec., 1962	38,207	141,764	125,000	8,324

Average per annum
over last four years
and 11 months

\$33,990 \$132,760 \$125,000 \$11,500

It is our understanding that the present fund will receive in each future year \$125,000 from the Church Budget, plus one and one-half per cent of the total received for all congregational purposes and 5% of salaries of Ministerial employees of Boards and Colleges. Accordingly in the Asset side of our actuarial valuation Balance Sheet we have placed the present values of the share of these amounts which should go to the benefit of the present contributors during their service lifetime (after making allowance for arrears included in the annual figures above).

The amounts actually received from Gifts and Legacies are shown above for the last ten years. It will be noticed that there have been somewhat increased amounts received from this source during the inter-valuation period.

MINISTERS WHO HAVE NOT JOINED THE PENSION FUND

In our previous two reports we have called attention to the fact that there were Ministers who had not joined the pension plan as of the respective valuation date.

As of December 31, 1952 we found that the number of non-members under age 70 was 141. Five years later this number had been reduced to 67. As of December 31, 1962, from the information supplied to us it would appear that there are some 61 Ministers under age 70 who have not connected with the pension plan—even though it would appear from the conditions of the plan that it is compulsory on ordination to become a member.

The following schedule by quinquennial age groups shows the result of our tabulation for this group. Admittedly some of the younger Ministers were only ordained quite recently.

Age Group	Ministers not contributing in 1962	Aggregate number of service years
31:12:62	Number of Ministers	
25 - 29	8	7 years
30 - 34	7	24
35 - 39	16	66
40 - 44	5	21
45 - 49	10	111
50 - 54	3	61
55 - 59	5	117
60 - 64	4	86
65 - 69	3	95
Total	61	588 years

We have included in the Balance Sheet a contingent liability of \$175,000, representing the potential liability to the Church that will be incurred in respect of the service to date of those among the 61 men who eventually join the pension plan.

INTEREST RATES

We have computed the average annual effective rate of interest earned on the funds during each of past five years and find that

during the year ending 31 January, 1958 the rate was 3.81% per annum
 during the year ending 31 January, 1959 the rate was 3.88% per annum
 during 11 months ending 31 December, 1959 the rate was 4.08% per annum
 during the year ending 31 December, 1960 the rate was 4.20% per annum
 during the year ending 31 December, 1961 the rate was 5.06% per annum
 during the year ending 31 December, 1962 the rate was 5.10% per annum

The increase in the earnings of the Fund as shown above, speaks well for the advice and management which has been used in recent years.

In our 1957 valuation we used a 4% valuation rate of interest in finding the present value of the pensions and allowances actually in force and a 3½% rate for valuing the contingent liabilities and future contributions by and in respect of the active Ministers.

In this valuation we have assumed a 4% per annum valuation rate of interest throughout.

(i) anticipated receipts from Congregations	\$1,300,000

(iii) anticipated Gifts and Legacies	110,000
	<u>2,660,000</u>
	<u>\$6,592,340</u>

Summarized details of the value of the main contingent liabilities and future Ministers' rates will be found on Schedules D and E attached hereto.

The actuarial balance sheet set out above shows a surplus of \$653,340 as at 31 December, 1962, which statement by itself indicates a highly satisfactory situation from an actuarial point of view; this surplus is, however, only 11% of the actuarial liabilities.

We must also point out that the market value of the Securities of the Fund at January, 1963 was some \$240,000 below the book value, and that we have not set up any corresponding investment reserve as a liability in our balance sheet.

There are two main causes for the present magnitude of this disclosed surplus, namely

- (i) the use of a 4% valuation rate of interest
- and (ii) the assumption that the fund can continue to count upon 1½% of congregational collections for the service lifetime of the present contributing Ministers.

INCREASE AND EXTENSION OF BENEFITS

While we have all the valuation figures under review, we estimate that the additional capitalized cost of raising the Church's share of each person's pension, now in force or to be granted in future, by two twenty-firsts (maximum rise \$100 per annum) is \$430,000.

Before considering a further increase in the pensions, we would, however, recommend to the Pension Board that they consider extending the age for a child's allowance from 18 to 21 provided the child is unmarried, dependent, and continues to attend school, college, or university.

We would also recommend that consideration be given to granting a Minister who retires under age 70 on the ground of disability the whole \$250 pension (or fraction thereof) for which he has been paying his annual dollar Minister's rate. Up to the present only the actuarial equivalent of the \$250 has been paid on retirement of a disabled Minister before attaining age 70.

THE FUTURE OPERATION OF THE PENSION FUND

After a thorough investigation and a lengthy legal route, a contract was made as of 1 January, 1963 with the Canada Life Assurance Company, providing that this company would handle the investing of the funds collected under the pension plan in a segregated Fund. As each beneficiary becomes entitled to a pension a single premium will be taken from this Fund, with the Company undertaking to pay the monthly pensions and allowances directly to the named beneficiary.

The cost basis for the annuities in force as at 31 December, 1962 was set out in the contract and, in our opinion, it was set up on reasonable over-all assumptions covering future mortality, interest earnings, and the operating expense of having to issue, record and send monthly pension cheques.

While the mortality rates assumed by the Company are somewhat lower than what we had used, the higher rate of interest used by the Company in calculating the initial premiums taken out of the Fund more than covers the expense loading. In fact, we estimate that the initial purchases for 67 Ministers, 152 widows and 20 children amounted to about 93½% of the values which we have used in our balance sheet.

In respect of future retirements and deaths, the annuity rates to be charged the Fund, for the benefits which are to be paid, are guaranteed for at least the first five years, with provision that, if the Company's current annuity price at the time of purchase is currently lower, the latter would be the price charged the account for the benefit.

The segregated account is to be charged with a monthly administration charge set out in the contract of amounts less than one-half of one per cent per annum, decreasing with the size of the Fund from time to time. Where mortgages are purchased or held, an additional service charge will be made of not more than one-half of one per cent per annum on the outstanding principal.

Both during the long period which elapsed in negotiating the contract between the Company and the Trustee Board, and more recently in the process of making our valuation of the Pension Fund, we have enjoyed the fullest cooperation with the officials of the Canada Life Assurance Company.

In our opinion the change has been and will continue to be of great benefit to the Church and the present and prospective beneficiaries of the Pension Plan. In other words, we expect that bigger benefits will result from the dollars paid into the account. We also have the utmost faith that the trained personnel of the Company will endeavour in the future (as they have shown in their investment help in the immediate past) to further the well-being of the Pension Fund with the monies entrusted to them by the Ministers, by the congregations, through the Church Budget, and via gifts and legacies.

CONCLUDING REMARKS

In concluding this report, we trust that you will bear with us while we enter here a personal comment so that every person who reads it will be aware of the time, energy and personal and team effort which you yourself have given through the years in the attempt to make this pension fund what it is today. Your reward will be in the satisfaction of an underaking achieved despite many obstacles, of a voluntary work well done. For our part we do appreciate all your help.

Finally once again we wish to express through you our appreciation of the work done by the Church office staff, and by Miss M. Alexander in particular, in preparing the statistical data and in supplying all our requests for the information which formed the basis of this quinquennial valuation.

Faithfully yours,

COMMITTEE TO CONVERSE WITH THE ANGLICAN CHURCH OF CANADA

To the Venerable the 89th General Assembly:

The Committee appointed by the 86th General Assembly (1960) to engage in conversations with representatives of the Anglican Church of Canada met with the latter three times during the 1962-1963 season. Meetings were held in Hart House, University of Toronto in November, February and May. The first meeting was devoted to a discussion of Calvin's Doctrine of the Sacraments based upon a paper prepared and read by Professor W. Stanford Reid. The second meeting was devoted to a discussion of the sacramental view of the Christian ministry based upon extracts from Richard Hooker's Laws of Ecclesiastical Polity (5; 72:1-8) by Professor E. Fairweather of Trinity. The third meeting was devoted to a discussion Professor Torrance's book "The Doctrine of Grace in the Apostolic Fathers" based upon an exposition of it prepared and read by Principal Robert Lennox. These conversations have concentrated mainly upon the nature of the ministry, the sacraments and the doctrine of grace pertaining thereto. They have been exploratory in nature and have contributed to a better understanding of the agreements and differences of the two churches. The committee would report progress and request the continuation of the conversations.

J. S. GLEN,
Convener.

LOUIS H. FOWLER,
Secretary.

THE ADMINISTRATIVE COUNCIL

To the Venerable the 89th General Assembly:

The Administrative Council beg leave to report on their activities during the past year.

DEATH OF MR. JAMES DUTTON

The Council records with sorrow the death of Mr. James Dutton in Peterborough on Thursday, February 21, 1963. He served the Presbyterian Church in Canada well, as elder and administrator. For her he deemed no sacrifice too great. From 1933 to 1936 and again from 1948 to 1960 he was Chairman of the Board of Administration. From 1951 to 1962 he was a member of the Trustee Board and for two years he served as Treasurer of the Church. To every task he brought business ability, forceful energy and a strong Christian faith. Hundreds were blessed by his triumphant life — a life set in love and service to his Master. The Council thank God for such devotion to the work of Christ and His Church.

Referred to the Council by the 87th General Assembly.

RE OVERTURE 3 THE PRESBYTERY OF WINNIPEG 1961

RE FINANCIAL PROVISION FOR LAY WORKERS

The prayer of the Overture is to the effect that a Fund be established to assist lay workers of the Church who find themselves in financial difficulties. After careful study, the Council beg leave:

1. To draw attention to the provisions of the Retirement Fund for Church Employees which permit catechists, deaconesses and others serving with the Boards and Committees of the Church, and deaconesses in congregations, to become contributors to the Fund and receive benefit on retiring.
2. To point out that nothing comparable to the provisions of the Jardine Memorial Fund can be undertaken with regard to these persons until some Fund is established by gifts and bequests for such purposes.

It was accordingly agreed to transmit the above to this Assembly as the answer to Overture 3, 1961 and to recommend as in Recommendation No. 1 below.

Certain matters referred to the Council by the 88th General Assembly.

1. OVERTURE 4 RE CONSOLIDATION OF PUBLICATIONS PRESBYTERY OF PEACE RIVER — 1962

After considering the matter and in view of the many times the question has already been studied in the past and in each instance rejecting the idea of consolidation, the Council recommend that the prayer of the Overture be not granted.

2. RECOMMENDATION 5 GENERAL BOARD OF MISSIONS, 1962

The Recommendation is to the effect that a special Committee be established to deal with the care of ministers, deaconesses and catechists who have lost their livelihood because they have been found to be unemployable in Church work.

This matter was referred to the Council's Committee on Benevolences and the Committee were given authority to attempt to raise the necessary funds. This Assembly are asked to accept this as an answer to the recommendation of the General Board of Missions.

3. UNPRINTED RECOMMENDATION GENERAL BOARD OF MISSIONS RE DEVALUATION OF THE CANADIAN DOLLAR 1962 (p. 68)

The problem created by the devaluation of the Canadian Dollar with reference to Overseas expenditures was referred to the Administrative Council for sympathetic consideration and appropriate action.

The Finance Committee of the Council have given serious study to this matter. On their advice the Council report that any such increase should be payable from the Authorized Expenditure of the responsible board and present this as the answer to the unprinted recommendation of the General Board of Missions.

4. GROUP HEALTH AND ACCIDENT INSURANCE

This matter was referred to the Council for study. In turn, the Council requested the Pension Board to provide the Council with concrete recommendations as to the implementation of the Plan. The Plan is set forth in the Report of the Pension Board to the Assembly of 1962, pages 337 and 338.

This matter is still under investigation by the Pension Board. It is, however, indicated that the cost would be approximately \$48,000.00 per annum; of this sum \$38,000.00 would be subscribed by ministers paying rates — \$4.50 per month for a married minister and \$1.00 per month for a single minister — and the remaining \$10,000.00 would be paid by The Presbyterian Church in Canada.

As no provision for any expenditure for this purpose is being recommended for 1963 or 1964, no Plan can be implemented immediately. Commissioners and others are requested to study the subject as set forth in the Report of the Pension Board as indicated above. In the meantime, Council make no recommendation.

The Council request that this be the answer to the reference by the Assembly of 1962.

COMMEMORATION OF CONFEDERATION

The Committee of the Council under the chairmanship of Dr. N. G. Smith, librarian of Presbyterian College, Montreal, have continued their work as outlined in their report to the last Assembly. Two books — one dealing with the history of The Presbyterian Church in Canada and the other dealing with the life and work of the Church in Canada — are in course of preparation. The Committee are gathering material with a view to making the occasion of the centenary of the nation a time of inspiration to our Church.

RE PRIORITIES

In these days of rapid expansion, many projects of importance have been presented to the Council. These projects have involved the raising of considerable sums of money. It has been clear that priorities must be established so that these projects may be undertaken one by one in an orderly way. The matter has been referred to the Council's Committee on Organization and Planning for study and report to the Council in October next. Pending such report, the Council request permission of this Assembly to issue to the Church a statement outlining the priorities for the immediate future.

RE FINANCIAL POLICY

It has been drawn to the attention of the Administrative Council that the Note to Sub-section 8(b) of the Recommendation of the Administrative Council adopted by the 88th General Assembly (1962) (vide pp. 356 and 7 of the Acts and Proceedings) has given rise to some misunderstanding. In order to clarify the situation, the Administrative Council issues the following memorandum on advice of Counsel:

Note: In explanation of this subsection of the Recommendation it is pointed out that in the case of a gift or bequest for any specific institution, organization, trust, plan, scheme or fund of the Church such gift or bequest shall be applied for such specific purpose and in compliance with the provisions of an Act to incorporate The Trustee Board of The Presbyterian Church in Canada, being Chapter 64 of the Statutes of Canada, 1939, and amendments thereto and ancillary Provincial legislation. However, when provision is made in the annual budget or authorized

expenditures of the Church for such specific institution, organization, trust, plan, scheme or fund of the Church, the Administrative Council may make or provide for such changes in the said budget or authorized expenditures in respect of the amount included for such institution, organization, trust, plan, scheme or fund as it may consider necessary or advisable to take such gift or bequest into account, unless by the terms of the gift or bequest it is provided that such gift or bequest shall be in addition to any amount which may be provided in the said budget or authorized expenditures for the said institution, organization, trust, plan, scheme or fund of the Church.

RE NEW CHURCH OFFICES

For many years the Council have been reporting on the matter of new Church Offices. The Council decided that they would accept the offer of St. Andrew's Church, Toronto to erect a building on a portion of St. Andrew's property lying south of the Church proper, on condition that a satisfactory arrangement be worked out between the Church and the Congregation. At time of writing this report, the matter is still under discussion. It is expected that by the time of Assembly, the plan will have been completed.

RE SECRETARY OF THE COUNCIL

It is only rarely fitting that a Council, Board or Committee should pay tribute to its Secretary in a report to Assembly but the Council believe that this is such an occasion. At the 88th General Assembly Dr. E. A. Thomson submitted his resignation to the Assembly, but no action was taken by that Assembly. The Council believe that Dr. Thomson has for many years carried far more burdens than any one person should be required to carry, and in view of his approaching the age of 70 during this year are recommending in accordance with Recommendation No. 8 below. The Presbyterian Church in Canada owes much to this loyal servant and should in all fairness lighten the burden. The Council are, however, eager to retain Dr. Thomson as their Secretary as long as he remains willing and able to carry out his duties. — J.W.W.

RE ACTING COMPTROLLER

The Council would express their appreciation to the Rev. B. E. Howell for the great service he has rendered the Church. With painstaking zeal he has discharged the onerous task laid upon him. The results have been beyond all expectation. The Council would thank him most sincerely for the work he has accomplished in establishing new procedures and setting up new methods of finance. The success of the implementation of the New Financial Policy adopted by the 88th General Assembly has been largely due to his diligence.

RE ADMINISTRATIVE COUNCIL

In closing the Council wish to express their gratitude to the various boards and committees with which they have dealt in carrying on their tasks. The imposition of financial controls and implementation of a new financial policy necessarily create certain difficulties, but the various spending agencies of the Church have been understanding and cooperative at all times. Furthermore, through their representatives on the Council, the Council have been able to take first steps towards coordinating our work and towards planning wisely for the future. The Council believe that the representation of these boards and committees on the Council has made for an effective body and therefore urge on the Assembly their continuance. See Recommendation No. 7.

Re Overseas Relief

The Authorized Expenditures do not include any sum for overseas relief, this being an undetermined amount wholly dependent on the sums designated for that purpose by the congregation over and above the minimum allocation. The amount received from any congregation designated for overseas relief will, nevertheless, be credited as part of their budget givings in the statistical reports published in the stitched minutes and the annual Acts and Proceedings of General Assemblies.

REPORT OF THE RECORD COMMITTEE

To the Venerable the 89th General Assembly:

Your committee is again pleased to report an increase in the circulation of *The Record*. Total distribution at March 31, 1963 was 91,367, an increase of 1,175 during the past year, of which 90,485 were paid subscriptions. In a church with over 141,000 households we believe an objective of 100,000 subscribers is not unreasonable.

Free copies are provided missionaries, port workers, jail chaplains, hospital visitors and other major Presbyterian bodies throughout the world. Chapels and chaplains in the armed forces receive a copy through special arrangement with general assembly's Committee on Chaplaincy Services.

In 1962 after considering quotations submitted by nine companies, your committee awarded a contract to print *The Record* to General Printers Limited of Oshawa. In a rapidly rising cost area we believe a measure of economy was effected by having all production, from engravings to mailing, centred in one plant. An improvement has also been achieved by the introduction of four colour covers without increasing costs.

In the fall of 1962 *The Record* became a member of the Canadian Circulations Audit Bureau and the first audit was done in October. It is anticipated this move will provide increased advertising revenue which may aid in holding down operating costs.

At the last General Assembly the request by Mr. Edward Shortt to resign as convener of The Record Committee was granted. This committee would call attention to the great service that Mr. Shortt rendered to the church in this capacity over the past decade, and express our thanks for his capable leadership and continuing interest in our work.

Once again we present for the information of the church the estimates for 1963 together with detailed expenditures in 1962. The small amount required from the budget in 1962 was due to payment of the major bills for January printing and engravings in December, 1961. The estimates for 1963 are for minimum expenditures, with no allowance for additional pages or improvement by way of additional colour on inside pages. As costs continue to rise, your committee may shortly be faced with the necessity of considering an increase in the subscription price. This is a step your committee is reluctant to take because of the possible detrimental effect it may have upon circulation.

In 1956 the General Assembly authorized the appointment of a business and advertising manager to undertake some of the heavy duties involved in producing a major publication. Seven years later your committee considers this a priority, and hopes that finances will soon permit such an appointment to the staff. One person cannot devote time to the supervision of office and business detail, as the editor is called upon to do, and give attention to content of the magazine, creative planning and intensive promotion as well.

To help make *The Record* a more effective church organ, your committee would suggest to presbyteries and congregations the recruitment of laymen as Record conveners or reporters. Interest and talent are available locally and are not being used.

FRANK J. WHILSMITH,
Convener.

RECOMMENDATIONS

1. That the Every Home Plan which has been approved by past general assemblies be again heartily endorsed as one of the best means of bringing the work of our church both at home and abroad to the attention of our people.
2. That this assembly recommend to each presbytery the presentation of the Every Home Plan to those congregations not already enrolled, at the annual meeting or at the time of the setting of the congregation's budget. Also, that the congregation report what action has been taken to the clerk of presbytery, who will forward the information to the secretary of *The Record* committee.

THE JARDINE MEMORIAL FUND

To the Venerable the 89th General Assembly:

The Fund was established under the will of the late Mr. James Jardine, a farmer residing near Schomberg, who died January 31, 1950. The terms of the trust are as follows:

"To pay over to The Presbyterian Church in Canada the sum of Fifty Thousand Dollars (\$50,000) to set up a Fund to be known as "The Jardine Memorial Fund". This Fund to be subject to the control and administration of the Board of Administration of the said Presbyterian Church in Canada. The revenue of the Fund so constituted to be used by the said Board to relieve worthy cases of distress and misfortune happening to ministers of the said Presbyterian Church in Canada, through ill health, age, infirmity, or other misfortune."

This Fund has been of very great assistance to many of our ministers who have fallen on days of misfortune. Careful investigation in each case has revealed a need for help which can be forthcoming without the embarrassment consequent upon publicity. This Fund is administered on the scriptural principle that the left hand is not to know what the right hand is doing. By reason of the generosity of the donor much good has been accomplished. We thank God and take courage.

All of which is respectfully submitted.

Chairman

E. A. THOMSON,
Secretary

COMMITTEE ON INTER-CHURCH RELATIONS

To the Venerable the 89th General Assembly:

Considerable attention has been given during the past two years to the function and form of this Committee on Inter-Church Relations. The result of our study has been summarized in the following, a copy of which has been forwarded to the Committee on Organization of the Administrative Council.

I. BACKGROUND PHILOSOPHY

As Presbyterians we believe that we are but one part of the church of Jesus Christ. Because we believe the church is one and we are members one of another in the body of Christ, we desire as a church to have positive relations with other churches which are part with us of that one body, and seek to express with them the meaning of the whole church. We would seek to find the most appropriate forms of fellowship with other Christians to strengthen and support one another in our mutual faith, that we may fulfill together our common calling in the mission which God has given to His church.

The task of a committee on inter-church relations is to act for our General Assembly in finding ways of expressing this belief in practical action. This will include the establishment of positive relations with:

1. other churches of the reformed faith
2. churches of other denominations
3. with ecumenical agencies, such as the World Council of Churches and the Canadian Council of Churches
4. with confessional movements such as the World Presbyterian Alliance.

II. FUNCTIONS

This committee will act as a channel of communication between our church and other churches and groups of churches within the body of Christ. It will:

- (a) handle all correspondence involving the above relationships of churches. It is understood that in specific fields such as Christian education or overseas missions the correspondence will go to the boards concerned.
- (b) plan policy and make arrangements for appropriate fraternal representation.
- (c) study the matter of meetings with other churches, and subject to General Assembly's discretion make arrangements for such meetings.
- (d) arrange for the full participation of our church in the Canadian Council of Churches, the World Council of Churches, and the World Presbyterian Alliance.
- (e) give thought to stimulating our people in thinking about the true character of our church, its relations with other churches and with their members.
- (f) perform such other functions as may facilitate positive relations.

III. MEMBERSHIP

The present membership of the committee is largely ex-officio, including two of the delegates of this church to the World Council of Churches; the convener of our delegation to the Canadian Council of Churches; the convener of our delegation to the World Presbyterian Alliance; the editor of The Presbyterian Record, who shall be secretary of the committee; one of the clerks of General Assembly; the secretary for home missions; and secretary for overseas missions; the home and overseas directors of the W.M.S., western division.

We believe that the committee should be expanded to include both clerks of the General Assembly plus the representative of our church to the women's section of the World Presbyterian Alliance and six others appointed by the General Assembly, of whom three should be laymen.

IV. LOCATION OF COMMITTEE

The committee agreed with the Committee on Organization's previous proposal that it should be part of the boards associated with outreach and inter-church relations. The context of inter-church relations is the world mission of the church and the ecumenical fellowship of churches. As we think of ourselves and other churches, we will think increasingly in terms of the statement which forms the basis of the World Council of Churches, that is: "the World Council of Churches is a fellowship of churches which confess the Lord Jesus Christ as Saviour and Lord according to the Scriptures, and therefore seek to fulfill together their common calling to the glory of the one God, Father, Son and Holy Spirit."

This committee was once called the "Committee on Correspondence with Other Churches". It is now the Committee on Inter-Church Relations. We would suggest that it is time to consider a title with theological connotations. In our reformed doctrine of the church it is more accurate to think in terms of *intra-church* relations than inter-church relations. The more accurate term in our reformed view is ecumenical relations because this phrase takes seriously the fact that the church is one in Jesus Christ. We would therefore suggest that consideration be given to changing the name of this committee to that of "The Committee on Ecumenical Relations" or simply "The Committee on Church Relations".

V. COMMITTEE BUDGET

At present this committee gets a small share of the amount assigned to "other committees". Increasing responsibilities make it imperative to have a committee budget, not for the sake of the money involved, but as a basis for future plans and program.

We have approached the Administrative Council with a proposal for a budget that would provide adequately for the operating expenses of the committee in one section and for grants to inter-church bodies in another. This would bring under the Committee on Inter-Church Relations all expenditures involved in inter-church relationships.

WORLD COUNCIL OF CHURCHES

During the year 1962 the Central Committee of the World Council of Churches, which is composed of about 100 members and is its executive body, met in Paris, France. The agenda centred on matters referred to the Central Committee by the full assembly of the WCC which met in New Delhi.

Eight new churches were recommended for membership in the Council including the Union of Evangelical Christian Baptists of USSR, the Georgian Orthodox Church of USSR, the Estonian Lutheran Church, The Evangelical Lutheran Church of Latvia, the Armenian Apostolic Church, the Armenian Apostolic Church—Catholosate of Cilicia, the Evangelical Lutheran Church in Southern Africa—Southeast Region, and the Lutheran Church in America formed by the union of the American Evangelical Lutheran Church, The Augustana Lutheran Church, The Finnish Evangelical Lutheran Church of America and the United Lutheran Church in America. Three churches were recommended for recognition as associated churches, a status for churches which fulfill all the criteria for membership except the one concerning size. They were The Lusitanian Church of Portugal, The Spanish Reformed Episcopal Church, and the Union of Protestant Churches in the Netherlands Antilles. These churches are now received for membership as no objection has been received from more than one third of the member churches within six months of the recommendation.

Major time was given to a proposal regarding the study of the council prior to its next world assembly on "The Finality of Jesus Christ in the Age of Universal History". Preparations were made for the Fourth World Conference on Faith and Order to be held in Montreal this summer, and a proposal came from the Department on Church and Society for a world conference on God, Man and Contemporary Society.

The Rev. Dr. E. H. Johnson attended the meeting of the Central Committee of the WCC as an advisory member. The Department of Missionary Studies, of which he serves as chairman, gave major attention to continuation of studies on the Word of God and the living faiths of men, the response of the church in the missionary situation, and the theology of mission studies. The Central Committee will meet in Rochester, N.Y., on August 25 next.

WORLD PRESBYTERIAN ALLIANCE

Delegates to the North American Area Council of the World Presbyterian Alliance participated in the first of a series of celebrations honouring the 400th anniversary of the Heidelberg Catechism at Lancaster, Pennsylvania, January 15-17, 1963.

Dr. Allen O. Miller of Eden Theological Seminary in Webster Groves, Missouri, presented to the Council a new English translation of the Heidelberg Catechism, prepared especially to commemorate the anniversary. He observed:

"The Heidelberg Catechism is not a sixteenth-century museum piece. It is a living exhibit of profound Biblical scholarship, set in a mood which, fortunately for our generation, we are able to appreciate. By virtue of today's tools . . . we can easily identify with both the form and the content of the Catechism. The existential form of the question ensures that the answer will be confessional and will avoid the temptation to fall into speculative argument. The use of the overall pattern of the Biblical divine-human covenant drama allows the Catechism to draw its teaching from the whole sweep of Biblical texts without doing violence to the context."

Originally published in 1563 as an attempt to ameliorate harsh differences between Lutheran and Reformed statements of faith, the Heidelberg Catechism was written by Zacharias Ursinus and Caspar Olevianus at the order of Frederick III, elector of the Palatinate region. Despite its conciliatory views it was subject to immediate attack from Lutheran and Reformed quarters. Frederick, however, presented a defense of the Catechism at a specially called Diet in Worms and won for it a standing place and immediate prominence in the theological literature of the day.

Regarding the newest English translation, Dr. James I. McCord, North American Secretary of the World Alliance, said:

"The Heidelberg Catechism is the most ecumenical confession of the reformation period. It was produced by two scholars when both were in their twenties, and they brought to this document theological influences from the Wittenberg of Luther and Melancthon, the Geneva of John Calvin, and the Zurich of Zwingli and Peter Martyr. No other theological document of the Reformation can claim such wide inspiration, and it is significant that the Heidelberg Catechism's ecumenical character has continued into the twentieth century. It is used today by Reformed churches in Hungary, Czechoslovakia, Russia, Romania, Yugoslavia, Germany, Switzerland, the Netherlands, and the United States."

The report of the commission on civil and religious liberty warned that "The preservation of national security in a cold war situation calls for an amount of intelligence and police surveillance that makes healthy public debate difficult to maintain." It noted that "A great many people fail to speak out (on public issues) not because they fear persecution for themselves but because they fear that they will lose orders for their companies, bargaining strength for their unions, or members for their churches."

Delegates of our church to Lancaster were: Rev. Dr. Ross K. Cameron, substituting for Principal J. S. Glen, Principal Robert Lennox, Dr. J. L. W. McLean, Dr. Frank S. Morley, Mr. C. M. Pitts and Rev. DeCourcy H. Rayner. A Canadian, the Rev. Richard H. N. Davidson of Fairlawn United Church, Toronto, was elected president of the Area Council. Mr. Clarence M. Pitts of Ottawa was appointed to the administrative committee and to the commission on civil and religious liberty.

The North American Area meeting will not be held in 1964, due to the 19th General Council meeting of the Alliance in Frankfurt, Germany, August 3-13, to which we are entitled to send 12 delegates from our church.

THE CANADIAN COUNCIL OF CHURCHES

The biennial meeting of the Canadian Council of Churches was held November 5-8, 1962 in Toronto. The Presbyterian Church in Canada was represented by: Rev. Dr. G. Deane Johnston (convener), Rev. S. B. Coles, Rev. R. M. Ransom, Rev. William Lawson, Dr. J. A. Munro, Prof. W. Standford Reid, Prof. David Stewart, Dr. L. H. Fowler, Prof. Allan Gordon, Rev. DeCourcy H. Rayner and Miss Giollo Kelly.

Your committee would like to foster a serious study of the Canadian Council and our relationship to it. As a church we are well represented in the various departments and committees of the Canadian Council of Churches, and while we contribute to its support we are not meeting our full obligation financially.

FRATERNAL RELATIONS

The moderator of the 88th General Assembly, the Rev. Dr. Ross K. Cameron, conveyed the greetings of our church to the General Council of the United Church of Canada at its meeting last September. Dr. Cameron visited Scotland in May and officially represented our church at the General Assembly of the Church of Scotland together with Prof. David W. Hay, also a fraternal delegate. We have been in correspondence and in conversation with other sister communions and have invited some of them to send delegates to this General Assembly.

OVERTURE 12 PRESBYTERY OF WESTMINSTER RE MODERATOR

The prayer of the overture is: "That the General Assembly arrange for the annual attendance of the moderator of the General Assembly at the meetings of Church of Scotland General Assembly."

For the information of the General Assembly, we would note that the present practice is that the Church of Scotland sends a delegate to our General Assembly every third year, if practicable. In return we have sent recent moderators to Scotland on two occasions, Principal Robert Lennox attended the Reformation anniversary assembly in 1960, and Dr. Ross K. Cameron attended the General Assembly in May, 1963.

We recommend that the prayer of Overture No. 12 be not granted for the following reasons:

That while the Committee on Inter-Church Relations is aware of the importance of annual official representation at the General Assembly of the Church of Scotland and makes provision each year for an official delegate, we are also aware that we have close relations with other members of our Presbyterian family throughout the world. We feel that to send our moderator each year to the Church of Scotland General Assembly would be to suggest that some special relationship exists between our church and the Church of Scotland, which would indicate a disproportionate arrangement.

OVERTURE 5 PRESBYTERY OF VICTORIA RE UNITED CHURCH OF CANADA

Your committee has carefully studied this overture and the report given on it to the last General Assembly by a special committee. We will circulate separately our findings and our recommendation on Overture 5, the prayer of which is that "the General Assembly take immediate steps toward initiating formal conversations with the United Church of Canada with a view to creating better mutual understanding."

RECOMMENDATIONS

1. (a) That this General Assembly approve the statement in this report concerning the function and form of the Committee on Inter-Church Relations.
(b) That the enlarged committee be instructed to give further study to the matter of a more appropriate name for this committee.
2. That presbyteries be asked to encourage congregations to make preparatory study of the theme, "Come, Creator Spirit!", which is to be followed at the 19th General Council meeting of the World Presbyterian Alliance at Frankfurt, Germany, in August, 1964.
3. That at least four official delegates be sent from our church to the Frankfurt meeting, the expenses of two only to be borne by the General Assembly.
4. That the prayer of Overture 12 from the Presbytery of Westminster be not granted for the reasons set forth in this report.

G. DEANE JOHNSTON,
Convener.

DECOURCY H. RAYNER,
Secretary.

**BOARD OF STEWARDSHIP AND BUDGET
REPORT TO
1963 GENERAL ASSEMBLY**

To the Venerable the 89th General Assembly:

Looked at by itself, the 1962 Budget Revenue increase of \$66,499.00 or 3.8% for a new total of \$1,803,426.00 was a creditable achievement for our church. Looked at in comparison with the records of recent years, it is seen to be only another step in a general pattern of increases which our church has been enabled to establish. The pattern is more significant than the increase in any one year. If we can maintain the pattern, we can expect a Budget Revenue of \$2,000,000.00 by 1964. This means that we must aim at a 5½% increase in 1963 and again in 1964. We should be grateful that we have been endowed with the potential wealth and leadership in the congregations to make such an expectation realistic.

In the accompanying statistical chart of 1962 Budget Giving, some Presbytery details are shown. The total was 88.8% of the objective authorized by the 1961 Assembly, and 97% of the "Accepted Allocations" as reported by the Presbytery Conveners. This latter figure is becoming significant as Conveners are able to persuade more congregations to treat the accepted allocation responsibly. The accepted allocation should be to the congregation as the commitment or pledge is to the individual church member. Our hope is that self-allocation will soon come to replace the present system of suggesting allocations.

In 1962 the per member rate for Budget giving was \$8.95, an increase of 30¢ over the 1961 rate. 22 Presbyteries had a higher per member rate than the national average. Nine Presbyteries were above the \$10.00 per member rate.

UNSOLVED PROBLEMS

Our Board continues to struggle with, but cannot report any significant break through on some perennial problems:

1. SEGREGATIONISM — Its still true that, despite our splendid advance in Budget support, about 40% of our church members segregate themselves from the

main stream of church life and remain eddying in ever-diminishing circles in congregational pools. Having no concept of mission, they have no concern with any of the programme supported by the General Assembly Budget.

2. THE BUSINESS STANDARD — The Christian idea of giving, i.e. without hoping to receive as much again, gets contaminated with the dominant note in the business world of "as much for as little as possible". Allocations are pared down till they present no challenge. Church giving is grudged because "what's there in it for me?" Giving as much as possible, according as the Lord has prospered seems foolish because it is so out of line with business standards.
3. COMMUNICATIONS — Perhaps segregationism and the false business standard could be remedied if we knew how to solve the two main communication problems. The first one is deafness. It is hard to get through to many of the separated brethren. Then when a hearing is obtained we encounter the second problem — prejudgment which misinterprets the message. For example to "be saved" gets twisted into "being safe"; "giving" becomes "purchasing"; "liberality" becomes "prudence". To get a hearing, and to get understanding are the secrets for which not only our Board but all the Boards are searching.

Our Board has no final answer to the above problems. We introduce them into our report in order to emphasize the fact that the financial problems of the church are not financial. We wrestle not against poverty, but against spiritual wickedness.

ACTIVITY IN 1962

1. BOARD AND EXECUTIVE ACTION — The Board held one meeting in 1962. The Executive met three times. At the full Board meeting, Presbytery Conveners were invited to be present, to confer on Budget promotion, and to share in a conference on General Stewardship. Conference speakers were Dr. F. G. Stewart who discussed "The Strategy of Stewardship" and Dr. Charles C. Hay who gave a paper on "The Corinthian Correspondence" with special reference to stewardship.

The Board adhered to a decision taken last year to increase the Basic Allocation Scale, Part A, to \$6.00 per member leaving Part B unchanged for 1964. It was also decided to recommend annual objectives up to the year 1967, in order to avoid any levelling off in Budget support until our churches approach the standard of "as much for others as for ourselves". At present the churches' average is about 85 cents spent on themselves for every 15 cents they give away.

A recommendation was sent forward to the Administrative Council asking that consideration be given to publicizing an open-end Authorized Expenditure Budget. This would mean that new work priorities would be approved by the General Assembly but proceeded with only if and when Budget givings increased beyond the amount needed for work in progress. It would also mean that the churches would have a positive incentive for working for an increase in givings each year.

A questionnaire for stewardship analysis has been prepared and is being circulated in congregations. It is hoped that the results will be a guide to the Board in policy decisions.

2. EVERY PERSON VISITATION — Reports indicate that 216 congregations held some sort of stewardship visitation in 1962. Of these 22 participated in Sector Projects. The Sector Plan, although losing some of its popularity but none of its effectiveness was operated in some 50 Projects in Canada last year, and was introduced to Bermuda with the same good results as many Canadian churches have experienced. With the reduced participation in the Sector Plan by all denominations, the Canadian Council of Churches Stewardship Committee is trying a new approach to the Every Person Visitation under the Partnership Plan which takes its name and emphasis from Paul's phrase "partnership in the gospel" (Phil. 1:5).

The Partnership Plan—Under the Partnership Plan, the values of co-operative stewardship planning and production of materials are being retained. But the responsibility for promotion of the Plan is being left to Presbytery Conveners. More opportunity is given for denominational emphasis in the Missionary Education literature. The Plan can be operated on an individual basis or a Presbytery or area basis, or on an interdenominational basis, depending on the degree of partnership spirit in each community. The Canadian Council of Churches Stewardship Committee held Stewardship schools for Presbytery Conveners or their equivalent in other denominations in five centres across Canada in May. Samples of the materials are being mailed to all ministers in late June. It is our hope that the Partnership Plan will be experimented with widely throughout the church next autumn, and that as a result a livelier concept of Christian Stewardship will be gained.

3. FILMS AND FILMSTRIPS

"The Gift"—There has been a good demand for the new film "The Gift" since it was introduced in the autumn of 1962. This unusual film provokes some sort of reaction. Every congregation should have the opportunity of seeing it. It is highly recommended for a variety of uses, such as Communicant's classes, adult study groups, as well as for stewardship motivation. "The Uncommitted"—A new film produced by the American Lutheran Church, for release in the autumn of 1963. This is an open-ended discussion starter. It should not be shown unless there is time to discuss reactions. "The Plan"—a new filmstrip, produced by the Stewardship Committee of the National Council of Churches for use in the autumn of 1963, has been designed to raise the issues of Christian commitment with teenagers.

4. OTHER MATERIALS—The weekly bulletins continue to be our main Budget promotion resource, and as the report shows the circulation of these continues to increase.

Three new stewardship pamphlets have been produced and will be sampled in September.

A pamphlet for use in communicants' classes is being prepared and it is hoped to have it ready for sampling in the autumn.

All Sector Plan materials are being kept in stock, in addition to the new materials being produced for the Partnership Plan. Order Forms will be sent out with samples.

The following is a report on the distribution of materials in 1962:

WEEKLY BULLETINS

The demand for weekly bulletins is increasing. In 1962 the printing of bulletins had to be increased from 50,000 to 60,000, and an increase of 10,000 each of Thanksgiving, Easter and Special bulletins. Christmas, Anniversary and Communion bulletins are being well received with increased demands made for them.

Bulletin distribution remains well over the 3,000,000 mark with 360,000 of these being supplied free of charge to aid-receiving charges.

Number of Congregations using weekly bulletins	
on Standing Order—	273
Occasional orders—	201
Total—	474

OTHER MATERIALS DISTRIBUTED

Congregations making use of Stewardship promotional materials—523.
19 pamphlets, brochures and booklets were used by congregations during the year.

FILMS AND FILMSTRIPS ON STEWARDSHIP THEMES

STAFF APPOINTMENT

In September the Board was fortunate in being able to appoint Mrs. Barbara Sprague to the position of Editorial Assistant. Mrs. Sprague's artistic ability has given a new look to the materials produced by our Department.

RECOMMENDATIONS

1. That the thanks of the Assembly be expressed to the ministers and office-bearers in the congregations for the leadership they have given in promoting and supporting the General Assembly's Budget.
2. That as approved by the General Assembly of 1959 (p. 79) the Budget objective for 1964 be set at \$2,250,000.00.
3. That the Stewardship and Budget Board be authorized to prepare allocations to the Synods on the basis of the approved 1964 objective and that the data used in making the allocations to Synods be supplied to the Presbyteries as "Suggested Allocations" and that the Presbyteries be requested to see that the Suggested Allocations are presented to the congregations.
4. That, recognizing the value of having objectives beyond the immediate future, and in accordance with the demonstrated ability of our church to respond to increased challenge, this Assembly approve in principle future Budget Objectives as follows:

1965—	\$2,360,000.00
1966—	\$2,480,000.00
1967—	\$2,600,000.00
5. That the Assembly approve "Partnership in the Gospel" as a theme, and the Partnership Plan as a technique for stewardship education, and for the conduct of the annual Every Person Visitation in the congregations.
6. That Kirk Sessions be requested to
 - a) present the Suggested Budget Allocation to the congregation when objectives for the next year are being studied in the autumn, and secure an Accepted Allocation at the Annual congregational meeting.

In those congregations where the Suggested Allocation is below what

the congregation has been giving, it is urged that Kirk Sessions consider a standard for self-allocation of "as much for others as for ourselves".

- b) conduct or arrange for an annual Every Person Visitation for securing commitments to support the work of the church.
- c) instruct Budget Treasurers to remit Budget offerings promptly to the Treasurer of the Church.
- d) assure that the educational materials supplied by the Boards of the Assembly are used in church services, study groups, home visits, literature racks, etc., so that the members may become better informed about the total programme supported by the General Assembly's Budget.

COMMITTEE ON HISTORY

To the Venerable the 89th General Assembly:

The Committee on History met once during the year, in March, 1963. While more reports than usual were received from Synodical committees, we would again urge that Presbytery committees on history exercise diligence in forwarding to Synodical conveners items of historical interest. One Synodical convener noted that Presbytery committees often appeared to be apathetic in their attitudes to local history, and that some professed to be more interested in making history than in recording it. While it is commendable to have a zeal for the making of history, it is surely desirable that some should be concerned with the recording of it, and with the encouragement of appreciation for our heritage from the past.

The report from the Synod of British Columbia, in noting the number of new church buildings, Christian Education buildings, and manse erected in the past year added: "This long list is something for which we have every reason to be encouraged, and even proud, the more so when we consider our many difficulties over the past years." In calling attention to the observance of the hundredth anniversary of First Church, New Westminster, it was noted that this was the only city west of the Great Lakes to retain all its churches and congregations within the Presbyterian Church in Canada in 1925.

The Committee issued two numbers of the Historical Newsletter, edited by the Rev. T. M. Bailey, of Hamilton.

A few additions have been made to our Historical Collection in the Church Archives. Special mention may be made of items relating to the observance of the 75th anniversary of Canadian Confederation in 1927, forwarded by Mr. Norman Fee of Ottawa, and a microfilm copy of the records of Grimsby Presbyterian Church for the years between 1831 and 1888. Items for inclusion in the historical collection may be forwarded either to The Archives, Knox College, 59 St. George St., Toronto, or to Neil G. Smith, Presbyterian College, University Street at Milton, Montreal.

The centennial of the work of the Women's Missionary Society is being observed in 1964. We would commend the effort of the Society to give suitable recognition of this anniversary. Because of the great contribution made by the

Society to the whole work of the Church we would suggest that wherever feasible, some recognition of this centennial should be made in our congregations, in cooperation with the local auxiliary of the Women's Missionary Society.

Among other notable anniversaries in the near future mention may be made of the following:

- 1963 — The fourteen hundredth anniversary of the coming of St. Columba to Iona.
- 1964 — The centennial of the founding of Presbyterian College, Montreal.
- 1964 — The four hundredth anniversary of the death of John Calvin.
- 1966 — The hundredth anniversary of the beginning of Presbyterian work in what is now the province of Saskatchewan.
- 1967 — Centennial of the Confederation of the colonies of British North America to form the Dominion of Canada.

While many municipal and civic projects will be undertaken to mark the hundredth anniversary of Confederation, it may be suggested that some of our congregations should take under advisement the possibility of undertaking congregational projects to make this anniversary memorable. A three-year project, for instance, could be undertaken in 1965 and completed in 1967, for the improvement of church properties, additions to church furnishings, the setting up of a bursary fund, the giving of assistance to an extension charge or a mission field at home or overseas, or some similar undertaking which would be of lasting benefit.

The attention of ministers and others interested in Canadian Church History may be directed to the work of the Canadian Society for Church History, now in its fourth year. The Society meets annually, with the Canadian Society for Biblical Studies and the Canadian Theological Society for the presentation of papers on subjects relating to the history of all Canadian Churches. The Secretary of the Society is Dr. A. G. Reynolds, United Church Archives, Victoria College, Toronto.

RECOMMENDATIONS

1. That the Women's Missionary Society be commended for the effort made to mark the centennial of the work of the Society, and that Kirk Sessions consider the desirability of giving some recognition of this centennial in their congregations.
2. That Presbytery Committees to Strike Standing Committees be urged to recommend the appointment to Presbytery Historical Committees of persons who are known to have an interest in historical studies, and that as much continuity as possible be maintained in the membership of such committees.
3. That Kirk Sessions be urged to encourage the preservation of irreplaceable congregational records and documents, and the provision of fire-proof protection for such records and documents.
4. That Kirk Sessions take under advisement the desirability of recommending to their congregations that to mark the centennial of Confederation in Canada in 1967 some project should be undertaken for the improvement of Church properties, for the making of some addition to their church furnishings, or for undertaking some additional participation in the work and witness of the Church.

All of which are respectfully submitted.

Chairman.

Secretary.

THE REPORT OF THE COMMITTEE ON INTERNATIONAL AFFAIRS

To the Venerable the 89th General Assembly:

The 87th General Assembly of The Presbyterian Church in Canada set up a composite committee to be called "The Committee on International Affairs", and charged this Committee with two responsibilities:

- (1) To act as a Liaison Committee with the Canadian Council of Churches on International Affairs.
- (2) To work on a statement of function and relationships covering the work of this Committee.

The 87th General Assembly also approved a method of appointment of this Committee which is set forth in the minutes of that Assembly.

During the past year, the Committee co-operated with the Committee on International Affairs of the Canadian Council of Churches in sponsoring the Churchmen's Seminar on International Affairs which was held in Ottawa during the month of February. This was attended by nine representatives of our Church, both men and women, and proved of value from several points of view. The main areas of this conference were:

- (1) A review of the work of the Commission of the Churches on International Affairs of the World Council of Churches;
- (2) A study of the relations of Canada and the United States;
- (3) A discussion on Africa in world affairs;
- (4) A visit to the Department of External Affairs;
- (5) A report on Communist China by Mr. Frederick Nossal of the Globe and Mail, Toronto.

The Committee held two meetings during the year at which its function and relationship to other Boards and Committees were discussed. The results of these discussions are embodied in the recommendations.

Recommendations:

I FUNCTION OF THE COMMITTEE

- (1) The study of general principles in regard to International Affairs in the light of theological understanding.
- (2) Approaches to Government with proposals in regard to particular problems.
- (3) Relating concerns of our Church in International Affairs to other Presbyterian bodies, to other denominations, to the Committee on International Affairs of the Canadian Council of Churches, and to maintain liaison with the Commission of the Churches on International Affairs of the World Council of Churches.
- (4) Education of Church members in responsibility in International Affairs by publications, periodicals, conferences and other means.
- (5) To provide for appropriate public pronouncements on International Affairs either by the General Assembly on recommendation of the Committee, or by the Committee itself acting in its own name in cases of emergency.

II COMPOSITION OF COMMITTEE

That the present Committee be continued and instructed to seek out from our Church, men and women of competence in the field of International Affairs and recommend to the General Assembly of 1964 the membership of this Committee.

III THAT the budget of the Committee be \$300 for 1963 and \$400 for 1964.

E. H. JOHNSON,
Secretary.

G. DEANE JOHNSTON,
Convener.

REPORT OF OBSERVERS OF AMERICAN CONVERSATIONS ON CHURCH UNION

To the Venerable the 89th General Assembly:

At the General Assembly of 1961 the Committee on Inter-Church Relations reported that an invitation had been received from Dr. Eugene Carson Blake, Senior Clerk of the General Assembly of the United Presbyterian Church in the United States of America to participate in, or send observers to, negotiations towards Church union to be carried on by the United Presbyterian Church with other denominations. The Committee on Inter-Church Relations recommended "that we accept the invitation of the United Presbyterian Church in the U.S.A. by sending three observers." (Acts and Proceedings, 1961, p. 97.) This recommendation was approved by the General Assembly, and three observers, with alternates, were appointed. (Acts and Proceedings, 1961 p. 101.)

Preliminary conversations between representatives of four denominations (United Presbyterian Church in the U.S.A., Protestant Episcopal Church, Methodist Church, and United Church of Christ) were held in Washington, D.C. in 1962. From these preliminary conversations an organization known as "The Consultation on Church Union" was formed, with Dr. James I. McCord of Princeton as Chairman.

To the meeting of "The Consultation on Church Union" held at Oberlin, Ohio, on March 19-21, 1963, our Church was invited to send two observers. The United Church of Canada and the Anglican Church of Canada also sent two observers.

At the Oberlin meetings the six participating Churches, sending nine delegates each, were as follows:

The Disciples of Christ (International Convention of Christian Churches)
The Evangelical United Brethren Church
The Methodist Church
The Protestant Episcopal Church
The United Church of Christ
The United Presbyterian Church in the U.S.A.

Observers from seventeen other church groups in the United States and Canada were in attendance.

The discussions at Oberlin centred around three major topics:

"Scripture, Tradition, and the Guardians of Tradition"
"Analysis of Participating Communions"

and "The Worship and Witness of the Church."

In addition to preparing statements on these subjects, the "Consultation" agreed to recommend that delegates of the six participating Churches be asked to secure from their plenary bodies "authority to enter into the development of a plan of union when and if the consultation decides that it is appropriate to begin such work."

The next meeting of the "Consultation" is to be held at Princeton from April 7 to April 10, 1963.

Your observers would express appreciation for the courtesies shown them during the meetings of the Consultation, and would recommend that our Church continue to send observers to these discussions.

All of which is respectfully submitted.

REPORT OF THE COMMITTEE ON THE STRUCTURE OF THEOLOGICAL EDUCATION

The Committee on the Structure of the Theological Education of the Church came into existence as a result of the decision of the 88th General Assembly, to refer this matter to the Administrative Council, the Senates and Boards of Knox, Presbyterian College and the Board of Ewart College, (A. & P. 1962, p. 92). The Administrative Council at its October 1962 meeting appointed four representatives and asked the other bodies named to appoint two representatives each. To this they agreed, and the first meeting of the Committee at which Prof. W. Stanford Reid was appointed Chairman and the Rev. William Lawson as Secretary, and the following members: Administrative Council: Dr. J. W. Wevers, Dr. E. H. Johnson; Presbyterian College Senate: Dr. Robert Lennox, Prof. Stewart Marshall; Presbyterian College Board: Dr. J. T. Watson, Mr. T. M. Dick; Knox College Senate: Dr. J. S. Glen, Dr. D. K. Andrews; Knox College Board: Messrs. A. Adair, G. B. Mallion; Ewart College Board: Miss M. Webster, Rev. A. McLean.

The areas of concern with which this Committee would deal were determined to be. (a) The question of the number of theological colleges; (b) The manner of the appointment of professors; (c) Pre-Theological Training; (d) Post-Graduate Training; (e) Training for special ministries, i.e., industrial areas, communications media, etc., (f) Training of older men, and (g) The approach to theological training with special reference to the kind and quality of the present theological education.

The Committee held several meetings in which a number of these matters were given serious and careful consideration. The following are its recommendations:

1. That the minimum requirements for ministerial members of the Senates and Boards of theological colleges be: a B.A. degree from a recognized institution, a full course in theology and a minimum of five years service after graduation.

2. That the alumni associations have one representative on their respective college Senate and Board.

3. That in the appointment of theological professors the principle be that the nomination presented to the General Assembly must have the majority approval of the Faculty, of the Senate, and the Board of the college concerned.

4. That the appointment committee of each College consist of the Principal as chairman, plus equal representation from the Faculty, Senate and Board, and that the professor(s) in the corresponding chair(s) of the other College(s) be invited to serve in an advisory capacity.

5. That the General Assembly and College Boards not consider nominations from Presbyteries unless accompanied by a full statement of the qualifications of the nominee for the position, and assurance of his willingness to accept the appointment, if made.

6. That, whereas the Church has not the resources either in men or money, the Church take no steps at the present time to establish any further institutions of theological training and that, should such an additional institution be considered necessary at some future date, this step be taken only after it has been approved by a majority of the presbyteries.

7. That the Committee be continued to present its final report to the 1964 General Assembly.

W. S. REID,
Chairman.

WM. LAWSON,
Secretary.

REPORT OF THE AUDIO-VISUAL COMMITTEE

To the Venerable the 89th General Assembly:

Another year of favorable progress was experienced in 1962. Of the four divisions in the department, the rental library was the busiest. The most distinctive achievement was the production of new materials.

LIBRARY SERVICES

The number of churches using the facilities of the library was increased. Records kept during the year indicated that more than 50,000 people of all ages viewed our materials. Requests for 16mm films were approximately 75% higher than 1961 due to new films such as "The Gift", a stewardship film, and "On the Rim of Tomorrow", the missions study theme production for 1962-63. Another contributing factor to the increase in operation was the completion and release of new full-colour, sound filmstrips produced in co-operation with the Missionary Education Committee.

TRAINING SERVICES

Co-operation in training our church leaders was continued with other Protestant Denominations as well as the Roman Catholic Church. Workshops and seminars on the effective use of radio and television and audio-visuals were conducted in major centres across Canada. Assistance was also provided to the Colleges in training the students.

PRODUCTION SERVICES

Much time and attention was given to the production of new filmstrips, in co-operation with the Missionary Education Committee. Filmstrips on India, Nigeria, Formosa and the Canadian Indians were developed for release in 1963. In an attempt to establish a comprehensive library of black and white photographs, several photographers were given assignments to shoot various aspects of our churches' work. The filmstrip: "Double By A Hundred", an up-to-the-moment documentary on the Presbyterian Church of Formosa, was completed and made available for use in our churches.

BROADCASTING SERVICES

After two years of production the "TEEN-TIME" radio series was completed and distributed to a number of radio stations across Canada. The response was excellent. Some stations were so enthusiastic that they requested the series of thirteen programs a second time for airing. At the request of Presbyterian Men, a special radio program was prepared and distributed to approximately 75 stations for use on Laymen's Sunday.

FINANCIAL REPORT

Lack of funds has again limited the efforts of the Audio-Visual Committee in carrying out the work and responsibilities assigned to it.

RECOMMENDATION

1. That the Boards and Committees of the Church be asked to include within their budgets a realistic amount to cover the cost of their requirements in the use of audio-visuals.

K. G. ANDERSON,
Convener.

W. J. MOUNSEY,
Secretary.

THE COMMITTEE ON THE LAITY

To the Venerable the 89th General Assembly:

Our report this year is offered as a document of concern and exploration. We believe that the re-formation of the church is urgently called for today. We also believe that God is raising up signs here and there to show that He is busy with this work of re-formation — signs which relate to the ministry of His church in His world. Seeking to discern the "signs of the times", we have been disturbed and challenged in our explorations by certain problems. We desire the General Assembly's assistance in bringing the concerns of this report to a broad cross-section of our presbyters and people for study. We hope that such study will both provoke and answer many questions in the mind of the church. To light the fuse, we pose two questions which we believe must be faced honestly and without delay:

1. What is the actual relationship between the church and the world today? Is the church a decontaminated, protected enclave, or an open frontier between God and the world?
2. What is the relevance — or otherwise — of the present-day church's pre-occupation with religious organizations of all shapes and sizes (preferably large and busy) to her calling to serve God and man as an open frontier?

I. WHERE IN THE WORLD IS THE FRONTIER?

Most of us most of the time have a tendency to think in terms of "the church" and "the world". The image suggested is that of two different but competing empires. Sometimes the church raids the world with an evangelistic campaign, and takes a few scalps (souls). Sometimes the world raids the church with its materialistic counter-campaigns, and corrupts a few bodies. It is a see-saw battle of rivals. In terms of percentages of total world population, the church is losing the battle.

Perhaps there is a misapprehension in this woodpile. Perhaps the church is not called to conquer the world, nor even to raid it. Perhaps the church is not called to worry about whether she is losing the war with the world.

Rather than deceiving herself with the delusion that she is over against the world, perhaps the church should accept her Lord's word for it, that she is *in* the world. She is part of it — part of it for a purpose.

And perhaps also she should seek the courage to believe that her Lord knew what He was talking about when He said: "I have overcome the world".

Perhaps the church is not an ecclesiastical fortress which must strive stridently against invasion. Perhaps the church is called to function as precisely the pain-shot place where the invasion of the world by its Redeemer-Conqueror is relentlessly pressing in.

All this is to suggest, not that there is some sort of sacred-versus-secular frontier, with the church on one side and the world "over there" on the wrong side of the frontier. Rather the church herself is, in the very essence of her being, the frontier. She is the *meeting-place* where God and the world encounter each other. Hence her true calling is to serve both sides, to be an open frontier. Because God comes into the world and she hears His voice, the church confesses "Lord, I believe". And because she is made up of men and women of this world, the world's sin and misery and yearning is brought by this church before God: "help Thou mine unbelief".

Many signs today are pointing us toward this disturbing awareness that the Frontier between the grace of God and the sin of man runs right down the middle of the church's life, and indeed, down the middle of every Christian's personal and social relationships. Along with its Committee on the Laity, the Presbyterian

Church in Canada is presently beset with a whole group of closely intertwined concerns. These include the Committee on the Place of Women in the Church, the Committee on Family Life, Marriage and Divorce, the Administrative Council's diagnostic labors to discover appropriate and healthy structures for the church's action, and most perspicuously of them all, the inter-board CONSULTATION ON CHRISTIAN NURTURE FOR THE WHOLE CHURCH. One of the deepest and most far-reaching thrusts of the Committee on the Laity has found powerful discernment and expression via this ongoing Consultation.

We cite a few excerpts from papers given by members of our Committee participating in the Consultation. These seem to us valuable and relevant, casting light from different aspects on the urgent need to recover a sense of *being the Frontier* as the authentic function of the church of Jesus Christ.

"The world, many think, is something 'out there'. This is unbiblical. In Jesus Christ there is no 'out there' but only a 'right here'. Christ crucified is our world and the living God in one package deal. In Him all things consist. Immanuel means the spectrum of the horizontal illuminated by the vertical. The open tomb means an open world, whose claims are not final, whose powers are derived. Christ is Lord of all things. The Christian moves about in joy and freedom in the world, having heard the word: 'Do not be afraid . . . all things are yours.' Both 'secular' and 'sacred' are demythologized. The world is a new Garden of Eden, the Christian's birthright, not to be equated with sin and the Devil. God's children revel in a new glory in the world, unknown to the 'natural' man.

"But yet church folk find it so difficult to believe in the *living* God. We read newspapers like unbelievers, and empty the great events of today of any theological significance. Today's events are in the drama of salvation, even as those of the first century A.D. There are no non-theological factors in the world.

"The early Christians turned the world 'upside down' (Acts 17:6). This bottoms-up approach involved everything in the world, its gods, religions, values, norms and structures. Nothing was exempt. The Gospel was a revolutionary right-side-up approach, centering in the Risen Lord, the God who refused to conform to any preconceived notions of how a god would or could or should act. This God was up when everyone thought He should be 'down', and down when He should be 'up'. The world was not forgotten or rejected. It was re-directed and informed by the new dynamic of the revolutionary Resurrection Life. In that new world God was busy shaking the things that could be shaken, in order that the things that cannot be shaken might become discernible. God was and is no preserver of the status quo.

"The church may be tempted to mobilize for defense, to preserve and protect its 'heritage', its faith, and itself. This is the real threat to the church today, to try to save itself. The church must give herself, as did her Lord, to the world."

"It is significant that originally '*ecclesia*' was a secular and political term. In adopting this term to designate itself, the church recognized from the beginning that it exists between two poles. It points to a unique relationship with God in Christ *and* with the world. The Christians lived in constant creative tension with their non-believing environment. They were related to the world by involvement and participation, not by ascetic withdrawal, because their life was hid with Christ in God."

"With this understanding of its calling, the church will see itself as a community of the people of God sent into the heart of scientific, economic, political and cultural activity in order that the fulness of God may be realized in every field of God's creation. It will discover the richness of its calling in being unconcerned about the preservation of its own life in order that it may be obedient in this task of calling men to be truly men, and in pointing all mankind to its true destiny."

II. WHERE IN THE ORGANIZATION IS THE CONGREGATION?

A Hindu said to a Christian, "I wonder if you Christians know what you've got? You have two things that seem to me unique: (i) a Saviour, and (ii) a Congregation." The Hindu defined what he understood by a Christian Congregation — "a little group made one in the power of the Saviour."

The Committee on the Laity was moved deeply by that little story recounted by one of our members. It seemed to us to suggest a profound insight into the essential mystery of the church. It also gives a context for gathering a number of "frontier" needs and avenues of "frontiersman" action in our congregations today.

The Board of Christian Education a year ago referred to this Committee for study and action, the following paragraph:

In our programs of adult education, we must grapple seriously with the great divorce between Christian thought and Christian life. Even where lively and effective adult study has been going on, it has often failed to come to grips in any vital way with the real-life day-to-day situation of those engaged in the study. It might be said that much of our program of education seems designed to equip Christians for life within the walls of the church rather than life out in the world. Very serious re-appraisal of objectives is needed, to clarify the fact that Christian education aims both to lead men to Christ, and prepare them for His service. At the risk of over-simplifying terms, we might say that Christian education is for Christian mission.

David J. Ernsberger, in two lectures at the 1962 meeting of the Synod of Toronto and Kingston, offered a very drastic diagnosis. Paying serious attention to it may be an important step toward renewal of our healthful nurture. Ernsberger digs out the immense difference between what he calls the official *program* of education in the church and the unofficial but actually dominantly operative *patterns* of education which in fact contradict the official "missionary" and "theological" program.

Congregations today in Canada sometimes seem nothing but a religious department and expression of our affluent, acquisitive society. Evangelistic enterprises may be confused with proselytism, the will to capture persons and aggrandize the institution. "Lay ministry training" may be confused with second-rate or amateur pulpitering, pasteurizing of laymen into docile and diligent supporters of the clergy man, assisting him in successfully administering a humming religious organization. Religious zeal may produce closed groups that really constitute an escape, a retreat from the true task of being with the unwashed "worldling" on his own ground. The "theological education" of teaching and preaching elders can become a process of producing pied-piper soloists who seduce God's minister people away from the real world where their God-given ministries are needed.

A few signs pointing toward a more obedient attitude of frontiersmanship and re-formation may be listed:

1. Small-group ministries

The affluent society and rapid social change are, with other factors, producing an industrialized and urbanized society. This society is producing a new social group — the young adult — away from his roots in home, religious nurture, etc. How is the church going to reach and help this group? The Board of Christian Education's Young Adult Department is setting up a pilot project, seeking in two or three urban areas an open-encounter exploration with a few young adults who are still related to the church and willing to enlist for special cell-group training, to become communicators and catalysts for reaching their peers in the business world.

Small-group or cell forms of experiment with congregational reformation and renewal are of constantly increasing significance. Group ministry, and group teaching, are key motifs. They are manifold endeavors to take seriously the dimension of fellowship, of partnership, of interchange of gifts, of the endlessly variegated ministry of the Holy Spirit through the communion of the saints.

Theodore Jaeckel, from an experimental pastorate in the industrial complex in and around Frankfurt, Germany, spoke at our January 1963 meeting of the Committee on the Laity. He offered a definition of a *fellowship*: a group from which I am not allowed to cut out any member because he does not seem to fit; a group where the absence of *one* member is felt as loss and pain. Such a group on the other hand must avoid as a deadly plague the temptation to become a chummy, introverted, permanent refuge for its members from the rigors and realities of our call to outgoing, self-expending ministry in the world.

Attention has been called by Robert P. Carter and others to the need for more varied, adaptable small-group study tools and resources, and for workshop training projects across the church for the help and encouragement of our parish pastors in employing these among the people. One such pastor, a member of our committee, reported on what had begun to happen in his congregation as a consequence of a few simple ventures in adult small-group nurture fellowship: "Wherever we can get a bit of openness and real conversation, the prisoners undoubtedly begin to break out of the prison-house."

2. Lay Centres

Lay Centres are a useful form of laboratory or experimental clinic for the help of those who are willing to venture into this jail-break kind of training in churchmanship — that is to say, frontiersmanship. The *Caledon Hills Lay Centre*, 35 miles northwest of Toronto, is slowly taking shape. \$7,500.00 in renovation of the old stone farm house has now given us a surprisingly effective pro-tem facility for weekend retreats and conferences, for up to 18 persons.

The most dramatic development of the past year has been the decision by the Synod of Montreal and Ottawa to take an imaginative step in the purchasing of *Gracefield*. This is a superb property in the Gatineau Hills 67 miles northeast of Ottawa. It comprises 200 acres and two lakes. One phase of the Gracefield development will be summer camping. But a second phase is directed toward year-round multi-purpose Lay Training work. It is realistic to believe that whole new dimensions of "the Frontier" will be opened up among us through this operation of the Holy Spirit in the hearts of a few of His more adventurous jail-birds.

3. Christians at Work in Power Structures

Young business executives, and businessmen generally, are notably non-plussed and silent when asked to expound the relationship between their faith and their business action. To workers at the bottom of the economic and social ladder, Christian faith is "not for the likes of us." The church is part of "the Establishment" and membership in it is for established, respectable, bourgeois types. The E. W. McNeill Foundation has been asked to persist in the search for fresh and viable experiments in discovering how the Lordship of Christ is to be seen as related to the facts and phenomena of economic power, and economic antagonisms, in our society. WCC *LAITY* bulletin No. 14 ("Christians in Power Structures"), and "The Academy, the Church and the Parish" by H. J. Rinderknecht, also the documents of the 1962 NCCC Pittsburgh Conference on Economic Life, are recent resource tools for this area of our task in frontiersmanship.

4. Travelling Salesmen, etc.

Christians abroad, as business travellers, as students, as government representatives, as fighting forces, as tourists, are a high-potential form of the contemporary missionary frontier. The Canadian Council of Churches and its member churches, particularly through its departments of Christian Vocation and of

Overseas Missions, are paying increasing attention to this secular form and milieu for communicating the Gospel among the nations and the power structures of this world.

5. Orillia Consultation on Recruitment

An extremely important document is now available for study and implementation — particularly with reference to Guidance Departments and their implicit doctrine of vocations operative in our high schools and provincial departments of education. It is the fruit of a Consultation on Recruitment, held at Orillia in October 1962. It includes a number of high-octane studies on "Christian Vocation for Every Believer" from Professor Arnold B. Come of San Francisco Seminary, Dr. Kenneth McMillan of the Canadian Bible Society, and a number of other Canadian church reformers. It spotlights, but goes far beyond, church-employed forms of enlistment and sharing in the ministry of Jesus Christ.

6. Public Christianity

Christianity, in Biblical times and down through the centuries, was a public affair — "this thing was not done in a corner". Across the decades of our 20th century there has been an increasing hallucination, conspired in by Christians as well as others, that Christianity belongs in the private sector of our lives. It is thought to be bad manners, as well as bad business, to let our concern with God, and His concern with the world, come out in the open. One of the penalties men pay for this privatization of God is that they deprive themselves and their community of a vital sense of vocation. Life loses its sense of calling, and degenerates into a matter of occupation — making a living, making money, and killing time.

The world of education is a specific example of occupational crisis. Christians whose vocation has led them into the field of teaching should be relevant and creative servants of the human community on the frontier of public education. For the citizens of Ontario, this matter has been precipitated into fresh urgency during 1962-63 by a brief on "Public and Separate School Education" by the Roman Catholic bishops of that province. Members of the Committee on the Laity played a decisive part in shaping our Presbyterian "Brief" in response to the bishops. This brief has been published in *The Presbyterian Record* (March 1963) and also in a study pamphlet. Its main proposal consists in a call to the whole church to dig into its long-neglected home-work regarding this frontier. One of its major thrusts is toward a *dynamic, biblical doctrine of the secular* as against the secularistic doctrine of the secular. We quote:

"The question here is really whether God is to be acknowledged in the schools of Ontario. We say that the earth is the Lord's and the ages are the theatre of His action. Then knowledge of God must be basic to all true knowledge of ourselves, our neighbours and the world. Church education and secular education are partners in ministry under Jesus Christ who is the source, the substance, and the unity of all truth. The wisdom of the Gospel and the wisdom of the world are necessary to one another. Without the church, the world has no clue to self-understanding. Without the world, the church loses knowledge of its own true nature and calling as the servant of the worldly-minded God of the Gospel. Christians must ever be willing to expose their faith to the dangers and ambiguities of a contemporary situation.

"... The real peril is not that we be called secularists, but that we and our schools and our children are in fact becoming secularistic. Tremendous pressure against the seven-days-a-week Christian faith is developing on the part of an undeclared but aggressive anti-Christian humanism. It has invaded the ranks of educationists and teachers so that many fail to acknowledge a clear sense of Christian vocation in their ministry of education.

"The time has come for us to put aside our mutual fears and enter with our Roman Catholic brethren into a common Christian witness for the welfare and renewal of public life.

"The Bible proclaims that the Man, Jesus, the Son of God, the Saviour, is Lord of all being, Lord of all powers, Lord of church and Lord of state. Complete separation of church and state is therefore unrealistic and contrary to God's purpose. Church and state are partners, partners in implementing the sovereign grace and justice of God."

7. How about that Frontier between Women and Men?

The women's groups across the church are seeking to discern what today's situation is. In the midst of celebrating centenaries of their origination, etc., these groups are asking with great honesty how they may effectively *adapt* to meet the present opportunities. Presbyterian Men share this concern and emphasis. A frontier suggests that there is unexplored territory just beyond, and that we are called to pass over and occupy it in the King's name. Partnership between men and women is a manifest frontier. The 1963 study pamphlet and report of the Committee on the Place of Women should lead to a major break-through.

RECOMMENDATIONS

1. That the General Assembly remit this report to the Presbyteries for study and comment for the guidance of the Committee on the Laity, reports to be returned by January 31, 1964.
2. That the Presbyteries be requested to commend the report to their Kirk Sessions for study.

All of which is respectfully submitted.

Convener.

Secretary.

COMMITTEE ON RECRUITMENT FOR FULL TIME SERVICE

To the Venerable the 89th General Assembly:

Your Committee has held three meetings within the past twelve months as well as several sub-committee meetings, and has also been represented at several meetings of the Committee on Christian Vocation of the Canadian Council of Churches.

One of the root problems facing the Church today is not material and money, but men and women, adequately trained for full time service. Your committee feels that one of the first steps necessary in facing this need is to obey the injunction laid down in St. Luke 10:2, "The harvest truly is great, but the labourers are few: pray ye therefore the Lord of the harvest, that He would send forth labourers into His harvest." Is it an over simplification to say that part of the reason for the present shortage is due to the lack of continuing prayer? As St. James writes, 4:2, "Ye have not because ye ask not." With this thought in mind a letter has been sent to every Session Clerk asking Sessions to keep this matter of prayer constantly in practice that through our prayers, God may raise up workers who will be trained to minister in this land and beyond.

Your Committee also observed that some ministers, congregations and presbyteries seem more fruitful in supplying full time workers than others and also that the time is past when we can expect an influx of personnel from other lands and other denominations; we must produce our own ministers, missionaries and deaconesses if we are going to face up to this need in an adequate manner. A

questionnaire is therefore being sent to the Committee of Students and Colleges of each presbytery and it is our hope that the answers given will be a guide to your committee in future planning. Articles on Recruitment have appeared in the Presbyterian Record, in the weekly leaflets produced by the Church and in various young people's newsletters. A film entitled "Ministry", produced by the Ministers Life and Casualty Union has been purchased jointly by your committee and the various boards of the Church, and is available from the Audio-Visual Aids department. Your committee realizes the need of a film, film strips and literature which are distinctly Canadian Presbyterian. At the present time lack of finances is the stumbling block, but it is our hope to be able to produce our own in the not too distant future. The pamphlet "The Church Calls You" produced by us two years ago has been widely used and this year we have revised it a little and reprinted an additional 5,000 copies. Your committee helped finance the Ewart College Choir Tour and from all reports the students were well received and made a fine impression on the congregations visited.

Members of the Committee have taken part in denominational and inter-denominational projects such as High School Career Days, Weekend Retreats, Recruitment Workshops and Clinics, and team visits to University centres in various parts of Canada. One of the most ambitious and fruitful inter-denominational projects was the "Consultation on Recruitment" held in Orillia last October 2-5. Representatives of the various denominations, the Student Christian Movement, the Inter-Varsity Christian Fellowship, the Y.M.C.A., the Y.W.C.A. and the Vocational Guidance Departments of the Provincial Departments of Education discussed the whole matter of Recruitment, our needs, our methods and our objectives. In an atmosphere of sincere Christian fellowship, inspired by intense Bible Study, searching addresses and keen discussion, it was made clear that new directives and new obediences in recruitment cannot be accomplished simply by organization. These directions and obediences have to become flesh and blood through a renewed sense of vocation in the hearts of individual men and women, working together for the one Lord. It is also obvious that each denomination must face up to its own needs and situations according to its theological implications, experience and opportunities. But there is a field of opportunity before us which can only be faced on a cooperative basis. The Provincial Guidance representatives made it quite clear that access into educational institutions under the various Provincial departments could only be possible on an inter-denominational basis. Denominations must work together on Career Days, in producing Monographs for filing in High School Libraries as well as Recruitment Kits. Your committee is helping to prepare such Monographs and Kits and all denominations must be in agreement before they become final.

It is also apparent that the cost of producing literature, films and film strips is almost prohibitive on a denominational basis to any extent, but when done cooperatively a much greater strength of resource material becomes available. Incidentally, each denomination has the say as to what will constitute this material. Your committee agrees that we should cooperate on material that is common to all, but it feels also that there is a need for material that is specifically relevant to our own Presbyterian denomination. We feel that the task and responsibility of Recruitment regardless of how highly efficient it is on denominational or inter-denominational lines is not the work solely of a committee or a group of committees but should be a matter of deep concern to ministers, elders, members, church school teachers and officers, young people and parents.

Your committee submits the following recommendations:

1. That Kirk Sessions give serious attention to the appeal made in our letter sent to Clerks of Sessions re Prayer.
2. That Presbytery Committees on Students and Colleges endeavour to answer as fully and promptly as possible the questionnaire submitted to them.

3. That Christian Education Committees of Sessions endeavour to have presented periodically the matter of recruitment, to Adult and Youth Bible Classes, Communicant Classes, Young People's Societies and other related groups and organizations.
4. That Presbytery and Synodical Committees on Recruitment, on Students and Colleges and Christian Education Committees when planning rallies, conventions, conferences and camps include in the programme a presentation of the needs of the Church for men and women in full time service.
5. That local ministers participate with local Council of Churches or Ministerial Associations in High School Career Days and when and where opportunity affords in University conferences.
6. That Ministers and Kirk Sessions endeavour to cooperate in observing in February the Sunday designated as Students and Colleges Sunday.
7. That we strongly emphasize and call the attention of the Ministers to their special opportunity for placing the needs of the Pastoral Ministry, Overseas Service and Deaconess service before the young people in our congregations who they believe are suitable for this work.

All of which is respectfully submitted.

C. J. MACKAY,
Convener.

PENMARVIAN HOUSE COMMITTEE

To the Venerable the 89th General Assembly:

Penmarvian is situated in the Town of Paris, Ontario on the banks of the Grand River. It is the gift of the late Mr. John Penman to the Presbyterian Church in Canada and has been used for a home for retired ministers and their dependents. Penmarvian derives its running expenses from the fees paid by the guests, interest derived from the Trust Fund; legacies devoted to the support of the home, gifts from congregations, groups and individuals and a small Authorized Expenditure from Budget Funds of the Church.

The Committee endeavour to keep the property in a good state of repair. Extensive new electric wiring has taken place and more is to be done in 1963. The residence is to be connected by water mains to the new sewage system being installed by the municipal authorities. These expenditures have not been a charge on the budget funds of the Church as Penmarvian has been fortunate in receiving two legacies, a portion of which has been used and a further portion will be used to effect these necessary improvements.

At the beginning of 1963, Mrs. James Kingsburgh became Superintendent of Penmarvian. She has shown herself dedicated to the interests of the guests and has been devoted to their welfare over and above her duty. At her request the Committee installed a buzzer panel which connects the various rooms of the residence with her suite thus enabling each guest to communicate with the Superintendent at anytime night and day. The Committee were fortunate in obtaining a new deep freeze unit which has enabled the Superintendent the better to plan the menus for the meals.

During the year the usefulness of Penmarvian to the Church was broadened from retired ministers and their dependents to all Presbyterians. The Chairman has arranged with the Editor of the Presbyterian Record for a small advertise-

ment appearing monthly in that magazine and which has already attracted the attention of persons seeking such a home.

The Committee would take this opportunity of thanking Mrs. Kingsburgh, the Superintendent, and her associates, for their good work in behalf of our Church.

A statement of income and expenditure will be found in the Auditors' Statement.

All of which is respectfully submitted.

J. L. KING,
Chairman.

E. A. THOMSON,
Secretary.

THE DR. EPHRAIM SCOTT BENEVOLENT FUND

To the Venerable the 89th General Assembly:

The Fund was established in 1932 in the form of a Trust under the Will of the late Dr. Ephraim Scott, Moderator of the 1925 General Assembly, "to be used to relieve cases of distress and misfortune happening to ministers of The Presbyterian Church in Canada or their families through ill-health or misfortunes especially in case where the amounts available, from other funds of the said Church are insufficient to provide adequate relief, or are not available".

A committee of three ministers and the Chairman of the Pension Board administer the Fund. The Committee endeavour to carry on their work on the scriptural principle that the left hand is not to know what the right hand is doing.

Amounts from this Fund are paid monthly to several beneficiaries. Though not large, these benefits have brought comfort and assistance to these faithful servants of the Church whose circumstances are quite straitened. The Administrative Council has been good enough to set aside a small Authorized Expenditure which has assured the Committee of a support beyond the income derived from the Trust. We are grateful to those ladies and gentlemen who through their gifts in their life time or through their wills have shown their interest in the great work of mercy which is continually being carried forward through the operation of this fund.

The statement of receipts and expenditures will be found in the Auditors' Report.

All of which is respectfully submitted.

C. M. PITTS,
Chairman.

E. A. THOMSON,
Secretary.

MORGAN HOUSE COMMITTEE

To the Venerable the 89th General Assembly:

Morgan House with its spacious grounds was devised to the Presbyterian Church in Canada by the late Mrs. Mary Morgan. It is situated in Markham,

Ontario. The bequest which accompanied the gift has been invested and the income thereby derived has enabled the Committee to maintain the building in a reasonable state of repair without further assistance from the funds of the Church.

During the year one of our guests, the Reverend R. G. Stewart passed away. His last charge was Carluke and Binbrook, Ontario where he proclaimed by word and life the gospel of Christ. He was held in high esteem in his congregations and was greatly beloved by his people. To Mrs. Stewart the sympathy of the members of the Committee is extended.

A statement of income and disbursements will be found in the Auditors' Report.

D. G. SEATON,
Chairman.

E. A. THOMSON,
Secretary.

BOARD OF CHRISTIAN EDUCATION

To the Venerable the 89th General Assembly:

Once again your Board joins in giving praise to God for the privilege of serving His Church in the teaching ministry. We acknowledge with gratitude the gifts which our Lord Jesus Christ has bestowed upon His Church "that Christians might be properly equipped for their service, that the whole body might be built up until the time comes when, in the unity of common faith and common knowledge of the Son of God, we arrive at real maturity — that measure of development which is meant by 'the fulness of Christ'."

Your Board understands its task in terms of the faithful stewardship of the Gospel and of the gifts of the ministry and mission of teaching.

Curriculum for the Presbyterian Church in Canada

As instructed by the General Assembly in 1960, the Board of Christian Education has been pursuing studies toward the development of a new curriculum for the Church. The studies have developed in two parallel and complementary lines.

1. *Christian Nurture for the Whole Church*

Arising out of a sense of need to co-ordinate and unify the work of nurture and training, the Boards of the General Assembly, the Colleges and the Women's Missionary Society, W.D., joined together in a study which has become known as "Christian Nurture for the Whole Church". The study began with an examination of the Biblical teaching of the nature and the missionary calling of the Church. Integral to this is a Christian doctrine of the world and of society in which the Church is called to witness and to serve today. Such studies lead directly into a whole series of central issues in the life of the Church — evangelism and missions, ministry and ministries, witness and service, vocation and nurture, the meaning of church membership, etc. In the light of such studies we are drawn to a serious reappraisal of the patterns and structure of church life.

One of the goals of this study is to discover new patterns of church life and action which will make possible the continuing and life-long nurture of every member, family and adherent, and lead to active and responsible involvement in the whole mission of the church in the world on the part of every Christian.

It is hoped that in the coming year study papers will be developed for use in Presbyteries and congregations.

2. *Curriculum for the Church School*

Through its Editorial Committee, the Board carries on a continuous and intensive examination of curriculum for the church school. Aware of the need to keep abreast of the newest developments in Biblical, theological and educational studies, the Editorial Committee has been actively involved in the Co-operative Curriculum Project in which sixteen denominations in North America are participating. During the past year three interviews have been held with representatives of the Presbyterian Church in the United States related to the development of their new Covenant Life Curriculum. At the present time the Board is engaged in a study of major changes in our own Presbyterian Uniform Curriculum. The limitations of personnel and finances add greatly to the difficulty of major undertakings of this kind.

Beginning in September of this year, new resources will be provided for adult study in the magazine *VICTORY*. Because of a growing interest in and a demand for small group Bible study, *VICTORY* magazine will provide a series of studies in each issue for informal adult groups who wish to engage in Bible study. The regular curriculum, as well as the programme resources for Presbyterian Men and for older youth, will be continued. The Board wishes to urge Presbyteries and kirk-sessions to make known to their people the rich resources for adult study which are contained in *VICTORY*.

The Board requests the General Assembly to remind Presbyteries and kirk-sessions that the only recommended curriculum materials for our church schools are the Christian Faith and Life Curriculum for the nursery, kindergarten and primary departments, and the Presbyterian Uniform Curriculum for the junior, teenage, older youth and adult departments. We would also remind the congregations which are now using the Canadian Graded Bible Lessons in the children's departments, that these will be discontinued in August, 1964. Synod and Presbytery committees of Christian education are prepared to assist such schools in changing over to the Christian Faith and Life Curriculum for the children's departments.

Synod Advanced Leadership Training

An important event in the life of the church took place in the Synod of Toronto and Kingston, at Knox College, in June, 1962. The Synod Committees of Christian Education, Evangelism and Social Action, Missions, and Stewardship and Budget joined together to sponsor the first school for Synod Advanced Leadership Training. 87 delegates representing every Presbytery in the Synod, together with 31 leaders and resource persons, were in attendance. The purpose was to provide advanced training for persons selected by each Presbytery in order that they might offer training to the congregations within the bounds of their Presbytery. An important part of the training was an intensive Bible study each morning under the able leadership of Dr. James D. Smart of Union Theological Seminary, New York, on the subject of "The Nature and Mission of the Church."

Other Synods will be planning similar leadership training schools in 1964 and in future years. The Boards of the General Assembly will give every encouragement and assistance to Synods in planning such schools. The Board of Christian Education believes that they can render a unique service to the church as a means of renewal and re-formation.

Youth Work

The Board wishes to bring to the General Assembly information about several significant events in youth work. We believe that these events provide a unique opportunity for Presbyteries and congregations to lead the young people to deeper commitment to Jesus Christ and to a greater participation in the life and mission of the church.

The first North American Reformed and Presbyterian Youth Assembly will be held at Purdue University, Indiana, July 19-25, 1963. Each Presbytery has been invited to send a team of three young people of high school age and one adult leader. It is expected that there will be 2,200 youth and adult leaders in attendance. The assembly will concern itself with the question: What is God calling us to be and do today as youth of the Reformed Churches within the ecumenical movement?

Two leadership training conferences will be held in August, 1963 for older youth under the auspices of the National Young People's Society. The first will be held at Camp Geddie in the Synod of the Maritime Provinces, August 4-10, and the second at Camp Kannawin in the Synod of Alberta, August 11-17. Training and equipping older youth for active Christian discipleship is the goal of the conferences.

The first National Conference on Older Boys' Parliaments and the Church will be held at Carleton University, Ottawa, July 2-5, 1963. Each Synod has been invited, through its Christian education committee, to send a delegate in order to strengthen the relationship of Older Boys' Parliaments with our Church. Parliaments have proven to be a very significant influence in the life of many boys in deepening their Christian commitment and in preparing them for Christian service in the church and in the world.

Presbyteries and congregations are asked to be aware of these important events in youth work and to provide opportunities for their young people who will participate in them to report and to take an increasing share in a responsible way in the life and work of the church where they are.

Christian Community Camping

As a result of extensive study and experimentation, the Board, through its Special Committee on Camping, has prepared and published a manual entitled *Christian Community Camping*. It seeks to describe the character and purpose of camping within the fellowship of the church and as part of her privilege and task of Christian education.

The manual is written especially for Synod and Presbytery camp committees and is commended to them for serious study. It sets forth clearly a Christian approach to camping and within this context it deals with the development of campsites, leadership, programme and safety. There is a very helpful chapter on the ways in which our present campsites can be further developed and more fully used. An extensive bibliography on all aspects of camping is included.

The Board also wishes to urge Synod and Presbytery camp committees to give strong leadership in providing opportunities for directors and counsellors to receive training. Church camping demands mature Christian leadership.

Higher Learning

Realizing more and more keenly that a key to any ongoing development of mature Christian leadership in the universities lies in the hands of dedicated Christian faculty people, the Committee on Higher Learning is making a determined effort to maintain and expand contact with Presbyterian faculty personnel. A faculty newsletter "A Word to the Wise" has been prepared and mailed to over one hundred Presbyterian faculty persons and administrators in Canadian universities. The Committee would welcome the names and addresses of such persons who are known to our congregations. Encouragement and assistance is also being offered to make it possible for Presbyterian faculty to participate in study conferences which are intended to help them to enter more fully into their particular ministry in the university. One such conference is the North American Faculty-Staff Conference of the World Student Christian Federation on "Truth and Revelation", to be held at Macdonald College, Quebec, June 24 - July 4, 1963.

In seeking to fulfill the "responsible ecumenical approach" which was agreed upon by the General Assembly in 1959, the Committee has been sharing in the work of the *Church and University Committee* of the Student Christian Movement of Canada. It is composed of official representatives of the churches, the Y.M.C.A., the Y.W.C.A., professors and students. The Inter-Varsity Christian Fellowship of Canada is also represented by an official observer who is Rev. Dr. Ian Rennie, a minister of the Presbyterian Church in Canada. The committee is addressing itself to three main tasks: (1) to examine together the total Christian mission in the university, (2) to call regional and national consultations to study the theological basis of mission in the university and to work toward unity in this as far as possible, and (3) to stimulate faculty work in all seriousness and as quickly as possible.

During the past year the Committee on Higher Learning has carried on conversations with the General Secretaries of the Inter-Varsity Christian Fellowship of Canada and the Student Christian Movement of Canada. The conversations explored such questions as: the official relationship of these organizations to the churches, financial grants from the churches, missionary outreach among students, faculty work, and certain doctrinal matters. The conversations have been helpful in creating greater understanding.

The Committee on Higher Learning is deeply conscious of the opportunities which are open to the Presbyterian Church for Christian witness and service in the universities of Canada. They are strategic centres in the developing life of Canada. The dimensions and complexity of the work of the church in the universities calls for stronger leadership than can now be given on a voluntary or part-time basis by the committee. There is urgent need for someone to develop and equip the potential of church members who are already in the universities and to co-ordinate the Presbyterian witness in these communities. A resolution requesting provision for such a person has been placed before the Administrative Council.

The General Assembly of 1962 (Minutes p. 104) resolved "that the matter of grants to S.C.M. and I.V.C.F. be referred to the Board of Christian Education for consultation with these two bodies, to bring in to the General Assembly of 1963 a recommendation regarding the basis of annual grants to both of these organizations." Through its Committee on Higher Learning the Board held three meetings with the General Secretaries of the two organizations and begs to present the following report and recommendation as its answer to the request for a basis of annual grants.

A—Statement of Affirmation

The Board of Christian Education, through the Committee on Higher Learning, recognizes the distinctive contributions of both the Student Christian Movement of Canada and the Inter-Varsity Christian Fellowship of Canada to Christian work in universities and to the life of Presbyterians in the universities.

The Board re-affirms its readiness to work with both the Student Christian Movement and the Inter-Varsity Christian Fellowship.

B—Factors Bearing on the Basis of Grants

1. The Inter-Varsity Christian Fellowship of Canada does not depend on contributions from the denominations in the preparation of its budget, nor does it solicit gifts from the denominations, but it values the confidence placed in it by denominations as expressed in grants. The Student Christian Movement of Canada depends upon contributions from the denominations for nearly 40% of its budget.
2. The Presbyterian Church in Canada is not invited to make appointments to the Inter-Varsity Christian Fellowship of Canada, or to any of its Committees.

The Presbyterian Church in Canada is called upon to make official appointments to the National Council and the Board of Directors of the Student Christian Movement of Canada, to its Church and University Committee and its World Mission Committee, and therefore has a voice in the making of policy and the development of programme.

3. The Presbyterian Church in Canada is not called upon to nominate or provide persons for professional service in the Inter-Varsity Christian Fellowship of Canada.

The Presbyterian Church in Canada is called upon to nominate and provide persons for professional service in the Student Christian Movement of Canada.

It is therefore recommended that the regular annual grants of the Presbyterian Church in Canada to the Student Christian Movement of Canada and to the Inter-Varsity Christian Fellowship of Canada be made on the proportionate basis of two to one respectively.

Further, the Board of Christian Education affirms its conviction that the total investment of the Presbyterian Church in Canada in higher education does not adequately represent our responsibility for the mission of the church in the university.

Respectfully submitted,

J. A. JOHNSTON,
Convener.

J. S. CLARKE,
General Secretary.

SUMMARY

REPORT OF THE BOARD OF PRESBYTERIAN RESIDENCE, SASKATOON

With deep thankfulness to God, we have to report on another year of effective and expanding Christian service under the competent leadership of our Dean, the Rev. John Buchanan. The enrolment showed a significant upsurge at the commencement of the present academic year, taxing our limited capacities to the utmost, and by one means or another we succeeded in carrying out sundry improvements and replacement of furnishings to render the Residence itself more attractive. Our thanks are due to Mrs. A. P. Kerns, the Matron, and her house staff, for the smooth and efficient operation of all domestic details.

The Residence continues to provide a lively community in which students can pursue their studies and private lives in the context of Christian worship and concern for them as men. The Dean, freed from teaching duties in the University, has found many new opportunities, such as the work of the Interdenominational Committee (still in its infancy), the planning and programme of the S.C.M., cooperation with the other denominational chaplains, scheduled seminars in the two teaching Hospitals, an address to a Psychiatric Seminar, a Faculty Graduate Student Seminar on "Faith and Science", and the enlarged area of pastoral concern made known through previous experience as a faculty member. The enlargement of these opportunities depends not on the size of the Presbyterian constituency, but on the acceptability and versatility of the Church's servant in the University community. We have, in short, the beginnings of a ministry to the whole University, in cooperation with the representatives of the Anglican, United, and Lutheran churches.

We have now reached an important, even critical, stage in the history of the Residence. Not only because of the condition of the present structure, which of itself would have required that serious thought be given to the future of the institution, but also because of our deep conviction that a Students Residence can prove an effective symbol and instrument in witnessing to our Christian faith within the University community, the Board has taken the first appropriate steps in what, it is to be hoped, will eventually result in the construction of a new Residence building on the campus. These hopes are embodied in an Overture from the Synod of Saskatchewan for presentation to this General Assembly. Suffice it therefore to say here that what we envisage is in perfect accord with the acknowledged obligation of the Church to take responsible action, with faith and vision and courage beyond what we have seldom if ever displayed hitherto, in serving our Universities in the name of Jesus Christ as Lord of all life and light. As such, our proposal has received the endorsement of the Committee on Higher Learning.

We are persuaded that our present work and what we would hope to accomplish in the future, as a matter of more than merely local significance, serves the interests of Christ's Church far beyond our own geographic, or even denominational, boundaries. That being so, we would like to think that, in witnessing to Christ's truth in an area of our contemporary world so strategic and determinative as the University, we might count upon the concern and interest of the Church as a whole.

Next year we expect the Dean to be on leave of absence working towards the completion of his doctorate, an accomplishment that will further qualify him to take his place as a fully accredited member of the University community. This will of course require the Board to make suitable temporary arrangements to carry on the work of the Residence on a restricted scale during this period.

The financial statements, duly audited, are appended.
All of which is respectfully submitted.

M. NICOLSON,
Chairman.

RECOMMENDATIONS

1. That the Board of Presbyterian Residence, Saskatoon, be granted a budget for operational expenses in 1964 up to the amount of \$10,000.
2. That, subject to General Assembly's approval of the overture of the Synod of Saskatchewan re the construction of a new Residence on the University campus, the Board be granted authorization to sell the present properties at an opportune time.

February 14th, 1963.

The Chairman,
Presbyterian Residence Board,
Saskatoon, Saskatchewan.

Gentlemen:

We have audited the books and records of the Presbyterian Residence for the year ended December 31st, 1962, and submit herewith the following statements:

Balance Sheet
Statement of Revenue and Expenditure
Comparative Statement of Profit and Loss
Statement of Receipts and Payments
Schedule of Accounts Payable
Schedule of Student Fees Receivable
Statement of Receipts and Payments — Presbyterian Residence Board

Our examination included a general review of the accounting procedures and such tests of the accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion, the accompanying Balance Sheet and Statement of Revenue and Expenditure present fairly the financial position of the residence as at December 31st, 1962, and the results of its operations for the year ended on that date, in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Respectfully submitted.

McMILLAN & DILL,
Chartered Accountants.

THE PRESBYTERIAN COLLEGE
REPORT OF THE BOARD OF MANAGEMENT, 1962 - 1963

To the Venerable the 89th General Assembly:

The Board of Management of the Presbyterian College begs to submit the following report for the year 1962-1963.

We give thanks to Almighty God for His blessing upon the life and work of our College during the past year, and pray for His continued guidance during the coming year.

Twenty-five men were enrolled in Theology this term. In addition, thirty-two students were enrolled in special studies leading to the Degree of Bachelor of Divinity. Of these, fourteen were doing this work as part of the Three Year Course, while the remainder carried on these studies by attendance at special seminars and by extramural work.

This is the second year the College has been housed in a building provided by McGill University while our new building has been under construction. We should like to take this opportunity of expressing our appreciation to the University for their co-operation in this respect which has been given with the utmost goodwill and generosity. We should like also to express our thanks to Dean S. B. Frost of the Faculty of Divinity of McGill University for his co-operation in connection with the work of our New Testament Department; and to Principal George Johnston of the United Theological College for his services as Visiting Professor this year in New Testament and Exegesis.

The L. W. Anderson Lectures were given this year by Professor Seward Hiltner, of Princeton Theological Seminary, on the theme "Frontiers in Pastoral Counselling". We are happy to announce that these lectures were very well received by a large and appreciative audience from the Theological Colleges and from the Ministers within the bounds of the Presbytery of Montreal.

The Board of the College would inform your Venerable Body with great regret that Miss Bessie Fraser has tendered her resignation as Librarian of the College, after serving in this capacity for a period of over twenty-five years with the greatest devotion and competency. During the past session, this important work has been carried on by Mrs. Scarth Macdonnell, to whom we would tender our sincere thanks. Your Board, after carefully considering the situation for someone to fill this office permanently, has appointed the Reverend Neill G. Smith, M.A., D.D., to this office. Dr. Smith will also serve the College as Dean of Residence and will assist Professor C. Ritchie Bell in the Homiletics Department.

As this Report is being prepared, our new College Building is rapidly nearing completion, and plans have already been made for the Service of Dedication to be held on Sunday afternoon, April 28th, when the Moderator of the General Assembly, the Right Reverend K. Ross Cameron, C.D., M.A., D.D., will perform the Act of Dedication. Already the outlines of this beautiful structure are beginning to appear, which embrace both functional qualities and characteristics of modern collegiate architecture. We are deeply indebted to the architectural firm of Durnford, Bolton, Chadwick and Ellwood, who designed the building and have given the most careful attention to every detail of its construction. We would also express our appreciation to Mr. Robert Thomson and his Building Committee, and to the Reverend John A. Simms and his Furnishings Committee, who have rendered untiring service in their respective responsibilities.

During the past year, the Special Committee appointed by the General Assembly to deal with matters which had developed within the College, have consulted with all involved in the administration of the College, and we wish herewith to acknowledge our gratitude for the devotion and diligence with which they have carried on their work under the leadership of the Reverend G. Deane Johnston.

As in former years, many friends have shown their continued interest in the College by contributing scholarships and prizes which we gratefully acknowledge and which are listed in detail in our Financial Statements.

While your Board has endeavoured to keep the cost of the new College buildings within the amount of the six hundred thousand dollars which we re-

ceived from McGill University for the sale of our former buildings, we have had to exceed this amount through increased building costs, despite every effort at economy. It will therefore be necessary to raise a sum in excess of two hundred thousand dollars to completely furnish and equip the buildings. We appeal to the prayers and the generosity of our many friends throughout the Church that this amount may be raised and thus enable us to discharge our obligations within the next three years.

Your Board would respectfully ask that the General Assembly would consider increasing the stipends of the Faculty of the College by at least one thousand dollars per annum, and that the increase become effective as of September first, 1963.

All of which is respectfully submitted.

THOMAS M. DICK,
Chairman.

JOHN R. MCCALLUM,
Hon. Secretary.

REPORT OF THE SENATE OF THE PRESBYTERIAN COLLEGE, MONTREAL SESSION 1962-1963

Two important events marked the conclusion of the past session; the Dedication of our new building on Sunday afternoon, April 28th, when the Moderator of the eighty-eighth General Assembly The Rt. Reverend Ross K. Cameron, C.D., M.A., D.D., performed the act of Dedication and preached the Sermon. The large gathering of people and the spirit which pervaded the entire service indicated interest of our people in the work of our College as it enters this new period of its life and work. THE PRESBYTERIAN COLLEGE, MONTREAL FINANCIAL STATEMENTS FOR YEAR ENDED 31st DECEMBER, 1962

To the Finance Committee,
The Presbyterian College, Montreal.

We have examined the balance sheet of The Presbyterian College, Montreal, as at 31st December 1962 and the statement of income and expenditure for the year then ended. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances except that it was impracticable to verify income from students' board.

Subject to our comment regarding income from students' board, in our opinion the accompanying statements present fairly the financial position of the College as at 31st December 1962 and the results of its operations for the year then ended and have been prepared on a basis consistent with that of the preceding year.

THE COMMITTEE TO ADVISE WITH THE MODERATOR

To the Venerable the 89th General Assembly:

The Reverend Ross K. Cameron, C.D., M.A., D.D., Minister of Dovercourt Road Church, Toronto, Ontario, was elected Moderator of the 88th General Assembly of The Presbyterian Church in Canada, meeting in Knox Church, Toronto in June, 1962.

In the Fall of 1962 Dr. Cameron visited the four Western Synods. The winter months were devoted to the work in the three Central Synods. He officiated at many services of dedication of new church buildings and church halls. Mrs. Cameron and he represented the Church at the opening of the Parliament of Canada.

In March 1963 Dr. Cameron visited Bermuda. The Kirk-Session of St. Andrew's Church, Hamilton arranged an itinerary which took full advantage of the Moderator's visit so that his coming proved both helpful and fruitful. An admirer made it possible for him to journey to Britain in order to attend the General Assembly of The Church of Scotland as a representative of The Presbyterian Church in Canada.

An outstanding event of the year was the erection of the new Presbyterian College on the campus of McGill University, Montreal. On the occasion of the dedication of the building, the Moderator representing the whole Church, officiated at the service setting apart the edifice and its furnishings to the glory of God.

Dr. Cameron proved a good ambassador of the Church. Everywhere he went he won golden opinions. His kindness and courtesy, his readiness to meet every occasion and his willingness to be of service have marked him as an outstanding minister of the Church.

RECOMMENDATIONS

1. That the thanks of this Assembly be accorded the Kirk-Session and Congregation of Dovercourt Road Church, Toronto for making it possible for the whole Church to make use of the services of their minister.
2. That the thanks of this Assembly be extended to the Clerks of Presbyteries and Synods, to many other ministers, elders and people who assisted in arranging the itinerary of the Moderator.
3. That the thanks of this Assembly be tendered to all who rendered courtesy and kindness to the Moderator while visiting throughout the Church.

All of which is respectfully submitted.

J. LESLIE KING,
Chairman.

E. A. THOMSON,
Secretary.

INTER-CHURCH AID, REFUGEES AND WORLD SERVICE

To the Venerable the 89th General Assembly:

In 1962 the Presbyterian Church in Canada contributed \$25,303 for Inter-Church Aid, Refugees and World Service. The amount was approximately \$3,000 less than what was given in 1961. Making use of the surplus on hand at the beginning of the year, a total of \$27,839 was disbursed including \$639 for committee expenses and leaving a balance at the year end of \$3,867.

The following donations were made during the year — \$11,500 to the World Council of Churches for its on-going service and refugee programme, \$2,000 for a special project of the Canadian Freedom from Hunger Campaign, \$1,000 for disaster relief in Indonesia and \$2,000 for the same purpose in Iran, \$500 each to the Good Samaritan Society which carries on a fine work among destitute people who have flocked into slums on the outskirts of Lima, Peru, to the Itu leper colony in Nigeria and to the Church of Scotland for rebuilding a mission demolished by a hurricane in British Honduras, \$200 to India for powdered milk, \$5,000 for relief in Hong Kong and \$3,000 to the Presbyterian Alliance for social service work in the reformed churches of Eastern and Southern Europe.

At the time this report was prepared (April 15) it was too early to assess the trend of giving in 1963 but your committee earnestly hopes that there will be a significant forward movement this year. The need for ecumenical action in the field of inter-church aid, refugees and world service is very great and will continue to be part of our common life in this world. In the light of this fact and of the clear call of Christ for compassion toward those in distress, it is difficult to understand the meagre response of our Church to this important work. On the basis of many letters received from individuals who forward contributions directly and the number of offering envelopes ordered (41,500 so far this year) it would appear that many ministers do not bring this work to the attention of their congregations or provide an opportunity for them to participate. This is regrettable and should be corrected since this task is not an optional extra but an essential part of the church's on-going mission.

It is true that many demands are made on our people, that our national economy is somewhat less than buoyant and that our Church needs ever-increasing support for her own work at home and overseas. All this, however, is not sufficient to explain a contribution of one cent a month from each Presbyterian communicant for this important work which was our rate of giving in 1962. Neither is it a valid reason why the Presbyterians of Canada cannot each afford at least one cent a week, the smallest possible weekly contribution, which would mean a total of \$100,000 annually from our Church. It is impossible to believe that this could not happen if a proper presentation of this work were given to all our people and that this should be done is the urgent call of your committee to this Assembly.

Respectfully submitted.

EOIN S. MACKAY,
Convener.

**REPORT OF SPECIAL COMMITTEE RE RECOMMENDATION 9
(a and b), ADMINISTRATIVE COUNCIL, 1962, AND OVERTURE
31, 1962, PRESBYTERY OF MACLEOD RE ELECTION
OF MODERATOR**

To the Venerable the 89th General Assembly:

The Special Committee appointed to consider Recommendation 9(a) and (b), Administrative Council 1962 (see pages 63 and 357 A & P, 1962), and Overture 31, 1962, Presbytery of Macleod, Re Election of Moderator (see page 426, A & P 1962) begs to report as follows:

1. Concerning Recommendation 9(a): The Committee recommends that mimeographed copies of Overtures and Reports of Boards and Committees not be sent out to Commissioners, Board Chairmen and Secretaries, at any time before Assembly inasmuch as all these documents are the property of Assembly and are confidential until released by Assembly and are frequently not admitted by Assembly or are subject to drastic emendation. To send these out would defeat this legal and necessary safeguard to the good of the Church.
2. Concerning Recommendation 9(b). The Committee recommends against the appointment or election of a Vice Moderator. Such a recommendation concerning a Vice Moderator would be *ultra vires* of Assembly: an Assembly cannot compel a Presbytery to make the Vice Moderator of, say 1963, a commissioner to Assembly in 1964 — assuming the 1964 Assembly would consent to this action of a previous Assembly doing its work. This suggestion of a Vice Moderator being appointed or elected is really the historic *congé-de-lire* which has been so troublesome for over 400 years in British Christendom and which we consider should not be admitted into this Church.
3. Concerning Overture 31, 1962, Presbytery of Macleod, Re Election of Moderator. This Committee recognizes the unhappiness of the Church concerning aspects of the present method of electing a Moderator of Assembly, and recommends that this Assembly enlarge this Committee by three members with instructions especially to consider the advisability of a nominating committee for the office and to review the present regulations, and to report to Assembly, 1964, with recommendations.

Respectfully submitted,

D. P. ROWLAND,
Convener.

**REPORT OF SPECIAL COMMITTEE ON RECOMMENDATION
NO 9 (c, d, e, f, g),
THE ADMINISTRATIVE COUNCIL REPORT, 1962
(A & P 1962, Pg. 357)**

To the Venerable the 89th General Assembly:

The Special Committee appointed by the 88th General Assembly "to report to the Assembly of 1963, the matters to be referred to Presbyteries for study and report to this Committee" (A & P pg. 61), begs to report that replies were received from the following Presbyteries: Newfoundland, Pictou, Prince Edward Island, Glengarry, Lanark & Renfrew, Kingston, East Toronto, West Toronto, Temiskaming, Guelph, Niagara, Paris, London, Chatham, Huron-Maitland, Bruce,

Superior, Prince Albert, Red Deer, Calgary, Westminster. A total of 21 Presbyteries replying.

Summary of returns:

	Presbyteries sub-section approving	Presbyteries disapproving or suggest changes
(c)	13	8
(d)	8	13
(e)	13	8
(f)	12	9
(g)	10	11

Presbyteries not reporting:

Cape Breton, Halifax & Lunenburg, Saint John, Miramichi, Quebec, Montreal, Ottawa, Brockville, Peterborough, Lindsay, Orangeville, Barrie, Algoma & North Bay, Saugeen, Hamilton, Sarnia, Stratford, Winnipeg, Brandon, Assiniboia, Saskatoon, Peace River, Edmonton, Macleod, Kootenay, Kamloops, Victoria. A total of 27.

Observations:

1. Many large Presbyteries made no returns.
2. In respect to the highest affirmative vote reported on any one section under study, it may be pointed out that 73% of the Presbyteries did not register an entire approval.
3. Only five Presbyteries, comprising 88 ministers, gave approval of all 5 sections of the recommendation.
4. Section 282, pg. 77 Book of Forms, sets forth the procedure for the opening of the General Assembly, this is radically changed by the recommendation under consideration.
5. Sections 257, pg. 68, and 293, pg. 80, Book of Forms, set forth the manner by which changes must be processed in respect to the standing Rules and Procedure of the church.

Your Committee, considering the meager returns it has received from Presbyteries; the large predominating percentage of Presbyteries and Presbyters represented by the group which did not give its entire approval; and the seeming conflict between the Rules of Procedure as indicated in the Book of Forms (sections quoted), and relative matters pertaining to the Recommendation, believe:

1. That the changes set forth in the Recommendation do not have the approval of the Church as a whole, or a majority of its Presbyters.
2. That the changes desired are possible only under the Barrier Act.
3. We suggest that no further action be taken in respect to the matters referred to the Committee, under their present form.
4. That, if changes in procedure in this matter are required, and felt desirable, a small Committee comprising experienced and unbiased personnel should be appointed to make a thorough study of the matter and report to the General Assembly of 1964.

D. MCQUEEN,
Convener.

REPORT OF THE CLERKS OF ASSEMBLY: OVERTURE 3, 1962, PRESBYTERY OF PARIS, RE DISTRIBUTION OF ASSEMBLY MINUTES

To the Venerable the 89th General Assembly:

The Presbytery of Paris asks that the distribution of copies of Acts and Proceedings be limited to not more than four for each congregation, and that additional copies be made available at a nominal price of \$1.00. (Acts and Proceedings, 1962, pages 416, 417).

In answer to the Overture, the Clerks are unwilling to make such a decision concerning limitation for the whole Church, and therefore recommend, as below, that the matter be decided by vote of Assembly. As to a price for additional copies, the price hitherto has been set at \$2.50, which is now far less than cost.

The Clerks therefore recommend that this Assembly vote upon the following motion:

"That the distribution of copies of Acts and Proceedings be limited in each pastoral charge as follows: one for the Minister, one for the Session Clerk, one for the Representative Elder, and one for the Board of Managers, it being noted that in pastoral charges of more than one preaching point each Session Clerk and each Board of Managers will receive a copy."

Respectfully submitted,

E. A. THOMSON, L. H. FOWLER,
Joint Clerks of Assembly.

REPORT OF THE CLERKS OF ASSEMBLY: OVERTURE 7, 1962 PRESBYTERY OF VICTORIA, RE SHORTAGE OF ORDAINED MISSIONARIES

To the Venerable the 89th General Assembly:

The Presbytery of Victoria asks that Mr. Ronald MacMillan, Catechist, appointed to St. Andrew's, Duncan, B.C., by the Presbytery of Victoria, be given authority by Assembly through Presbytery to celebrate Sacraments. (See Acts and Proceedings, 1962, pages 418, 419).

Without reflection upon the excellent abilities possessed by this Catechist, the Clerks must, in view of the many times similar requests have been made of Assembly concerning students and catechists, and all answered negatively, recommend that the prayer be not granted.

Respectfully submitted,

E. A. THOMSON, L. H. FOWLER,
Joint Clerks of Assembly.

**REPORT OF THE CLERKS OF ASSEMBLY: OVERTURE 8, 1962,
PRESBYTERY OF PARIS, RE PLACING OF NAMES ON
CONSTITUENT ROLL**

To the Venerable the 89th General Assembly:

The Presbytery of Paris asks that information concerning applications under Section 176(1) (e) of the Book of Forms be made available to commissioners in the docket of Assembly, and that there be a review every five years of such names by Assembly, for which information shall be furnished by the Presbytery. For details see the Overture, Acts and Proceedings, 1962, page 419.

The Clerks beg to report that until 1949 information concerning applications was printed in full, and dropped in that year to save printing costs. This Overture is the first protest concerning this practice. The Special Committee reporting on overtures to add names to the Constituent Roll gives the information each year on request of any commissioner.

In the matter of reviewing names going on the Constituent Roll under 176(1) (e), the Clerks are of opinion that such a change would have to be an amendment under the Barrier Act. In several Assemblies the Committee (see, for example, Acts and Proceedings, 1957, pages 86 and 87) and commissioners have protested the failure of presbyteries to observe the intention of 176(1) (e) and its footnote, with the result that now in most presbyteries — if not all — it is almost automatic that a Minister retiring will be honoured by a request to Assembly that his name go on the Constituent Roll, and any suggestion that the request be not made is taken as an affront. Nevertheless, and despite these protests, Assemblies have been very generous in acceding to the requests. The Clerks consider that the suggested regulations would make 176(1) (e) of no restriction at all, and would place into the hands of Assembly an action akin to discipline that belongs to the court of primary jurisdiction, and which would be effective only in the rarest of cases. Names placed on the Constituent Roll by order of Assembly are removable by presbytery, for cause, without reference to Assembly.

The Clerks therefore recommend:

1. That Overtures under 176(1) (e) be continued to be noted as at present in the Stitched Minutes.
2. That the prayer concerning review of names by Assembly be not granted.

Respectfully submitted,

E. A. THOMSON, L. H. FOWLER,
Joint Clerks of Assembly.

**REPORT OF THE CLERKS OF ASSEMBLY:
RECOMMENDATION 4,
COMMITTEE ON CHURCH ARCHITECTURE, 1962**

To the Venerable the 89th General Assembly:

Recommendation 4 of the Committee on Church Architecture, 1962, (see Acts and Proceedings, 1962, pages 291 and 49), reads as follows:

"That the General Assembly request the Clerks of Assembly to give to this Committee a ruling regarding the actual financial responsibility of

a Presbytery in the event that a congregation defaults in its repayment of capital loans, whether from a Synod Corporation or from any other loaning institution."

In answer to the question as to the actual financial responsibility of a Presbytery in the event of a congregation defaulting, the Clerks are bound to answer there is no such responsibility unless there is a guarantee within the documents of the loan or in the Minutes of the Presbytery.

The responsibility of Presbytery lies within its duty of approving the transactions when application is made, and within its duty of general oversight of the congregations within bounds. In the first, it is enjoined to make minute inquiry (Section 200(h), Book of Forms). In the second, it is instructed (Sections 198, 199 and 200, Book of Forms) in its duties. The reading of these sections will make obvious the Presbytery's relation to the question of default.

Respectfully submitted,

E. A. THOMSON, L. H. FOWLER,
Joint Clerks of Assembly.

OVERTURES

No. 1 — SYNOD OF THE MARITIME PROVINCES

Re TRANSFER — ST. ANDREW'S, HAMILTON, BERMUDA

To the Venerable the 89th General Assembly:

WHEREAS in the days preceding air-travel, Bermuda was closest to the Presbytery of Halifax-Lunenburg by surface travel, and

WHEREAS the advent of air-travel has now made Bermuda more easily accessible to Toronto, and

WHEREAS St. Andrew's Church, Hamilton, Bermuda, can now be served to better advantage by air from Toronto than from Halifax, and

WHEREAS either of the Toronto Presbyteries would be in a better position financially to encourage attendance of the Minister and Representative Elder at meetings of Presbytery, and

WHEREAS members of St. Andrew's Congregation, travelling to and from Toronto, making contacts with former members of St. Andrew's now residing in Toronto, would enhance the relationship between our Church in Canada and St. Andrew's, in Bermuda, and

WHEREAS the Minister in his attendance at Presbytery and Synod would thus be in personal touch with the Secretaries of the Boards and Committees of the Church, so making for beneficial and desirable contacts which are not presently available,

THEREFORE, the Synod of the Maritime Provinces, upon the request of the Presbytery of Halifax-Lunenburg and the Session of St. Andrew's, Hamilton, Bermuda, humbly Overtures the Venerable, the General Assembly meeting in Knox Church, Toronto, June 5th, 1963, to transfer the Congregation of St. Andrew's, Hamilton, Bermuda, from the bounds of the Presbytery of Halifax-Lunenburg and the Synod of the Maritime Provinces, to the bounds of the Presbytery of West Toronto in the bounds of the Synod of Toronto and Kingston, or that they do otherwise for this object what to their wisdom may seem best.

Re MEMBERSHIP OF BOARD OF STEWARDSHIP AND BUDGET

To the Venerable the 89th General Assembly:

WHEREAS, the Board of Stewardship and Budget is charged with the promotion of stewardship under God in life and work of the Church which is of vital concern in every Synod, and

WHEREAS at present Synod Conveners of Stewardship and Budget in the Central Synods only are full members of the Board and other Synod Conveners are members by Correspondence, and

WHEREAS, other General Assembly Boards such as Missions, Christian Education and Evangelism and Social Action have Synod Conveners as full members;

THEREFORE, for the further promotion of stewardship in the Church across Canada, we, the Synod of Saskatchewan humbly overture the Venerable, the General Assembly, to appoint the Synod Conveners of Stewardship and Budget in all Synods as full members of the Board of Stewardship and Budget, or to do otherwise as in its wisdom is deemed best.

Re PUBLICITY OF HUMANITARIAN SERVICE

To the Venerable the 89th General Assembly:

THAT WHEREAS, the many and extensive relief activities and humanitarian services rendered by the agencies of the World Council of Churches receive little or no publicity, and

WHEREAS this silence contrasts so markedly with the skill and assiduity with which other bodies publicize their work in caring for the needy people in the world, and

WHEREAS no doubt this silence also results in the loss of interest and support that might otherwise be stimulated,

THEREFORE we, the Synod of Saskatchewan would humbly overture the Venerable, the General Assembly to employ its good offices in this matter so as to encourage the World Council of Churches (perhaps through the Canadian Council of Churches in so far as the question at issue relates to Canada) to utilize the various media of communication — press, radio and television — in order to make its relief work widely known, or that the General Assembly do otherwise in this matter or in its wisdom what it may deem best.

THEREFORE, it is humbly overtured by the Presbytery of MacLeod that the General Assembly shall instruct Kirk Sessions that keep their Minutes in a language other than that which is commonly spoken, to have a translation written on alternate pages of the same Minute Book, that these Minutes may be truly attested by a higher Court, or

Re PURCHASE OF NEW LAND SITES

To the Venerable the 89th General Assembly:

WHEREAS, suburban expansion in our major cities will continue for years to come, and

WHEREAS, this expansion will demand the formation of many new Presbyterian Churches to meet the spiritual needs of people moving to these suburbs, and

WHEREAS, these newly-formed congregations are often in no position to assume such financial responsibility,

THEREFORE, we, the Presbytery of West Toronto, humbly overture the Venerable the General Assembly to take the following action, or whatever action it deems advisable:

Re REVISION OF WESTMINSTER CONFESSION OF FAITH
OR 20TH CENTURY CONFESSION OF FAITH

To the Venerable the 89th General Assembly:

WHEREAS, the Presbyterian Church in Canada bases its confession on sound doctrine and issues statements of doctrine from time to time on the subjects of worship, baptism, gambling, funerals, divorce, weddings, religion in schools, church music, unity and others,

WHEREAS, in the one doctrines of the Word of God, there is a great variety of doctrines held and practiced within the Presbyterian Church in Canada, a

fundamental disunity on a basic doctrine of the Church which for Ministers and people alike proves frustrating and confusing in itself,

WHEREAS, the present variety of doctrines of the Word of God gives the false impression that the Presbyterian Church in Canada holds to a doctrine of the right of private interpretation of Scripture,

WHEREAS, a seventeenth century document, the Westminster Confession of Faith, official guide to the interpretation of Scripture for the Presbyterian Church in Canada cannot be expected to express the twentieth century faith of our Church,

THEREFORE, the Presbytery of Peace River, humbly overtures the Venerable the General Assembly to instruct the Board of Evangelism and Social Action to co-operate with the committee on Articles of Faith and Worship in issuing a doctrinal statement concerning the Word of God, and plan for revision of the Westminster Confession of Faith, or the issuing of a new Twentieth century Confession of Faith; or to do otherwise to this end as the General Assembly in its wisdom may deem best.

Re RECOMMENDATION 9(b) ADMINISTRATIVE COUNCIL, 1962

To the Venerable the 89th General Assembly:

WHEREAS, recommendation 9(b) of the Administrative Council to the 88th General Assembly, 1962, is contrary to the established government of the Presbyterian Church in Canada for the election of a Moderator (Book of Forms, Sec. 282), and

WHEREAS, any such change in church government must first be submitted to the Presbyteries for study and report (Book of Forms, Sec. 293(1)), and

WHEREAS, this would take away the right of commissioners to nominate for the office of Moderator from the floor of the Assembly, and

WHEREAS, one General Assembly cannot legislate for another General Assembly,

THEREFORE, the Presbytery of Prince Albert humbly overtures the Venerable, the General Assembly to make no change in the present procedure of electing a Moderator, or to do otherwise as in its wisdom it sees fit.

Re A SUPPLY OF MINISTERS

To the Venerable the 89th General Assembly:

WHEREAS, it has been a normal occurrence within our Communion that the Spirit of God has clearly chosen certain men to be set apart for the public preaching of the Work of God in Jesus Christ, and

WHEREAS, it has happened at times that these appointees of the Spirit of God have for various reasons been unable in their earlier years to reach the normal academic standard approved within our Church for proceeding to training for such a Ministry, and

WHEREAS, over a considerable period of time each General Assembly of our Church has had to deal with the requests of such men for some assistance, in the form of a special course of study to enable them to proceed further to the Christian Ministry within our Church, and

WHEREAS, in the most, each Assembly has been pleased to do this in many instances, since such persons would not have been able to proceed as they desired, and

WHEREAS, the Universities of Canada have been pleased heretofore, to co-operate in such matters, so that special course students within our Church have been able to lay a good and sufficient academic foundation in the art courses of such universities for their later theological studies and preparation for the Christian Ministry, and

WHEREAS, some universities, for their own good reasons have recently seen fit to restrict the entrance into the university to the completion of the studies of Grade XIII: and this is being found prohibitive for many prospective students within our Communion, to their proceeding to further studies, and

WHEREAS, it appears certain that our Church continues to require the services of many additional fully trained ministers of the Word of God,

THEREFORE, the Presbytery of Huron-Maitland humbly begs to Overture the Venerable General Assembly of 1963, to consider this critical present situation, which seems bound to affect our ministry immediately; and to devise such steps as may be possible to provide for worthy volunteers, who are convinced of their call by the Spirit of God to the Christian Ministry, to obtain such academic foundation as may be requisite for the effectual prosecution of their subsequent training and special qualification for the Christian Ministry within our Church.

Re AUTHORITY *Re* CONDUCT OF WORSHIP*To the Venerable the 89th General Assembly:*

WHEREAS, much uncertainty and confusion exists in the Church regarding the limits of authority of minister and session in the conduct of public worship, and

WHEREAS, sincere and able men, holding quite contrary interpretations, differ in their opinions, and

WHEREAS, to some men article 109 (a) in *The Book of Forms* appears to make authority reside in the Session, while other equally competent men take a completely contrary view, arguing that 109 (a) makes authority reside in the Presbytery with the minister as its executive, responsible only to Presbytery, so that article 109 (d) gives the session merely supervisory and general powers, and

WHEREAS, the learned authority, the late beloved Dr. Wardlaw Taylor, stated that "the authority of a Session stops at the pulpit stairs," and concludes that "a minister enters the pulpit as an ambassador of Christ, and no church court may enjoin what he shall say, or stipulate precisely how he must order public worship, the prayers to be offered or the praise to be used," (p. 37, *The Ruling Elder, His Office and His Duties*; T. Wardlaw Taylor, Presbyterian Publications), and

WHEREAS, the Presbyterian Church in the United States has somewhat clarified their law on the matter, though still leaving ambiguity, and

WHEREAS, the Presbyterian Church in Canada includes in its membership different traditions from the world family of Presbyterian Churches,

THEREFORE, the Presbytery of Calgary humbly overtures the Venerable, the General Assembly meeting in Knox Church, Toronto, June 1963, to take such steps as may be necessary to define clearly the extent and limits of the authority of the minister and session respectively, or to do otherwise as in its wisdom it sees fit.

WHEREAS, many ministers are now being employed as full-time, or part-time, Chaplains in correctional institutions, mental hospitals, general hospitals, veterans' hospitals, universities and other institutions, and

WHEREAS, there is every evidence that this policy will be expanded in other areas, such as industry, and

WHEREAS, the recruitment of Chaplains and the establishment of standards for such a ministry is a matter of concern for the church, and

WHEREAS, the records of the 88th General Assembly reveal that at least 25 of our ministers are now engaged in full-time Chaplaincy work, either in the Armed Services, or in institutions, and

WHEREAS, there now exists an Assembly Committee on Chaplaincy Services which is concerned with the work of the Chaplains in the Armed Services,

Re BUDGET ALLOCATIONS

To the Venerable the 89th General Assembly:

WHEREAS, the task of preparing "SUGGESTED ALLOCATIONS" by the Board of Stewardship and Budget for the Synods and Presbyteries of the whole Church must require much effort and expense, and

WHEREAS, these allocations again require a great deal of adjustment at Presbytery level, and

WHEREAS, a more simplified method could save a considerable expense and duplication of effort at all levels, and

WHEREAS, Presbytery Stewardship and Budget Committees, by reason of their knowledge of local conditions, are competent to make adequate allocations,

THEREFORE, the Presbytery of Westminster humbly overtures the Venerable, the General Assembly that the Board of Stewardship and Budget be authorized to submit to Synods and Presbyteries only the total amounts required of them, to meet Budget objectives as approved by this Assembly, or to do otherwise, for the same purpose, as in its wisdom it may deem best.

Re CAPITAL FUNDS TO ESTABLISH A HOME FOR THE AGED

To the Venerable the 89th General Assembly:

WHEREAS, the General Assembly of 1961 urged "all Presbyteries to set up Committees (or to work through the Committees on E. & S.A.) to study the local needs of the aged, to inform themselves as to existing services for the aged in the area of the Presbytery," and also urged "all Presbyteries to consider seriously the possibility of establishing new housing facilities for senior citizens within the bounds," and

WHEREAS, the Presbytery of Saskatoon is much concerned with the need for nursing home care for the aged, and

WHEREAS, the said Presbytery has carefully investigated the feasibility of the erection and operation of such a nursing home, by consulting with the Department of Health and Welfare, the Province of Saskatchewan, and

WHEREAS, the said Department of Health and Welfare is ready to make available a non-repayable grant of 20% of the cost of construction, and has given great encouragement to the Presbytery of Saskatoon to proceed with the project, and

WHEREAS, the said Presbytery proposes to raise capital funds for the erection of such a nursing home from three (3) sources, namely, (1) \$60,000.00 (20% of cost) non-repayable Provincial Government Grant, (2) \$100,000.00 loan from Capital Funds of the Presbyterian Church in Canada, this being a reinvestment of capital funds already held by the Trustee Board, and (3) \$140,000.00 by sale of bonds to Church members and others interested in investing monies in such a project, and

WHEREAS, as a consequence, at the end of 20 years, such a nursing home will be the unencumbered property of the Presbyterian Church in Canada, and

WHEREAS, the said Presbytery is convinced of both the worthwhileness and the soundness of investment in this project, and is supported in this conviction by the willingness of the Provincial Government and individuals to make monies available, that

THEREFORE, the Presbytery of Saskatoon would ask the Venerable, the General Assembly to give tangible support to this project by empowering the Trustee Board to reinvest \$100,000.00 of its capital funds, as it may be required, in the Saskatoon Nursing Home project, such investment to be repaid in 20 years and to bear interest at 5% per annum.

Re SECTIONS 30, 323, AND 335 OF THE BOOK OF FORMS

To the Venerable the 89th General Assembly:

WHEREAS, Section 30 of the Book of Forms means that in case of acquittal at a trial, the record of the trial is destroyed and no entry whatever made in the permanent record of the Court, and

WHEREAS, the same section would appear to mean that in case of conviction, the evidence and the judgment are to be retained only in retentis, and no record appear visibly in the permanent minutes of the Court, and

WHEREAS, according to Section 335 of the Book of Forms, the keeping of the minutes at a trial is governed by Section 30, because "See Section 30" is added to this section in brackets, but

WHEREAS, in Section 323 of the Book of Forms, open admission of guilt requires that a full statement of the offense, the judgment of the Court and reasons therefore must appear on the permanent visible record of the minutes of the Court, and

WHEREAS, if the above interpretation of these sections is correct, then there is obvious injustice against the person who is prepared to admit guilt inasmuch as his offense is recorded permanently for all to see for all time, although according to Section 30, his denial of guilt, even if he is later proven guilty, would shield his offense from the visible permanent record of the Court,

THEREFORE, the Presbytery of West Toronto humbly overtures the Venerable, the General Assembly for precise interpretation of the meaning of Section 30 of the Book of Forms, AND/OR and addition made to Section 323 of some such

Re THE PROPOSED CHURCH UNION IN NORTH INDIA

To the Venerable the 89th General Assembly:

WHEREAS, there is a definite plan of Church Union in North India and Pakistan, and

WHEREAS, this plan states "The uniting Churches mutually acknowledge each other's ministries as ministries of Christ in His Word and Sacraments, and acknowledge that all their ministries have been in God's providence manifestly used by the Holy Spirit in His work of enlightening the world, converting sinners and perfecting saints and acknowledge that owing to their divisions, all their ministries are limited in scope and authority, not having the seal of the whole Church. They therefore accept the principle of the unification of the ministry by the mutual laying-on of hands in a solemn act of humility and rededication with prayer. In this act they seek the grace of God for the wider and more effectual fulfillment of their ministry.

At the inauguration of union, the existing bishops and representative presbyters of each of the Churches now united shall accept through the laying-on of hands of the persons duly authorized by the United Church the additional authority they lacked in separation. This shall take place at solemn services, an essential part of which shall be prayer for the additional gifts that God alone can bestow." (Plan of Church Union in North India and Pakistan) 1957, pp. 55-56, and

WHEREAS, ordained ministers of the Presbyterian Church in Canada serving in India will be involved in the proposed Union, and consequently in the rite of the mutual laying-on of hands, and

WHEREAS, this rite of the mutual laying-on of hands, notwithstanding claims to the contrary, calls into question not only the validity and completeness of the ordination of these ministers, but also the validity and completeness of the ordination of every minister of the Presbyterian Church in Canada,

THEREFORE, we, the Presbytery of West Toronto, humbly overture the Venerable, the General Assembly to refer the question of the propriety and significance of any act of the mutual laying-on of hands involving the ordained ministers of the Presbyterian Church in Canada serving in India, to the General Assembly's Committee on the Articles of Faith, with instruction to report on this matter to the 1964 General Assembly, and that the Board of Missions, and its officials, be instructed not to make any pronouncements or commitments regarding this matter until the 1964 Assembly has dealt with the report of the Committee on the Articles of Faith on this matter, or

Re ORDINATION TO THE MINISTRY*To the Venerable the 89th General Assembly:*

WHEREAS, the 64th General Assembly (1938) took action "requiring all theological students after graduation, as well as all students from other Colleges, and all licentiates who may be received by the General Assembly, to spend a period of one year on a mission field, under appointment by the Board of Missions, the terms of appointment to be those of an Ordained Missionary, and that a certificate of such service shall be secured before they shall be eligible to be called by a Congregation" (See A. & P. 1938, pp. 47, 52 and A. & P. 1939, p. 37 and Appendices, p. 6), and

WHEREAS, in Presbyterian doctrine and practice ordination to the ministry and induction to a specific Congregation or Charge ordinarily go together, and

WHEREAS, the present practice tends to undermine the Presbyterian conception of the tests of the validity of a Call to the ministry, and

WHEREAS, the financial cost is considerable, and

WHEREAS, there are other methods of achieving the intended purpose,

THEREFORE, the Presbytery of Montreal humbly overture the Venerable, the General Assembly to rescind the action of 1938; or that they do otherwise for this object what to their wisdom may seem best.

Re BASIC RIGHT OF AN AID-RECEIVING CONGREGATION TO CALL*To the Venerable the 89th General Assembly:*

WHEREAS, the 87th General Assembly answered Overture 8, 1961, Presbytery of Edmonton (Acts and Proceedings, 1961, p. 416) and Overture 18, 1960, Presbytery of Kootenay (Acts and Proceedings, 1961, p. 411) in the following terms (Acts and Proceedings, 1961, p. 99):—

"The fact that a Congregation has, as an item in its Budget Revenue, an amount of any size which has been granted by the General Board of Missions, shall not prejudice its basic right to call.

This shall not interfere with the authority of the General Board of Missions to make appointments to charges', and

WHEREAS, the intention of that General Assembly is not clear, and

WHEREAS, this ruling of that General Assembly is being differently interpreted,

THEREFORE, the Presbytery of Montreal humbly overtures the Venerable, the General Assembly to issue a clear statement on the basic right of an aid-receiving Congregation to call; to clarify the place of the General Board of Missions in the issuing of such a Call; to define the status of "augmented charges" and "mission fields" in relation to this right to call; to state clearly the procedure to be followed by a Congregation other than a self-supporting Congregation in the issuing of a Call; or do otherwise for this object as what to their wisdom may seem best.

No. 24 — PRESBYTERY OF GUELPH

Re CHURCH SCHOOL CURRICULUM*To the Venerable the 89th General Assembly:*

WHEREAS, the intent of General Assembly's directive to the Board of Christian Education is that the Church should confess its faith to those "coming of age" and prepare them for communicant membership, and

WHEREAS, the common age of preparation for communicant membership now falls between the ages of twelve and fifteen years, and

WHEREAS, the inclusion of material for pupils nine to eleven years of age in the Presbyterian Uniform Curriculum is presently not orientated to the fulfillment of the main objective, and

WHEREAS, the natural point of change in curriculum would correspond to the change from elementary to senior public or junior high school which takes place around twelve years of age, and

WHEREAS, an excellent curriculum for pupils nine to twelve years of age is now available in the Christian Faith and Life Curriculum and would form the natural and integrated completion of the series of studies through elementary grades, and

WHEREAS, we as a Church are in great need of a totally integrated course for our Church School pupils which will adequately challenge and prepare them for communicant membership,

THEREFORE, the Presbytery of Guelph humbly overtures the Venerable, the General Assembly to recommend the Christian Faith and Life Curriculum for use in our Church Schools to the end of Grade six or age eleven embracing the Junior Department, and that it instruct the Board of Christian Education to cease the publication of curriculum for Junior, Intermediate and Senior Departments and to concentrate on a course for twelve to fifteen year-olds in preparation for communicant membership, and for pupils sixteen years of age and older on a course for post-communicant classes designed to encourage deepening commitment and growing discipleship, or to do otherwise for this object as the General Assembly in its wisdom deems best.

Re CENTRAL MAILING DEPARTMENT*To the Venerable the 89th General Assembly:*

WHEREAS, each Board and Committee of the General Assembly is engaged in assembling and distributing resources to assist pastors and people in the fulfillment of their ministry, and

WHEREAS, in order to obtain these materials persons must write to several different agencies, often at the same time for materials bearing on the same subject, and engage persons of various Boards and Committees in the forwarding of such materials, and

WHEREAS, this represents a lack of stewardship of time, energy, and resources for both our pastors and the personnel of Boards and Committees, and

WHEREAS, the report of Price, Waterhouse and Co. presented to the 1959 General Assembly emphasized the "duplication of facilities and efforts with attendant

additional costs" involved in this and recommended a central mailing department to handle these matters,

THEREFORE, the Presbytery of Guelph humbly overtures the General Assembly to give direction for the implementation of the Price, Waterhouse and Co. recommendation as indicated in the Acts and Proceedings of the Eighty-fifth General Assembly, pages 591 and 592, or to do otherwise as the General Assembly in its wisdom may deem best.

Re RECRUITMENT OF EXPERIENCED MINISTERS FOR MISSION CHARGES

To the Venerable the 89th General Assembly:

WHEREAS, there are considerably more Home Mission charges vacant than there are Ordained Missionaries to supply them, and

WHEREAS, most Ordained Mission appointees are recent graduates whose term of incumbency is frequently little more than one year, and

WHEREAS, the development of a number of Mission Charges is falling far short of the potential because of the lack of a sustained and experienced leadership,

THEREFORE, the Presbytery of Guelph humbly overtures the General Assembly to authorize and instruct the General Board of Missions to recruit a group of experienced and qualified ministers, who would be willing to make themselves available, at a minimum stipend of \$6,000 per annum plus living accommodation and travel expense, for appointment to any mission charge whose potential, in the judgment of the Board of Missions, warrants such appointment, or to do otherwise for this object what to their wisdom may seem best.

To the Venerable the 89th General Assembly:

WHEREAS there was marked success in our extension work during the 1950's, and
WHEREAS the Basic Stipend of \$3900 has now been achieved.

THEREFORE we, the Synod of Hamilton and London, humbly overture the General Assembly to make available to the Home Mission Section of the General Board of Missions funds for an enlarged program of extension as soon as possible, or that they do otherwise for this object what to their wisdom may seem best.

Re SMOKING AND HEALTH

To the Venerable the 89th General Assembly:

WHEREAS, the General Council of the Canadian Medical Association in its 1961 report on "Smoking and Health" implicates cigarette smoking as the principal causative factor in the increased incidence of lung cancer, and

WHEREAS, there has been a steep increase in expenditure on advertisements of tobacco goods in recent times particularly on Television, and,

WHEREAS, advertisements linking the habit of smoking with romantic associations are addressed increasingly to young people who may not yet be addicted to the habit of smoking, and

WHEREAS, smoking is a habit which is normally adopted during adolescence and which, when formed, becomes difficult to abandon, and

WHEREAS, the Christian Church, in view of recent medical research attributing cigarette smoking to be the principal causative factor in the increased incidence of lung cancer, has a moral responsibility to protect future generations from developing such dependence on cigarette smoking as is widespread today,

Now, therefore, the Synod of Hamilton and London humbly overtures the Venerable the General Assembly to make representations as follows:

1. To the Board of Broadcast Governors
 - (a) that consideration be given to the elimination of cigarette advertising in prime viewing time on Canadian Television.
 - (b) that the public pressures favouring smoking, which are being brought to bear upon our young people, by means of cigarette advertisements linking the habit of smoking with certain romantic associations, be prohibited.
2. To the Provincial Governments of Canada,
That the Provincial Governments of Canada take steps to institute a programme of education in schools and recreation centres, in order to inform young people about the health hazards inherent in cigarette smoking.
3. To the Board of Evangelism and Social Action.
 - (a) That the Board of Evangelism and Social Action be asked to prepare materials which deal with the moral implications involved in the issue of "smoking and physical health", arising out of recent medical research.
 - (b) That Presbyteries be asked to study the report and implement its proposals and suggestions.
4. Or to do otherwise as in their wisdom they may deem best.

29. PRESBYTERY OF MIRAMICHI

Re REV. FINLAY A. McCORMICK

To the Venerable the 89th General Assembly:

WHEREAS the Rev. Finlay A. McCormick made application for readmission to the ministry of the Presbyterian Church in Canada through the Board of

Education to the 88th General Assembly of the Presbyterian Church in Canada; and

WHEREAS the readmission of the Rev. Finlay A. McCormick to the ministry of our Church was not granted on recommendation of a Committee, appointed by the Board of Education at the 88th General Assembly, which claimed that his dissatisfaction with certain trends in the Church warranted this action, but that further application could be made to the General Assembly; therefore

WHEREAS Mr. McCormick has served acceptably in the Presbytery of Miramichi for almost two years under appointment by the Board of Missions, and, during this time, the Presbytery has never found Mr. McCormick's views in any way to be contrary to our historic standards but rather his concern to be for the defence of these standards and in accordance with his ordination vows; and

WHEREAS Mr. McCormick was licensed and ordained by a Presbytery of our Church; and

WHEREAS he left the ministry of our Church voluntarily, and with a letter of goodwill from the Presbytery in which he had been serving;

THEREFORE it is humbly overtured by the Presbytery of Miramichi that the General Assembly shall receive the Rev. Finlay A. McCormick into the ministry of the Presbyterian Church in Canada, or that they do otherwise for this object what to their wisdom may seem best.

Re ORDINATION QUESTIONS

To the Venerable the 89th General Assembly:

WHEREAS Resolution (1) of the Basis of Union, whereby the Presbyterian Church in Canada came into being in 1875 affirms, regarding the Scriptures, that they are "the only infallible rule of faith and manners" (Book of Forms, sec. 406), and the proposed ordination questions omit these words and substitute a much weaker statement, one which would permit the Scriptures to be regarded as a fallible witness to Jesus Christ;

WHEREAS the Formula adopted under the Barrier Act in 1878 (Book of Forms, sec. 408) and signed by all ministers at ordination and induction includes affirmation of belief in the Westminster Confession of Faith, as adopted in the Basis of Union, as founded upon and agreeable to the Word of God, and a promise to faithfully adhere to its doctrine, and the proposed vows only require a reception of the Confession of Faith as founded upon "the testimony of God's Apostles and Prophets", without any adherence to its doctrine;

WHEREAS in the same Formula, "the purity of worship at present authorized by this Church" is owned and an accompanying vow to conform thereto made, and the proposed question on the subject of purity of worship is radically different in content to the Formula;

WHEREAS suggestions of, or provision for, changing the resolutions of the Basis of Union or the Formula have not been made, which, if the proposed questions of ordination are accepted, will result in ministers being required to accept the vows of two standards at the same time, not in agreement with each other;

WHEREAS suggestions of, or provisions for, changing the vows made when a candidate is licensed to preach the gospel have not been made, which will

have the same result as that indicated in the previous paragraph, if the proposed ordination vows are accepted;

WHEREAS similar confusion and disorder will result from the fact that vows made by elders at ordination, vows made by missionaries at ordination, and vows made by deacons at ordination, will not be in agreement with those made by ministers at ordination, if the proposed ordination questions are accepted;

WHEREAS the proposed ordination questions indicate a definite drift in latitude of doctrine which our Church rejected in 1925; and

WHEREAS the difference in doctrine of the proposed questions to the resolutions of the Basis of Union are sufficient to be considered as constituting a divisive course if followed in contradiction to the present ordination and induction vows;

THEREFORE it is humbly overtured by the Presbytery of Miramichi that the General Assembly cease action on the matter of the proposed ordination questions, or that they do otherwise for this object what to their wisdom may seem best.

Re REGULATIONS GOVERNING TRAVEL ALLOWANCES

To the Venerable the 89th General Assembly:

WHEREAS the present regulations governing travel allowances do not permit aid-receiving Congregations to pay travel expenses to their missionaries; and

WHEREAS the present regulations permit grants only to missionaries in two or more point charges, on the basis of Sunday mileage only, or in special local circumstances; and

WHEREAS all missionaries in aid-receiving Congregations have considerable travel expenses which must be met out of the minimum stipend; and

WHEREAS this can be a practical hindrance to the work of an ordained missionary, as well as a personal sacrifice, and can deter men from work in mission and Church Extension fields;

THEREFORE, the Presbytery of Montreal humbly overtures the Venerable the General Assembly to revise the existing regulations; to initiate action towards a Basic Travel Allowance of \$500.00 per annum for all ordained missionaries in aid-receiving charges, over and above the current minimum stipend and not affecting such existing special travel grants as local circumstances may demand; or do otherwise for this object as what to their wisdom may seem best.

Re BOOK OF PRAISE

To the Venerable the 89th General Assembly:

WHEREAS the Book of Praise in general use was published in 1918, and due to many developments in hymnology in subsequent years has been in need of revision for some time, and

WHEREAS in 1953 on the recommendation of the Committee on Church Worship, the General Assembly agreed to leave the matter of revision in abeyance and to seek representation on the Editorial Board preparing a revision of the "Church Hymnary" for use throughout the Commonwealth, and

WHEREAS it was understood by the General Assembly of 1953 that an interval of ten years would pass before such a revision of the Church Hymnary would be undertaken, and

WHEREAS ten years has now elapsed since the matter of a revision of the Book of Praise was last reviewed by a committee of the General Assembly,

THEREFORE the Presbytery of Winnipeg humbly overtures the Venerable the General Assembly to establish a special committee with the responsibility of studying the possibility of a revision of the Book of Praise and the wisdom of seeking a seat on the Editorial Board of the Church Hymnary, and humbly recommends that this committee include both ministers and lay people who have a substantial knowledge of, and a special interest in, Hymnology, or do otherwise for this object as the Venerable The General Assembly may in their wisdom deem best.

Re THE HEIDELBERG CATECHISM

To the Venerable the 89th General Assembly:

WHEREAS, the Heidelberg Catechism was published on January 19, 1563, and

WHEREAS, it was subscribed to by the Reformed Churches on the Continent of Europe as well as by the fathers of the Scottish Reformation, and

WHEREAS, it is the most widely translated confessional statement of the Reformation (Translated from the original Latin into German, Dutch, English, French, Hungarian, Rumanian, Cretian, Czech, etc.), and

WHEREAS, it was recognized by the General Assembly (88th) in June, 1962, as a parallel standard to that of the Presbyterian Church in Canada,

THEREFORE, the Presbytery of Ottawa humbly overtures the Venerable the General Assembly to remember this anniversary with gratitude to God, to issue a solemn commemorative statement drawing to the attention of the Church the characteristic teachings of the Heidelberg Catechism, and to send greetings to other Reformed Churches adhering to the Heidelberg Catechism, or to take such other action in this matter as the General Assembly may deem wise.

34 — SYNOD OF SASKATCHEWAN

Re PRESBYTERIAN RESIDENCE, UNIVERSITY OF SASKATCHEWAN

To the Venerable the 89th General Assembly:

WHEREAS, the continued effectiveness of the Presbyterian Residence in Saskatoon would be greatly increased by the erection of a new Residence on the Campus,

this being in line with the declared concern of the Church in taking more seriously our responsibilities of Christ's witness to the University Community, and

WHEREAS, the Board of Presbyterian Residence, Saskatoon, in consultation with the Committee on Higher Learning and with the support of groups of Presbyterians as expressed in *A Dossier of Opinions*, has drawn up a manageable financial program for the construction and operation of a new residence for 75 students and staff, and

WHEREAS, the Committee on Higher Learning has formally endorsed the proposal in the following terms: "That the Committee on Higher Learning, having given careful study to the proposals of the Board of the Presbyterian Residence, Saskatoon, and the related factors and alternatives, endorses the principle of moving the Presbyterian Residence to the campus of the University of Saskatchewan in order that it may better serve the whole life of the University in the name of Jesus Christ," and,

WHEREAS, of the estimated cost of \$450,000, the Board of Presbyterian Residence, Saskatoon, would hope to provide \$225,000 from a campaign and sale of existing properties, and

WHEREAS, the Board of Governors of the University of Saskatchewan has viewed favorably this proposal and is prepared to provide an area of land on the Saskatoon Campus, free of charge and with services provided to the site, expressly for the construction of a Presbyterian Residence of at least 75 students and staff, and

WHEREAS, because of rapid expansion on the Saskatoon Campus the site allotted may not be available in the near future,

THEREFORE, the Synod of Saskatchewan humbly overtures the General Assembly:

1. That it approve the construction on the University of Saskatchewan's Saskatoon Campus, of a Presbyterian Residence for 75 men and women students, primarily for those entering church work, and
2. That it undertake to provide \$125,000 for this purpose on the understanding that this sum will be given as a grant in a ratio of 2:1 (i.e. \$2 for \$1) if and when the Presbyterian Residence Board's campaign has secured \$62,500, and
3. In order to liquidate the remaining debt of \$100,000 the present variable yearly grant to the Board be stated at \$10,000 per year for 15 years from the time of the erection of the new Residence on the understanding that at the end of the 15 years this yearly grant will cease entirely, the Residence then being fully paid for and entirely self-operating, or, to do otherwise as in the Assembly's wisdom it may deem best.

AUDITORS' REPORT

To the Venerable The General Assembly of The Presbyterian Church in Canada:

We have examined the balance sheet of The Presbyterian Church in Canada as at December 31, 1962 and the statements of income and expenditure, capital and endowment and restricted funds for the year ended on that date. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as considered necessary in the circumstances.

In our opinion the accompanying balance sheet and related statements of income and expenditure, capital and endowment and restricted funds present fairly the financial position of the Church as at December 31, 1962 and the results of its transactions for the year ended on that date, in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

NOTES TO FINANCIAL STATEMENTS
Year ended December 31, 1962

- Fixed assets are shown mainly at cost but include properties which have been donated and on which a fair value has been placed at the time of acquisition. A review of properties was made during 1962 and an inventory of furniture and equipment was taken at October 31st, 1962. As a result the accounts were appropriately adjusted, mainly by the inclusion of properties not previously recorded. Accumulated depreciation was increased by \$151,000 by a transfer from Capital.
- The assets and liabilities of Knox and Presbyterian Colleges, Saskatoon Residence, Armagh and St. Andrew's Hall are included in the Balance Sheet only to the extent of land and buildings and the liability of St. Andrew's Hall to the Royal Bank of Canada.
- The property of Presbyterian College, Montreal has been carried at the previous book figure pending completion of the new building.
- The property of Ewart College has been carried at the previous book figure pending completion of payments on the new building. The cost of the new building and furnishings is estimated at \$630,000 of which only \$67,000, including a bank loan of \$10,000, remained unpaid at December 31, 1962.
- Except for the amount allocated from the Budget, no receipts or disbursements have been included in the Statement of Income and Expenditure for the following: — Knox, Presbyterian and Ewart Colleges, St. Andrew's Hall, Saskatoon Residence, Pension Fund, Penmarvian, Morgan House, Presbyterian Record, Armagh.
- Income of the J. B. Maclean Bequest Fund has been included in the statement of Income and Expenditure only to the extent of the amount received from the fund (\$35,000). A separate statement covering this Fund has been prepared.

J. B. MACLEAN BEQUEST FUND
OF THE PRESBYTERIAN CHURCH IN CANADA
AUDITORS' REPORT

*To the Venerable General Assembly
of The Presbyterian Church in Canada:*

We have examined the balance sheet of J. B. Maclean Bequest Fund of The Presbyterian Church in Canada as at December 31, 1962 and the statements of capital and undistributed income for the year ended on that date. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we consider necessary in the circumstances.

In our opinion the accompanying balance sheet and related statements of capital and undistributed income present fairly the financial position of the Fund as at December 31, 1962 and the results of its transactions for the year ended on that date, in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

SYNOD OF THE MARITIME PROVINCES

REV. ROLAND THOMAS MOORES, B.R.E., S.T.B.

The Reverend Roland Thomas Moores, B.R.E., S.T.B., was called to Higher Service on December 30th, 1962, after several months of illness.

Born at Notre Dame Bay, Newfoundland on June 27th, 1892, son of William Benjamin Moores, and of his wife Mary Brown, he received his childhood training in Newfoundland.

Mr. Moores taught school as a young man, before entering upon training for the Ministry. His higher education was received at Victoria College, Toronto, and from Boston University. He graduated in 1923 with the degrees of B.R.E., and S.T.B. As a Student Minister, Mr. Moores served in Saskatchewan.

Mr. Moores served as a Minister in Poughkeepsie, New York, and at Ocean Side, Long Island, and in the First Presbyterian Church, Haverhill, Mass.

In 1940, Mr. Moores came to Canada to serve under the Presbyterian Church in Canada, serving as Stated Supply at Cote des Neiges and at Athelstan, for two years. In 1942 he was inducted into the Pastoral Charge of Upper Melbourne and Richmond, in the Presbytery of Quebec. In 1945 he was inducted into the Lachine Congregation, Presbytery of Montreal. In 1956 he was Moderator of the Montreal Presbytery.

In 1956 Mr. Moores was called to, and inducted into the Hopewell Charge in the Pictou Presbytery, where he gave valued and loving service to the time of his death.

Surviving is his wife Ethel, of Hopewell; and a brother and three sisters in the U.S.A.

The Funeral Services were held from the First Presbyterian Church, Hopewell, Nova Scotia, under the Presbytery of Pictou, with the Moderator, the Reverend W. D. Jarvis, conducting the Services. The Clerk of Presbytery read the Scriptures; and the Moderator of Synod, The Reverend William Reid, gave the Address.

The Clergy of Presbytery were honorary pall-bearers; the Representative Elders were mourners.

Mr. Reid, in his Eulogy, spoke of the work and life of Mr. Moores. 'He has, in a quiet, unassuming, yet purposeful way, endeared himself to his flock; and won a place of honour and esteem among his brethren of the Presbytery. He served well in the Courts of the Church, and in 1959 was chosen as the Moderator of Pictou Presbytery, in which office he performed his duties with diligence, made his decisions with discretion, and in all things he filled the office with the dignity that becometh a Servant of God. He will be sorely missed.'

Mr. Reid took as the text, "Lord, now lettest Thou Thy servant depart in peace, according to Thy word." St. Luke II:29.

REV. W. O. MULLIGAN, D.D.

The death occurred in Windsor, N.S., on Tuesday, January 23rd, 1962 of the Reverend William Orr Mulligan, a member of the Presbytery of Halifax and Lunenburg, at the age of eighty. Born in Belfast, Ireland, in 1881, he came to

Canada in 1900 and studied for the Ministry at the University of Manitoba, graduating with Degrees in both Arts and Law, with subsequent studies at Princeton.

REV. FRANK GILBERT PURNELL

The Reverend Frank Gilbert Purnell of Lancaster, New Brunswick, passed away in Saint John General Hospital on the afternoon of the 7th of June, 1962, following a brief illness.

Mr. Purnell who resided with his son, Lyman F. D. Purnell, at 522 Edward Avenue, had been minister of Saint Columba Presbyterian Church in Lancaster from 1939 to 1948. During this tenure of service he had served as moderator of the Presbytery of Saint John of the Presbyterian Church in Canada and as secretary of the Ministerial Association of Saint John and District.

Born in Hambrook, Gloucester, England, on April 11th, 1881, Mr. Purnell went to Little Bay East on Fortune Bay in Newfoundland under the auspices of the London Missionary Society for two years prior to taking pastorates in Nova Scotia. Shortly after Church Union, Mr. Purnell was received into the ministry of the Presbyterian Church in Canada and served as minister of Amos Church, Dromore and Knox, Normanby in Saugeen Presbytery, Allenford and Elsinore in Bruce Presbytery and Townline Church, Thornton, Ivy and Baxter in the Presbytery of Barrie. After serving for three years as minister at Millerton and Derby in the Presbytery of Miramichi, Mr. Purnell was inducted as minister of Saint Columba Presbyterian Church in Lancaster in February of 1939.

While in Lancaster Mr. Purnell had been an active member of the Kiwanis Club of Lancaster, the former Lancaster Board of Trade of which he had been president, St. George's Society of Saint John of which he had served as chaplain for three terms. For forty years he was a member of the Independent Order of Odd Fellows and also held membership in the Carleton Union Lodge F and AM.

Mr. Purnell's only survivors are his son and one sister, Mrs. Gladys Jones of Barry, Wales, together with several nieces and nephews in England and Wales.

In October of last year he visited the land of his birth in conjunction with the Saint John Board of Trade flight. He was predeceased by one daughter, Miss W. Doris Purnell in September of 1955 and his wife, Mrs. Emily Purnell in December of the same year.

Interment took place in the family plot, Cedar Hill Extension Cemetery in Lancaster.

SYNOD OF MONTREAL AND OTTAWA

THE REVEREND A. D. MACLELLAN, D.D.

The Reverend Dr. A. D. MacLellan, age 70, minister of Kinburn and Torbolton, passed away at Arnprior Hospital on Sunday, 31st March, 1963.

Dr. MacLellan was born at Whycocomagh, Cape Breton. Of good Highland Scottish parents, his early nurture in the WORD and worship made the family altar as natural as the family meal. It was in this sacred home atmosphere that he received the inspiration which found fruition in his early call and later response to the ministry of the gospel. His first words were in the Gaelic tongue in which he was later to become a recognized scholar, winning several prizes.

As a young man, A. D. MacLellan qualified as a school-master, and also learned his trade as a builder. For periods of time he was employed in the United States but, after the outbreak of World War I, he returned to his native soil, enlisted, and went Overseas with the Canadian troops.

Subsequent to World War I, he returned to his building vocation, where he achieved marked success. However, the unfulfilled call of his youth persisted, and, though then past middle age, he proceeded to McGill University in preparation for the study of theology. In 1936 he graduated from the Presbyterian College, Montreal, and in the same year was ordained at Moose Creek by the Presbytery of Glengarry. Later, he ministered to congregations in Quebec, the Maritimes, and in various parts of Ontario. In 1958 the Presbyterian College conferred upon him the degree of Doctor of Divinity.

The funeral service was conducted by the Presbytery of Ottawa on 2nd April in St. Andrew's Church, Kinburn, with interment at Arnprior.

Presbytery desires to express sincere sympathy to Mrs. MacLellan, and to the people of Kinburn and Torbolton; and also to record its grateful thanks to Almighty God for the life and service of this faithful minister of Jesus Christ.

THE REVEREND HENRY SCOTT PHILPOTT, B.A., B.D.

The death of the Reverend Henry Scott Philpott, seventy-eight years of age, occurred in Ottawa on July 15, 1962. Born in New Zealand he received his early education in the public and high schools of that country. He continued his studies at Xenia Presbyterian College, Ohio, and obtained his B.A. from Acadia University in Nova Scotia, and his B.D. from Andover Newton Theological Seminary, Massachusetts. He held pastorates in both the United States and Canada, serving in Pictou Presbytery, in Montreal, and in Ottawa. He was Field Secretary of the Quebec Temperance League. Since 1954 he was associated with St. Giles Church, Ottawa, where he had served as pastoral visiting assistant, and was Hospital Chaplain for Ottawa Presbytery. Mr. Philpott is survived by his wife and two sons, James Edwards and Herbert Clark, and eight grandchildren all of Ottawa.

THE LATE REV. ALLAN S. REID, B.A., B.D., D.D.

Another voice has been added to the many that bid those who remain press on, with chastened hearts it may be, but with stronger faith and holier purpose than heretofore, in the service of Christ and His Church. Remember the men who spoke the Word of God to you, look upon the close of their career and copy their faith. To lose touch with the great souls of the past is to lose the inspiration from the Communion of Saints.

The Reverend Allan Stewart Reid, B.A., B.D., D.D., passed so quickly from our midst that we think of him as one who walked with God, and he was not, for God took him.

Dr. Reid was born at Lemesurier, Megantic County, of the Province of Quebec, on the 17th of June, 1877. He was the son of the late Joseph Reid and his wife Janet Dunn. As a son of a pioneer Canadian family, Dr. Reid tilled the soil, built houses in his youth, worked in missionary fields, planted orange trees in Cuba, and became a pastor, administrator, and statesman of the Church. The Presbyterian Church in Canada owes him an unpayable debt for his outstanding service throughout Quebec at the time of Church Union, 1925. He gave vigorous, dedicated, untiring and wise leadership at a critical period. At least thirty Churches within the Synod of Montreal and Ottawa owe their life to his vision and determination. Again, in the year of depression, 1930, he served as Budget Convener for the whole Church and succeeded in balancing the budget at that time.

Dr. Reid received his early education at Danville Academy; Morin College, Quebec City; and graduated in Arts from McGill University in 1902. In 1904 he graduated from The Presbyterian College, Montreal, with the degree of Bachelor of Divinity. He received his D.D. honoris causa from the same College in 1931. On graduation he was awarded the Gold Medal for highest standing in his studies at The Presbyterian College, and the Morrice Travelling Fellowship which enabled him to do post-graduate work at Princeton Theology Seminary, Princeton, New Jersey.

Dr. Reid was ordained in July, 1904, and called to the Presbyterian Church at Rockburn and the Gore. He was called to Livingston Church, Montreal, and remained there from 1911 to 1918. Dr. Reid served as General Secretary of the Quebec Religious Education Association from 1918 to 1925. From 1925 until his retirement in 1953 he held jointly positions of Superintendent of Missions for the Synod of Montreal and Ottawa, Clerk of the Synod, Clerk of the Presbytery of Montreal, and on several occasions he served also as Clerk of the Presbytery of Quebec.

Dr. Reid was one on whom many relied, because they knew that in him their needs were truly set before God. It was no snap human wisdom that he gave them — it was sheer love and his prayers.

Dr. Reid was a man of tremendous vitality and strength, a Church builder. He was a man of conspicuous sagacity, of persuasive personal power, of many fine qualities of head and heart, who used his great gifts and strength to foster peace and progress in his own Church, and a spirit of fellowship among all the Churches.

With gratitude to God we shall remember Allan Stewart Reid as a trusted Churchman, a wise leader, a Christian gentleman, and very reverend and right honourable friend.

His presence remains a blessing. His spirit will continue to inspire us. We give thanks for his ministry, and we praise God's Holy Name that ministry is not ended.

Dr. Reid passed away on November 16th, 1962. The funeral service was held in St. Andrew's Church, Huntingdon, Quebec, at two-thirty p.m. on the 19th day of November, and was conducted by his Minister, the Rev. James M. Grant, assisted by the Rev. Andre Poulain, D.D., Moderator of Presbytery, the Rev. John S. McBride and the Rev. Dr. C. Ritchie Bell. Interment was in the Huntingdon Protestant Cemetery.

Our true sympathy is offered to his wife, Gladys; to Mrs. Frank W. Smith (Dr. Allana Reid Smith) his daughter; to the two grandchildren, and to all who were bound to Dr. Reid by the chord of kinship.

THE REVEREND NORMAN R. D. SINCLAIR, M.A., D.D.

The Rev. Dr. Norman R. D. Sinclair, M.A., D.D., died in hospital at Kemptville on Saturday, January 5th, 1963, and was buried from Westminster Church on January 7th. The Rev. John A. The Honorary Pall Bearers were: The Rev. W. F. Duffy, the Rev. E. G. B. Foote, the Rev. P. B. Reid, the Rev. H. D. Stewart.

The Rev. Dr. Sinclair was born in Whitby township in 1877 and graduated from the University of Toronto and Knox College in 1901.

Dr. Sinclair served the Church as a missionary in the Presbytery of Algoma, and he was ordained in Little Current in 1903. Other places of service were: McLennan, 1907-1910; Cochrane, 1910-1916; Belmore, 1916-1922; Tiverton, 1922-1929; Essa Road Presbyterian Church, 1929-1949 (Presbytery of Barrie).

Since coming to Ottawa, Dr. Sinclair served as Hospital Chaplain for the Presbytery of Ottawa until failing health terminated his active ministry.

During his ministry at Barrie he was Clerk of Presbytery, and Moderator of the Synod of Toronto and Kingston in 1934, as well as being Chairman of the Glenmohr Camp Committee for many years.

A deep interest in education found Dr. Sinclair serving with rural trustee organizations, and as President of the Education Association of Ontario.

His evangelical fervour, combined with a complete commitment to Christ, brought happiness in his ministry and attracted many young men to the Church, including two of his own sons.

His interest in people prolonged a work that was begun in dedication, as he laboured faithfully in the hospitals of our city as Chaplain.

Dr. Sinclair is survived by his wife, the former Adeline Shand, six children: the Rev. R. A. Sinclair of Madoc, Ontario; the Rev. D. R. Sinclair of Oshawa, Ontario; John, Miss Dorothy and Mrs. J. H. McKibbin, all of Ottawa, Ontario; Mrs. E. J. Morin of Port Arthur, Ontario; and twenty grandchildren.

Dr. Sinclair will be sorely missed not only by his family but by a wide circle of friends and admirers who held him in esteem for his sincerity, kindness and devotion.

SYNOD OF TORONTO AND KINGSTON

REV. ALFRED T. BARR, B.A., B.D., Ph.D.

The Presbytery records its sincere regrets on the sudden passing of Dr. Alfred T. Barr, minister at Sutton West, and Mount Pleasant, on June 30th. Born in Scotland, he came to Canada in 1912. He received his B.A. from the University of Saskatchewan. He took his theological course at Robertson College, Edmonton, followed by his B.D. from the University of Alberta. In 1924, on the McLean travelling scholarship, he received his Ph.D. at Hartford Seminary, Connecticut.

During the 45 years of his ministry he served the following congregations: Lacombe, Alberta; First Church, Thompsonville, Connecticut; Central, Brantford;

St. Paul's, Peterborough; St. Andrews, St. John's, Newfoundland; St. Andrew's, Arthur; First Church, Penetanguishene; and, since September, 1957, at Sutton West and Mt. Pleasant within the bounds of this Presbytery. The several renovations undertaken in the Church and Manse in the last few years are evidence of the benefit of Dr. Barr's ministry at Sutton. A faithful Presbyterian, Dr. Barr served on a number of the General Assembly's Boards and Committees during his long and active ministry.

REV. LASZLO BATHORY

Laszlo Bathory was born on January 21, 1903, in Rimaszombat, Hungary. He was a descendant of an ancient Hungarian Noble Family, a branch of which was related to one of the greatest kings of Poland. His parents intended a military career for him and accordingly had him educated at a cadet school. He had a flair for mathematics and engineering and in the 1920's he served his country by founding the first Hungarian Sail plane Society.

He studied theology in Hungary, Switzerland and Holland and until the beginning of the Second World War, ministered to rural congregations in Eastern Hungary. During this time he worked to improve the living conditions of the poor peasants under his care, and for this work he was officially commended by the Hungarian Government.

During the War he served with distinction as a Chaplain in the Hungarian Army with the rank of Captain and at the end of the war he moved with his regiment to Germany. From Germany he migrated to Brazil and served as a minister in the Hungarian Reformed Church there, during which time he edited a monthly Church paper. From Brazil he came to Canada in 1955 and served in three charges of The Presbyterian Church in Canada — Calvin Hungarian Church, Calgary; Interior of British Columbia; and First Hungarian Church, Toronto. In the Interior of British Columbia Mr. Bathory was a territorial missionary to the Hungarian immigrants scattered all the way from the American border, up the Old Cariboo Trail to Prince George, and west to Kitimat on the Pacific Ocean — a parish of over 1,000 miles in length.

Mr. Bathory reluctantly left this extensive ministry to come to First Hungarian Church, Toronto, "on loan" for three months because of a crisis in that congregation. He was persuaded to stay and under his ministry the Toronto congregation became self-supporting and called him to be their minister. After his induction by the Presbytery he extended his ministry to a smaller congregation of Hungarians in Oshawa and the work there was prospering under his care.

REV. C. J. BECKLEY

After several months of debilitating illness, the Reverend C. J. Beckley, minister of Knox Church, Woodville, and St. Andrew's Church, South Eldon, passed away on Christmas Day, 1960.

Mr. Beckley came to Canada from England at the age of twenty-one and took theological training in Toronto serving the United Church of Canada in Saskatchewan, and also some charges in Eastern Ontario and Fort Erie, Ontario.

In 1945 Mr. Beckley transferred to the Presbyterian Church in Canada, ministering in Thornbury and Meaford for nine years and moving from there to Woodville where he served the charge for nearly seven years prior to his death. He was a life member of the Masonic Order, serving as Chaplain. During the years in Thornbury he was Secretary of the Rotary Club.

At the funeral service an expression of appreciation on behalf of his brethren of Lindsay Presbytery was made by the Reverend E. G. MacDonald, B.A., who

mentioned the great load Mr. Beckley had carried as a Presbyter at a time when there was a great shortage of men in the Presbytery. Although his health was failing, Mr. Beckley continued to do a work that was beyond his strength, and which in all probability hastened his death. He was meticulous in all he did, in the business of the Presbytery, the conduct of his own pulpit ministry, and in the ordering of the affairs of the congregation. "A workman that needeth not to be ashamed."

To Mrs. Beckley and her family the Presbytery of Lindsay extends its deep sympathy in their great loss.

REV. R. W. COLLINS

The Reverend R. Wallace Collins died at Toronto, Ontario, on February 14, 1962, in his 89th year. Born in Ireland, he graduated in theology from Queen's University in Belfast. He came to Canada in 1904 and ministered to congregations in Calgary, Victoria and New Westminster.

In 1915 he joined the staff of The Frontier College and was associated with it for 45 years. During this period, he enlisted support for the College all across Canada and was held in high regard by business and labour leaders.

He maintained a deep interest in the work of the Church and supplied vacant pulpits. He was an Elder of St. Giles Kingsway Church.

Surviving are his wife, the former Mamie Cardiff, a daughter, Mrs. T. A. Relyea (Eva), and two grandchildren. The funeral was conducted by the Reverend W. J. Adamson and the Reverend R. H. M. Kerr.

REV. REGINALD E. G. DENNYS

The Reverend Reginald E. G. Dennys suffered a stroke while on holiday and died in Uxbridge Cottage Hospital on Saturday, August 18th, 1962.

Mr. Dennys was born in India; educated in England where he graduated in engineering from the University of London in 1912. He came to Canada as a naval architect and served at Esquimalt during World War I.

In 1922 he became director of young people's work at Knox Church, Toronto and four years later began studies for the ministry, graduating from McMaster University in Arts and from Knox College, in theology in 1929. In 1956 he earned the degree of B.D. from Knox.

After ordination he served first at Forest Hill Presbyterian Church, Toronto for three years, then as assistant at St. Andrew's, Toronto. From there he was called to Westminster Church in 1946, where for the past sixteen and a half years he has labored faithfully as Minister of the Gospel, greatly beloved by his flock as a diligent Pastor, Counsellor and friend.

In this Presytery Mr. Dennys was held in high esteem by all his brethren. Conscientious to an unusual degree in all work which he undertook for Presbytery, he regularly attended the meetings of the Court where his guidance and counsel were valued and respected. On the various Committees of the Court, especially Christian Education and Overseas Missions, he worked untiringly in his efforts to promote the welfare of the Church and of the Kingdom of Almighty God. He was a member of the department of Christian education of the Canadian Council of Churches and a chaplain of the Royal Canadian Legion.

Surviving are his wife, a son John, teacher at Trinity College School, Port Hope, and a daughter Mary, vice-principal of Havergal College, Toronto. Westminster Church was filled for the funeral service Tuesday, August 21st, conducted by the Presbytery.

REV. HORACE KAYE, B.Th.

The Presbytery of Peterborough desires to record its appreciation of the life and work of the Reverend Horace Kaye, B.Th., who died in Peterborough on Monday, July 9th, 1962.

Born in Yorkshire, England, Mr. Kaye was educated in Great Britain and the United States, holding the degree of Bachelor of Theology from Auburn Theological Seminary. During the First World War, he served in Egypt as a mechanic in the Royal Flying Corps and in 1953 enlisted as a chaplain in the Canadian Army. In this capacity, he ministered at Camp Borden, Ontario and Windsor, Nova Scotia.

Mr. Kaye served the church in several charges after being ordained by the Presbytery of Toronto in 1927. He ministered in Boston and Omagh, Dromore and Normanby, Colborne, Lakeport and Brighton and after the last war concluded his formal ministry in the charge of Lakefield, Fowlers Corners and Omemee in the Presbytery of Peterborough. Upon his retirement, the General Assembly granted permission to the Presbytery of Peterborough to place his name on its constituent roll in 1959.

During retirement, Mr. Kaye rendered valuable service as supply within the bounds, assisting in various vacancies and aiding in the work of the court as interim-moderator. When health permitted he showed a keen interest in the proceedings of Presbytery and was concerned with the ministry to small vacant charges and mission fields, urging that they be not forgotten.

For the life and work of this devoted Presbyter and Servant of the Word, the Presbytery gives thanks to Almighty God and the Lord Jesus Christ and commends the sorrowing family to our Heavenly Father who in Christ Jesus hath said: 'I will not leave you comfortless.'

REV. WALLACE McCLEAN

On Thursday, April 25th, 1963, at Elmvale, Ontario, the esteemed and beloved minister of the congregations of Elmvale, Knox Flos and Fergusonvale, the Rev. Wallace McClean, was suddenly called to lay down his earthly task and inherit the promises which await those who love and serve the Lord.

Mr. McClean was born at Ballymena, Northern Ireland, where God-fearing parents led him to an early commitment to Christ and His Church. Following his primary and secondary education in the native Parish schools he gained considerable experience in "lay preaching" and missionary work.

The need of the Presbyterian Church in Canada for ministers and missionaries following 1925 appealed to him. He came to Canada in 1927 and enrolled at McMaster University. He later attended the University of Toronto and was graduated from Knox College in 1934. He was Licensed by the Presbytery of Toronto, and Ordained by the Presbytery of Kootenay in the Synod of British Columbia. He served as "Ordained Missionary" at Nelson and Salmo Community, B.C.

He was called to Ailsa Craig in the Presbytery of London and Inducted there on July 18th, 1935. He ministered there for four years, and then, following a brief pastorate in Leamington in the Presbytery of Chatham, he enlisted in the Chaplaincy Service with the Royal Canadian Air Force.

Mr. McClean's appreciation of the thinking and attitudes of young men, his happy and kindly disposition, easy manner, radiant faith and steadfast adherence to high moral principles made him most useful and greatly loved among service personnel.

Upon conclusion of the War he decided to return to the pastoral ministry and was called to Victoria Harbour in the Presbytery of Barrie. From there he was called to Picton in the Presbytery of Kingston. After four years there he was called to Lucknow in the Presbytery of Huron-Maitland.

In March 1960 he was called to Elmvale. During his short ministry in this widespread parish he took an active interest in community affairs. He saw purpose and greatness in the common-place things of the present because he saw them in their relation to an eternal background in which they have both their source and their consummation. He is gratefully remembered by many friends, especially by the congregations to whom he ministered as a sympathetic friend and pastor.

The funeral service was held in the Elmvale Church under the auspices of the Presbytery of Barrie, conducted by the Moderator, the Rev. Dr. Hugh Jack, assisted by the Rev. John Y. Fraser, a Knox College classmate, and the Very Rev. Dr. J. A. MacInnis.

Mr. McClean is survived by his widow, the former Evangeline Goss of Picton, Ontario; four sisters and a brother of Belfast, Ireland.

REV. HAROLD HERBERT MARK

The Reverend Harold Herbert Mark was born in Belfast, Ireland, on January 17th, 1910. As a young man he went to Glasgow and studied to be a pharmaceutical chemist. Believing he was called to be a Minister, he first trained at the Bible Training Institute, Glasgow, and then, realizing the need for further training to qualify as a licentiate of the Church of Scotland, he studied at Glasgow University from which he was graduated with first class honours in philosophy and psychology. He took an M.A. degree from this University, and completed his theological training in the Church of Scotland's Trinity College, Glasgow, and was ordained in 1946.

In 1955 he was called to Thedford, Warwick and Watford in our Presbytery of Sarnia. Following a ministry there of four and a half years he was called to St. Andrew's, Newmarket, in the Presbytery of East Toronto. In April of 1961 he received his Bachelor of Divinity degree from Knox College.

On July 1st, 1962, he died a few moments after announcing the last hymn of the Service. The funeral was conducted by the Moderator of the Presbytery of East Toronto, the Rev. J. H. Marshall. Lessons were read by the Moderator of the 88th General Assembly, the Rev. Dr. R. K. Cameron, and by Canon Rhodes of Newmarket, representing the Newmarket Ministerial Association. The funeral address was given by the Rev. Dr. L. H. Fowler of Aurora. The Moderator of Synod, the Rev. John Waldie, assisted at the burial service in Newmarket Cemetery.

Mr. Mark is survived by Mrs. Mark, nee Valentine, and two children, Janice, 15, and Raymond, 13. His ministry was characterized by a high degree of faithfulness, sermons of penetrating thought, and by great popularity among all the people of the town of Newmarket.

REV. WALTER PATTERSON, M.A.

The Reverend Walter Patterson, M.A., died on February 3, 1963, in Civic Hospital, Peterborough, Ontario at the age of 88.

Born in Dublin, Ireland, he was the son of William Patterson and the former Margaret Nesbitt. On July 21, 1909, he married Louise Hillis.

A graduate of Trinity College, Dublin, and Assembly's College, Belfast, Mr. Patterson came to Canada in 1920. He served faithfully in several pastoral charges in Ontario: Norval and Union, Stayner and Sunnidale, Preston, Mill-

brook and Centreville. In 1946, he was elected Moderator of the Synod of Toronto and Kingston. Since 1952, he has resided in Millbrook and at the request of the Presbytery of Peterborough the General Assembly granted permission for his name to be placed on the constituent roll as a tribute to his fidelity.

Mr. Patterson's ministry was characterized by sound evangelical preaching. For more than 20 years he wrote Sunday School material for the Evangelical Christian. He was an active and interested member of Presbytery throughout his ministry and retirement, assisting many times in various vacancies.

He is survived by his wife, a son Herbert and a daughter Edith, both of Toronto.

To the sorrowing relatives the Presbytery of Peterborough extends its deepest sympathy and comends them to the comfort of the Heavenly Father's love.

During his active ministry he was always much in demand as an Anniversary Speaker. In this capacity he had great influence far and wide. He was born August 19th, 1876.

Dr. Turner leaves to mourn his loss, his wife, and one son Morrice, who now lives in Cincinnati, Ohio.

SYNOD OF BRITISH COLUMBIA

REV. WILLIAM JOHN ALLEN

The Presbytery of Westminster gives thanks to the only King and Head of the Church for the life and labours of the Reverend William John Allen, who died on July 18th, 1961, in Burnaby, B.C.

Mr. Allen was born in 1875 in Achenesceough, County Down, Ireland. His plans to go to China, for which he was training at the University of Edinburgh, were changed owing to the Boxer Rebellion, and, recruited by Rev. James Robertson, he came to Canada for missionary work. He graduated from Manitoba College in 1905 and did pioneer service in Alberta.

British Columbia benefitted by his ministry first at Quesnel for six years, in which town he married in 1909, and then at Penticton.

After four years at Cobden, Ontario, Mr. Allen was called back to Manitoba, where he served at Douglas, Moore Park and Lauder, and for fourteen years at St. Andrew's, Brandon. During this period he was most helpful to Presbytery and to students and missionaries as Missions Convener.

Partially recovering from an arthritic condition, Mr. Allen accepted a call from Knox, Sapperton, New Westminster, where he ministered for four years until his retirement. He was ever interested in the work of the Church, acting as an elder in Vancouver Heights Church, and giving supply at Hunter Church, Vancouver, until prevented by ill health.

Fitting tribute was paid to our brother's memory at the funeral service conducted by Rev. D. J. Gillies on Saturday, July 22nd. Burial was in Forest Lawn, Burnaby.

REV. JOHN RICHARD FRIZELL, B.A., LL.B.

In his ninety-first year, Rev. John Richard Frizell, B.A., LL.B., died on October 24th, 1962, after a long illness borne with patience and hope. Tribute to his person and ministry was paid at the funeral service, under the auspices of the Presbytery of Westminster in Central Church, Vancouver, the following Sabbath afternoon. Rev. Norval G. Robertson and Rev. Edward Bragg conducted the service and Rev. F. G. St. Denis gave the address and extended the sympathy of the Synod, Presbytery and the large number of friends and former parishioners to Mrs. Frizell, the son, Mr. Tyndale Frizell, and other members of the family.

A native of Ontario, Mr. Frizell had a brilliant scholastic record in Queen's University from which he graduated in Arts. There also, and in Manitoba College he prepared for the ministry and had his first charge in Athens, Ontario. Mission work on the Prairies then called him and he served in Winnipeg, Holland and Whitewood.

Returning to the University of Manitoba Mr. Frizell graduated again, in Law, and thereafter practised as barrister and solicitor in Winnipeg for thirteen years.

The call of the Church, however, persisted, and in 1919 he became minister of Vancouver Heights Church, Vancouver, British Columbia, where he remained until 1927. Then, with ten years in each, Mr. Frizell was pastor of First Church, Prince Rupert, and St. Paul's, Vancouver. His final work before retirement was in Hunter Church, Vancouver.

Presbytery records its great appreciation of Mr. Frizell's fine ministry, and his valuable contribution to Synod and Presbytery in which he was Moderator, Clerk, and committees convener. He represented the church well in the community. He pioneered and directed "The B.C. Church of the Air", an inter-denominational radio broadcast. There was membership in several literary and cultural societies.

Mr. Frizell's preaching was characterized by a scholarly style, and his own wide reading and love of drama and poetry were constantly used to illustrate the Divine Truth. Never, however, by literary allusion was the simplicity of the Gospel or the Cross of our Saviour lost or obscured. God's majesty in Creation was extolled and the Loving Redeemer, even The Good Shepherd, was ever made real.

WHEREAS The Presbyterian Church in Canada has many Churches located in areas difficult to find by visitors and newcomers; and

WHEREAS most Provinces permit the erection of signs meeting prescribed specifications;

THEREFORE the Presbytery of Montreal humbly overtures the Venerable the General Assembly to make available uniform signs whereon, by means of an arrow or description, directions may be given to Presbyterian Churches.

UNPRINTED OVERTURE No. 2 — PRESBYTERY OF SUPERIOR

Re: USE OF MINISTERS

WHEREAS our church is graduating fifteen fewer students per year from our Theological Colleges than required to meet present needs.

WHEREAS it takes anywhere from six months to a year to secure a minister for a vacant charge.

WHEREAS some churches have been seeking a minister and can well afford to pay an adequate stipend have been vacant for as long as two or three years.

WHEREAS the church extension programme is seriously hampered because of the current shortage of men to undertake new work.

WHEREAS Mission Fields have a seriously disrupted ministry when graduates fulfill their legal Missionary requirement and preach for a call.

WHEREAS it is necessary to use the ministers of other than Presbyterian Churches to fill our vacancies.

WHEREAS it appears that there are a number of ministers occupying administrative offices which could be filled by qualified members on the communicant rolls of the church.

WHEREAS we believe we have ministers in middle life and over, who have gifts that are not being fully utilized by the Church.

It is humbly overtured by the Presbytery of Superior that the General Assembly shall appoint a Committee to examine and consider the present use of our manpower in the church and to make recommendations to the 90th General Assembly as to the most effective employment of all who have been called into the full-time service of the church in the light of our resources, potential and actual, and of our needs for the present and future; or that they do otherwise for this object what to their wisdom may seem best.

*Re RELEVANT STUDY MATERIAL CONCERNING OUR DISTINCTIVE WITNESS AS A SEPARATE COMMUNION**To The Venerable the 89th General Assembly:*

WHEREAS there is a need in our Church for information re our reason for being; and

WHEREAS our people, ministry and laity, desire relevant study material concerning our unique, distinctive witness as a separate communion;

THEREFORE, we, the Presbytery of Stratford, humbly overture the Venerable, the General Assembly, to request that the Articles of Faith Committee in co-operation with the Committee on Inter-Church Relations provide our Church with *relevant study material* on the following matters:

(1) What theological differences existed between the Presbyterian Church in Canada and the United Church of Canada in 1925?

(2) What theological emphasis today form our unique, distinctive witness as a separate communion apart from the United Church?

(3) What major areas of theological agreement exist today between the two denominations?

(4) Are these areas of agreement sufficient to warrant conversations which would attempt to provide our people with a confession of faith which both denominations could hold in common?

Or that the General Assembly do otherwise for this purpose as in its wisdom may deem best.

*Re TRAINING OF MINISTERS**To The Venerable the 89th General Assembly:*

WHEREAS two Theological Colleges, namely Presbyterian College, Montreal, and Knox College, Toronto, exist under the authority of the General Assembly for the training of our ministers; and

WHEREAS the Professors and Lecturers in the said Colleges reflect the teaching of our Church in the Reformed Tradition; and

WHEREAS some men attend other theological institutions whose teaching is not in line with our Reformed Tradition;

THEREFORE, we, the Presbytery of Stratford, humbly overture the Venerable, the General Assembly, to require that men who have taken their theological training in a College of a Church not within the membership of the World Presbyterian Alliance, and before being received into the Ministry of our Church, in complete one year of intramural study, prescribed by this Venerable Body, in either Presbyterian College, Montreal, or Knox College, Toronto, or to do in its wisdom whatever may seem best.

Re: MODERATOR'S COMMITTEE BRIEF

To the Venerable the General Assembly:

That with respect and submission the Session of St. Andrew's Presbyterian Church, Guelph, disagrees with the brief submitted by the Moderator's Committee on behalf of the Presbyterian Church in Canada to the Government of Ontario in that:

(a) The entry of the Church into what is essentially a political field should be taken only with the greatest of care and consideration and upon proper authorization of General Assembly.

(b) The brief, with its emphasis on the role of the Church of Christ in our school system, tends to ignore the large non-Christian school population and the necessity of bearing their traditions in mind.

(c) The argument that our schools should be implements in Christian teaching is open to opposition. Not only must the position of Jewish and other children be considered but the value of Christian teaching or religious instruction by teachers who may have little training or true faith is debatable. The School should not try to take the place of the Church. The School need not be irreligious or Godless but whether it should be a protagonist of Christianity is a matter requiring much study before a firm position is adopted.

(d) The Brief did not mention the seriousness of the division which occurs in our community and our province by separating students on the basis of religious faith. What is required is more mingling and understanding of other views and this would be hindered by extension of government subsidies to higher levels of separate as distinct from public education.

UNPRINTED OVERTURE No. 6 — PRESBYTERY OF KAMLOOPS

Re SPIRITUAL AND MORAL TRAINING OF YOUTH

To the Venerable The General Assembly:

WHEREAS an increasing emphasis is being placed on education with increasing amounts being spent on formal education, and,

WHEREAS secular education is not sufficient to meet the needs of our society, as is evidence by increasing demands for institutions of correction and rehabilitation, and,

WHEREAS more earnest and more comprehensive attention needs to be given to moral and spiritual training:

THEREFORE the Presbytery of Kamloops humbly overtures the General Assembly to give consideration to requesting Provincial Governments to enact legislation requiring that time be apportioned from the school work for definite religious instruction, for all pupils whose parents have religious affiliation or faith, and are desirous of such training for their children, or that the General Assembly do for this end what in their wisdom may seem best.
